**Hampstead Support
Personnel Association
Contract
July 1, 2013 - June 30, 2017**

ARTICLE I - RECOGNITION

1.0 RECOGNITION OF ASSOCIATION

The Hampstead School Board (hereinafter referred to as the "Board") recognizes the Hampstead Support Personnel Association (hereinafter referred to as the "Association") as the exclusive representative for the following positions: all full and part time maintenance, custodial, and lunch room/food service personnel, excluding manager of plant operations, director/manager of food service and building principals.

The School District has the sole jurisdiction, authority and discretion to layoff lunch room/food service employees and/or to contract with individuals, companies or agencies to provide food services that otherwise would be provided by members of this bargaining unit.

However, for those lunch room/food service employees who were employed by the School District on July 1, 2005, the following 'grandfather' provisions shall apply:

- (1) Such employees shall not be laid off from School District employment for the purposes of or with the effect of being replaced by a food service contractor for as long as they remain continuously employed by the School District.
- (2) When the employment of such employees by ends, the School District shall not hire replacement employees, but shall secure replacement services through a food service contractor; and
- (3) If such employees of the School District become employees of the food service contractor in the future, they shall not constitute employees of the School District and shall not be members of this bargaining unit.

1.1 DEFINITION OF EMPLOYEE

The term "Employee", when used in the text of this agreement, means all members of the above bargaining unit, unless otherwise indicated.

1. Full-time employee: 30 or more hours worked per week.
2. Part-time employee: Less than 30 hours worked per week.
3. Temporary employee: Not to exceed 45 days worked per fiscal year.

1.2 RECOGNITION OF BOARD'S AUTHORITY

The Association recognizes and accepts the Board's statutory authority and jurisdiction over the direction and management of the affairs of the Hampstead School District and the formulation of policy therefore, and agrees that the Board's obligation under the provisions of RSA 273-A is limited to the express provisions of this Agreement only.

ARTICLE II - NEGOTIATIONS PROCEDURE

2.0 NOTIFICATION

Upon written request of either party on or before October 1st of the calendar year prior to the expiration of this Agreement, the parties agree to enter into negotiations in a good faith effort to reach an agreement, as defined by RSA 273-A.

2.1 USE OF CONSULTANTS

Either party may, if it so desires and at its own expense, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

ARTICLE III - EMPLOYEE PRIVILEGES

3.0 ACCESS TO PERSONNEL FILES

An employee will have the right to review the contents of his/her personnel file, except initial references, after giving 24-hour written notice. The employee may be accompanied by a representative of the Association during the review. The official copy of the personnel file shall be housed at the office of the Superintendent of Schools. All other files on an employee will be confidential, available to supervisors only, and kept in a secure place.

3.1 MATERIAL NOT TO BE FILED WITHOUT EMPLOYEE'S KNOWLEDGE

No material shall be placed in the employee's personnel file until the employee has been given the opportunity to review and sign the document(s). The employee's signature on any document is solely to acknowledge that he/she has reviewed it and shall not be construed to imply agreement or disagreement with its contents. The employee may submit written explanations or rebuttals to be attached to any document in his/her personnel file.

3.2 COMPLAINTS AGAINST EMPLOYEE

If a complaint is lodged against an employee, the administration will investigate it using a conflict resolution process. If there is substance to the complaint, the issue will be brought to the attention of the employee for explanation and/or correction.

3.3 PINS AND INSIGNIA PERMITTED

No employee shall be prevented from wearing pins or other identification of membership in the Association or its affiliates.

ARTICLE IV - ASSOCIATION RIGHTS AND PRIVILEGES

4.0 ACCESS TO PUBLIC INFORMATION

The Board agrees to furnish to the Association, in response to reasonable requests from time to time, public information concerning the financial resources of the District including, but not limited to, annual financial reports and audits, agendas and minutes of Board meetings, and census. The Association will pay costs associated with requests that entail extensive information, billed at the then current hourly secretarial rate.

4.1 ASSOCIATION REPRESENTATIVE

When an employee(s) is mutually scheduled to participate in negotiations or grievance proceedings during working hours, he/she shall suffer no loss of pay, leave or benefits, but will be expected to make up 25% of the work time lost. Every effort shall be made to schedule those events during non-working hours.

4.2 TRANSACTION OF BUSINESS ON SCHOOL PROPERTY

Representatives of the Association shall be permitted to transact official Association business on school property at all reasonable times other than working hours, provided that school operations are not affected. The Association must request the use of facilities prescribed by School Board policies.

4.3 USE OF SCHOOL EQUIPMENT

Designated Association members shall have the right to use school computers and duplicating equipment with the approval of the Principal at reasonable times. Other equipment may be used with administration's permission. The Association will exercise reasonable care in its use of equipment, will reimburse the District for the cost of supplies used and will assume all responsibility for damages.

4.4 USE OF SCHOOL FACILITIES

Association members shall have the right to use school mailboxes, with the approval of the Principal. Material placed in the mailboxes shall not be political in nature.

4.5 DUES DEDUCTION

The Board agrees to deduct dues for the Association and its affiliates from the salaries of those employees who have requested and authorized such deductions on forms approved by the Superintendent (see Appendix C), and transmit the monies at each payroll period to the designated treasurer of the Association. All deductions must be compatible with the District's payroll procedures.

4.6 BUSINESS NOT TO BE DISRUPTIVE

The Association will conduct its business in such manner as not to disrupt the activities or facilities of the School District.

ARTICLE V - DISCIPLINARY PROCEDURES

5.0 WHEN REQUIRED

The Board and the Association recognize that school employees serve the public and are expected to meet job performance and personal conduct standards, work well with their peers and, in general, work toward reaching the goals of the District. When behavior departs from the standards set by the District, the need for disciplinary action arises.

5.1 PROCEDURE

Step 1: For minor offenses the employee is given a verbal warning. If the situation does not improve within 10 working days, the second step is taken.

Step 2: For a more serious offense, a written warning is given to the employee and placed in the personnel file. The employee will be allowed to respond in writing to any written warning; this response will be attached to the warning in the personnel file.

Step 3: A second written warning may be cause for suspension from work without pay. Should a suspension occur, the employee will be entitled to an appeal to the Superintendent of Schools. A member of the Association may attend, if requested by the employee.

Step 4: A third written warning is cause for immediate suspension without pay and/or discharge from employment. Any employee so suspended or discharged will be entitled to an appeal to the School Board with representation of his/her own choice.

5.2 STEP SEQUENCE NOT MANDATORY

Depending on the seriousness of the offense, it is not necessary to proceed through the entire four steps or essential to start with the first step. At all times, discipline should be commensurate with the offense committed.

5.3 DISCIPLINARY ACTIONS PART OF WRITTEN RECORD

All written records are to be part of the employee's cumulative record.

5.4 REASONS FOR ACTION MUST BE STATED

The reason(s) for all suspensions and discharges must be verbally stated immediately, followed by written confirmation sent by certified mail to the employee within two (2) working days of the suspension or discharge.

5.5 SUSPENSION, DISCHARGE OR REDUCTION IN PAY

An employee may not be suspended, discharged or reduced in compensation unless one or more of the following reasons exist:

- A. inefficiency or incompetence
- B. failure to observe rules and/or regulations of the administration or school board
- C. moral misconduct
- D. other due and sufficient cause

5.6 REVERSAL OF ACTION

In the event a suspension or discharge is appealed to the superintendent or the School Board and the action is overturned, the employee will be restored to the previously held position without any loss of pay or benefits.

ARTICLE VI - GRIEVANCE PROCEDURE

6.0 PURPOSE

This article provides for an orderly and sole procedure for the processing of employee, Association and Board grievances pertaining only to the interpretation or application of expressed provisions of this Agreement. The negotiated grievance procedure may not and shall not cover any matter for which statutory appeals procedures exist. Questions as to the interpretation of published Board policies and regulations, provisions of law, or policies and regulations of appropriate

authorities outside the Board shall not be subject to the negotiated grievance procedure regardless of whether such policies, laws or regulations are quoted, cited or otherwise incorporated or referenced in this Agreement. The Board encourages the employees to take issues that cannot be resolved under this section through the school administrative structure.

6.1 DEFINITIONS

- A. **GRIEVANT** is the employee or employees alleging the grievance.
- B. **GRIEVANCE** is an alleged violation of the express terms and conditions of this contract.
- C. **ASSOCIATION GRIEVANCE** is a grievance which involves more than one employee or administrator. It may be filed by the Association instead of an employee and shall be resolved through the formal procedure.
- D. **BOARD GRIEVANCE** is a grievance against a group of employees or the Association. It shall be resolved through the formal procedure.

6.2 FILING PERIOD - FAILURE TO ACT

The grievance to be considered under this procedure must be presented to the second party within ten (10) work days of its occurrence, or within ten (10) work days of when the first party should reasonably have known of its occurrence.

Once the grievance is being considered, the failure of the aggrieved party or parties, to appeal a decision, or lack of a decision, rendered at a given step in the procedure to the next step within the specified time limit, constitutes explicit acceptance of the decision and is a waiver of further appeal of said decision.

Failure to communicate the decision on a grievance within the specified time limit, at any step of this procedure, shall permit the aggrieved employee to proceed to the next step.

6.3 ALLOWABLE TIME EXTENSIONS

The specified time limits may be extended by mutual written agreement. Should a grievance be filed at such time that it cannot be processed through all the steps of the grievance procedure by the end of the employee's work year, time limits set forth herein may be reduced by mutual written agreement, so that the grievance procedure is exhausted prior to the end of the employee's work year or as soon thereafter as is practicable.

NOTE: All grievance timelines are doubled if the grievance is received either the week before or during a school vacation period.

6.4 CONFIDENTIALITY

Both parties agree to keep these proceedings as confidential as may be appropriate at any level of the procedure.

6.5 ASSOCIATION PARTICIPATION

The employee may be accompanied by a representative of the Association, at the request of the employee, at any step of the grievance procedure.

6.6 GRIEVANCE PROCEDURES

A. INFORMAL PROCEDURE

The employee(s) shall first discuss the grievance informally with the Facilities Manager or Food Service Director, as appropriate. The cognizant administration will meet with the employee and attempt to resolve the grievance. The administrator must render a written decision within five (5) work days of the meeting.

B. FORMAL PROCEDURE

Step 1:

If no satisfactory settlement is reached at the informal procedure, the employee shall reduce the grievance to writing (see Appendix B) and submit it to the Principal within five (5) work days of the cognizant administrator's informal decision. The written grievance shall contain the details of the complaint, the corrective action desired by the employee, and a copy of the informal decision. The Principal will meet with the Facilities Manager or Food Service Director and the employee(s) within 5 work days of receipt of the grievance as determined by stamped receipt at the Principal's office and attempt to resolve the grievance. The Principal shall submit a written decision to the employee within ten (10) work days of the meeting.

Step 2:

If no satisfactory settlement is reached at Step 1, the employee shall reduce the grievance to writing (see Appendix B) and submit it to the Superintendent within five (5) work days of the Principal's decision. The written

grievance shall contain the details of the complaint, the corrective action desired by the employee, and copies of prior decisions. The Superintendent will meet with the Principal and the employee within 10 days as determined by stamped receipt at the Superintendent's office and attempt to resolve the grievance. The Superintendent shall submit a written decision to the employee within ten (10) work days of the meeting.

Step 3:

If a satisfactory settlement has not been reached at the previous step, the employee has five (5) work days after the Superintendent's decision to submit the grievance to the Board for resolution (see Appendix B). The Board shall meet with the Superintendent and the employee within fifteen (15) work days after receipt of the request. The Board shall render its decision in writing to the employee within ten (10) work days of the meeting.

Step 4:

If the employee is not satisfied with the Board's decision, he/she may file the grievance with the State's Public Employee Labor Relations Board, as prescribed in RSA 273-A:6.

6.7 IMPORTANCE OF GRIEVANCE RESOLUTION

The Board and the Association recognize and endorse the importance of bringing to light and adjusting grievances promptly. The initiation of a grievance in good faith by an employee will not cause any reflection on the employee's standing with the administration or on his/her loyalty and desirability to the District, nor will the grievance be considered to be a reflection on the Administration or the Board.

ARTICLE VII - WORK YEAR AND WORK WEEK

7.0 NORMAL WORK WEEK AND SHIFT

The normal work-week and shift for all employees will be as stated at the beginning of employment with the District or in the individual's annual letter of agreement. Where possible, this letter will contain the normal work location, employee supervisor, job description and compensation.

7.1 LUNCH PERIOD

Every employee who works more than five (5) consecutive hours in any day shall be entitled to an unpaid continuous lunch or eating period of thirty (30) minutes duration, as prescribed in RSA 275:30a. The supervisor has the right and shall assign employee's lunch periods.

7.2 HOLIDAYS

The following are paid holidays for employees who work 20 hours a week or more, if the holiday(s) occurs within the work year. For those employees who would work a half-day on holidays, a half-day of holiday pay is given.

- Independence Day
- Labor Day
- Columbus Day
- Veterans' Day
- Thanksgiving
- Day after Thanksgiving
- Christmas
- New Year's Day
- Martin Luther King Jr. Day
- Presidents' Day

To be paid for a holiday, an employee must work on the scheduled workday before and after the holiday, unless he/she is on scheduled vacation, jury duty, or documented sick leave. The Hampstead School District will pay the cost for the documentation if beyond current insurance protection. Under extraordinary circumstances, this requirement may be waived by the employee's supervisor.

When a holiday falls on Sunday or whenever state and federal observances or the school calendar are in conflict, the Board shall determine which day is to be taken.

7.3 VACATIONS

Employees shall receive paid vacations as follows:

A. FULL TIME

Fifty-two week employees will earn paid vacation at the rate of:

2 weeks per year after 1 year of service,

Requests to use paid vacations days must be submitted two weeks in advance and must be approved by the Director of Maintenance or his or her designee.

B. PART TIME

Employees who work at least 20 hours per week for the school year, up to 195 days, will receive five days vacation pay at the close of the school year. If the employee works less than the school year, vacation pay will be prorated to the equivalent of 1 day for every 2 months worked.

Part time employees with more than ten (10) years of service in the district will receive ten days vacation pay at the close of the school year. If the employee works less than the school year, vacation pay will be prorated to the equivalent of one day per month worked.

- A. Overtime will be offered equally to all qualified employees over the course of the year.
- B. Overtime will be paid to an employee at a rate of 1.5 times the employee's regular rate of pay if the employee is assigned to work, and actually does work, more than 40 hours in any one week.
- C. Time and one half will be paid for all hours authorized by the Administration and worked on Sundays and/or holidays.

ARTICLE VIII - YEARS OF SERVICE

ARTICLE XIII - INSURANCE

13.0 GENERAL

The District agrees to make available medical, dental, disability and life insurance to full-time thirty (30) hour a week employees covered by this agreement as stipulated below.

New employee coverage including probationary employees and part-time employees moving to full time status will be effective the first day of the month following enrollment in the plan and acceptance by the insurance company. Employees are solely responsible for completion of the application forms of the District's own insurance carriers.

A) HEALTH INSURANCE

Eligible employees may elect coverage under Blue Cross/Blue Shield Blue Choice NH, or Matthew Thornton HMO. The NH Blue Cross Blue Shield Comp 100 Plan will no longer be available. The District shall pay 90% and the employee shall pay 10% of the premium for single, two-person or family coverage, whichever is elected by the employee.

B) DENTAL INSURANCE

Eligible full-time (thirty) 30 hour a week employees may elect Northeast Delta Dental Coverage. The District shall pay seventy-five (75%) and the employee shall pay twenty-five (25%) of the premium if the employee selects a single plan. The District shall pay fifty (50%) and the employee shall pay fifty (50%) of the premium if the employee selects a two-person or family plan.

C) TERM LIFE INSURANCE

An amount of fifteen thousand dollars (\$15,000) or the equivalent of the employee's contracted salary to the nearest one thousand dollars (\$1000), whichever is greater, from an insurance carrier to be selected by the Board shall be provided to eligible full time thirty (30) hour per week employees. The District shall pay one hundred percent (100%) of the premium for such a plan for all eligible full-time 30 hour a week employees.

D) DISABILITY INSURANCE

1. Long term disability

An eligible employee may elect to be covered by long-term disability insurance. The District shall pay 100% of the premium for such coverage. After an employee has been disabled for 90 consecutive calendar days, he/she shall be eligible for benefits equal to two-thirds salary, up to a maximum of \$2000 per month, until the disability terminates or age 65, whichever comes first.

2. Short term disability

An eligible employee may elect to be covered by short term disability insurance. The District shall pay one hundred percent (100%) of the premium for such coverage. After an employee is disabled he/she will be eligible for benefits equal to two-thirds salary up to a maximum of \$450 per week for thirteen weeks. 13.1 NEW HAMPSHIRE RETIREMENT SYSTEM

Employees who work thirty-five (35) or more hours per week must enroll in the NH Retirement System and contribute the prescribed percentage of gross pay.

13.2 VOLUNTARY PREMIUM CONVERSION PROGRAM

Any employee may request participation in the voluntary premium conversion program, under Internal Revenue Code Section 125, provided by the District at no cost to the employee. This program allows the deduction of employee contributions toward the cost of medical and dental insurance premiums before taxes are computed, thereby reducing the amount of employee's wages subject to federal tax withholding. The employee must contact the payroll office for instructions.

13.3 ALTERNATIVE CARRIER

The parties may select alternative insurance carriers at their discretion, provided the alternative insurance carriers are mutually acceptable to the parties.

13.4 INSURANCE FOR PART TIME EMPLOYEES

Employees, who work less than full-time thirty (30) hours a week, may opt to join the group insurance in Section 13.0, sub-sections A and B, only, at their own expense, if eligible under the carrier's rules.

Employees shall be required to report within twenty-four (24) hours any accident and physical injury or illness sustained in the course of employment. In addition to reports required by law, employees shall file an accident report, on forms supplied by the District and available at all times in the custodian room, at the end of their shift and shall turn in all available information including names and addresses of witnesses to the accident. Failure by any employee to comply with the provisions of this section shall be the subject of appropriate disciplinary action, including discharge. The District and its agents shall provide the necessary forms.

14.1 COURSE REIMBURSEMENT

Course reimbursement for growth in job skills will be allowed upon prior written approval of the Superintendent. Reimbursement will be made upon presentation of evidence of successful completion of the course. The total amount available for course reimbursement is \$3,000 per school year.

If the director of food service or the facilities manager requires an employee to attend a course, the employee shall be paid for his or her time to attend the course and the District shall pay for the costs of tuition and materials that are required for the course.

If any provision of this agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
