AGREEMENT

THIS AGREEMENT made and entered into by the Dresden School District and the Hanover School District (hereinafter called the Districts) and Local #1348 of the American Federation of State, County and Municipal Employees, Council 93, AFL-CIO, (hereinafter called the Union), representing the service employees of the Dresden School District and the Hanover School District.

WITNESSETH

WHEREAS the Union has been established as the certified bargaining unit by the Public Employees Labor Relations Board for the purpose of collective bargaining under the provisions of RSA 273-A and is the exclusive representative of full-time, permanent service employees of the School Districts who are on regular active duty for the district and are enrolled on the district payroll.

WHEREAS the Union should represent all service employees for the purpose of bargaining with respect to wages, hours of work and other conditions of employment.

WHEREAS the parties have entered into collective bargaining pursuant under conditions of RSA 273-A.

WHEREAS now, therefore, the parties hereto contract and agree with each other as a result of collective bargaining as follows.

ARTICLE 1: RECOGNITION

- 1.1 Whenever used in this agreement, the word "employee" shall refer to only service personnel working in the Districts on a full-time permanent and part-time permanent basis which include: custodians, general maintenance, lead custodian and licensed trade professionals.
- 1.2 The Districts hereby recognize that the Union is the sole and exclusive representative of all service employees of the Districts except the management or supervisory employees of the Districts and others properly excluded under the provisions of RSA 273-A.
- 1.3 Employees hired by the District shall complete a six-month probationary period before attaining rights under the contract. The probationary period may be extended once, by mutual agreement in writing between the Union and the Districts, for a period not to exceed thirty (30) days. An employee who terminates employment for reasons other than discharge after at least twelve (12) months of service and is rehired within twelve (12) months after termination shall complete a sixty (60) day probationary period.

- 1.4 Upon individually written authorization by the Union employee and approved by the Union President, the Districts agree to deduct from each Union member so authorized the current monthly dues as certified to the employer by the Treasurer of the Union, and deliver the same to the Union Treasurer. Said deduction is to be made each pay period. However, if any employee has no check coming to him/her or the check is not large enough to satisfy the assignments, then and in that event no collection will be made from said employee for that pay period.
- 1.5 The employer agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the employer and the Union. The employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by this remittance.
- 1.6 The Parties agree that there shall be no discrimination, interference, restraint, or coercion by any of its authorized agents, against any employee because of membership or non-membership in the Union, or because of presenting a grievance, or against any person who may represent others in the discharge of his/her duties.
- 1.7 The Union agrees for itself and its members that they will individually and collectively perform loyal and efficient work and service and use their influence and best efforts to promote and advance the interests of the taxpayers of the Districts.
- 1.8 Employees who work at least twenty (20) hours per week shall be eligible to receive prorated benefits, based upon their hours of work, covering sick leave, emergency leave, vacations, holidays, and jury duty, and Group Life, Accidental Death and Dismemberment, and Accident and Sickness Program.
- 1.9 The employer represents that union members assigned to work outside of the Dresden and Hanover School Districts will not do so at the expense of any employee of the outside districts.

ARTICLE 2: JURISDICTION AND AUTHORITY OF THE SCHOOL BOARD

- 2.1 The board, subject only to the language of this agreement, reserves to itself full jurisdiction and authority over matters of policy and retains the right in accordance with the applicable laws and regulations to direct and manage all activities of the school district.
- 2.2 The parties understand that neither the board nor the superintendent may lawfully delegate powers, discretion's, and authority that by law are vested in them, and this agreement shall not be construed so as to limit or impair their respective statutory powers, discretion's, and authorities.

ARTICLE 3: COMPENSATION

- 3.1 The normal workweek for full time employees shall consist of five (5) consecutive days at straight time pay.

The third shift hours will normally begin no earlier than 10:00 p.m. and normally end no later than 9:00 a.m.

The second shift will normally begin no earlier than 1:00 p.m. and normally end no later than 2:00 a.m.

The first shift hours will normally begin no earlier than 5:30 a.m. and normally end no later than 5:00 p.m.

Prior to any change in the regular work shift, the Union local Hanover/Dresden chairperson shall be notified and given an opportunity to discuss such a change before being implemented. In the event the shift hours are changed, the employees will be given a minimum of 48 hours' notice (except in cases of emergency) and the reasons for such a change.

The normal workday will consist of up to eight (8) hours of work in any one day at straight time pay, exclusive of lunch break. Employees will be expected to 'clock out' during their one half hour lunch break. Lunch break will be staggered so that one employee will remain on duty during break. The "on duty" employee will be designated by the other employees.

- 3.2 All time worked in excess of forty (40) hours in any one week shall be paid at the rate of time and one-half. Actual hours worked, pre-approved annual leave and personal leave, bereavement and holiday time will constitute "time worked" for the purpose of determining the time worked in excess of the forty (40) hours per work week required to establish eligibility for overtime compensation. All other leave time when included with worked hours that exceed 40 will be paid at the normal "straight time" rate, unless actual hours worked go over 40.

Emergency work: It shall be the duty of employees to make themselves available during the course of emergencies. Deliberate refusal without justification may result in disciplinary action.

- 3.3 The parties agree that overtime work shall be offered on a rotating basis among all available and qualified regular employees by classification. Employees are expected to work a reasonable amount of overtime and in the event that all employees refuse such overtime, the employee with the least seniority must work that time. An up-to-date list of overtime shall be posted. (It is understood by the Parties to this agreement that the intent of this section is to establish a rotation of assigned overtime, in reverse order of seniority, so that no one employee shall be required to perform overtime work more frequently than any other employee. Nothing in this understanding will preclude an employee from accepting multiple, frequent overtime assignments on a voluntary basis.) Only after regular full-time

employees have been offered overtime shall probationary employees be afforded such opportunity. It is understood that, in the event no regular full-time employees accept the overtime, the least senior person will be a regular full-time employee, not the probationary employee.

- 3.4 Employees who have left their place of employment and are recalled to work prior to the next normal shift will be paid for a minimum of three (3) hours at the rate of time and one-half; provided, further, that an employee who is called back for overtime or emergency work and who completes the required task and returns to his/her residence within the three (3) hour minimum guarantee may be called back for additional emergency or overtime without any additional three (3) hours minimum work guarantee. It is the purpose and intent of this section to assure any employee of at least three (3) hours of pay at overtime rates for the inconvenience of being called back to work between the normal shifts, but not to be separately paid for several callbacks within the three (3) hour minimum guarantee period.
- 3.5 Employees whose regular 40-hour workweek includes Sunday shall be paid for Sunday work in accordance with the regular hourly rate shown in appendix A for the hours of their regular shift. Employees required to work on Sunday, outside of their regular shift shall be compensated at the rate of double time their regular rate of pay.
- 3.6 In no event shall duplication or pyramiding of overtime or premium rates be permissible. When the particular work falls within two (2) or more overtime or other premium classifications, only the highest applicable single overtime or other premium rate shall be paid.
- 3.7 Employees who are required to work Saturday or Sunday, outside their normal work week without other on-duty employees to cover their lunch break, resulting in overtime, shall be paid for all hours worked, including their meal break.
- 3.8 When a snow day is called, employees will be expected to report for duty as near to their start time as possible. They are expected to work an eight-hour shift. In severe weather conditions employees who are unable to report for duty for their full shift may request Emergency Leave hours for time not worked. Such request to be reviewed and approved by the Superintendent in his sole discretion. No staff person will be expected to work alone during a snow day assignment.
- 3.9 Retirement Funds
Bargaining Unit Members may make contributions to a 403b/Tax Sheltered Annuity plan through payroll deductions as soon as employment begins. Bargaining unit members may choose to contribute to a 403b or TSA plan and will have their contributions matched by their employing district up to a maximum of 4% of the member's annual earnings as determined by their Letter of Intent. These earnings will not include "other" income such as insurance buybacks, stipends, and extra hours' pay. It is understood that if the employee's working hours as described in their Letter of Intent change, these changes will be reflected in the implementation of this provision.

ARTICLE 4: WAGE RATES

- 4.1 Hourly wage rates effective July 1, 2023 will be adjusted according to the new wage schedule as shown in the attached Appendix A with current employees being moved to a new step assignment. The new wage schedule represents 4 position categories including custodian, lead custodian, general maintenance and licensed trade professional. In each of these 4 categories there will be 13 steps available. New employees will not be placed on the Wage Schedule at a step greater than an existing employee with the same experience.

For the period beginning July 1, 2024, employees will advance one step on the wage schedule where steps are available. The Cost of Living Adjustment (COLA) for the schedule will be adjusted by the annual increase in the Northeast Urban Index as computed by the Bureau of Labor Statistics of the US Department of Labor for the period October 2022 to October 2023. The adjustment shall not be less than zero percent (0%) or more than three percent (3%).

Longevity pay will be available to all employees covered by this agreement. Longevity rates are as follows and will be paid out in equal bi-weekly installments. Part time employee's longevity will be prorated.

Five (5) years thru year Nine (9):	\$ 700
Ten (10) years - year Fourteen (14):	\$ 900
Fifteen (15) years - ear Nineteen (19):	\$1,200
Twenty (20) years - year Twenty-four (24):	\$1,400
Twenty-five (25) years – year Twenty-nine (29):	\$1,700
Thirty (30) years or more:	\$2,000

- 4.2 A \$0.70 per hour shift differential shall be paid for all hours worked on the second or third shift. It will also be paid to employees who normally work second or third shift, but who are working first shift hours during school vacations and/or summer breaks.

If there is a 9:00 a.m. - 5:00 p.m. shift during the summer, each employee will work one (1) week of those hours on a rotating basis.

When the District makes a mistake and shorts an employee's pay check, the District will give such employee a check for the difference by the following Tuesday, provided the difference amounts to \$10.00 or more. If the difference is less than \$10.00, the error will be corrected on the following payday.

If the payday falls on a holiday, employees will receive their paychecks the day before the holiday.

- 4.3 Rehires: Staff who leave the employ of the district (Dresden or Hanover) and return within three (3) years (Dresden and Hanover) will be placed on the wage scale according to his/her years of previous service in the District. (Example: employee worked for the District for

seven years, resigned, returned two years later; placement on the wage scale will be step 7.) Seniority of a rehired employee will be based on the date of the most recent hire. The rights and benefits of this article are granted exclusively to employees who have completed two or more years of relevant service in the District and left the position in good standing.

- 4.4 Transfers: An employee who transfers between any of the three New Hampshire schools in SAU 70 (i.e., the Bernice A. Ray School, the Richmond Middle School, and Hanover High School), providing they are in good standing, will be placed at the same step on the pay scale as they would otherwise be eligible for prior to their transfer and will retain all rights of seniority.
- 4.5 All new employees with no experience shall be hired at the minimum rate, specified in Appendix A. New employees with experience in the classification for which they are hired may be hired above the minimum rate, however no new employees shall be hired at a level above 2 years of service.

ARTICLE 5: INSURANCE PROVISIONS

5.1 Health Insurance:

Effective with the first of the month following date of hire, service personnel who work at least thirty (30) hours per week with an anticipated duration of fifty-two (52) weeks, shall be offered full health insurance benefits, without proration. No less than 2 health plans will be offered to the employees with one being the HMO LP \$25-\$1,000. The Board may designate alternative plans, provided that the benefits under the plans are comparable and offer additional plans at alternative co-pay rates.

The premium shall be paid by the employing school district in the same percent as the percent of employment, *subject to employee contributions described below*. Such employee contributions will be made via pretax payroll deductions under the provisions of Section 125 of the Internal Revenue Code.

Part Time employees on a pro-rata basis. A continuing employee must declare his/her intent to decline participation in the district's health insurance plan by July 1st of each contract year.

5.1.b. If the employee finds that he/she must return to the district's health insurance plan, the employee must satisfy the health insurance provider's re-entry requirements, if any, and the employee must repay the district for a portion of the opt-out that he or she may have received. Repayment percentage would be calculated by counting the number of months that the employee would actually be "on" the district's health insurance plan and dividing that number of months by twelve (months).

5.1.c. Section 125 Flexible Spending Accounts:

Contributions to Flexible Spending Accounts for Dependent Care and Health Reimbursement Expense established under Section 125 of IRS Regulations shall be limited to an amount that does not trigger the imposition of any excise tax (aka "Cadillac Tax").

5.2.b. An employee who becomes totally disabled is considered an employee of the District for up to two years from the date of the disability. To return to work during this period, the employee must provide documentation from their physician validating their change in disability status and their fitness to return to work.

5.2.c. The District will provide the medical, dental and life insurance coverages under the same co-pay provisions described in this contract for up to two years from the date of disability, if the employee has at least five years of service. An employee with less than five years of service shall be entitled to the same co-pay premium described in this contract for up to one year from the date of the disability.

5.2.d. The benefit contributions of this Disability Plan will be prorated for the employee whose contract was less than full-time as of the date of their disability.

5.2.e. The employing District shall pay the premium for this life and disability benefit for eligible employees.

5.3 Dental:

Service personnel who work at least thirty (30) hours per week with an anticipated duration of fifty-two (52) weeks a year shall be extended individual membership dental insurance. Coverage will consist of Delta Plan 3B--employee only; 100% Coverage A (Diagnostic and Preventive); 80% Coverage B (Restorative, Oral surgery, etc.) and 50% Coverage C (Prosthodontics); zero deductible; \$1,250 per year maximum--or an alternate plan designated by the school boards, provided that the benefits under the plan are comparable. The premium shall be paid by the employing school district in the same percent as the percent of employment.

ARTICLE 6: WORKERS' COMPENSATION

6.1 An employee injured at his/her work so as to qualify for worker's compensation payments shall receive full pay during the first thirty (30) consecutive calendar days of such disability. Any benefit checks received by the employee from workers' compensation during this period shall be paid to the school district by the employee. Accumulated sick leave benefits will commence at the end of the thirty (30) calendar day disability leave.

6.2 At no time will any employee receive more than 100 per cent of his/her regular pay.

ARTICLE 7: VACATIONS

Leave Benefits under paragraphs 7, 8, 9, and 10 below are available for regular (that is, non-temporary) employees who work at least twenty (20) hours per week. Leave benefits will be available for those that work between twenty (20) hours and forty (40) hours per week on a prorated basis.

7.1 Vacation benefit schedule: Employees will be eligible to receive annual vacation based on their continuous employment from their anniversary date of hire as follows.

7.2 Number of Years of Continuous Employment	Number of Weeks of Annual Vacation Benefit
---	---

0 years to less than 5 years	2 weeks
5 years to less than 10 years	3 weeks
10 years to less than 20 years	4 weeks
20 years or more	5 weeks

- a. Employees with less than five (5) years' service are entitled to two (2) weeks' vacation, subject to the limitations noted in 7.1
- b. Upon reaching the fifth (5th) year anniversary date of employment, employees are immediately eligible for three (3) weeks' vacation, non-accumulative, as specified in Section 7.4
- c. Upon reaching the tenth (10th) year anniversary date of employment, employees are immediately eligible for four (4) weeks' vacation non-accumulative, as specified in 7.4.
- d. Upon reaching the twentieth (20th) year anniversary date of employment, employees are immediately eligible for five (5) weeks' vacation, non-accumulative, as specified in Section 7.4
- e. An employee severing service with the District following the annual award of his/her vacation allotment shall receive payment for unused vacation on a pro-rata basis. As an example, an employee leaving one (1) month after receiving his/her annual allotment would be entitled to one twelfth (1/12) of the unused annual allotment. An employee leaving after eight (8) months after his/her annual allotment would be entitled to two thirds (2/3) of the unused annual allotment.
- f. Should an employee exhaust his/her annual allotment prior to his/her subsequent anniversary date and then sever service immediately thereafter, said employee agrees that the district may deduct, or a pro-rata basis an amount equal to 1/12th of the allotment per month not worked, from his/her final payment.

7.3 Employees working less than full time shall accrue vacation time on a pro-rated basis.

7.4 Vacation time may be taken only upon prior request and approval of the employee's supervisor. Such approval is at the sole discretion of the Director of Plant and is not grievable. On each anniversary date, no more than two years of accrued vacation time can be rolled over to the new year.

All vacations are subject to the approval by the Director of Plant. In the event the director limits the number of employees on vacation during the same time period, vacations will be scheduled on the basis of seniority. Vacation time properly requested in writing will be considered automatically approved if the Director of Plant has not denied the request in writing within two (2) weeks of the submission of the request.

When an employee is unable to use their vacation due to their vacation request being denied and the denial would result in the time being lost, the employee shall receive their vacation pay in a lump sum.

7.5 In the event of the death of an employee, his/her accrued vacation time shall be paid to his/her beneficiary or estate.

7.6 All accrued vacation time shall be paid to an employee upon his/her termination, resignation or retirement.

7.7 The School District agrees to display accrued vacation and sick leave as part of the payroll information provided to the employee each payday. Prior to using time, an employee is encouraged to check with the Facilities Department Coordinator or Human Resources on leave accruals as there is a one-week reporting lag.

ARTICLE 8: PAID HOLIDAYS

8.1 All service personnel who have successfully completed thirty work days shall also be paid for the following designated holidays during the period from July 1, 2016 through June 30, 2021.

Independence Day	New Years Day
Labor Day	Martin Luther King Day
Veteran's Day	Presidents' Day
Thanksgiving and the Day After	Memorial Day
Christmas, and a second day around Christmas	

In addition to the above holidays, Columbus Day shall be a paid holiday in years when Columbus Day is designated by the School District as a school holiday.

Employee's Birthday: If this day falls on Saturday, Sunday, or another holiday, the employee's birthday holiday will be taken on a day mutually agreeable to the employee and the Director of Plant.

Above holidays may be changed by mutual agreement before July 1 of each year of this agreement.

8.2 All work required by the Administration to be performed on a designated holiday shall be at the rate of double time over and above the eight (8) hours pay for the holiday for all time worked.

8.3 An employee shall be entitled to the holiday pay referred to in this article only if he/she actually works or is entitled to pay for his/her scheduled workday preceding and following the particular holiday.

Emergency unpaid leave which has had the prior written approval of the Director of Plant shall be counted as time worked for the purpose of holiday pay eligibility.

If the employee is absent due to illness before or after the holiday and is entitled to less than a full day of sick pay, his/her holiday pay shall be prorated, unless medical verification of the illness is presented. In that case, holiday pay will be paid in full.

If the employee is absent due to illness before or after the holiday, and is not entitled to any sick pay, he/she will be eligible for holiday pay if he/she presents written medical verification of his/her illness.

- 8.4 If any of the above paid holidays falls within an eligible employee's scheduled vacation time, such employee will be paid for the holiday and said day will not be deducted from his/her accrued vacation time.

ARTICLE 9: SICK, EMERGENCY AND BEREAVEMENT LEAVE

- 9.1 Sick Leave: Sick leave with full pay will be granted to all service personnel at the rate of one workday for each one month of service. Credit for each additional accumulated sick leave day will be awarded on the first day of each month. Earned sick leave is computed on a continuous basis and may be accumulated to a maximum of one hundred ten (110) days. The employee shall notify the Director of Plant of his/her inability to work prior to the time set for his/her regularly scheduled working hours. Medical Certification may be required when an employee is absent due to illness for three (3) consecutive work days or more.

The District office will maintain a record of all credits and debits to the sick leave account of each employee, and will notify employees of their available sick leave semi-annually. These sick leave accounts are available for inspection by the employee.

The employer shall hold (guarantee) an employee's position for a period of up to one year (365 calendar days) while he/she is unable to work due to illness or disability. The foregoing does not supersede employer's rights under Article 17.2.

In the event that an employee's absence for sick leave amounts to four or fewer per year (July 1 to June 30), the employee shall be credited with an amount of vacation leave equal to three (3) additional days. Additional days shall be used within the fiscal year they are credited.

Employees who take a regular, not early, retirement from the New Hampshire Retirement System, (i.e. to age 60, not early retirement, prior to age 60) with at least fifteen years of service with the district—Hanover or Dresden service combined—can on termination be paid for up to one half of his or her accumulated sick days.

If payment made to a retiring employee, including but not limited to payment for unused sick, leave, or vacation time, would result in the district being subject to the spiking provision, or a similar successor provision, as defined by the NHRS, then the amount of the payment would be reduced so as to stay within the spiking provision maximum.

- 9.2 Personal Days: Each employee shall be eligible for up to four (4) personal days per year. Personal days may accrue to four (4) days, but are non-accumulative from contract year to

contract year. Personal days are for the conduct of urgent personal business which could not otherwise be arranged outside of normal working hours. It is understood that service employees shall use personal days only for uncontrollable situations that require employees to be absent from work. It is agreed that personal days are not vacation days. Personal days may be requested with twenty-four hours prior notice to the Director of Plant except in emergency situations. It is understood that operations must be covered before an approval is given.

- 9.3 Bereavement Leave: Service personnel shall be entitled to five (5) paid days per occurrence non-accumulative for attendance at funerals of members of the immediate family. Immediate family, as used in this section, shall mean spouse, parents, grandparents, children, grandchildren, brothers, and sisters of employee and parents and siblings of employee's spouse.
- 9.4 All leave time granted the employee under this article will run concurrently with any leave time the employee may be entitled to under the Family Medical Leave Act (FMLA).
- 9.5 An employee who is inducted into the military service shall be entitled to a leave of absence, without pay, for the duration of such service in accordance with State and Federal law.
- 9.6 At the discretion of the plant director, whose decision shall not be grievable, on days that the school is closed due to severe weather conditions (snow days), employees may be allowed to use either personal or vacation days to take all or part of that time off.

ARTICLE 10: MATERNITY LEAVE

- 10.1 Upon application of the employee, an unpaid maternity leave of absence shall be granted to permanent full-time pregnant employees who have been employed at least one (1) year before said application, said leave to commence at the time recommended by her doctor, and to extend for a period not to exceed six (6) months after the birth of the child. If an employee who has been granted a maternity leave of absence in accordance with this provision shall fail to return to work upon the expiration of such leave of absence, she shall be deemed to have voluntarily terminated her employment.
- 10.2 Pregnancy is not an illness and cannot be construed as such. Only in such case where the employee is incapacitated by pregnancy and, therefore, not able to perform normal duties is the employee qualified to draw upon accumulated sick leave.
- 10.3 An employee shall not forfeit seniority during this unpaid leave of absence (10.1), and will be eligible for medical insurance coverage at the employee's expense.

ARTICLE 11: JURY DUTY

- 11.1 An employee called as a juror will be paid the difference between the fee received for such service and the amount of straight time earnings lost by reason of such service. Satisfactory evidence of such service must be submitted to the employee's supervisor.

ARTICLE 12: EDUCATION INCENTIVE POLICY

- 12.1 The following reimbursement policy will apply to employees of the bargaining unit covered by this agreement.
- 12.2 The District agrees to provide reimbursement to employees who complete approved courses or workshops relating to their current responsibilities upon the following standards:
- Payment shall be for the cost of the approved course or workshop, but not to exceed \$200.00 per employee within a fiscal year (July 1 to June 30), and not to exceed a total of \$2,000 for all employees within a fiscal year without the specific authorization of the superintendent of schools.
- 12.3 Courses must be approved in advance by the Director of Plant as meeting the requirement that the course is related to the employee's job. To be reimbursed, the individual must show proof of attendance and a passing grade, (if applicable).
- 12.4 Approval for courses will be considered on the basis of relevancy of the course, number of employees applying, and funds available. The total budget for this program shall be up to \$2,000 per year.

ARTICLE 13: SAFETY and UNIFORMS

- 13.1 The Districts shall have the right to make regulations for the safety and health of their employees during their hours of employment. Representatives of the Districts and the Union may meet once in ninety (90) days at the request of either party to discuss such regulations or other safety issues. The Union agrees that its members who are employed by the Districts will comply with the posted Districts' rules and regulations relating to safety, economy, continuity, and efficiency of service to the Districts and the public.
- 13.2 The Districts shall purchase five (5) sets of uniforms for each permanent employee who completes his/her probationary period. Each employee shall wear his/her uniform while on duty for the school district. Each employee shall keep his/her uniform clean and in good repair. Each employee is responsible for his/her uniform. Prior to the start of the educational school year, uniforms for custodians will be replaced as needed, not to exceed five uniforms per year. The District will make best efforts to distribute replacement uniforms by September 1. For maintenance employees, replacement uniforms will not exceed five uniforms per year in each year of the contract. The Districts shall provide T-shirts as a part of the uniform. If an employee resigns or is dismissed, he/she must return

all uniforms to the office of the Director of Plant. A joint District/Union committee will decide appropriate uniforms.

- 13.3 The school district will make available \$150 per year to each employee for the purchase of appropriate footwear in keeping with the duties of their job assignment. The footwear shall be specifically approved by the school district and shall be worn at all times when an employee is on duty.
