This clause will not apply to employees who are transferred to a different position outside the hiring process.

**ARTICLE II
NEGOTIATIONS PROCEDURE**

2.1 Negotiations shall be in accordance with the procedures set forth in RSA 273-A.

2.2 During negotiations, the committee of the Board and the committee of the Association will present relevant data, exchange points of view, and make proposals and counter-proposals.

2.3 The costs for the services of the mediator and/or fact finder, including per diem expenses if any, will be shared equally by the Board and the Association.

2.4 Both parties recognize that any agreement reached which requires the expenditure of public funds for its implementation shall not be binding upon the Board unless and until the necessary appropriations have been made by the voters of the District. The Board recognizes that it must make a good-faith effort to secure the funds necessary to implement the agreement. If such funds are not forthcoming, the Board and the Association shall resume negotiations as provided in RSA 273-A.

**ARTICLE III
PEACEFUL RESOLUTION OF DIFFERENCES**

3.1 In consideration of this Agreement and its terms and conditions, the Association, its officers, representatives, and members shall not, during the term of this Agreement, engage in or condone a strike, slowdown, work stoppage, or other concerted refusal to perform any appropriate assignment on the part of the Staff Member or Members represented under the terms of this Agreement.

3.2 Neither the Association nor its members shall take part in or condone "sanctions" against the Board or the District, nor shall the Association, or any Staff Member engage in any activity contrary to RSA 273-A.

**ARTICLE IV
GRIEVANCE PROCEDURE**

4.1 Definition: A "grievance" is a claim based upon an event or condition which affects the welfare and/or terms and conditions of employment of a Staff Member or group of Staff Members based upon the interpretation, application or violation of any of the provisions of this Agreement. An "aggrieved party" is the person or persons or the Association making the claim. All time limits specified in Article IV shall mean school days, except under Section 4.8 of Article IV.

4.2 Purpose: The parties acknowledge that it is more desirable for a Staff Member and his/her immediately involved supervisor to resolve problems through free and informal communications. Grievances which are not satisfactorily settled in an informal way shall be reduced to writing (see Appendix B attached hereto) and referred to the following formal grievance procedure.

4.3 Right of Representation: A Staff Member covered by this Agreement shall, under Article IV, have the right to have an Association representative present at any time subject to his/her requesting such representation.

4.4 Time Limit: A grievance to be considered under this procedure must be initiated in writing within twenty (20) school days of its occurrence, or within twenty (20) school days of when the party should have known of its occurrence.

4.5 Formal Procedure: The grievance shall state the specific alleged violation or condition and relief sought with proper reference to the Agreement.

LEVEL A. Within three (3) days of receipt of a formal grievance, the building principal shall meet with the aggrieved Staff Member. Within two (2) days following any such meeting, the principal shall give his/her answer in writing. If the grievance is not settled at this level, then it may be referred to Level B within five (5) days of the receipt of any answer given at this level.

LEVEL B. Within five (5) days of a grievance being referred to this level, the Superintendent will meet with the participants of Level A and examine the facts of the grievance. The Superintendent shall give his/her answer within five (5) days of any such meeting. If the grievance is not settled at this level, then within five (5) days from receipt of the answer rendered at this level, the grievance may be referred to Level C, the School Board.

LEVEL C. Within thirty (30) days of a grievance being referred to this level, the Board will hold a hearing with the participants of Levels A and B, examine the facts of the grievance and render a decision. If the grievance is still not settled at this level, then within thirty (30) days from receipt of the answer rendered at this level, the matter may be referred to arbitration as set forth in Level D of this procedure.

LEVEL D. If the matter is referred to arbitration, the parties shall first attempt to agree on a mutually acceptable arbitrator. If they are unable to do so within ten (10) days of the Association's request for arbitration, then either party shall apply to the American Arbitration Association to name an arbitrator under the rules and procedures of the service. The arbitrator shall use his/her best efforts to arbitrate the grievance, but he/she shall have no power or authority to do other than interpret and apply the provisions of this Agreement and he/she shall have no power to add to or subtract from, alter, or modify any of the said provisions. The arbitrator shall thereafter submit a decision to both parties. The arbitrator's decision shall be binding on both parties. The parties agree to share equally in the compensation and expenses of the arbitrator.

4.6 Time periods specified in this procedure may be extended by mutual agreement.

4.7 Grievance(s) of a general nature, or involving the Superintendent may be submitted by the Association to Level B.

4.8 In the event a grievance is filed on or after June 1, the parties agree to make a good faith effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to

the end of the school term or as soon thereafter as is practicable. During the summer recess, all time limits shall refer to normal business days (Monday through Friday, except legal holidays).

4.9 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits (unless extended by mutual agreement) shall permit the aggrieved person to proceed to the next level.

4.10 The parties agree that employees covered by the Agreement shall enjoy freedom from restraint, interference, coercion, discrimination, or reprisal in presenting or appealing any grievance(s).

4.11 The following matters are excluded from the arbitration provisions of this Agreement.

A. Management prerogatives as set forth in this Agreement and as provided and interpreted under RSA-273;

B. School Board Policies, except for Reduction-in-Force, as approved by the parties on January 20, 2010 and referenced herein in Article X, Section 10.4.

4.12 Grievances shall not be made a part of any employee's personnel file or used in making employment references.

ARTICLE V STAFF EVALUATION

5.1 The Board recognizes that the responsibility for staff evaluation rests with the Administration and that such evaluation should be done on an ongoing basis.

5.2 A written evaluation following existing Board policies will be reviewed with the Staff Member and signed by both the Staff Member and the evaluator. The signature of the Staff Member will indicate only that the Staff Member has seen and reviewed the document and will not necessarily indicate agreement with it. A Staff Member who disagrees with an evaluation or any document contained in his or her personnel file will be given the opportunity to submit a rebuttal, in writing, to be attached to the document in question.

ARTICLE VI EMPLOYEE RIGHTS

6.1 The Board and the Administration shall not discriminate against any person in accordance with Federal and State laws and regulations.

6.2 Full-time employees are entitled to a thirty (30) minute duty-free lunch. Work days and hours shall be explicit in each employee's Notice of Employment.

6.3 The degree of discipline administered in any particular case shall be reasonably related to (a) the seriousness of the employee's proven offense, and (b) the employee's record of service.

6.4 A Staff Member shall have the right to request that a local Association representative be called during a meeting called for disciplinary purposes or for other than disciplinary purposes which becomes disciplinary during the course of the meeting. Evaluations, meetings to discuss the quality of work, student's needs and discussions related to areas of needed improvement shall not be considered disciplinary and will not require representation.

6.5 All employees will receive a review, by the appropriate supervisor, following the end of the probationary period. A Staff Member who has been employed more than 120 *calendar* days and who is discharged by the District shall be given written notice of the reason for the termination.

6.6 Staff Members have the right to, upon 2 business days notice, review and make copies of any information in their personnel file, except confidential pre-employment references. Any Staff Member shall have the right to be accompanied by an Association Representative when inspecting the personnel file.

6.7 Access to staff members personnel files will be limited to administrators within the District (including such persons employed or engaged by the District to carry out necessary or appropriate District functions), or as may be required by law.

ARTICLE VII ASSOCIATION RIGHTS

7.1 As both parties acknowledge that it is desirable for issues and/or problems to be resolved through informal discussions and that the input of the Staff is important in the decision-making process of the Board and the District's Administration, all parties shall have the right to contact the other(s) to arrange meetings to discuss matters of mutual interest at times and locations mutually convenient to both. It is clearly understood that the Association shall seek to discuss and resolve such issues with the Administration before approaching the Board.

7.2 The Association shall have the right to post notices on Staff concerns on appropriate bulletin boards. Notices for posting shall be provided to the designated Administrator and shall not contain material which is detrimental to Association-District relations. The Association shall also have the right to use the school mail boxes to distribute Association materials.

7.3 The Association shall have the right to use school buildings at reasonable times for meetings when such use would not interfere with the operation of school programs nor services or rental obligations made to other organizations. Reasonable notification of use shall be given to the District.

7.4 Upon notification and the provisions of Section 3, of this Article, duly authorized representatives of the local, state and national levels of the Association shall be permitted to transact

Association business on school property. It is clearly understood that the intent of this Section is to allow the Association to conduct its local business.

7.5 A Staff Member who is an officer of the Association and finds it necessary to exercise his/her responsibilities to represent another Staff Member(s) covered by this Agreement, such as in grievance hearings, including arbitration, mediation, fact-finding, labor board hearings, etc. shall not receive any reduction in pay for such activity. Such time off shall be reasonable and shall require notification to the appropriate supervisor. Except for lower level grievance hearings, such notification shall be given at least twenty-four (24) hours in advance. Such time off will be limited to the actual attendance at meetings or hearings and shall not be deemed to include preparation time.

7.6 Each officer of the Association shall be permitted to use his/her personal days to attend official conventions and meetings. Notification shall be required in accordance with Article XVI, Section (1).

7.7 An employee designated as an "Official Delegate" to the NEA/NH Assembly of Delegates shall be granted one (1) day paid leave to attend such assembly. The name of the designee and the date of the assembly shall be submitted in writing to the building principal at least forty-eight (48) hours in advance in order for the employee to be eligible for payment.

ARTICLE VIII MANAGEMENT RIGHTS

8.1 Except as specifically limited by expressed provisions of this Agreement, the School Board reserves the right to exercise management prerogatives to include, but not be limited to: unilaterally determine the standards of service to be offered by it; set the standards of selection of employees; select employees; direct and assign its employees; take disciplinary action; relieve its employees from duties because of lack of work or other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which its operations are to be conducted; determine the content of job classifications; allocate and reorganize positions and staffing; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the facilities, methods, means and technology of performing its work.

8.2 Nothing in this Agreement shall require the District to keep offices open in the event of inclement weather, an emergency, or when otherwise prevented by an act of God. When the schools are closed to students due to the above conditions, Staff Members shall not be required to report to their job assignments. However, if a Staff Member is part of a skeleton staff, as defined by the Superintendent or designee and the Association, which is required to work on those days, and does not report for work, they shall suffer loss of salary for actual hours missed.

8.3 When the schools are closed to students due to inclement weather, all eligible Staff Members may use up to 2 personal days or pre-scheduled sick days, accruing under Article 16, to receive pay for up to 2 inclement weather days. Application for such personal days must be made in writing within one week after school opens again. An absence will not be considered pre-scheduled if it is submitted less than 24 hours prior to the Superintendent closing the buildings. Staff members not

reporting for work and not part of the skeleton staff will be required to make up the time when the student's calendar is adjusted, and they will be required to work the number of days and hours specified in each notice of employment. The Superintendent may waive this requirement on a case-by-case basis.

8.4 The Superintendent will notify building administration if members of the skeleton crew are not required to report to work on an inclement weather or other emergency day. Communication with employee will be determined at the building level in conjunction with the association. Such days will be paid at the employee's hourly rate for regular number of scheduled hours.

8.5 For the purposes of this article, Category Coverage (or Differentials) as defined by Article X will not apply to days when the skeleton crew is expected to work or days when students are expected, but not present.

8.6 A Staff Member commencing work prior to February 1 of the school year and working to the end of the school year shall receive a step increase for the following year. A Staff Member commencing work on February 1 or later in the school year shall not receive a step increase for the following year, shall remain at his/her current step rate in accordance with the Salary Schedule in Appendix A, and shall not receive a decrease in pay the following year.

ARTICLE IX DUES DEDUCTIONS

9.1 The Board agrees that upon receipt of written authorization thereof, signed by a Staff Member covered by this Agreement, the Board will deduct from the regular salary check of such Staff Member an amount specified by the Staff Member to provide payment of dues for membership and assessments in the Hollis Education Support Staff Association (HESSA), National Education Association of New Hampshire (NEA/NH) and/or the National Education Association (NEA). Such deductions will be forwarded to the Association treasurer monthly. Dues deductions will commence as of the second payroll cycle of the new school year.

9.2 Deductions for tax deferred annuities shall be transmitted to the appropriate vendor within one month of the deduction.

ARTICLE X WORKING CONDITIONS

10.1 Job descriptions which reflect the appropriate duties and responsibilities of each position shall be provided to the employee at the time of hire or upon offer of a new position. A copy signed by the employee will be placed in the personnel File. When a Job Description is revised and approved by the Superintendent, the employee will be provided with an updated version to be signed and placed in the personnel file. Failure to obtain and maintain federal, state or student specific mandated certifications will result in termination of employment. No Staff Member shall be regularly asked to perform work or be rated on responsibilities which are not part of his/her description.

10.2 In the event that a Staff Member is duly required to perform, in excess of one (1) hour in his/her regular work day, job duties and responsibilities for work of another classification within the bargaining unit which is compensated at a higher level, s/he shall receive the higher salary for the time period in which s/he performed the work. For the purposes of this Section, hours worked in such other classifications shall, after the first full hour, be calculated in increments of one-half hour rounded to the nearest half-hour. A mutually acceptable Support Staff Coverage Log shall be kept by each individual Staff Member. "Coverage" will be defined as only the hours performing the actual work of the higher category position and only when pre-approved by the Building Administrator. Staff Members will not be automatically paid at the higher category for a full shift. Coverage logs shall be submitted and or approved by the Building Administrator each pay period in order to be paid the wage differentials (dollar amount which is added to an employee's regular rate of compensation).

Any Staff Member who must provide additional coverage when other Staff Members in the same job category are absent and not replaced, shall be paid a wage differential of \$3.00 per hour above their regular rate of compensation for each full day of additional coverage. *Any special education para-educator or para-educator who substitutes for a para-educator performing personal care duties will be paid the per diem personal care stipend rate above their regular rate of pay for each full day of substitution.*

10.3 Any staff member who substitutes for a teacher or librarian *and is the only supervising adult in the classroom while a teacher or Librarian is performing remote work*, will be paid a sum equal to 75 percent of the current daily teacher substitute pay per day above their regular rate for each full day of substitution, *with a 15 minute minimum*, with prior approval from administration. *Staff members may only be requested to substitute one time for one class during any school day.* A substitute log shall be kept by each individual staff member. When the total reaches one full day, *the staff member shall submit their coverage log with the next timecard submission. If the log is not received in that next pay period, the pay may be subject to forfeiture.* The staff member shall receive the above-mentioned 75 percent per diem of the current *certified* substitute rate. *For the final pay period, the coverage log must be submitted on the last day of school.*

10.4 Hollis Brookline Cooperative School Board Policy GDQA Reduction in Force, as amended January 20, 2010 to become effective July 1, 2010 will remain in effect, unchanged, during the term of this agreement. This policy will be grievable and arbitrable notwithstanding the exclusion in Article IV, Section 4.11.

10.5 In the event that the administration elects to require any staff member to perform any hazardous duties which necessitate the staff member use safety goggles, gloves, or other similar protective and/or safety devices, the administration shall provide same at no cost to the staff member. A shoe allowance of \$100 every 2 years will be allowed if the assigned work warrants safety shoes. In order to receive reimbursement, the employee must follow the established SAU process for requesting reimbursement. For the purposes of this article, employee will not be entitled to a pre-pay option for the purchase.

Also, three uniform shirts will be provided annually to all custodial and maintenance staff members. Custodial and maintenance staff members shall be required to wear these shirts during public events as directed by administration. The purpose of this directive is to provide identification of staff members during certain after-school activities. This provision shall not be construed to imply any obligation for the administration to supply any uniforms or other routine clothing for staff members.

ARTICLE XI OVERTIME

11.1 For all hours actually worked over eight (8) hours in one (1) day or forty (40) hours in one (1) week, *excluding paid time off*, the Staff Member shall be compensated at the rate of one and one-half (1.5) times his/her regular hourly rate. For all hours actually worked over eight (8) hours in one (1) day or thirty-two (32) hours in one (1) week that contains a holiday, the Staff Member shall be compensated at the rate of one and one-half (1.5) times his/her regular hourly rate.

11.2 In the event that a Staff Member is called out to the school(s) when s/he is not normally scheduled to work s/he shall receive compensation of two (2) hours pay, at his or her normal rate of pay, in addition to the actual time spent at the school(s) including travel to and from the school(s) at straight time.

11.3 Staff Members required to work holidays shall be paid at the regular hourly rate for all hours actually worked in addition to their holiday pay if that Staff Member were eligible for holiday pay on that day.

11.4 Regularly scheduled overtime work shall be offered on a rotating basis by seniority among all Staff Members in a particular category. If a Staff Member declines an offer of overtime, his/her name shall drop to the bottom of the list as if s/he had worked the assignment. Where an emergency exists, the District may bypass the overtime list.

11.5 Except in the cases of emergency, following notification to the Building Administrator, staff members shall not work overtime without approval of Administration or Supervisor.

ARTICLE XII HOLIDAYS

12.1 All full-time, school year Staff Members shall receive the same holidays scheduled by the School Board as school holidays. Holiday pay will be paid on a pro-rated basis for part-time employees. Such time off shall be paid at the regular rate, provided that the Staff Member would have been scheduled to work for that day if it had not been a holiday.

12.2 Full-time, full-year Staff Members shall receive twelve (12) holidays with pay at the regular rate. *Full-time* school year Staff Members shall receive no less than nine (9) paid holidays. *Part-time school year Staff Members shall receive all paid holidays that match their work schedule as defined*

at the beginning of the school year. For example, if a Staff Member does not normally work on Mondays, they would not be eligible for Monday holidays.

12.3 In order to qualify for holiday pay, the Staff Member must have worked the last scheduled work day before the holiday and the first scheduled work day after the holiday unless these days were a bonafide sick or vacation day.

ARTICLE XIII VACATIONS

Vacation time may be anticipated with approval by the appropriate supervisor. If an employee has anticipated vacation and leaves before the vacation would have been earned, the District shall be entitled to deduct the amount equivalent to the pay for anticipated vacation from the employee's last salary check at the present rate of pay being received by the employee at the time of separation. Should the amount of pay due for anticipated vacation taken exceed the amount due in the last salary check, the employee will remit the amount due the District.

13.3 Vacation time may be taken at times requested by the Staff Member, subject to the supervisor's need to maintain efficient operations. The District reserves the right to limit the number of Staff Members who may be on vacation at any one time and establish procedures for selecting vacations. Actions by the District shall not be arbitrary.

13.4 Earned vacation shall be paid in full at the current rate of pay to the beneficiary at death or to Staff Member at retirement or termination.

13.5 Up to one week of vacation may be carried over from one year to the next. Such carry-over shall not be cumulative and must be used by June 30 of the next fiscal year.

Staff Members shall be divided into the appropriate pay categories as shown on the Salary Schedule. Should it be required, and upon prior approval, any instructional hours worked outside the school day, during the school year, shall be compensated at the employee's current rate. For the purpose of this article "hours worked outside the school day" include when school is not normally in session. The rate for Summer work (ESY, RTI or other programs outside the regular school year) will be determined by the Director of Student Services each year. Personal Care rates will apply, if applicable, based on student needs.

14.2 Placement on the Salary Schedule at the time of initial hiring shall be based on years of school work experience and/or other relevant experience and the needs or shortages of the school district and shall be negotiated with each prospective employee at time of employment. In no event will a newly hired employee be placed above the top step in their category. Subsequent movement on the schedule shall reflect additional years with the District.

Changes in pay as a result of degree or certification must be made in writing to the Superintendent and shall include copies of valid certification or original (sealed, official) transcripts. Changes will be made effective in the pay period following the receipt of request, provided the sufficient documentation is included.

14.3 Individual employees covered by this agreement will be eligible for reimbursement or prepayment for pre-approved job related courses, workshops, or conferences and in any one year will be reimbursed to a maximum of \$800, except for para-educators who will be eligible for reimbursement or prepayment to a maximum of \$1,000 of which no more than \$120 can be used for travel. If the employee does not pass or attend the course, workshop, or conference, or provide documentation of successful completion, the district shall recover all of the prepayment through payroll deduction. Para-educators may attend pertinent teacher workshops to a maximum of three per year, at the discretion of the principal. Para-educators will be paid for hours in attendance at their regular hourly rate. Hours in attendance at workshops will not count toward the total number of contract days. Staff members shall use the electronic professional development management system (PDMS) to accumulate and track their professional development and/or recertification hours.

14.4 The District will provide a savings and/or checking direct deposit program for Staff Members. All Staff Members shall be entitled to receive pay via direct deposit. They will receive a biweekly paycheck unless the Staff Member chooses direct deposit. There will be no more than three (3) accounts for any employee. If the Staff Member chooses to start or stop direct deposit service, they may obtain the appropriate forms from the District anytime during the year. When completed, the forms will be sent to the SAU 41 Office for processing. There is a thirty (30) day period to terminate or implement the service. Requests for changes in pay as a result of certification and/or degree must be made in writing to the Superintendent and shall include copies of valid certification or original (sealed, official) transcripts. Changes will be made effective in the pay period following receipt of the request, provided that sufficient documentation is included. Failure to maintain certification will result in forfeiture of differential.

14.6 A Para-educator who is CPI certified, **RBT certified**, or ABA trained and maintaining ongoing training, and whose assignment to a student requires that Para-educator to perform certain medically related tasks, **data collection as outlined in a student's IEP**, or restraints ("Specified Personal Care Duties/Restrains"), all as anticipated and provided for in that student's IEP, BIP and/or 504 plan (collectively referred to in this section as "Student Plan"), will be entitled to receive an hourly differential added to his or her hourly wage, for time that the Para-educator is attending to that student, except in cases of direct instruction which is outlined in the student's plan. There shall be four differential rates, according to the level, nature, and frequency of the Specified Personal Care Duties/Restrains, according to a rubric established and modified under then current District policy. The four hourly differential rates will be based upon annualized levels of \$1,000, \$3,000, \$5,000 and \$6,500 for a 6.75 hour work day for the school year.

14.6a Prior to the start of each school year, the Superintendent and the Director of Student Services will determine the differential rates appropriate for each existing Student Plan, and notify the respective Para-educator of the differential level.

14.6b Differential rates relating to specific students will be reviewed, and rates adjusted prospectively as Student Plans are developed and or modified over the course of the school year.

14.6c Any Special Education Para-educator who substitutes for a Para-educator during time that the Para-educator is regularly assigned Specified Personal Care Duties/Restraints, will receive the differential during that time.

14.6d The differential is paid only for time the Para-educator (or substitute) is assigned to a student under the Student Plan, and the student and Para-educator are in attendance. Such time will be indicated on the Para-educator's time card.

14.7 Employees may be assigned by the Administration to attend up to three additional in-service days per year subject to budget limitations.

However, it is not intended that a Staff Member will use the language of this section to refuse to give reasons for request that are not of an extremely personal nature.

No full-time Staff Member should expect to be granted more than three (3) personal days per school year, and no part-time Staff Member more than two (2) personal days per school year. Personal leave under this Article may not be used to extend a holiday, a vacation, or a long weekend. Therefore, Staff Members requesting personal leave before or after a holiday, a vacation, or a long weekend will be required to give specific reasons for their requests.

16.7 Accrued Sick Leave: Each staff member hired prior to July 1, 2016 shall upon resignation or retirement, but not upon termination for just cause, be paid for unused, accrued sick leave days to a maximum of ninety (90) days based on the following conditions:

The balance of accrued sick leave days as of June 30, 2016 for each employee will be the maximum days that employees can be paid for this benefit. (Example: Employee A has 57 accrued sick days on June 30, 2016; that becomes the maximum number of days Employee A can be paid for upon ending employment with the District.) If the employee's balance is less than the balance on June 30, 2016, the lower number will be used for payment. If the employee surpasses the balance on June 30, 2016, the balance on June 30, 2016 is the number used for payment.

Payment will be paid as follows:

(1) ten dollars per unused, accrued day after ten years or more of service to the district

(2) twenty dollars per unused, accrued day after twenty years or more of service to the district.

The Staff Member shall expect payment following the last payroll period of the school year.
