5. For the purposes of calculating the time limitations hereunder, Saturdays, Sundays and Holidays shall not count as days.
6. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with an appropriate member of the staff of the Hooksett Fire-Rescue Department and having the grievance adjusted without the intervention of the Union provided the adjustment is not inconsistent with the terms of this Agreement.
7. This Article shall be subject to the provisions of N.H. RSA 542. Any appeal pursuant to RSA 542 shall be filed within thirty (30) days of the date of the arbitrator's decision.
8. Failure by the Town or its agents to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure of the grievant in any step of this procedure to appeal a decision to the next step within the specified time limits shall be deemed a waiver of future appeal of the decision, will be considered as final acceptance of the decision rendered and no further action of any sort shall be had regarding such void grievance.

7. An employee, or the employee's agent or representative who has been so designated in writing by the employee, shall have access and be able to review that employee's personnel records during regular business hours. An employee, or agent or representative may obtain copies of any such records at the actual cost of reproduction.

9. All newly promoted Lieutenants will serve a 1-year probationary period and shall complete an officer development program as set forth by the department administration. Said promoted employee may be returned to the employee's former rank, before the expiration of the probationary period if determined unqualified by the department administration.  - b. Courses are related to the employee's job or are part of an approved career development program.

ARTICLE 20
VACATIONS

Each employee shall be entitled to vacation time earned. When each employee reaches their anniversary date, they are allowed to carry over no more than 120 hours. Earned hours will then be accrued as follows: each month's accrual will be officially accrued once the month has been completed and will be eligible for use on the first day of the following months based on the numbers of years they have been employed at the Hooksett Fire-Rescue Department (see chart below).

The purpose of vacation leave is to provide full-time employees the opportunity for a break in their annual work schedule. No vacation leave shall be taken before accrual. Vacation leave is by anniversary date. No vacation accruals will be earned when a member is out on short/long-term disability or waiting for a decision from the short/long-term disability provider.

<u>Start of Year #(Anniversary Date)</u>	<u>Hours Earned</u>
<u>2</u>	<u>120</u>
<u>8</u>	<u>180</u>
<u>15</u>	<u>240</u>
<u>21</u>	<u>300</u>

Each employee shall be able to use vacation in the following ways:

- a) 10hr day shift = 10 vacation hours
- b) 14 hr night shift = 14 vacation hours
- c) A minimum of four (4) hours to a maximum of 14 hrs in the middle of the shift. If this "partial shift" cannot be filled, it is treated like any other vacation coverage that cannot be covered and it will be denied. All partial shift hours must be full hours.

Vacation leave may not be used in advance of the accrual. Use of vacation leave at a particular time is contingent upon whether the employee's services can be spared. Employees shall submit their vacation request to the Fire Chief or his/her designee as early as possible in the calendar year, but except in emergencies, to the Hooksett Fire-Rescue Central Station office at least fourteen (14) calendar days in advance of the dates requested. Request shall be acted upon within the two next shifts worked by the employee requesting vacation. In cases where more than two (2) requests are made for a particular time, employees with greater Hooksett Fire-Rescue Department seniority shall be given preference. 120 hours of vacation time may be carried over to the following year. However in the event a request for vacation is denied, for reason beyond the employee's control, the Town of Hooksett shall buy those hours at the employees existing regular hourly rate. If the employee has more than 120 hours of vacation time when they reach their anniversary date, the overage hours will be paid by multiplying the employee's hourly rate by the remaining hours even if it is less than 1 hour.

Employees shall be able to sell back vacation time to the Town of Hooksett. This reimbursement will be paid in the employee's regular paycheck.

The parties agree that the firefighters designated as the floating firefighter may request vacation hours in the same manner as personal hours.

Vacation leave shall be used at the rate of one (1) hour of paid leave for each hour from which the employee is absent regardless of the length of that shift. The minimum vacation time is one shift.

The parties agree that the firefighter designated as the floating firefighter may request vacation hour(s) in the same manner as personal hour(s).

Except in the event of termination for misconduct or insufficient notice of resignation (i.e., less than two weeks), employees shall be paid the proportionate share of vacation pay accrued to the termination date.

employment. The Town of Hooksett reserves the right to have a physical examination made at its expense of any employee whose health or physical condition appears to impair the employee's ability to meet job requirements.

4. Sick hours may be accrued up to five-hundred (500) hours. Any additional hours that an employee would be eligible for, but does not use during the fiscal year, shall be reimbursed at half pay at the end of the fiscal year. This reimbursement applies to only those hours beyond the five-hundred (500) hour limit. Only five-hundred (500) hours of sick leave may be carried forward into a new fiscal year. Lump sum payments will be paid in one check and taxed at a flat rate in accordance with the IRS publication 15 section 7.

An employee must notify the Fire Chief or his/her designee no later than one (1) hour before the normal start of the employee's workday. The employee is able to use a minimum of three (3) hours and up to twenty-four (24) hours for personal hours if they have that many hours left in their bank. A partial shift usage of personal hours or a fourteen (14) hour night shift usage of personal hours can however be denied if it will cause a drop to less than six (6) members of the bargaining unit.
6. Upon qualification for retirement of service with the New Hampshire Retirement System from the Hooksett Fire-Rescue Department, the employee shall be reimbursed for all unused sick hours.
