Just cause shall include but not be limited to the following: a) medically diagnosed incapacity to perform assigned duties; b) incompetence; c) behavior incompatible with effective conduct of duty; d) behavior detrimental to the Town or e) failure to carry out assigned duties.

Such statement shall be maintained as part of the employee's personnel record.

12. Grievance Procedure

1. Definition

A Grievance under this Article is defined as an alleged violation of any provision of this Agreement except Article 7 (Management Rights), Article 14 (Seniority) and any other provisions of the Agreement specifically exempted from the grievance procedure.

NOTE: An employee who has a “complaint” may take up the complaint with his/her immediate supervisor verbally before he/she processes the complaint as a formal grievance. The immediate supervisor shall give his/her answer within five (5) workdays. It is anticipated that nearly all complaints can be resolved informally without grievance. Each grievance must be submitted in writing by the Union and must contain a statement of the facts surrounding the grievance the provision(s) of this Agreement allegedly violated, and the relief requested.

2. Procedure

Step One

An employee or the Union on behalf of an employee desiring to process a grievance must file a written statement of the grievance to the Director of Public Works or his/her designee no later than ten (10) workdays after the employee knew the facts on which the grievance is based, and in no case more than one (1) month from the occurrence. The Director of Public Works or his/her designee shall meet with the employee and the Union representative within three (3) workdays following receipt of the notice and shall give a written decision within three (3) workdays thereafter.

Step Two

If the employee or the Union on behalf of an employee is not satisfied with the decision of the Director of Public Works he/she may file, within five (5) workdays following the Director of Public Work’s decision, a written appeal with the Board of Selectmen or their designee, setting forth specific reasons why the employee or the Union believes the Agreement is being violated by the Town action in question. Within thirty (30) workdays following receipt of the appeal, the Board of Selectmen or their designee shall either issue a written decision or schedule a hearing. Said hearing shall be held no later than thirty-five (35) workdays following receipt of the appeal and written decision shall be rendered within five (5) workdays thereafter.

- a. If the Union is not satisfied with the disposition of the grievance or no decision has been rendered by the Board of Selectmen or their designee within thirty (30) working days after they receive the grievance and prior to the submission of the grievance to arbitration representatives of the Union and management may, by mutual consent, meet to determine if the grievance can be settled without arbitration.

Step Three

If the employee or the Union on behalf of an employee is not satisfied with the decision of the Board of Selectmen or their designee, the Union may file, within thirty (30) workdays following receipt of the decision, a request for arbitration to the Public Employee Labor Relations Board (PELRB) under its rules and regulations. The decision of the arbitrator shall be final and binding on the parties.

3. The cost of arbitration shall be borne by the losing party. It shall be incumbent upon the arbitrator to specify the party designated as the losing party to facilitate payment of arbitration costs.
4. The foregoing time limitations may be extended by mutual written agreement of the parties.
5. Failure of the grievant to abide by the time limits set out in this article shall result in the grievance being deemed settled on the basis of the last decision made by the appropriate "hearing officer" on behalf of the Town.
6. The Town shall not designate a hearing officer at any step of the grievance procedure who has heard the grievance at a prior step.

13. Hours of Work and Overtime

1. Normal Work Schedule. The normal work schedule shall be forty (40) hours per week comprised of consecutive days of work with equal number of hours per day. Scheduled Non-Emergency Overtime – Scheduled non-emergency overtime is given to employees qualified to perform the task required. Emergency Overtime – Emergency overtime is distributed to employees qualified to perform the task required. Employees who desire this overtime volunteer to make themselves available for call in or are available when contacted. All employees must make themselves available in emergencies to work overtime. Every effort will be given to having those employees who desire the overtime work the overtime and not those who do not desire the overtime. All attempts are made to distribute overtime in an even and fair manner so that all volunteering employees have a chance to share the available overtime.

Scheduled Emergency Overtime – Scheduled emergency overtime is distributed to employees qualified to perform the task required. Employees qualified to perform the task are asked to volunteer to fill the overtime slots. Every effort will be given to having those employees who desire the overtime work the overtime and not those who do not desire to overtime. All attempts are made to distribute overtime in an even and fair manner so that all volunteering employees have a chance to share the available overtime.

Employees who are sent home outside of their normal work schedule to rest, and return within eight (8) hours; will return at the pay status as though they never left. Employees will not be paid for hours in which they are not at work.

4. Hours paid but not worked, such as legitimate use of Earned Time, holidays, etc. shall be counted in determining hours worked for the purpose of computing overtime pay. It shall be at the department head's discretion to determine if Earned Time is being legitimately taken.
5. Call-Back Pay. Any person who has left their place of employment and is called to work prior to the next normal shift will be paid for a minimum of three (3) hours at the rate of time and one-half; provided, further, that an employee who is called back for overtime or emergency work and who completes the required task and returns to his/her residence within three (3) hours minimum guarantee may be called back for additional emergency or overtime without an additional three (3) hours minimum work guarantee. It is the purpose and intent of this section to assure an employee of at least three (3) hours of pay at overtime rates for the inconvenience of being called back to work between normal shifts, but not to be separately paid for several call-backs within the three (3) hour minimum guarantee period. Any employee who is called in one hour or less prior to the start of his/her normal shift receives such time at the overtime rate, but is excluded from the three (3) hour minimum guarantee.

6. Employees may be required to work long hours as a result of snow or other emergencies. Employees shall be paid double time for all work performed in excess of 16 consecutive hours and for hours worked Thanksgiving Day and/or Christmas Day.
7. Standby Compensation. Employees who volunteer during their normal off duty hours to standby duty and are required to be available for communication with their Department during the standby period, and for reporting to work within a reasonable period of time to duty shall receive a standby pay. Effective July 1, 2018, employees who are assigned to standby duty or requested to be available for standby duty as determined by the Department Head shall be paid thirteen dollars and fifty cents (\$13.50) per day for their respective workdays, and eighteen dollars and fifty cents (\$18.50) per day for their respective non-work (off) days, and Holidays. Effective July 1, 2025, the standby rate shall increase to a flat rate of twenty dollars (\$20.00) per day for any day on standby. Effective July 1, 2026, the standby rate shall increase to twenty-two dollars (\$22.00) per day. Effective July 1, 2027, the standby rate shall increase to twenty-five dollars (\$25.00) per day. Unless otherwise excused by the Department Head, failure to report may result in discipline as provided in Article 11.
 - a. There shall be no reduction of the standby rate as defined in the preceding section in the event an employee on standby is called in and reports to work.
8. Plus Rates. An employee may be temporarily assigned to the work of any position of the same or lower rate of pay without change in compensation. Upon cessation of such temporary assignment, said employee shall be restored to his/her original position.

When an employee works on a temporary assignment in a higher paid position, he/she will receive either a 10% increase in compensation or the minimum rate of pay for the classification whichever is greater for each hour worked.

9. Employees who need to leave during their regularly scheduled shift due to fatigue, etc., as a result of working continuously throughout the previous night, may do so with prior approval of their supervisor. In this case employees are not paid for released hours but may elect to use earned time to cover those hours of their regularly scheduled shift. In addition, if the employee is requested to work overtime at a later point in the work week a deduction of overtime will not occur as a result of not compiling forty (40) regular hours.

14. Seniority

1. There shall be two (2) types of seniority:
 - a. Department Seniority – Department Seniority shall relate to the time an employee has been continuously employed by the Town in the department recognized by this Agreement.

- b. Classification Seniority – Classification Seniority shall relate to length of time an employee has been employed in a particular classification.
2. Classification Seniority in the classification involved shall prevail in matters concerning layoffs. Qualified and available former permanent employees shall be reinstated before new employees are hired following a layoff. This preference shall expire after one (1) year.
3. Upon receiving a promotion, an employee's name shall be entered at the bottom of that particular Classification Seniority list to which he/she has been promoted, regardless of his/her Department Seniority, and he/she shall be considered to be the junior or least senior employee in that classification regardless of the Department Seniority of other employees already in that job, until such time as other promotions/hiring's are made into that classification. New promotions/hiring's shall be entered at the bottom of that particular Classification Seniority list concerned. If a promoted employee does not pass his/her new position's probation or if he/she is unsatisfied with the position within 30 days after the assignment then he/she shall be returned to his/her old classification at the earliest date that is operationally possible and regain his/her former classification and associated seniority.
4. Until a new employee has served the initial twelve month probationary period it shall be deemed that he/she has no seniority status, and he/she may be discharged or laid off with or without cause, such discharge or layoff shall not be subject to the grievance procedure.
5. An employee shall not forfeit seniority during absences caused by:
 - a. Illness resulting in total temporary disability due to his/her regular work with the Town, certified to by an affidavit from the Workers' Compensation carrier.
 - b. Illness resulting in total temporary disability, certified to by a physician's affidavit.
6. An employee shall lose his/her seniority for, but not limited to the following reasons:
 - a. Discharge for just cause.
 - b. If he/she resigns.
7. The employee's present classification seniority as of the effective date of this contract shall be the only type of seniority considered for the purpose of establishing the Classification Seniority System called for in this Article. This Classification Seniority must have been continuous in nature to merit consideration under this section. The preparation and maintenance of the Classification Seniority Roster shall be the responsibility of the Chairman of the Board of Selectmen or his/her designee.

15. Work Reductions or Layoffs

1. If there is a layoff or any reduction in the work force, the person with the least seniority in the affected classification will be laid off first. These laid off employees

will be recalled in the reverse order of layoff. The person with the most seniority will be hired back first.

2. No employee shall have the right of replacing another employee in any classification by virtue of Department Seniority alone, except that in the event of a permanent lack of work in any classification, those employees affected in that classification shall be assigned when operationally possible to the next lower classification for which they are qualified. Absolute bumping rights are not to be assumed by the foregoing.
3. All employees who have been laid off will be kept on a re-employment list for a minimum of one (1) year.

16. Time Clocks

Each hour shall be divided into four (4) parts and every fifteen (15) minutes shall constitute one quarter of an hour. Overtime, after a regularly scheduled shift, shall not begin until eight (8) minutes have elapsed. After that time, full overtime from the end of regularly scheduled shift, shall be paid for the number of quarters of an hour worked.

17. Salaries

1. Effective July 1, 2024, Step 1 of the Wage Schedule will be removed from Labor Grades 12, 14 and 16, and Steps 1 and 2 of the Wage Schedule will be removed from Labor Grade 8. New Steps 9 and 10 will be added to the end of the Wage Schedule as applicable. Each step in the new Wage Schedule will be adjusted so that it is a 3.5% increase over the previous step. A 3% cost of living adjustment will then be applied to the Wage Schedule as provided in Appendix A-1.

Effective July 1, 2025, Step 1 of the Wage Schedule will be removed from all Labor Grades. A new Step 10 will be added to the end of the Wage Schedule at a 3.5% increase over the previous Step 10. A 3% cost of living adjustment will then be applied to the Wage Schedule as provided in Appendix A-2.

Effective July 1, 2026, a 3.5% cost of living adjustment will be applied to the Wage Schedule as provided in Appendix A-3.

Effective July 1, 2027, a 3.5% cost of living adjustment will be applied to the Wage Schedule as provided in Appendix A-4.

Effective July 1, 2028, a 3.5% cost of living adjustment will be applied to the Wage Schedule as provided in Appendix A-5.

Employees shall be granted movement from Step 1 to Step 2 upon successful completion of probation; thereafter, eligible employees will be granted step increases annually on their date of promotion in rank as provided in Appendices A-1 through

A-5. Employees who have not been promoted in rank will be granted step increases annually on the anniversary of their date of hire as provided in Appendices A-1 through A-5.

2. A change in job and thus employment in a higher classification in the wage schedule (e.g., the new classification is assigned to pay grade 12 as compared to 8) is considered a promotion and as such would result in the employee moving to the same step they are currently on, at the new classification.

18. Promotions and Transfers

1. When a position within the bargaining unit is approved to be filled and which offers the possibility of a promotion to unit members, it will be posted on Departmental bulletin boards for a period of five (5) working days.

Management shall make a determination of the filing of such posted position no later than 30 working days after the close of the posting period.

- a. Job posting shall include job specifications, rate of pay, job location, the shift and also if the job is permanent with a permanent rating.
2. After an award is made of a promotion the name of the person promoted shall be posted for five (5) working days following said award.
3. Vacancies in management positions within the Department which are excluded from the bargaining units shall be posted on the departmental bulletin boards.
4. Employees who are absent during the entire posting period shall be automatically placed on the list for consideration for the position(s) provided, however, that such employee may, at his/her discretion, have his/her name removed from the list within five (5) work days of returning to work.
5. Upon receiving a promotion, an employee's name shall be entered at the bottom of that particular Classification Seniority list to which he/she has been promoted, regardless of his/her Department Seniority, and he/she shall be considered to be the junior or least senior employee in that classification, regardless of the Department Seniority of other employees already in that job, until such time as other promotions are made into this classification. New promotions shall be entered at the bottom of that particular Classification Seniority list concerned. If a promoted employee does not pass his/her new position's probation then he/she shall be returned to his/her old classification and regain his/her former classification or may do so voluntarily.
6. The provisions of Article 18 are subject to the grievance and arbitration procedure.

19. Workers' Compensation

1. Workers' Compensation, as distinguished from Earned Time and Sick Pool Time, shall mean absence from duty caused by an accident, injury or occupational disease incurred while the employee was engaged in the performance of his/her official duties.
 - a. The Town will pay to an employee absent, as the result of an employment related disability, an amount which, is provided for by New Hampshire statute and administered by the Compensation Fund of New Hampshire.
2. An employee may utilize accumulated Earned Time or Sick Pool time (after five day Sick Pool waiting period) to cover the period of time between the occurrence of a job related injury or disease and the on-set or availability of Worker's Compensation payments.
3. At any time after a job-related disability, the employee may request that accumulated Earned Time or Sick Pool time (after five day Sick Pool Waiting period) be used as special disability leave to either provide for continued receipt of pay in the case of tardy Workers' Compensation payments or to supplement the payments in order to receive one hundred percent (100%) of the employee's regular rate of pay.
4. The first Workers' Compensation payment received by the employee must be remitted to the Town. When remitting Workers' Compensation payments to the Town, the employee's Earned Time used will be replenished first, and any additional time used will be replenished to Sick Pool or Earned Time in the order used. In some circumstances, the Town will require that additional Workers' Compensation payments received by the employee be remitted to the Town to fully replenish Earned Time and Sick Pool time used by the employee.

20. Holidays

1. All employees shall be paid for the following named holidays, four (4) floating holidays, and any other day proclaimed as a holiday by the Town:

New Year's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Fourth of July	Christmas
Labor Day	Four (4) Floating Holidays

If Town employees in other bargaining units receive Juneteenth as a holiday, then the Town will extend Juneteenth as a holiday to members of the bargaining unit.

Where conflict exists between the State and National holiday, the Board of Selectmen shall determine the day to be celebrated.

- a. Holiday compensation shall be based on an employee's regularly scheduled shift.

Employees in permanent percent-time positions of fifty-percent (50%) or greater shall receive holidays on a pro-rata basis.

2. Employees who are absent due to non-work related accident or injury or absent without leave for the single day directly preceding or directly following the holiday shall forfeit pay for the holiday.
3. Special Cases: When a holiday falls on a Sunday or Monday which an employee is not scheduled, the following scheduled workday shall be deemed a holiday. When a holiday falls on a Friday which an employee is not scheduled or Saturday, the workday preceding shall be deemed a holiday. Should a holiday fall within a vacation period, it shall not be counted as part of annual vacation allowance.
4. Employees being paid by the Compensation Fund of New Hampshire (Worker's Compensation) or the Disability Insurance carrier are not paid for holidays during the period of receipt of such benefits.
5. Employees may request the use of a floating holiday at any time during the year, however, a minimum of two (2) weeks' notice and approval by the Director of Public Works, or his designee, is required prior to the taking of the day off. Floating holidays must be taken during the fiscal year within which they are earned or they are lost.

21. Earned Time

1. Earned Time is an alternative approach to the traditional manner of covering absence for vacation, personal leave days, and sick leave. Instead of dividing benefits into a specific number of days for each benefit Earned Time puts these days together into a single benefit. Earned Time days can be used for a variety of purposes, including a payment in cash at the time of voluntary termination. Earned Time is available as soon as it is "earned". The exact number of Earned Time days available each year will depend on the years of service to the Town.
 - a. Bereavement Leave is provided by a separate benefit. (See Article 26)
2. Coverage. Employees who are employed in a permanent position of at least 75 percent time* are covered by Earned Time. The accrual rates are as follows:

<u>Years Service</u>	<u>Hours Accrued (Approx.) per Month</u>	<u>Annual Hours Accrued</u>
0-1	13.33	160
1-2	14	168
2-3	14.66	176
3-4	15.33	184
4-5	16	192

5-15	16.66	200
After 15	20	240

(* Part-time employees who at the time of signing this agreement have percent-time appointments of 50-74% will be “grandfathered” or eligible for the Earned Time Program.)

3. For purposes of this policy, years of service will be calculated in a manner identical to that used for purposes of Seniority (Article 14, Sec. 1.a.). Employees accumulate Earned time based on regularly scheduled hours worked or in pay status up to those hours budgeted for the position (other non-status hours worked and supplemental compensation such as overtime are excluded) and on years of service to the Town.
4. Termination and Restoration of Service Credit: An employee whose break in service from the town is less than one year will have his/her service bridged for purposes of computing Earned Time accrual. For breaks of more than one year an individual will earn one year credit for each year of employment after return, until the total past credit is accrued. After five years of employment following return to work, credit for all previous service will be given.
5. Usage:
 - a. Earned Time may be used after being earned including during an employee probationary period. Absences will be mutually agreed upon by the employee and his/her supervisor prior to the date of absence, unless the employee was unable to anticipate and plan for the absences.
 - b. After the first hour of work, Earned Time use may be by the quarter hour.
 - c. Earned Time benefits accrue only during the initial 3 weeks (15 working days) of sick leave pool usage. Each separate use of the sick leave pool, however, provides for the continuing earning ability.

6. Longevity Incentive:

All employees will receive a one-time award of forty (40) non-lapsing personal hours upon completion of twenty (20) years of service to the Town of Hudson. These days may not be sold back to the Town and will not be paid out when leaving employment.

7. Sick Leave Pool:

The Sick Leave Pool is intended to provide security by allowing employees to “buy” insurance for extended illness, or other disability. When “buying” Pool days, employees convert Earned Days on a 1 to 3 basis. Similar to purchasing insurance, the employee may pick a given number of days to exchange for coverage in case of extended disability. For purposes of the sick leave pool, a day is eight (8) hours and must be converted as such.

Pool days are available for use only under the conditions listed below, and are not eligible for payout at retirement or termination.

- a) Use of Pool days may begin on the sixth consecutive work day absence due to illness, injury, or other disability. Earned Time must be used during this Sick Pool Waiting period.
- b) A physicians' report must accompany the request to use Pool days.
- c) It is not necessary to use up all earned Days before using Pool Days.
- d) The employee may continue using Pool days until his/her Pool is exhausted, or until no longer disabled.
- e) Periodic doctor's reports may be required.
- f) The maximum Pool day accrual is 150 days (i.e., the maximum conversion of Earned days is 50, which would convert to 150 Pool days). If Pool days are used, or if an employee wishes to add to his/her Pool days, more Earned days may be added each July (to a total of 150). Earned Time days may not be converted to Pool days at any other time.

8. Maximum Carryover

- a. Employees on roll effective July 1, 2004 shall be permitted to carryover to future years accrued earn time up to maximum of 720 hours.
- b. Employees hired after July 1, 2004 shall be permitted to carry over to future year's accrued time up to a maximum of 480 hours.

Any accruals which cannot be carried over will be paid out to the employee in the next pay period following their anniversary date of employment.

All accruals will be paid to the employee at the time of termination, retirement or layoff, except as provided below if such termination is for cause.

In the event that any employee has more accrued time on their anniversary date of employment during the first year of the agreement than provided above, the employee shall be paid one hundred percent (100%) of the excess accrual in the next pay period following their anniversary date of employment.

All accrual payments shall be at the base rate in effect at the time of payout.

9. Annual Buyout

Employee may request, during the first week in June or the first week in December payment for accumulated earned time in excess of forty (40) hours. Request will be granted *only* in units of ten (10) hours, i.e., buy back of ten (10) hours, twenty (20) hours, thirty (30) hours, etc.

Earned Time, when paid in this manner, will be at one hundred percent (100%) of its value based upon the employee's current rate of pay on June 1st, or December 1st, respectively. Payment will be made in the last paycheck of the fiscal year or calendar year.

10. Use in conjunction with disability insurance requirements:

- a. An employee may utilize his/her Earned Time or when appropriate the Sick Leave Pool to cover the period between an injury or disease and the on-set or availability of disability payments.
- b. At any time after a disability, the employee may request that Earned Time or, when appropriate, the Sick Leave Pool be used to supplement the disability payments. In no case shall the combination of Earned Time or Sick Leave Pool benefits and the compensation received from the Disability Insurance Company equal more than one hundred percent (100%) of the employee's regular rate of pay.
- c. Upon receipt of the delayed disability payments, if that were to occur, the employee may elect to submit payment to the Town by virtue of "signing over" a portion of his/her disability check to the Town for the purpose of restoring a portion of either the Earned Time or Sick Leave Pool days used to cover the absence due to disability. Such restoration of days need not be made if the employee does not desire to restore such Earned Time or Earned Time Pool benefits.

11. All accruals will be paid to the employee at the time of termination, retirement, or layoff, unless such termination is for cause. However, since a two (2) week notice is considered to be appropriate, in cases where such notice is not given, a pro-rata payment for Earned Time Accrual, based on the notice given will be made. In the event termination is for cause, the employee shall not be entitled to an earned-time payout unless otherwise expressly approved by the Board of Selectmen.

22. Uniforms

1. The Town will provide an allowance of up to \$435 to each employee in the unit to purchase appropriate uniforms, shoes or boots. The account will be restored to that level of funding on July 1st of each year.
2. New employees shall have the allowance of \$435 available upon satisfactory completion of their probationary period.

23. Hospital/Health Insurance Coverage

Health Insurance: Effective January 1, 2017 the Town pays eighty (80%) of the premium cost for employees enrolled in AB5 (HMO plan), BC2T20 (Point of Service plan) and

Lumenos 2500 (\$2,500/\$5,000; High Deductible plan) or other plans that provide comparable coverage as recommended by the Joint Labor/Management Committee, established herein. Any change in coverage options will require mutual agreement between the parties.

In the event that an employee chooses the Lumenos 2500 plan the Town will contribute to a Health Savings Account (HAS) each January, even during status Quo period, \$2,000 for a single plan, \$4,000 for two person plan, and \$5,000 for a family plan.

The Town will make the appropriate arrangements to assure the article is fully funded as a cost item.

Full-time employees who are eligible to participate in the Town’s health insurance and dental insurance programs, but who opt not to participate, are eligible to receive payments in lieu of this coverage. In order to be eligible for payments in lieu of coverage, an employee must provide the Town with proof of coverage under another health insurance plan. Employees do not need to provide proof of coverage under another dental insurance plan.

Full-time employees hired prior to July 1, 2014 shall receive pay in lieu of health insurance coverage, payable in weekly installments, according to the level of coverage for which they qualify according to the following schedule:

Single -	\$129.20
2 person -	\$193.80
Family -	\$239.02

Full-time employees hired on July 1, 2014 or thereafter shall receive pay in lieu of health insurance coverage, payable in weekly installments, according to the level of coverage for which they qualify according to the following schedule:

Single -	\$50.00
2 person/family -	\$100.00

Full-time employees hired prior to July 1, 2014 shall receive pay in lieu of dental coverage, payable in weekly installments, according to the level of coverage for which they qualify according to the following schedule:

Single -	\$ 5.12

Family -	\$18.04

Full-time employees hire on July 1, 2014 or thereafter shall receive pay in lieu of dental coverage, payable in weekly installments, according to the level of coverage for which they qualify according to the following schedule:

Single -	\$5.12
2 person/family -	\$9.92

Employees who are in no pay status will not receive any further pay in lieu of health or dental coverage unless and until they return to paid status. Employees who are terminated, who resign or who retire prior to being paid the full amount of pay in lieu of coverage pay shall not receive the balance of the payment. Employees who change their health insurance coverage mid-year shall have their opt out payment pro-rated or discontinued in accordance with their new coverage selection.

Employees hired prior to July 1, 2014:

- a) That receive a flex payment for opt down, will continue to receive a flex payment equal to that which they receive as of June 30, 2014.
- b) That are eligible to receive a flex payment for health insurance, will receive a flex payment as agreed upon in the CBA.
- c) That are eligible to receive a flex payment for dental insurance, will receive a flex payment as agreed upon in the CBA.
- d) Employees who are or become of single status will receive health insurance at no charge.

The maximum annual flex payments referred to in this section are available to any full time active employee who remains employed by the Town and eligible for Health and Dental coverage by virtue of their employment status with the Town, for the entire plan year. Employees who lose eligibility for these benefits as a result of a change in their employment status with the Town will no longer receive these payments.

The parties recognize that increasing health insurance premium costs are adversely affecting both the Town and Employees. In the event the Town or the Bargaining Unit determines there is a need to consider other providers, cost reducing alternatives and/or coverage options, the Town and the Union will convene a Joint Labor/Management committee to explore and assess any such options. The Joint Labor/Management committee shall consist of two members from each bargaining unit, two members from the exempt staff as well as the Town Administrator and Finance Director. Members of the committee will be permitted to attend meetings while on paid status. The Joint Labor/Management committee shall no bind the bargaining unit and shall not obligate the parties to re-open the collective bargaining agreement mid-term.

24. Life Insurance

The Town agrees to provide term life insurance with coverage being one (1) times an employee's annual salary. (Base pay)

of an immediate family member. With the approval of the Town Administrator, an additional two (2) days of bereavement leave may be granted in the event of hardship due to excessive travel related to bereavement for immediate family. Such leave shall be requested of the department head or his/her designee. (Employees with less than a 100% appointment will receive a pro-rata benefit based upon their average number of hours in a day.)

1. Employees are allowed up to twelve (12) weeks of leave without pay, in each twelve (12) month period, for reasons provided for under the Family Leave Act of 1993 (FMLA) i.e. a) the birth of the employee’s child, b) the placement of a child with the employee for adoption or foster care, c) caring for a spouse, child or parent in the event of a serious health condition, or d) inability of the employee to perform the functions of his or her job because of a serious health condition. All definitions within this section shall correspond to those in the Act and its regulations.
2. To the extent possible the portion of extended leave of absence (FMLA) taken due to disability resulting from pregnancy, miscarriage or child birth shall be charged to available Earned Time. Such Earned Time shall be used from the on-set of the extended leave of absence (FMLA).
3. During the twelve (12) week period of leave, the employee’s insurance benefits will be maintained in a manner identical to that in effect for “active” employees and the employee’s service credit and position will not be affected by such leave.
4. After twelve (12) weeks has elapsed, the employee’s employment status will be continued by 1) return to duty, 2) medical evidence clearly stating the employee’s inability to return to assigned duties and the use of benefits provided for in this Agreement.

5. The twelve (12) month period, for purposes of FMLA calculation, shall be the anniversary date of the initial granting of leave of absence under the Act and this Article of the Agreement.

28. Safety

1. The Town shall have the right to make regulations for the safety and health of its employees during their hours of employment. Representatives of the Town and the Union may meet once in ninety days at the request of either party to discuss such regulations. The Union agrees that its members who are employees of the Town will comply with the Town's rules and regulations relating to safety.

29. Military Leave

1. Any permanent employee enlisted or inducted into the Armed Forces of the United States or who as a member of the Reserve or National Guard Unit is called to active Duty in the Armed Forces and who satisfactorily completes such service and makes application for reemployment within 90 days of release from active duty or within 30 days, in the instance of training, shall be returned to Town employment in a position of like pay, seniority or status to the position the employee left. The employee shall be entitled to the same or similar pay, status and seniority the employee would have had if the employee continued employment.
2. Any employee who is a member of a military reserve or National Guard unit shall be entitled to leave without loss of time, pay or regular leave or any other benefits for all periods of military services in the service of the State of New Hampshire at the call of the Governor without regard to length of time, and for family military service in the United States for a period not to exceed a total of 15 calendar days on any fiscal year. Employees shall be entitled to full compensation, less any military compensation received in the instance of reserve duty, for what would otherwise be normally assigned work days, excluding overtime, during the 15 calendar days of military assignment.
3. Any employee who is a member of a military reserve or National Guard unit who receives training in excess of 15 calendar days, and not at the call of the Governor and in the service of the State as set out above shall be entitled to leave without pay for the duration of the training. If however, the employee must go on active duty in the United States Armed Forces to receive such training, the employee shall not be entitled to leave without pay, but rather reemployment as set out above. An employee entitled to leave without pay shall not accrue Earned time while receiving military leave without pay, but shall not lose any previously accrued Earned time and shall return to the same or another position similar to pay, seniority and status. While on military leave without pay, the employee shall not be covered by the Town's medical benefits and may only continue family medical coverage benefits by paying the appropriate premiums.

4. All employees must present orders to their supervisors in order to obtain this leave, which indicates date of departure and length of service anticipated. Employees returning from reserve duty shall also submit proof of compensation received from such duty.
5. Any enhancement(s) to the above provisions for the military service shall be at the sole discretion of the Board of Selectmen and shall be extended to members of this bargaining unit as applicable.

30. Jury Duty

Any regular full-time employee or part-time employee who is required to serve on a jury, or as a result of official Town of Hudson duties is required to appear before a court, legislative committee or quasi-judicial body as a witness in response to a subpoena or other directive, shall be allowed authorized leave with pay less any amount received for such service. A probationary period shall be extended by the same amount of time as required for serving on jury duty. An employee who receives notice of jury duty or witness service must notify their supervisor immediately in order that arrangements may be made to cover the position. The Town reserves the right to request that an employee who is called for jury duty be excused if their absence would create a hardship on the operational effectiveness of the department to which they are assigned. Employees are to return to work after jury duty although no more than the regular scheduled number of hours for both jury duty and work shall be required. If excused as a juror on any given day, the employee is expected to contact their supervisor to report to work as instructed.

The employee is responsible to turn over jury or witness fees to the Finance Department, excluding mileage fees.

Time away will not affect Earned time accruals.

Employees who appear in court as the Plaintiff or Defendant in any action not related to their official duties shall not be paid for the time away from work unless the time is taken as Earned Time. Court payments for travel expenses are to be retained by the employee.

The employee may keep any court payment for services performed on the days of their regularly scheduled weekend or performed while on Earned time leave.

31. Miscellaneous

Intra-unit Relations

Since it is to the benefit of all that harmonious fraternal relations prevail in the Town, any disputes which may arise between and among members of the unit and which have major consequences of their performances shall, at the Chairman of the Board of Selectmen or his/her designee, discretion, be referred to the bargaining agent for mediation and resolution.

The Town shall provide a bulletin board for the posting of notices of the Town and Department addressed to the employees and for notices of the Union addressed to its members. The Department shall locate its bulletin board at a convenient place. No notices shall be posted in or around the Town property except on the board and then only after approval by the Town as being suitable for posting. No Union notice shall be posted unless it has been signed by the responsible officer of the Union.

32. Contracting and Subcontracting Out

1. The Town recognized the concern of the Union in regard to contracting and subcontracting out work which results in a reduction of the work force.
2. If the Town or Department covered by this Agreement changes its methods of operation which involves contracting out work which is now being performed by bargaining unit employees, the Town will give notice to the Union of its intention. Furthermore, the Town will attempt to absorb affected employees into other Town positions. In those cases where employees are not absorbed into other Town positions, the Town and/or Department will provide as much advance notice of pending layoffs as reasonably possible.
3. In an effort to ensure that the Town's safety and quality standards are being met through the use of subcontractors, a qualified bargaining unit employee shall be on site with any subcontractor while such work is being conducted.

33. Separability

In the event any provision of this Agreement in whole or in part is declared to be illegal, void, or invalid by any court of competent jurisdiction or any administrative agency having jurisdiction, all of the other terms, conditions, and provisions of this Agreement shall remain in full force and effect to the same extent as if that provision had never been incorporated in this Agreement and in such event, the remainder of this Agreement shall continue to be binding upon the parties hereto.

34. Effect of Agreement

1. This instrument constitutes the entire Agreement of the Town and the Union, arrived at as a result of collective bargaining negotiations, except such amendments hereto as shall have been reduced in writing and signed by the parties.
2. The parties acknowledge that during the negotiations which resulted in this Agreement, each had unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and the opportunity are set forth in the Agreement. Therefore, the Town

and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time that they negotiated or signed this Agreement.

35. Duration of Agreement

This Agreement shall be in full force and effect from July 1, 2024 through June 30, 2029. By mutual agreement, the parties may extend the terms thereof, with or without modification as may be agreed. Either party shall give written notice thereof at least one hundred and twenty (120) days prior to the Budget Submission Date in the year following expiration.

IN WITNESS WHEREOF, the parties hereto have caused their signatures to be affixed on the dates indicated by their duly authorized representatives.
