0-12 months of continuous service: no paid leave

12-59 months of continuous service: equivalent to 2 average work weeks per year (for example, if average work week is 32 hours, will earn 32 x 2=64 hours).

60 or more months of continuous service: equivalent of 3 average work weeks per year (for example, if average work week is 32 hours, will earn 32 x 3=96 hours).

Regularly part-time employees in positions with an authorized work week of less than 30 hours per week will be entitled to pro-rated paid leave as follows:

0-24 months of continuous service: no paid leave

24 months or more of continuous service: equivalent of 1 average work week per year (for example if regularly scheduled average work week is 21 hours, will earn 21 hours for the upcoming year).

Regular part-time bargaining unit employees will be eligible for pro-rated leave allocation, based on the following criteria:

1. The part-time employee must have a regular work schedule, i.e., contract, seasonal, or per diem employees are not eligible for paid leave.
2. The employee's position must be identified in the bargaining unit description in Article I, Section 1.
3. The employee must have completed the continuous service requirement related to the leave accrual schedule detailed above.
4. The part-time employee must receive a satisfactory performance evaluation.

The paid leave must be used in the twelve month period for which it has been allocated. It cannot be carried forward past the anniversary date; therefore, any unused paid leave will be forfeited if it is not used.

Leave schedules will be approved by the respective department head in accordance with department requirements. In no case will payment be made to the employee in lieu of taking paid leave, except upon employment termination, whereby the employee and/or employee's estate will receive payment for any unused portion of the leave balance.

Paid leave under this provision may be utilized by the employee for a paid absence from the workplace, which can include holidays, vacation, sick or bereavement leave.

The following three (3) month measurement periods are established for the purposes of determining eligibility for award of this leave benefit:

For example, an employee with an employment status eligible for this benefit for ten (10) weeks out of a three (3) month measurement period (defined as 12 weeks for the purposes of this calculation) with a 40 hour work week not utilizing sick leave during the period would be awarded 6.6667 hours for the previous quarter.

*Transition: The existing methodology for awarding personal leave hours based on non-overlapping periods (see Appendix E) shall continue until the City transitions payroll from Pentamation (legacy system) to MUNIS. 	37.5 hr/week	40 hr/week
Required minimum hours	180	192
Maximum hours eligible for transfer*	37.5	40

*\*less sick leave utilized previous 12 months*

**SECTION 4: Re-employment List** Employees separated from the service of the City through no fault of their own shall be placed on a re-employment list. The City agrees to maintain employees on the re-employment list for twelve (12) months following the employee's date of lay-off. **ARTICLE 22**  
**Grievance Procedure**

For the purpose of this contract, a grievance is defined as a written dispute, claim or complaint which is filed and signed by an employee in the Bargaining Unit and which arises under and during the term of this Agreement. Grievances are limited to matters of interpretation or application of specific provisions of this Agreement.

**SECTION 1:** An employee, group of employees or the Union having a grievance must first take up the grievance with his/her immediate non-bargaining unit supervisor within ten (10) calendar days of the

date he/she knew or should have known of the cause of his/her grievance. The immediate supervisor shall give his/her answer within five (5) calendar days.

SECTION 2: Failing adjustment by these parties, the grievant or the Union may, within five (5) calendar days from the date of the supervisor's decision, or within five (5) calendar days after presented to the supervisor if there has been no decision, submit the grievance to the appropriate Department Head. The grievance must be in writing and signed and must list the article and section violated, the date of the alleged violation, the specific grievance and the relief sought. The Department Head will render his/her decision in writing within five (5) calendar days.

SECTION 3: Failing adjustment by the parties referred to in Section 2, the grievant(s) or the Union may, within five (5) calendar days after the date of the decision of the Department Head or within ten (10) calendar days after the grievance has been presented to the Department Head if no decision has been rendered, submit the written grievance referred to in Section 2 above to the City Manager. If no agreement is reached on a mutually acceptable arbitrator within twenty (20) calendar days after the grievance was first submitted to the City Manager, the Union shall request the New Hampshire Public Employee Labor Relations Board to appoint an arbitrator. The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and City representatives.

The arbitrator shall submit his/her decisions in writing within thirty (30) days following the close of the hearing.

The arbitrator shall not have the power to add to, ignore, or modify any of the terms and/or conditions of this Agreement. The arbitrator shall not have the power to hold hearings for more than one grievance (that is, multiple grievances before the same arbitrator will not be allowed) unless mutually agreed to by the parties.

His/her decision shall not go beyond what is necessary for the interpretation and application of express provisions of the Agreement. The arbitrator shall not substitute his/her judgment for that of the parties in the exercise of the rights granted or retained by this Agreement. The decision of the arbitrator shall be final and binding upon the parties as to the matter in dispute. The expenses of the arbitrator shall be shared equally by the parties. Each party shall make arrangements for and pay any expenses of witnesses who are called by them.

SECTION 5: Excluded from arbitration are disputes and unresolved grievances concerning the discipline or discharge of strikers who struck in violation of Article 6 of this Agreement. Also excluded from arbitration is any matter otherwise subject to arbitration, but over which the Union strikes, contrary to Article 6 of this Agreement. However, it is understood that should the City, in response to a violation of any of the prohibited activities enumerated in Article 6, UNINTERRUPTED SERVICE, take the "disciplinary" and/or "immediate cancellation of this Agreement" action as provided for in Article 6, that

SECTION 6: If the grievance involves the immediate supervisor, Section 2 of the Article shall become the first step in the grievance procedure.

SECTION 7: Grievances must be presented to the immediate supervisor or Department Head in writing within thirty (30) calendar days of the event which gives rise to the grievance or such grievance shall be considered null and void. If the grievant or Union do not process the grievance within the time limits as set forth above, it shall be considered as dismissed. If a decision is not rendered within the time limits set forth above, the grievant may proceed to the next step of the grievance procedure or the grievance shall be considered waived.

SECTION 8: The above time limits may be extended by mutual agreement of the parties, which Agreement must be signed by both parties and in writing.

SECTION 9: The employee, when discussing his/her grievance with management, may, at his/her discretion, be accompanied by the Union Representative or his/her designee.

SECTION 10 Either party may appeal the arbitrator's award in accordance with RSA 542.
