Article VII  
GRIEVANCE PROCEDURE

- 7.1. The purpose of this procedure is to provide an orderly method for resolving grievances. A determined effort shall be made to settle any such differences at the lowest possible level in the grievance procedure.
- 7.2. A grievance is an alleged violation, misinterpretation, or misapplication of any provision of this Contract raised by the employee or City, claiming that an express written provision of this Agreement has been violated. Grievances shall be processed in writing in accordance with the following procedures within the stated time limits.
- 7.3. The time limit in each step may be extended by mutual agreement of the individuals involved in the step.
- 7.4. The term “working days” as used in this Article shall mean the days Monday through Friday, inclusive, and excludes Saturdays, Sundays, and holidays on which City Hall is closed.
- 7.5. A grievance, to be considered under this procedure, must be initiated in writing by the employee within ten (10) working days of the decision rendered in Step 1.
- 7.6. Failure by the City or its agents to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure of the grievant in any step of this procedure to appeal a decision to the next step within the specified time limits shall be deemed a waiver of future appeal of the decision, and will be considered acceptance of the decision rendered.
- 7.7. No reprisals of any kind will be taken by the City or Union against any party in interest or other participant in the grievance procedure.
- 7.8. Procedure:

- 7.8.1. Step 1: The Union or any employee covered by this Contract who has a grievance shall first discuss it with his immediate supervisor in an attempt to resolve the matter mutually at that level. A decision shall be rendered within ten (10) working days of its occurrence, or the grievant's first knowledge thereof. An individual employee may present an oral grievance to his employer without the intervention of the exclusive representative. Until the grievance is reduced to writing, the exclusive representative shall be excluded from a hearing if the employee so requests, but any resolution of the grievance shall not be inconsistent with the terms of an existing Contract between the parties.
- 7.8.2. Step 2: If the employee is not satisfied with the decision, he/she may appeal the decision to the Department Head within ten (10) working days after the receipt of the decision of the immediate supervisor. The appeal shall be in writing and must specify:
- a. The nature of the grievance; i.e., the specific provisions of the Contract which have been violated or misinterpreted or misapplied.
  - b. The injury and the loss which is claimed; i.e., the specific loss to the employee in pay or benefits.
  - c. The remedies sought.
  - d. Date of the alleged violation or misapplication.

The Department Head shall investigate the matter, hold a hearing and communicate a decision in writing to the grievant within ten (10) working days from receipt of the written grievance.

- 7.8.3. Step 3: If the employee is not satisfied with the decision, he may appeal the grievance to the City Manager in writing within five (5) working days after receipt of the Department Head's decision. The City Manager or his designee shall hold a hearing on the grievance and render a decision in writing within twenty (20) working days after the hearing.
- 7.8.4. Step 4: If the decision of the City Manager does not resolve the grievance, the Union shall have the sole right to appeal that decision and the matter shall be submitted to arbitration providing the Union notifies the City Manager of such request within ten (10) working days of receipt by the Union of the City Manager's decision. The following procedure shall be used to secure the services of an arbitrator.

The parties will attempt to agree upon a mutual satisfactory third party to serve as arbitrator. If no agreement is reached within five (5) days following the date the request for arbitration was received by the City Manager, the Public Employee

Labor Relations Board will be notified by either or both parties and requested to designate an Arbitrator under its rules.

- 7.8.5. Neither the City nor the Union will be permitted to assert any ground or evidence before the arbitrator, which was not previously disclosed to the other party.
- 7.8.6. The City Manager, the aggrieved, and the Union shall receive copies of the Arbitrator's report. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearing.
- 7.9. The Arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of the Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provision of this Agreement, and the appropriate remedy thereof. The Arbitrator shall be in power to determine the issues raised by the grievance as submitted in writing. The Arbitrator shall be without power to make any decision or award, which is contrary to or inconsistent with, in any way, applicable laws, or rules or regulations of administrative bodies that have the force and effect of law. The Arbitrator shall not in any way limit or interfere with powers, duties and responsibilities of the City under law and applicable court decisions.

The arbitration of any grievance shall be subject to a final and binding award. If either party believes that the decision misapplies law or requires a violation of law, then that question may be appealed to a forum of competent jurisdiction.

- 7.9.1 Exclusions: No matter shall be considered a proper subject for arbitration or be subject to the arbitration provision set forth, however, if it pertains to:
  - a. Any matter for which a specific method of review is prescribed by the law, or;
  - b. Any matter which is not covered by this agreement, or;
  - c. Any by-law of the City pertaining to its organization, or;
  - d. Any matter which, according to law, is either beyond the scope of City authority or limited to action by the City alone, or;
  - e. Any complaint of a probationary employee, or;
  - f. Any matter concerning managerial policy under the management rights clause of this agreement.
- 7.9.2. The fee and expenses of the arbitrator shall be divided equally between the City and the Union. Each party shall be responsible for compensating its own representatives and witnesses.
- 7.9.3. It is expressly understood that either the Association or the City may initiate informal action with the other party to resolve the grievance prior to going to arbitration. Should either party for any reason decide to reconsider the grievance,

the other party shall agree to cooperate in the reconsideration. However, failure to reach a settlement shall not prejudice the request for arbitration.

Article VIII  
HEALTH AND SAFETY

- 8.1. The Association shall fully cooperate with the Health and Safety efforts of the City by encouraging the employees to perform their tasks in a safe manner in accordance with the safety rules and regulations determined by the City. This language should not be viewed as preventing the Union from forcefully advocating a position contrary to that of the Safety Committee should the Union believe that there exists a situation which violates the Agreement, and on which it takes a view contrary to the Committee's.

The Parties recognize and subscribe to the requirements of State law concerning Joint Loss Management with respect to the appointment of union members to a Safety Committee.

- 8.2. Employees agree to exercise proper care and to be responsible for all City property issued or entrusted to them.
- 8.3. If the City determines special safety clothing is required, it will be provided to those employees required to wear such clothing.
- 8.4. In the event clothing is issued, employees issued such clothing will be responsible for normal maintenance and cleaning of such clothing.

Article IX  
HOURS OF WORK

- 9.1. In the event the City determines that a change in the regular work week of any of the Departments' covered employees may be required, it shall consult with the Union on the question in an effort to reach a decision which meets the operational needs through a mutually acceptable approach. The hours of work shall, however, be established by department heads and approved by the City Manager.
- 9.2. There shall be fifteen minutes break time available to employees, on a department by department basis.
- 9.3. The DPW General Foreman shall receive a stipend equal to one-half hour of his or her overtime rate each day of the week for serving on standby.

While on standby, the employee must be available to take and receive telephone calls outside of scheduled work hours and to report to work within a reasonable

period of time if his or her presence is necessary. If this employee is required to report to work or to perform work remotely, he/she shall be paid at overtime rates in accordance with Article 10.3.

## Article X OVERTIME

- 10.1 Overtime shall be paid at the rate of time and one half after completion of eight (8) hours in one day/or forty (40) hours of actual work in one week. An employee may be relieved of duty in his/her regular workweek to offset overtime hours already worked, or anticipated to occur, only upon mutual agreement between the employee and the department head.

Employees who work overtime may ask to receive compensatory time off at the rate of time and one half for overtime hours worked, and the City may, in its sole discretion, allow such. Any such accrued compensatory time granted must be taken within one year from the date the compensatory time is earned. The City may allow such compensatory time off at a mutually agreeable time within said year or the City may, entirely at the City's option either way, make payment for the accrued compensatory time.

- 10.2. The City shall give notice when possible to the employee when overtime will be worked.
- 10.3. In the event that an employee is called back to work after leaving the work premises, a minimum of not less than three (3) hours pay at the overtime rate shall be paid to such employee(s), provided that a) the time is not annexed to his/her shift for the following day and/or b) the time has not been previously scheduled.
- 10.4. Employees shall be paid double time for all hours worked in excess of any sixteen (16) in any one (1) day. A day shall be defined as commencing at 7:00 a.m. and ending at 7:00 a.m. the following day.
- 10.5. Overtime assignments, to the extent possible, shall be distributed equally among qualified employees who customarily perform the kind of work required with preference given to those employees currently assigned to the work section in which the overtime is worked.
- 10.6. All employees are required to record their time on a timecard, time clock or other method as determined by the City. Employees are required to accurately record their hours worked. For timecard purposes, reportable work hours begin when the employee arrived at their first reporting location of the day (in most instances, the DPW garage). Home to work/work to home travel is not compensable work time.

12.4. Eligible employees shall receive each month a credit toward paid vacation time based upon normal workweek excluding overtime. He or she will begin earning and accruing those credits beginning with the first month of employment. The

amount of paid vacation time, which an employee earns or accrues each month, is dependent upon the number of years the employee has worked as a City employee, as follows:

- 0 to less than 10 years - .834 day per month, 10 days per year
- 10 to 20 years - 1.25 days per month, 15 days per year
- 20 or more - 1.67 days per month, 20 days per year

- 12.7. Employees are not allowed to take paid vacation in excess of their accrued vacation days.
- 12.8. Years of Service	Maximum Accrued Paid Vacation
0 to less than 10 years	15 days
10 to 20 years	22 1/2 days
20 years or more	30 days

Therefore, any employee who, on January 1 of any year, possesses accrued paid vacation days exceeding the preceding maximums will automatically lose those days, which exceed the maximum.
