WHEREAS, the candidate acknowledges that they will receive valuable training at the expense of the city and that they may transfer with them to future employers to the potential detriment of the city of Laconia:

NOW, THEREFORE, the candidate and the City of Laconia hereby mutually covenant and agree that:

1. The candidate agrees to undertake training at the CDL School of NH in Concord, NH as soon as practicable and upon graduation to thereafter complete a period of three years with the city.

2. The City of Laconia agrees to provide the tuition for training the candidate specified above and to pay the candidate their current wage during training in accordance with the pay scales established by the city.

3. The totality of costs to the city involved in providing CDL A school are the costs to the city if the candidate terminates their employment prior to recoupment of those costs. In recognition of this fact, the candidate agrees that if they voluntarily terminate their employment with the City of Laconia

prior to three years from their date of hire, the candidate agrees to pay the City of Laconia liquidated damages in the amount of \$ 6,000.00, not as a penalty, but as agreed upon liquidated damages to cover the costs of training for which city will not realize the full benefit. This amount will be reduced on a pro-rated monthly basis based on the number of months remaining of their three-year commitment on the date of departure.

4. No liquidated damages will be payable in the event that the candidate fails to satisfactorily complete or is dismissed during the CDL training or in the event that the candidate is required to terminate their employment due to a disabling illness or injury. No liquidated damages shall be payable if the City fails to fund the employees position or otherwise deletes the position held by the candidate or if the employees employment is involuntarily terminated .

5. The exceptions in Paragraph 4 shall not apply in the event there is substantial evidence that the candidate has been dismissed as a result of misrepresenting their basic qualifications for employment or has caused their dismissal, failure, illness or injury in an attempt to avoid paying liquidated damages under the terms of this Contract.

6. In the event the candidate is called to active Military Duty, or is granted a leave of absence during the period covered by this Contract, the period of this Agreement shall be extended accordingly.

7. The candidate states that all information placed on their formal application is accurate and complete to the best of their knowledge and belief and that the City is relying upon those representations.

9. This Agreement shall become effective upon signing and shall remain in full force and effect until 36 months after the date of completion unless extended as provided in Paragraph 6 above.

10. The candidates employment is governed by the applicable provisions of the Rules and Regulations of the City of Laconia, and any collective bargaining agreement to the extent that the candidate is or becomes subject to such an agreement. 11. This document embodies the whole Training Reimbursement Agreement between the parties hereto, and there are no inducements, promises, terms, conditions, or obligations made or entered into by the City of Laconia other than contained herein.

The foregoing provisions are understood and agreed to by the undersigned.
