4. Employees called back to work after having left the station at the end of their shift or during any other period of off-duty hours will be paid a minimum of four (4) hours at time and one half the employee's regular hourly rate provided such call back is not contiguous to the start of the employee's regular scheduled shift, in such cases, the employee will be paid for actual time worked at time and one half at that employee's regular hourly rate. Employees required to attend court during their off-duty hours shall be paid a minimum of four (4) hours at time and one-half at that employee's regular hourly rate, less the witness fee received by such employees.
5. Employees will be given a one-week notice when their tour of duty is to be changed, except when emergency situations necessitate a change as determined by the Chief of Police or his/her designee. Shifts shall be posted and shall be handled in the following manner:
 - a. Rotation will be on a twelve (12) week basis.
 - b. All shifts will be filled by seniority except as qualified below. In addition, shift forms shall allow for the selection of preference, i.e., Town or Airport. The Union recognizes that within the shifts bid upon, by seniority, assignments to locations, i.e., Town or Airport, remain the discretion of the administration. The administration shall however consider seniority when making these assignments. The parties agree to continue with a joint labor/management committee on the bidding process. Each party may have up to three representatives. Changes to the current process shall be by mutual agreement and reduced to writing by the parties. Any changes shall be incorporated into the successor agreement without further negotiations.
 - c. The parties agree that the Chief has the non-grievable right to bump each officer once during every forty-eight (48) weeks (4 rotations). Further, the Chief may place any officer riding with another officer for the purpose of training on any shift the Chief wishes. Any officer training who is riding alone may be placed by the Chief for a period not to exceed twelve (12) weeks (one shift rotation).

- d. Should it occur that more than two-thirds (2/3) of the senior patrol officers, seniority shall be defined as in Article 11, section 4, bid the same shift, the administration has the right to assign the number of patrol officers in excess of two-thirds (2/3) to the shift of the administrations choosing (Example: if twelve (12) of the most senior officers bid the same starting time, eight (8) most senior officers will receive their bid of choice, the remaining four (4) will be assigned to a shift of the administrations choice, this shall not be considered a bump). Should an officer in training who is riding alone displace any senior officer it shall be considered a bump to the officer who would have gotten the shift if available.

6. Each officer is entitled to a lunch break of one-half hour. This should be taken approximately halfway through his/her shift. Each officer is entitled to two (2) fifteen- minute coffee breaks. At all times, the employees on break shall answer and respond to any and all calls if needed.

7. Overtime shall be assigned to qualified sworn permanent employees on a rotating basis, according to seniority and availability. No temporary employee shall be assigned to cover overtime or regular shifts until all sworn, permanent, qualified employees have had the opportunity for such assignment. (The Union understands that the Town's definition is "not otherwise scheduled to work") Vacancies in a Telecommunications Operator position shall be filled as follows: Three open shifts per week may be filled with regular part-time employees. Any remaining vacancies during that week shall be filled with qualified full-time non-sworn Telecommunications Operators on a rotating basis, provided such Telecommunications Operator has signed up for Telecommunications Operator overtime on an overtime sheet. If no non-sworn bargaining unit personnel accept the filling of any such vacancy, the employer may call part-time non-bargaining unit personnel to fill the vacancy. If no one accepts the Telecommunications Operator vacancy, it may be filled as the Town is presently doing. Further, it is agreed that no Telecommunications Operator may work more than sixteen (16) consecutive hours or a total of sixteen (16) hours in a twenty-four (24) hour period.

The parties agree that all other bargaining unit employees shall not work more than seventeen (17) hours in any twenty-four (24) hour period, nor more than seventy-two (72) hours during a normal work week at any related police work and outside details, inclusive of court time paid.

Nothing in this Article shall prohibit the Chief from establishing a separate patrol or other similar work as a means of training part-time personnel.

The administration agrees to make every effort to ensure that the members selected come from agencies that are either demographically similar to ours or philosophically similar to ours (preferably both). Further, the Administration agrees to share with Union representatives just which agencies the representatives are from, but not the individual's identities, at least one (1) week prior to the oral board.

Master Patrolmen who have completed their 10th year of service to the Town of Londonderry will be entitled to an additional two percent (2%) wage increase, which shall in turn place their pay scale at a total of four percent (4%) above the Patrolman maximum base rate.

Patrolmen who are at the Master Patrolmen step may be used to fill Sergeants vacancies after Sergeants have been offered and rejected such overtime opportunities. In this capacity for all intents and purposes, a Master Patrolmen shall be considered a supervisor. 5. Increases to the next step for all unit members shall be based on successful completion of the probationary periods and time in grade as set forth by each step.
6. All employees assigned to work during the afternoon shift hours will be paid a shift differential of one dollar and twenty-five cents (\$1.25) per hour. All employees assigned to work during the midnight shift hours will be paid a shift differential of one dollar and fifty cents (\$1.50) per hour.

ARTICLE 14 - PLUS RATES

Employees required to serve in a higher-level rank or classification shall receive the pay for that higher classification if he/she serves in the higher classification for at least an eight (8) hour shift. Qualification of the employees and department seniority shall be used in filling the position.

Employees while actively engaged in field training other employees shall receive a plus rate of an additional four percent (4%) to their regular rate of pay.

ARTICLE 15 - OUTSIDE WORK DETAILS

1. Payment for outside work details shall be at a rate equivalent to the highest daytime overtime rate for a Master Patrolman, minus incentives. If the officer works more than eight (8) consecutive hours on any one outside detail, he/she shall be paid at a rate equivalent to highest daytime double time rate for a Master Patrolman, minus incentives for those consecutive hours in excess of eight (8) hours. The Town shall establish an additional per hour service charge.

Employees working outside details shall be paid a minimum of four (4) hours except:

- a. If the work is canceled prior to four hours before the officer is to report for duty.

Payment for the four (4) hour minimum shall be based on the Officer's ability to perform his/her duties for the four (4) hour period.

Outside details shall be offered to permanent qualified sworn personnel on the basis of seniority on a rotating basis before such duty is offered to other permanent qualified employees. Officers to be eligible for outside details are required to provide a maximum of two telephone numbers which will be called and an immediate response is required to be considered for the detail.

The method of filling and calling for outside work details shall be governed by a Memorandum of Understanding reached by the Chief of Police or his designee and representatives of the Union. This Memorandum shall be reviewed annually, with the Town and the Union agreeing in writing to any changes in the Memorandum. Further, and upon reasonable notice by either party, this Memorandum of Understanding can be re-visited at any time should circumstances dictate that necessity, again so long as the Town and the Union agree, in writing, to changes.

Under no circumstances will swapping of details be permitted. Any outside detail which cannot be filled by the original officer who "took" the detail, must be filled by reassigning it from the list according to the procedures described above. Any detail which is canceled by the officer who originally took it, less than twenty-four (24) hours prior to the start of the detail must be reassigned according to the emergency detail procedure in this Article.

No one will be allowed to work an outside detail if they have been absent from their regular job with the Police department within twenty-four (24) hours of such outside detail unless that absence was due to previously scheduled time off for vacation or the absence was due to a day off as part of that employee's normal work schedule.

2. The Conservation Ranger will be permitted to work outside details at the discretion of the Chief of Police or his designee.
