The Manchester Board of School Committee and the Association enter into this Agreement with mutual dedication, recognizing that the experience, creativity and judgment of all parties are necessary to reach the educational needs of the community. The parties agree that this Preamble shall not be subject to any grievance or arbitration provisions hereinafter set forth.

The Manchester Board of School Committee (referred to hereinafter as the "Board") and the Association of Manchester Principals (referred to hereinafter as the "Association") agree as follows:

Unless otherwise indicated, references to males include females.

ARTICLE TWO NEGOTIATIONS PROCEDURE

- C. The Board will, upon written request of the Association, within a reasonable period of time, make available to the Association such information as may be allowed by law, which is necessary for negotiations and the resolution of grievances.
- D. Any agreement reached which requires the expenditure of additional public funds for its implementation shall not be binding upon the Board unless, and until, the necessary appropriations have been made by the Board of Mayor and Aldermen.

- E. Disagreements over interpretations and applications of this Article shall be resolved either by arbitration, the PELRB or a court of competent jurisdiction. Use of one forum precludes use of the others by the party which makes the initial choice. Either party to this Agreement may exercise any right of appeal to a forum of competent jurisdiction.

ARTICLE THREE

STRIKES, SANCTIONS, RESIGNATIONS AND LOCKOUTS

The Board and the Association desire uninterrupted services and, therefore, it is agreed that during the term of this Agreement hiatus, the Board shall not cause or sponsor any lockout, and the Association shall not cause, sponsor, encourage or condone any strikes, sanctions, wholesale resignations, job actions or any curtailment or interruption of the operations of the Manchester School District. Both parties agree that they will immediately disavow any such activity. If, at the expiration of the Agreement, the Board and the Association have not reached agreement on a Master Agreement for the following school year, the Association may engage in any activity which is not unlawful in the State of New Hampshire.

ARTICLE FOUR

A work day may be completed on a weekend or holiday.

The Superintendent may require bargaining unit members to work additional days, not to exceed three (3) per contractual work year; however, in such cases the bargaining unit member affected will be paid on a per diem basis. In no event will any bargaining unit member be required to work additional days unless they have received at least two (2) weeks advance notice from the Superintendent or his designee.

- B.1. All newly employed or reinstated bargaining unit members shall be compensated in accordance with Appendix A.
- B.2. Any bargaining unit member hired for a full contract year shall receive full contract benefits. Any bargaining unit member who works for more than one half contract year in the same position shall also receive full contract benefits on a prorated basis for salary and fringe

If a bargaining unit member has previously worked in another classification in the bargaining unit, that bargaining unit member will be placed in that member's former classification. When placed in the former classification, that bargaining unit member's seniority shall include the total years in service in the bargaining unit.
 - C.3.3 In the event of the layoff of any bargaining unit member in the classifications set forth above, the governing body of the school system shall layoff the necessary number of bargaining unit members in the inverse order of their seniority ranking in such classification. When seniority is equal, the layoff shall be determined by lottery. Seniority shall accrue from the first day of employment as a bargaining unit member. Any bargaining unit member on layoff shall not be prevented from securing employment during, the period of the layoff.
 - C.4. Seniority lists within the classification set forth above shall be established by the Administration by February 1 of each year. Such lists shall be promptly transmitted to the Association.  - C.5. If a vacancy occurs, a laid off bargaining unit member with the highest seniority in that classification shall be recalled first. Such notice shall be in hand or by restricted signature

The parties agree that this Section shall not have precedence over rights contained in any other collective bargaining agreement within the Manchester School District.

D.2. An AMP bargaining unit member who assumes a new teaching position shall be treated as laid off for the purpose of recall rights under Sections C.5, 6 and 7, above.

**ARTICLE TEN
ASSIGNMENT**

- A. All bargaining unit members will be given written notice of their salaries and building assignments for the forthcoming year not later than June 30 of the preceding year, which will be adhered to, except in unusual circumstances. In the event that changes in such schedules are proposed after June 30th, the Association and all bargaining unit members affected will be notified promptly, in writing and upon the request within five (5) days from the bargaining unit member and the Association, the changes will be promptly reviewed between the Superintendent or the Superintendent's representative and the Association.

**ARTICLE ELEVEN
INDIVIDUAL CONTRACTS**

- A. The Board and the individual bargaining unit members will enter into individual contracts as set forth in Appendix C attached hereto and incorporated herein by reference.
- B. The following terms and conditions shall apply with respect to the employment of each bargaining unit member:
- B.1. The contract shall be renewed annually, automatically, during the period of said bargaining unit member's first three (3) years of continuous employment by said Board, unless the bargaining unit member has been notified, in writing, prior to April 15 that the contract will not be renewed for the following year. If a bargaining unit member receives a notice of non-renewal set forth in the preceding sentence, the parties agree that the bargaining unit member shall not be entitled to a statement of reasons relating to any such notice except as may be required by law. For each year for which this contract is renewed, the annual salary of the bargaining unit member shall be in accordance with the provisions of the prevailing Master Agreement between the Board and the Association.
- B.2. After three (3) years of continuous employment by said Board, the contract shall continue in force from year to year, subject to the following conditions:

Within twenty (20) days after receipt from the Board of written notice that contract termination is under consideration, the bargaining unit member may file with the Board a written request for a hearing, which the Board shall hold within fifteen (15) days after receipt of such request. Such hearing shall be public if the bargaining unit member so requests or the Board so designates. The bargaining unit member shall have the right to appear with counsel of the bargaining unit member's choice at such hearing, whether public or private. The Board shall give the bargaining unit member its written decision within fifteen (15) days after such hearing. Nothing herein contained shall deprive the Board of the power to suspend the bargaining unit member from duty immediately when serious misconduct is charged, without prejudice to the rights of the bargaining unit member as otherwise provided herein.

- C. The contract will automatically terminate upon the termination of the Master Agreement.
- D. Pay will be terminate at the time services are terminated.

- B. An involuntary transfer will be implemented only after a meeting between the bargaining unit member involved and the Superintendent if such meeting is requested by the bargaining unit member transfer.
- C. When an involuntary transfer is necessary, a bargaining unit member's area of competence and major or minor field of study will be considered.

Bargaining unit members will be able to indicate their preference of assignment to the appropriate administrator involved and this preference will be given consideration.

- D.2. A bargaining unit member being involuntarily transferred will be granted time to visit the new assignment prior to reassignment.
- E Whenever involuntarily transferred, a bargaining unit member may resign by giving written notice to the Superintendent within fifteen (15) workdays of receipt of notice of the transfer or after the grievance procedure, subject to the provisions of Section F of this Article, has been exhausted.
- F. The final decision regarding the implementation of the transfer shall rest with the Superintendent and the actual transfer and its implementation shall not be subject to the grievance procedure provided that the transfer has not been arbitrary or capricious. Failure to follow the procedure leading up to the involuntary transfer, as outlined in Sections A, B, C, and D of this Article, shall be grievable.

Bargaining unit members who desire to apply for such vacancies shall submit their applications in writing to the Superintendent within the time limit specified in the notice. During the summer vacation period, the Superintendent shall notify, in writing, on or about July 10th, each bargaining unit member who, on the basis of credentials, would qualify for such vacancies. The list of such qualified bargaining unit members for promotional positions shall be furnished in writing to the Superintendent. Bargaining unit members who desire to apply for such vacancies shall submit their applications in writing to the Superintendent within the time limit specified in the notice (which shall in no event be fewer than fifteen (15) days after the date the notice was deposited in the United States Mail). In

addition, the Superintendent shall, within the same time periods, post a list of promotional positions to be filled during the summer vacation period on a bulletin board at the Administration Office and shall send such list of positions to the Association.

- D. The Board agrees to give due weight to the professional background and attainments of all applicants, the length of time each has been in the school system and other relevant factors. In filling such vacancies, preference will be given to qualified bargaining unit members already employed by the Board. This section shall not be subject to the grievance procedure.
- E. Bargaining unit members shall have a Master's Degree as a mandatory qualification for appointment.

ARTICLE FOURTEEN EVALUATION

- A.1. All monitoring or observation of the work performance of a bargaining unit member will be conducted openly and with full knowledge of the bargaining unit member.
- A.2. Bargaining unit members will be given a copy of any report prepared by their superiors immediately upon completion of such report. No such report shall be submitted to the School District Administration, placed in the bargaining unit member's file or otherwise acted upon without a prior conference with the bargaining unit member, who may comment on the contents of such report on a separate document which shall be attached to the report and placed in the bargaining unit member's file. There shall be no obligation on the part of the School District Administration or Board to respond to the bargaining unit member's comments and if no response is made, it shall not be considered an acceptance of agreement with the bargaining unit member's comments. A bargaining unit member shall sign a separate statement that the bargaining unit member has been given any such report referred to in the first sentence of this paragraph and if the bargaining unit member refuses to sign the separate statement, that refusal shall be noted on the statement. The Report referred to in the first sentence of this paragraph and the statement relating to the refusal may then be submitted to School District Administration, placed in the bargaining unit member's file and otherwise acted upon.
- A.3. A bargaining unit member shall be able to make copies

of documents contained therein.

- A.4. If after evaluation, deficiencies are observed in school management, administrative skills and/or professional preparation, such deficiencies shall immediately be brought to the attention of the bargaining unit member.

The bargaining unit member's immediate supervisor, Superintendent and/or Assistant Superintendents shall determine appropriate affirmative action designed to help correct such deficiencies and shall provide assistance to implement such action.

- C.1. A bargaining unit member's personnel file will be cleared of written reprimands after a period of thirty-six (36) months from the date of the reprimand, provided that there are no infractions committed during the intervening period.
- C.2. A bargaining unit member's personnel file will be cleared of suspensions after a period of five (5) years from the date of the suspension provided there are no infractions during the intervening period.

ARTICLE FIFTEEN PERSONAL AND ACADEMIC FREEDOM

The personal life of a bargaining unit member shall be the concern of and warrant the attention of the Board only as it may, directly or indirectly, prevent the bargaining unit member from properly performing the bargaining unit member's assigned functions during duty hours or be in violation of local or state law.
- B. Religious or lawful political activities of a bargaining unit member conducted off school property shall not be grounds for disciplinary action or for discrimination with respect to the bargaining unit member's professional employment. Sick leave days, for members hired into the bargaining unit prior to September 1, 2009, may be accumulated from year to year with a maximum limit of one hundred and twenty (120) days. Members hired after September 1, 2009, may only accumulate a maximum of sixty (60) sick leave days. Sick leave shall be used by a bargaining unit member only for actual personal illness, including pregnancy, and to care for sick family members for up to five days, which prevent that bargaining unit member from performing his/her normal duties. Any

bargaining unit member 1 who is absent from school for three (3) days or more on any one occasion may be required by the Superintendent or the Superintendent's designee to produce a certificate from a physician certifying to the actual sickness of the bargaining unit member and inability to perform that bargaining unit member's notional duties resulting therefrom.

If there is evidence that the bargaining unit member's absence is due to other than legitimate illness and inability to perform that bargaining unit member's normal duties resulting therefrom, that bargaining unit member may be required to provide proof of such illness and inability to perform normal duties.

If the Superintendent or the Superintendent's designated representative questions a physician's certificate of proof of a bargaining unit member's illness and/or inability to perform normal duties submitted pursuant to the first two paragraphs of this Article, the bargaining unit member (or, at the option of the Superintendent, the bargaining unit member's documentation or medical record pertaining to the period of time, and the specific illness in question only) may be required to be examined by a physician other than the bargaining unit member's treating physician, which examination shall be paid for by the School District.

- B. Bargaining unit members, hired into the bargaining unit prior to September 1, 2009 who retire under the New Hampshire Retirement System and receive retirement benefits from same at the time of separation from the Manchester School District and who has fifteen (15) consecutive years of service with the Manchester School District shall receive a payment for unused accrued sick leave up to a maximum of ninety (90) days. Consecutive years of service will not be broken by absences covered under this Article or by leaves granted under Articles Nineteen, Twenty or Twenty-one.

Bargaining unit members hired after September 1, 2009, shall be entitled to payment for accrued sick leave, under the conditions specified above; provided however, that payment shall not exceed sixty (60) days.

Bargaining unit members shall be given a written accounting of their accumulative sick leave during July of each year.

- C. The Board shall provide a long term disability income plan for each bargaining unit member who enrolls in said plan. The schedule of benefits of such plan is set forth in Appendix B. The Board may, in its sole discretion, obtain such benefits from a source of its choice, provided that the schedule of benefits is equivalent to that schedule of benefits set forth in Appendix B.
- D. Bargaining unit members, hired into the bargaining unit prior to September 1, 2009 who retire under the New Hampshire Retirement System and receive retirement benefits from same at the time of separation from the Manchester

School District and who has fifteen (15) consecutive years of service with the Manchester School District shall receive a payment for unused accrued sick leave up to a maximum of ninety (90) days. Consecutive years of service will not be broken by absences covered under this Article or by leaves granted under Articles Nineteen, Twenty or Twenty-one.

Bargaining unit members hired after September 1, 2009, shall be entitled to payment for accrued sick leave, under the conditions specified above; provided however, that payment shall not exceed sixty (60) days.

ARTICLE NINETEEN TEMPORARY LEAVES OF ABSENCE

Bargaining unit members will be entitled to the following temporary leaves of absence, with full pay, each work year:

- A. Three (3) days of personal leave will be available to bargaining unit members. No reason is required; however, written notice must be given to the Superintendent a reasonable time in advance except in an emergency when verbal notice will be adequate. When verbal notice is given, it will be followed by a written notice to the Superintendent. The Superintendent's approval is only required in order to maintain sufficient administrative coverage. If during a school year, a bargaining unit member uses one or fewer personal leave days, that member shall receive one bonus day's pay the following school year. If during a school year, a bargaining unit member uses two (2) or fewer personal leave days, that member shall receive one bonus day's pay the following school year. The payment shall be made in September of the following school year.
- B. Officers of the Association will be granted leave for one (1) day to attend the annual meeting of the Association, provided, however, that the total number of leave days under this section shall not exceed two (2) bargaining unit members.
- C. An Association member, designated by the Association President, shall be granted a one (1) day leave of absence in order to conduct preplanned official Association business such as attending meetings, workshops and conferences. The Association shall pay the costs of any substitute for the day used.
- D. Five (5) calendar days, excluding weekends and holiday weekends only leave of absence because of death in the immediate family of the bargaining unit member. Immediate family is hereby defined to mean spouse, parents, children, brothers, sisters, mother-in-law or father-in-law, or a blood relative or ward residing in the same house. In addition to the leave of absence provided for the immediate family as defined

herein, the bargaining unit member is entitled to one (1) day of leave to attend the funeral of a relative not listed in the preceding sentence.

E. Military Reserve Training Leave - Military reserve training leave, with pay, will be available to a bargaining unit member up to a maximum of ten (10) working days during the contract year if such training is unavoidable and required by the military. The bargaining unit members shall be paid the difference between their salary and the payment received for military reserve training.

F. Jury Duty - The Board recognizes the civic responsibility of its bargaining unit members, who are randomly selected to serve on a jury or subpoenaed to appear in court. Bargaining unit members shall notify in writing the Superintendent immediately after being summoned to appear for jury duty or a 1 court appearance.

The bargaining unit member shall be paid the difference between the bargaining unit member's salary and the payment received for serving as a juror or witness. The bargaining unit member shall make a written request to the Clerk of Court for a waiver. If the clerk does not grant the waiver, then the Superintendent shall grant a paid jury duty leave. If a bargaining unit member is dismissed from Court prior to 1:00 p.m., the bargaining unit member shall return to work.

G. One (1) day leave of absence, deducted from sick leave, may be used for the observation of a religious holiday which is celebrated when school is in session.

ARTICLE TWENTY EXTENDED LEAVES OF ABSENCE

- A. All benefits to which a bargaining unit member was entitled at the time the bargaining unit member's leave of absence commenced, will be restored to the bargaining unit member, provided said member signs and complies with the memo required under Section J of this Article. Further, provided said member signs and complies with said memo, that bargaining unit member will be assigned to the same position held at the time said leave commenced, unless the position no longer exists in which case the bargaining unit member will be assigned to a similar position, if available.
- B. Military leave shall be governed by existing law.
- C. A leave of absence, without pay or any other benefits, of up to one (1) year will be granted for the purpose of caring for a sick member of the bargaining unit member's immediate family. Additional leave may be granted at the discretion of the Board.
- D.1 A bargaining unit member who has worked for two (2) full contract years with the Manchester School District under an individual contract as set forth in Appendix C and who is pregnant, shall be entitled to a leave of absence without pay, provided that such bargaining unit member notifies the Superintendent in writing of such pregnancy and the anticipated delivery date within one (1) month of the determination of such pregnancy and, provided further, that such bargaining unit member, except in the case of an emergency, gives the

Superintendent no less than thirty (30) days prior written notice of: (1) a specific date for the commencement of the leave, and (2) a specific date when the bargaining unit member intends to return to work.

In the event the anticipated delivery date falls within the first month of a new work year, leave requested pursuant to this Section shall commence at the beginning of that new work year. Notwithstanding the provisions of the first sentence of this Section D (1), a bargaining unit member in her second year of employment with the Manchester School District may apply for a leave pursuant to this Section, but only 1 if such leave is to commence during the third year of employment with said District.

D.2

Subject to the provisions of the first paragraph of this Section D (1), a bargaining unit member who is actually working during the contract year and takes maternity leave for part of that year shall, if the leave commences no more than three (3) weeks before the anticipated delivery date, be eligible, pursuant to the provisions of Article Eighteen, for unused accumulated sick leave, but (1) only to the extent that such bargaining unit member has any unused accumulated sick leave, and (2) only for the period of actual personal medical disability resulting from the pregnancy which prevents the bargaining, unit member from performing the member's duties.

To be eligible for sick leave under Article Eighteen, a bargaining unit member must furnish to the Superintendent a certificate from a physician certifying to the dates of the period of such actual disability of the bargaining unit member and the specific nature of the medical disability resulting from the pregnancy. If the Superintendent or the Superintendent's designated representative questions a physician's certificate or proof of a bargaining unit member's disability and/or inability to perform normal duties submitted pursuant to this Section, then, after the bargaining unit member has been absent for three (3) days or more on anyone occasion, the bargaining unit member (or, at the option of the Superintendent, the bargaining unit member's documentation or medical record pertaining to the period of time and the specific medical disability resulting from the pregnancy) may be required to be examined by a physician other than the bargaining unit member's treating physician, which examination shall be paid for by the School District.

Also, the Superintendent may, in his discretion, require certificates from the bargaining unit member's physician certifying to either (1) the pregnant bargaining unit member's ability to continue to work, or (2) the bargaining unit member's ability to return to work after such leave. If the Superintendent, after consultation with the bargaining unit member's immediate supervisor, questions either the period of actual disability, or the specific nature of the disability, the Superintendent may require the bargaining unit member to be examined by a physician, other than the bargaining unit member's treating physician who is mutually acceptable to the bargaining unit member and the

Superintendent. In the event the Superintendent determines, after obtaining such certificates and after consultation with the bargaining unit member's immediate supervisor, that the bargaining unit member is either not able to continue to work or is not able to return to work, said bargaining unit member shall commence a leave of absence or continue same. If the Superintendent requires a certificate concerning the bargaining unit member's disability or ability to continue to work or return to work from a physician other than the bargaining unit member's own physician, the School District shall pay the cost of obtaining the same.

- A. Upon recommendation by the Superintendent of Schools, sabbatical leaves may be granted to a member of the bargaining unit by the Board for full-time study in the United States at any regionally accredited graduate school or at a foreign school approved by the Superintendent, including study in another area of specialization, subject to the following conditions:
- A.1 The bargaining unit member has completed at least seven (7) consecutive full work years of service in the Manchester School System.
- A.2 All sabbatical leaves shall be for a full Manchester work year (i.e., July 1 through June 30) and bargaining members will be paid by the Board at fifty percent (50%) of the salary rate which they would have received if they had remained on active duty. The salary rate shall only include the compensation set forth in Appendix A. Also, bargaining unit members will receive a payment not to exceed one-half (1/2) of what the District shall be required to pay for Hospital/Medical Insurance pursuant to the provisions of Article Six (entitled Insurance), Section A.
- A.3 A request for sabbatical leave must be received by the Superintendent of Schools, in writing, in such form, as may be required by the Superintendent, no later than November 15 of the year preceding the school year for which the sabbatical leave is requested.

The Superintendent shall inform each applicant, in writing, of the action to be recommended on the request for sabbatical leave no later than January 15 of the school year preceding the school year for which the sabbatical is requested. The Board shall notify the bargaining unit member of its intent relative to the request for sabbatical leave by February 15.

- A.4. Each bargaining unit member must agree to return to service in the Manchester Public Schools immediately upon termination of sabbatical leave and to continue in such service for a period of two (2) years, unless physical disability makes this impossible or there is mutual agreement to the contrary. A signed statement in the format of a promissory note shall stipulate that failure of the bargaining unit member to provide such service shall result in the obligation to reimburse the City of Manchester a proportional part of the salary paid to that bargaining unit member during sabbatical leave determined by the fraction of the two (2) years not served following the leave.
- A.5. A complete and detailed outline of work and/or study to be performed during the period of leave shall be provided in the request for leave.

B. The Board agrees to fund one (1) sabbatical leave each year.

ARTICLE TWENTY-TWO GRIEVANCE PROCEDURE

Definitions

1. A "grievance" is a claim based upon the interpretation, meaning or application of any of the provisions of this Agreement. Only claims based upon the interpretation, meaning or application of any of the provisions of this Agreement shall constitute grievances under this Article.
2. An "aggrieved person" is the person or persons making the claim. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
3. A "work day" means Monday through Friday, excluding holidays when school is not in session.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may, from time to time, arise affecting the welfare or working conditions of bargaining unit members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained will be construed as limiting the right of any bargaining unit member having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

C. Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing.

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the work year, and if left unresolved until the beginning of the following work year could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the work year or as soon thereafter as is practicable.

Level One

a) Individual Grievances

- 1) An aggrieved person must file the grievance, in writing, with the Union Representative. Within five (5) work days after receiving the written grievance, the Union Representative will refer it to the Superintendent of Schools.
- 2) Within ten (10) work days after the receipt of the written grievance by the Superintendent, the Superintendent will meet with the aggrieved person in an effort to resolve it.
- 3) If a bargaining unit member does not file a grievance, in writing, with the Union Representative and the written grievance is not forwarded to the Superintendent within thirty (30) work days after the bargaining unit member knew or should have known of the act or condition on which the grievance is based, then the grievance will be considered as waived. A dispute as to whether a grievance has been waived under this paragraph will be subject to arbitration pursuant to Level Three.

b. Class Grievances

- (1) If, in the judgment of the Union, a grievance affects a group or class of bargaining unit members, the Union may submit such grievance in writing to the Superintendent directly and the processing of such grievance will be commenced at Level One. The Member Rights Committee may process such a grievance through all levels of the grievance procedure, even though the aggrieved person does not wish to do so.
- (2) In the event the Union files a grievance which affects a group or class of bargaining unit members, such grievance must specify the names of all of the bargaining unit members who claim there has been a violation or misapplication of a provision of this contract as to them, the specific contract provision(s) involved and the date(s) of the alleged violation(s) or misapplication(s).
- (3) A class grievance filed pursuant to this Section must be filed by the Union at Level One with the Superintendent within forty-five (45) work days after the date of the first alleged violation or misapplication of any provision of this contract claimed by a bargaining unit member. Any alleged violation or misapplication occurring prior to forty-five (45) workdays from the date the class grievance is filed with the Superintendent will be considered as waived.

2. Level Two

If the aggrieved person is not satisfied with the disposition of the aggrieved person's grievance at Level One, or if no decision has been rendered within ten (10) work days after that person has first met with the Superintendent, that person may file the grievance, in writing, with the Union Representative within five (5) work days after a decision by the Superintendent, or fifteen (15) work days after the aggrieved person has first met with the Superintendent, whichever is sooner. Within five (5) work days after receiving the written grievance, the Union may refer it to the Board, if it determines that the grievance is meritorious and that appealing it is in the best interests of the school system. Within ten (10) workdays after receiving the written grievance, the Board will meet with the

aggrieved person for the purpose of resolving the grievance.

3. Level Three

- a. If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within ten (10) work days after the meeting with the Board, the aggrieved person may, within five (5) work days after a decision by the Board, or fifteen (15) Work days after the meeting with the Board, whichever is sooner, request, in writing, that the Union Representative submit that grievance to arbitration. If the Union determines that the grievance is meritorious and that submitting it to arbitration is in the best interests of the school system, it may submit the grievance, in writing, to arbitration within fifteen (15) workdays after receipt of a request by the aggrieved person.
- b. Within ten (10) workdays after such written notice of submission to arbitration, the Board and the Union will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator so selected will confer with representatives of the Board and the Union and hold hearings promptly and will issue a decision not later than twenty (20) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to the arbitrator. The arbitrator's decision will be in writing and will set forth findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision, which requires the commission of an act, which changes or amends this Agreement.
- d. The decision of the arbitrator shall be binding upon both parties. However, both parties shall have a right to appeal to the New Hampshire Superior Court under the provision of Revised Statutes Annotated, Chapter 542, as amended. It is hereby specifically agreed by the Board and the Association that this contract and grievance procedure clause are subject to the provisions of New Hampshire Revised Statutes Annotated, Chapter 542, as amended.
- e. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be borne equally by the Board and the Association. The parties agree that the party which requests a postponement of any arbitration hearing shall be obligated to pay any costs or fees submitted by the arbitrator and/or the American Arbitration Association which result from the postponement.

D. Rights of Parties to Representation

1. No reprisals of any kind will be taken by the Board or by any member of the Administration against any party in interest, any Association Representative, any member of the Member

Rights Committee or any other participant in the grievance procedure by reason of such participation.

2. Parties in interest may be represented at all stages of the grievance procedure by themselves, or at their option, by counsel and/or by a representative selected by the Association. When a bargaining unit member is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

E. Miscellaneous

1. Decisions rendered at Levels One and Two of the grievance procedure will be in writing, setting forth the decision and the reasons therefore, and will be transmitted promptly to all parties in interest and to the Chairperson of the Member Rights Committee. Decisions rendered at Level Three will be in accordance with the procedures set forth in Section C, Paragraph 3(c).
2. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be jointly prepared by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
4. If a grievance is not reported and/or processed by the grieving party and/or the Member Rights Committee within the time limits set forth in this Article, the matter shall be dismissed and no further action will be taken with respect to such Grievance.
5. The term "Superintendent" as used in this Article shall mean the Superintendent or an Assistant Superintendent.

**ARTICLE TWENTY-THREE
GENERAL**

- A. If any provisions of this Agreement or any application of the Agreement to any bargaining unit member or group of bargaining unit members shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or application will continue in full force and effect.
- B. The Board will amend its rules and policies and take such other action as may be necessary in order to give full force and effect to this Agreement. Copies of this Agreement will be printed at Board expense and a copy given to each bargaining unit member.
- C. The Board agrees not to negotiate with any bargaining unit member's group or organization other than the Association in regard to any matter subject to negotiation under Article Two of this Agreement, provided, however, that this shall not prevent the Board from Communicating or consulting with any individual bargaining unit member or group of bargaining unit members for any purpose the Board shall deem desirable in the discharge of its responsibilities, nor shall it preclude any bargaining unit member from appearing before the Board on matters relating to the bargaining unit member's

employment by the Board.

- D. The parties understand that neither the Board nor the Superintendent may lawfully delegate the power or authority which, by law, are vested in them, and this Agreement shall not be construed so as to constitute a delegation of said power or authority.
- E. This Agreement represents the entire agreement between the parties hereto and may not be modified in whole or in part except by an instrument, in writing, duly executed by both parties.
- F. If the parties disagree as to the meaning or interpretation of any of the provisions of this Agreement, except those provisions expressly excepted from the grievance procedure, either party may utilize the grievance procedure set forth in Article Twenty-Two in order to resolve said dispute.

ARTICLE TWENTY-FOUR DURATION

The provisions of this Agreement shall be effective as of December 17, 2024 and will continue and remain in full force and effect until June 30, 2027. Automatic one year extensions of this Agreement will commence on July 1, 2027, and shall continue for consecutive annual terms (effective each 1st of July) unless written notice is given by either party by January 31 of that year to bargain a successor agreement. HEALTH INSURANCE PLANS

Lumenos National HDHP Plan Summary Plan Year

Manchester School District 7/1/17 SISA256PNS (core SISA256PN7)

The Lumenos® with HSA plan is designed to empower you to take control of your health, as well as the dollars you spend on your health care. This plan gives you the benefits you would receive from a typical health plan, plus health care dollars to spend your way.

Your Lumenos HDHP Plan

First - Use your HSA to pay for covered services: Health Savings Account

With a Health Savings Account (HSA), you can contribute pre-tax dollars to your HSA. Others may also contribute dollars to your account. You can use these dollars to help meet your annual deductible responsibility. Unused dollars can be saved or invested and accumulate through retirement.

Contributions to Your HSA

The annual contribution maximum set by the U.S. Treasury and IRS:

2019
\$3,500 individual coverage
\$7,000 family coverage

Note: Rollover funds are not subject to these limits.

Plus - To help you stay healthy, use: Preventive Care

100% coverage for nationally recommended services.

Preventive Care

No out-of-pocket costs for you as long as you receive your preventive care from a network provider. If you choose to go to an out-of-network provider, your deductible or traditional health coverage benefits will apply.

Then -

Your Deductible

The deductible is the amount you pay - using your HSA dollars or out of your pocket - before you reach the traditional health coverage portion of the plan.

Annual Deductible Responsibility

\$2,000 individual coverage
\$4,000 family coverage*

* This plan includes a family deductible, which means that the medical expenses of all family members count toward the deductible. Once the full deductible has been satisfied, all family members are covered under the Traditional Health Coverage portion of the plan.

If needed -

Traditional Health Coverage

Similar to a PPO, once the deductible has been met, you pay coinsurance (a percentage of the provider's charges) when visiting an out-of-network provider. When visiting network providers, you and your family members are covered at 100% once your deductible and coinsurance have been satisfied.

Traditional Health Coverage

After your deductible, the plan pays:

100% for network providers 70% for out-of-network providers

After your deductible, your coinsurance responsibility is:

0% for network providers 30% for out-of-network providers

Additional protection:

For your protection, the total amount you spend out of your pocket is limited. Once you spend that amount, the plan pays 100% of the cost for covered services for the remainder of the plan year.

Annual Out-of-Pocket Maximum

Network Providers	Out-of-Network Providers
\$2,000 individual coverage	\$4,000 individual coverage
\$4,000 family coverage	\$8,000 family coverage

Your annual out-of-pocket maximum consists of your annual deductible responsibility and your coinsurance amounts.

Summary of Covered Services

Preventive Care

Anthem's Lumenos with HSA plan covers preventive services recommended by the U.S. Preventive Services Task Force, the American Cancer Society, the Advisory Committee on Immunization Practices and the American Academy of Pediatrics.
