EMPLOYMENT

8.1 Teacher Employment:

For the purpose of this contract, the period of service for teachers shall not be more than one hundred eighty-nine (189) days as set forth in an individual contract between the Board and each teacher, to be allocated as follows:

Teaching days	180
In-service days	9

Except that the Board shall have the right to require additional days when in such judgment it is required to operate the school district. When such is required by the Board, the individual contract of such employee shall reflect additional compensation using the following formula: Current salary divided by one hundred eighty-nine (189) times number of extra days beyond one hundred eighty-nine (189).

The teaching days above shall consist of the entire School Day, which includes the instructional day, pre-instructional day, and post-instructional day. The School Board has the sole discretion to set the instructional day as long as they consider input from the Association. The instructional day shall be no less than 6.5 hours and no more than 6 hours and 45 minutes. The pre and post instructional day shall be set to have the teaching day total no more than 7.5 typically scheduled hours. This does not limit requirements that Teachers are salaried employees and are expected to carry out their professional duties which may require additional time.

The parties recognize that a 7.5 hour teaching day represents a 30 minute increase in the contractual teacher work day as of July 1, 2020. This additional 30 shall be unencumbered and duty-free.

The post-instructional day shall be 30 minutes in length, with the balance of the 7 hours of the work day allocated to the instructional day as set by the School Board and pre-instructional day.

The resulting changes in the pre and post instructional day shall not apply to Diane Goodman.

The in-service days specified herein will be distributed and used as follows:

- Two (2) Individual Classroom Preparation Days before the first day of school which shall include but not be limited to activities such as readying classrooms, reviewing student records, discussing individual students with teachers and administrators, planning student transitions, and planning individual curriculum. The content and activity of the two days shall be determined solely by the individual teacher, with suggestions from the Principal.
- Two (2) Orientation Days as determined by the Superintendent and/or Principal before the first day of school.
- Two (2) Days scheduled by the District with input from the Association.

- Two (2) Workshop Days to be determined by the Principal, with input from the Association. Such days to be used by the entire teaching staff or group of teachers as mutually agreed in no less than one-half (1/2) day increments throughout the school year. Such day(s) to be scheduled when school is not in session.
- One (1) Closure Day following the last day of school

8.2 Support Staff Employment

School-year support staff personnel shall work the school instructional days plus not more than two (2) preparation, clean-up, orientation or open house days as assigned by the Principal and when in the discretion of the Principal it is necessary. The Principal, in exercising judgment, shall not be arbitrary or capricious.

8.3 Teachers are expected to attend a reasonable number of after-school functions such as faculty meetings, parent/student conferences, open houses, and other educationally related programs or conferences with the administration. Such meetings shall be of reasonable duration. Assignments to non-school hour duties will be made on a fair and equitable basis by the administration.

Teachers may work with student teachers, but shall not be required to do so and shall not be penalized for declining to do so.

Transfers

8.4 Teachers affected by possible transfer will be notified as soon as possible prior to implementation of the transfer. Any teacher being involuntarily transferred or reassigned after June first(1st) to a different grade, course, or area of certification which she/he has not taught in the last three years will be given a maximum of three (3) paid days prior to the start of the next school year to prepare for the change in assignment. The per diem rate of pay shall be calculated in accordance with Article 8.1. The final decisions to transfer, assign, or reassign will rest with the Superintendent or designee.

Lunch

8.5 Staff persons shall be entitled to thirty (30) minutes of duty-free time during each day except when the students are assigned by the Principal to remain in the building during normal recess time. Duty free lunch shall not be counted as part of any preparation time as otherwise defined in this agreement. Lunch time shall occur between 11:00 AM and 1:00 PM or from the beginning of the students' lunch time until one-half hour after the close of the students' lunch time.

Reduction In Force

8.6 a. When the Board finds it necessary to reduce teaching positions for full or part-time certified teachers for reasons of decreases in student enrollment, severe financial conditions, or other circumstances determined by the Board, the following Reduction In Force procedures shall be implemented.

- i. The Board will apply the following equally-weighted criteria to determine the staff to lay off:
 - a. job performance, as documented using the current evaluation system
 - b. highest degree;
 - c. number of endorsements;
 - d. years of teaching experience in Marlborough School District.
 - ii. If, in following this process, there is a tie, then the teachers shall be reduced in the reverse order of district employment, provided those remaining are certified for the positions.
 - iii. Should a vacancy occur after a reduction in force has taken place, “reduced teacher(s)” shall be recalled for the opening in the reverse order from which the staff was reduced; i.e., the last to be laid off shall be given preference for any vacancy. In order to qualify as a “reduced teacher” under this provision, a teacher must provide the District with an up to date e-mail address, mailing address, and phone number. E-mail, phone, or mail notification by the District regarding vacancies shall suffice. The District has sole discretion to elect to utilize either e-mail, phone or mail as the notification procedure regarding any particular vacancy. Reduced teachers are obligated to make sure all phone numbers, e-mail addresses, and mailing addresses are accurate and up to date. After receiving notice of a vacancy, the reduced teacher shall contact the District and indicate his/her intent to move forward with the recall process. If a reduced teacher does not respond within 48 hours of receiving notice of the vacancy, the reduced teacher is no longer subject to recall and the District can move to the next reduced teacher on the priority list. The District shall have authority to issue multiple recall notices at a time, indicating assignment of the vacant position is subject to the priority list. Any teacher who receives a recall notice (regardless of where they fall on the priority list) shall comply with the 48 hour notice requirement. This right to be recalled for employment shall terminate two years following last day of employment.
 - iv. In all cases, the Board, after due consideration of factors, including seniority and performance, shall reserve the right to make any decision it feels necessary in the interest of the School District. However, such decision shall not be arbitrary or capricious.
- b. When reduction in force is determined to be necessary within the support staff.
- i. If a support person's job is directly related to performing services for a particular student (for example a one-on-one tutor) and that student leaves the district during a school year, the staff person may elect to be placed in any vacant position for which he/she meets the minimum qualifications or he/she may be laid off for the remainder of the school year. Any staff person whose position is directly related to performing services for a particular student and who is laid off mid-year shall be employed in the first available position for which the staff person is qualified pursuant to the recall process in this section for a period of two (2) years. It shall be the responsibility of the laid off staff person to promptly notify the Human Resources Office of any changes in his/her current address and his/her availability and desire to be considered for open positions.

Should a vacancy occur after a reduction in force has taken place, “reduced support staff” shall be recalled for the opening in the reverse order from which the staff was

reduced; i.e., the last to be laid off shall be given preference for any vacancy. In order to qualify as a “reduced support staff” under this provision, staff must provide the District with an up to date e-mail address, mailing address, and phone number. E-mail, phone, or mail notification by the District regarding vacancies shall suffice. The District has sole discretion to elect to utilize either e-mail, phone or mail as the notification procedure regarding any particular vacancy. Reduced support staff are obligated to make sure all phone numbers, e-mail addresses, and mailing addresses are accurate and up to date. After receiving notice of a vacancy, the reduced support staff shall contact the District and indicate his/her intent to move forward with the recall process. If a reduced support staff does not respond within 48 hours of receiving notice of the vacancy, the reduced support staff is no longer subject to recall and the District can move to the next reduced support staff on the priority list. The District shall have authority to issue multiple recall notices at a time, indicating assignment of the vacant position is subject to the priority list. Any support staff who receives a recall notice (regardless of where they fall on the priority list) shall comply with the 48 hour notice requirement. This right to be recalled for employment shall terminate two years following last day of employment.

- ii. If the student of a support staff person leaves the district at the end of the school year, the support staff person shall be placed in the first available position, provided that he/she is qualified as assessed by the Principal. In making such judgments, the Principal shall not be arbitrary or capricious.

Change in Job Assignment

8.7

- a. Teachers affected by changes in job responsibilities shall be consulted about such changes as early as is feasible prior to the new responsibility taking effect and professional days addressed to ease the transition shall be encouraged by the Board.

Job Posting

- b. Vacancies for salaried employees (including summer employment opportunities whenever possible) will be posted electronically for a minimum of five (5) workdays, except in cases of emergency. The electronic posting will set a five-day internal posting timeframe. Salaried employees shall be given preference for such vacancies, provided they are certified for the position.

Mentors

- c. Each teacher new to the school district shall be assigned a peer mentor during his/her first year of teaching in Marlborough. Mentor teachers shall be selected from a group of employees who volunteer to serve. Mentors shall be compensated in the amount of \$600 per year for each new teacher mentored.

Notification of Lane Change

8.8

Teachers who have reasonable expectations of completing academic courses or degrees, and who wish to use additional credits for salary purposes, must notify the Director of Human Resources in writing not later than December first (1st) of any contract year for impact in the next school year. The time requirement specified in this section may be extended by mutual agreement.

Substitutes

- 8.9 The Board agrees that reasonable efforts will be made to obtain substitutes for teachers who are absent from work and for instructional assistants (tutors) who are absent from work for three or more consecutive days.

Preparation Time

- 8.10 Except in unusual circumstances, the Board will provide all teachers with one planning period per day equal to one class period. For elementary school teachers, the Board will provide a planning period whenever a specialist in art, music, physical education, library arts, Spanish or computers is providing instruction to their classes. Reasonable efforts will be made to ensure planning periods will be no less than thirty minutes in duration.

Faculty Meetings

- 8.11 Faculty meetings shall normally begin fifteen (15) minutes after students are dismissed and usually will last no longer than one hour, and shall not last longer than one and one-half hours. Total time spent in faculty meetings shall not exceed four (4) hours in any calendar month. There will be no more than one (1) faculty meeting a week. Limitations on faculty meeting length and/or frequency shall not apply in the event of an emergency. The Principal may invite support staff to attend relevant portions of faculty meetings with pay if, in the judgment of the Principal, meeting agenda subjects are relevant and necessary for support staff to perform their job responsibilities. Support staff shall attend relevant portions of the faculty meetings when invited by the Principal. Time of support staff at faculty meetings shall not exceed three hours in any year. At a rate of one time in any two-month period, one SAU-wide or multi-district meeting may be substituted for the equivalent of a one (1) hour faculty meeting, regardless of meeting time or duration.

Assignments for Support Staff

- 8.12
- a. Vacancies in support staff job classifications, (including summer employment opportunities whenever possible) will be posted for a minimum of five (5) days except in cases of emergency. Existing employees will be granted consideration for employment to fill vacancies provided they are the more qualified applicants, unless the position is student-specific and it will be difficult to replace or in the opinion of the administration, it would work a hardship to interfere with the educational program of the student.
 - b. In the event an employee's position becomes eliminated or changed (regardless of the reason) he/she shall be given consideration for any open and unfilled position which may then be available, provided he/she has applied and is qualified to perform the work.
 - c. The Board shall notify the involved employee if it contemplates a change in the assignment of an employee as set forth in his/her Payroll Notification form and, if the employee objects to the reassignment, the administration agrees to meet with the employee within ten (10) days of receipt of notification to consider the employee's concerns and possible alternatives. In the case the reassignment is refused, such a refusal shall constitute termination of employment without prejudice.
 - d. The School District shall develop written job descriptions including minimum qualifications for each position covered by this Agreement prior to the end of their contract. If the District is

considering creating a new classification of support staff, it shall notify the Association of its intent at least fifteen (15) days prior to the implementation of the new classification. The parties may agree to shorten this time period by mutual agreement or in case of an emergency.

Support Staff Holidays

- 8.13 Full-time and regular support staff who normally work in their position the regular business day before and after a recognized holiday are entitled to be paid for that holiday. Full-time and regular support staff on sick leave or approved annual leave for these days will also be eligible for holiday pay. Full-time and regular support staff on leave without pay on these days are not entitled to holiday pay, subject to the provisions herein.
- a. Full-time support staff are entitled to twelve (12) paid holidays as determined by the Superintendent.
 - b. Regular support staff are eligible for holidays falling within the school year, as determined by the Superintendent.

As consideration for the extended time, an employee on said leave agrees to return on the first day of a school marking period ONLY, and provided further that the total leave shall not exceed sixteen (16) months. A further extended leave may be granted at the discretion of the Board. The employee shall give the Board notice of intended return date at the time of request for leave. The consideration for the granting of the extended leave is the agreement of the employee to give the notices and abide by the return dates set forth in this paragraph. The requirement that the date of return shall be the first day of the semester shall not apply if the requested leave does not extend beyond the end of a semester. During the time that an employee is on unpaid child-rearing leave, the employee shall be entitled to remain eligible for participation in all District fringe benefit programs, provided they shall be at the sole expense of the employee, and provided the employee shall not be eligible for paid leave.

Sabbatical leaves will be available only for full year study or research programs which offer potential benefit both to the individual teacher and the school system.

Travel will not be approved except when necessary and incidental to a study program.

During the term of this agreement the above amounts will be reflected in a pool of money not to exceed \$8,000 each school year.

Funds are available on a first come, first-serve basis. Any funds not used by May first (1st) will become available for additional reimbursement to any teacher, subject to the requirements above. Final transcripts must be received by June fifteenth (15th).

INSURANCE

Health Insurance (full-time teachers and full-time and regular support staff)

- 15.1 The Board agrees to pay the cost to provide health insurance from any carrier it determines. The Board agrees to offer at least three plan options including the AB20 (or its equivalent) and at least two additional options. The Board may offer more than 3 plan choices. The Board will contribute a sum towards full-time teachers' and full-time and regular support staff's health insurance coverage. The contribution rates listed below shall be applied to the plan chosen. If the plan chosen is more costly than the AB20, contributions will be capped at the AB20 contribution costs:

80% of plan chosen 2020-2024

In 2020-2024 the Board will pay 26% of the single premium cost of the HMO-1 plan for part-time eligible teachers who work 50%-79% and part-time support staff employees who work 1080-1199 annual hours per year. In 2020-2024 the Board will pay 26% of the single premium cost of the plan chosen for part-time teachers who work 50%-79% and support employees who work 1080-1199 annual hours per year. These employees shall be able to purchase additional coverage for two person and family at their own expense. Eligible employees shall be able to contribute premiums on a pre-tax basis through the District's Section 125 Plan in accordance with applicable IRS rules.

Full-time employees electing not to join one of the health plans for the entire membership year, and securing substitute group health insurance coverage of comparable quality through sources other than the District, and supplies the District with proof of the aforementioned coverage shall be eligible to receive a four thousand five hundred (\$4,500) dollar payment upon the close of the applicable school year. The amount shall not be prorated and no consideration for partial years will be given. This payment will be offset by any penalty imposed upon the District as the result of the employee's participation in an alternative healthcare plan.

Health insurance offered by the District seeks to comply with the Patient Protection and Affordable Care Act of 2010, Pub. L. 111-148 (the "ACA"), as it may be amended, to the extent it is applicable, so as to avoid the imposition of any penalty, fine, or tax other material adverse financial impact to the District. Accordingly:

The District may increase the amount of its health insurance contribution on a per employee basis by such amount necessary to comply with the affordability requirements set forth in §1401 the ACA, and any applicable rules promulgated pursuant to that Section, as they may be amended.

The District and Association seek to avoid the imposition of an excise tax on high cost employer-sponsored health coverage under 26 U.S. C. § 4980 (the "Cadillac Tax"). If the board determines that a plan offered will result in the imposition of such tax, it shall notify the Association and the parties shall reopen negotiations for the sole purpose of identifying a substitute plan. The substitute plan will seek to maintain the benefits of the original plan, but both parties recognize that the plan may be diminished for the purpose to avoid the tax. If the parties are unable to agree on a

substitute, the Association and the District shall share the costs of the excise penalty equally.

- 15.2 Full-time teachers and full-time and regular support staff may select single, two (2) person, or family coverage.
- 15.3 An employee must enroll as a member of one of the selections above in order to be eligible for benefits set forth herein.
- 15.4 The difference between the Board's maximum contribution set forth above and the actual cost to provide the coverage selected by an employee will be payroll deducted from the appropriate payroll periods by the Board.

The parties agree that, effective July 1, 1991, payroll deductions for health and dental insurance will be taken on a pre-tax basis in accordance with Internal Revenue Service guidelines.

The parties agree that any deductions made by the District from the compensation of the employee which result from District error and which exceed the amount actually authorized for deduction by the employee shall be refunded to the employee.

- 15.5 Flexible Spending Account: The Board agrees to establish a Section 125 Medical Spending Account, with a \$200 minimum and a \$2,500 maximum and Dependent Care Spending Account with a \$200 minimum and a \$5,000 maximum at District expense for all full-time teachers and full-time and regular support staff employees.

Said amount may be applied to single, two (2) person, or family coverage. The Board's maximum contribution will be as follows:

DISABILITY INSURANCE (full-time teachers and support staff employees working 30 or more scheduled hours per week)

- 15.9 Disability is defined as the condition resulting from the sickness or injury of an employee which prevents such employee from doing each of the material duties of his or her regular occupation. Disability benefits as defined hereunder shall commence on the tenth (10th) consecutive day following the beginning of the absence of the employee, or upon the exhaustion of all accumulated sick leave, whichever date is last. Provided, however, that an employee shall not be entitled to disability benefits for disability resulting from sickness or injury that was diagnosed and/or treated within three months before the commencement of an employee's employment with the district or which liability commences during the first twelve (12) months of "employment" with the district. Provided, further, that an employee will not be entitled to disability benefits if the sickness or injury resulting in disability is caused or substantially caused as a result of other employment.

Disability benefits shall terminate on the second (2nd) anniversary of the beginning of the absence unless, at that date, the employee is totally disabled. An employee is totally disabled if the employee is then unable to perform each of the material duties of any occupation for which he or she is reasonably suited by training, education, or experience. Disability benefits will also terminate at an employee's death if the disability is caused by a non-work connected accident. Otherwise, disability benefits will also terminate on the June thirtieth (30th) following or being the seventieth (70th) birthday of the employee.

Disability benefits shall be reduced by the full amount received by the disabled employee for the benefits paid to him or her under Worker's Compensation, Social Security, or the New Hampshire Retirement System.

An employee whose disability commences while he or she is on leave, including the normal school summer recess period, shall not be entitled to disability benefits until the expiration of such leave.

All entitlements to disability benefits which are the responsibility of a third party insurance carrier shall not be subject to the Grievance and Arbitration Procedure of this Agreement unless agreed to by the carrier. All determinations by the carrier shall be final and binding upon the employee, subject to the rights of the employee to appeal in any fashion the determination of the carrier.

A disabled employee receiving disability benefits hereunder acknowledges the District's right to be reimbursed by the insurance carrier for all amounts paid directly to the employee by the District and which are covered by the disability insurance policy maintained by the District.

Upon the request of the Administration, an employee claiming sick leave or disability benefits shall provide or cooperate to provide such evidence of sickness or disability as may be reasonably required by the District and/or its disability insurance carrier. Upon failure to so provide such evidence or failure to so cooperate, the employee's claim for sick leave or disability may be denied and all disability benefits paid by the District shall be returned by the employee.

Short Term Disability Payments (full-time teachers and support staff employees working 30 or more hours per week)

Disability benefits for the period of the tenth (10th) consecutive day to the 89th consecutive day following the beginning of the absence shall be 60% of the employee's gross annual base salary divided by twenty-six (26). Payment shall be made to the employee according to the usual payroll schedule of the District. The maximum disability benefit during this period shall be \$5,000.00 per month.

Long Term Disability Payments (full-time teachers and support staff employees working 30 or more hours per week)

Disability benefits for the ninetieth (90th) consecutive day following the beginning of the absence to the termination of entitlement to disability benefits shall also be 60% of the employee's gross annual base salary as determined at the commencement of the disability divided by twelve (12). Payment shall be made to the employee monthly during this period. The maximum benefit during this period shall be \$5,000.00 per month.

Provided, nevertheless, that the benefits granted to employees under this section dealing with long and short term disability shall be no less than those paid in any other district in SAU # 29.
