- 3.2 The private and personal life of any employee is not within the appropriate concern or attention of the employer, provided said activities do not directly involve the school and do not prevent the employee from carrying out his/her duties.

ARTICLE IV

NEGOTIATION PROCEDURES

- 4.1 On or about October first (1st) of the prior year in which this Agreement expires, the Association may, in writing by certified mail return receipt requested, notify the Board of its desire to terminate or modify the terms and conditions of this Agreement and shall, submit, no later than October fifteenth (15th) at a meeting with the Board, its proposals. The Board shall submit its counterproposal to the Association by November first (1st). The parties shall, thereafter, meet, confer and negotiate in a good faith effort to reach a mutual understanding and agreement. Time lines set forth in this section may be extended by mutual agreement.
- 4.2 The Negotiating Committee of the Board and the Negotiating Committee of the Association shall have authority to reach a complete agreement, subject to ratification by the Board and the qualified voting members of the Association covered by this Agreement. Both Committees shall attempt to make a good faith effort to secure ratification.
- 4.3 The Board agrees to supply the Association with such non-confidential information as is in the Board's possession and is requested by the Association.
- 4.4 Any new or modified agreement reached shall be reduced to writing and signed by the Board and the Association. Any such agreement reached which requires the expenditure of additional public funds for its implementation shall not be binding on the Board, unless and until the necessary appropriations have been made by the Annual School District Meeting. The Board shall make a good faith effort to secure the funds necessary to implement said agreements.
- 4.5 If the additional public funds for implementing such agreement reached by both parties as set forth in Article IV, Sec. 4.4 are not approved at the Annual School District Meeting or at any specially called School District Meeting, the parties shall return to the negotiating table in accordance with RSA 273-A. - 5.1 The Association will have the right to use school buildings and equipment at reasonable times without cost for meetings. The Association shall, however, pay any additional cost incurred by the Board in granting this use.
- 5.2 Upon request, the Association will be given an opportunity at building faculty meetings to present brief reports and announcements.
- 5.3 The Association will have the right to post notices on its activities and matters of employee concerns on employee bulletin boards provided for that purpose and may use in-school mail boxes to communicate with its members.
- 5.4 During the terms of this Agreement, the rights set forth in Article I shall not be granted to any other bargaining agent.
- 5.5 Rights granted to the Association under Article V shall not, in the judgment of the Board, be disruptive or injurious to the Marlow education system, its students, employees, or administration, nor in violation of any of the provisions of this Agreement. In making judgments under this Section, the Board shall not be arbitrary or capricious.
- 5.6 Representative(s) of the Association shall be allowed to conduct Association business on school property provided that such business does not interfere with the scheduled instruction or supervisory duties of the District's employees. In any event, the representative shall follow building procedures regarding his/her presence in the building.
- 5.7 Upon notification by an employee the Board agrees to deduct from the salaries of its employees, union dues or service fees for the Marlow Education Association, National Education Association – New Hampshire, and the National Education Association, as said employees individually and voluntarily authorize the District to deduct and to transmit the monies promptly to such Association. - 5.8 The Association President or designee shall be granted up to four (4) days off per year with pay so that officers may attend official Association events such as the annual State Delegates Assembly and the National Representative Assembly or to conduct official Association business.

ARTICLE VI

EVALUATION AND PERSONNEL FILES

- 6.1 The Board recognizes that the education process is an extremely complex one and that the appraisal of this process is a difficult and technical function. Nevertheless, because it is universally accepted that good instruction is the most important element in sound educational programs, provision will be made to conduct appraisals of employees' performances.

Appraisal of service should serve three purposes:

- a. to raise the quality of instruction and educational service to the children of our community;
- b. to raise the standards of the education profession as a whole;
- c. to aid the individual employee to grow professionally.

Although the District is ultimately responsible for the evaluation tool, the evaluation of employee performance must be a cooperative continuing process designed to improve the quality of instruction. All professional employees are involved in the evaluation process. The employee shares with those who work with him/her the responsibility for developing effective evaluation procedures and instruments and the responsibility for the development and maintenance of professional standards and attitudes regarding the evaluation process.

- 6.2 Each employee in the Marlow School District shall be made aware of the District's evaluation plan no later than October fifteenth (15th) of each school year. Supervisory personnel responsible for the evaluation of employees shall be qualified for that purpose.
- 6.3 No material derogatory to an employee's conduct, service, character, or personality shall be placed in his/her file unless the employee has been notified and has had an opportunity to review the material. Employees are under observation and evaluation by the Administration on a regular basis. Written evaluations done by the appropriate evaluator shall be conducted openly and with prior knowledge of the employee. The provisions of this Section 6.3 shall not apply to material of a confidential nature acquired by the Board when initially employing an employee.
- 6.4 The evaluator shall prepare and submit a written report and recommendations to the employee ideally within five (5) days of the observation. If the evaluator believes an employee is doing unacceptable work, the reasons therefore shall be set forth in specific terms including ways in which the employee is to improve.

At least two (2) days prior to any formal observation, the evaluator shall communicate with the employee regarding the observation. Such communication may be by telephone, in person, or by e-mail. If by e-mail, the employee shall respond to confirm receipt of the e-mail by return e-mail. An employee may agree to waive the two (2) day time period.

The parties agree to use the standards, guidelines, core indicators and plan designations of the SAU 29 Professional Staff Performance Evaluation System as guidelines for developing evaluation plans for Marlow.

- 6.5 The employee will acknowledge that he/she has had an opportunity to review such material by affixing his/her signature to the copy to be filed, with the express understanding that such signature in no way indicates agreement with the contents thereof. The employee will also have the right to submit a written answer.
- 6.6 The evaluator shall hold a post-observation conference with the employee for the purpose of clarifying the written report and recommendations. Such a conference shall be held within a reasonable time period of the submission of the written report to the employee but ideally within ten (10) school days except by mutual agreement.
- 6.7 An employee will have the right, upon request, to review the contents of his/her personnel file, during regular office hours and to make copies of such at his/her expense. Requests should be made to the Director of Human Resources.

- 6.8 The parties recognize and agree that, subject to the provisions of Article VI, evaluation is a supervisory function and the responsibility of the Board or its designees.
- 6.9 Any complaint against an employee or person for whom the employee is administratively responsible by any parent, student, or other person will be promptly called to the attention of the employee who may be provided with an opportunity to meet that person in an effort to resolve the matter. Complaints shall not be incorporated into the employee's evaluation of their personnel file unless the employee has been informed and the complaint has been investigated and a notation of the investigation made.
- 6.10 Material detrimental to an employee shall be removed from his/her personnel file after a period of five (5) years, provided that such material is not deemed by the Superintendent to provide third party liability to the District. The Superintendent shall not make these decisions arbitrarily. Material will be removed when there has been no similar incident or incidents within five years. It shall be the most recent incident in any incidents of a similar nature from which the date of removal is calculated. Notwithstanding anything herein to the contrary, any material in an employee's file in relation to discipline arising out of charges of misconduct involving students or co-workers is excluded from the purge.

ARTICLE VII

CONSULTATION ON EDUCATIONAL PROGRAMS

- 7.1 The Board desires the participation of its professional educational personnel in the development of sound educational programs for the school children of the District. In connection with making major changes in educational programs the Superintendent shall notify the President of the Association and shall consult with the Association's President (or his/her designee), if requested to do so. The President of the Association may submit to the Board through the Superintendent any recommendations for major changes in the educational programs. The Board shall give due consideration to such recommendations of the Association. Action by the Board under Article VII shall not be subject to the Grievance Procedures of this Agreement.

ARTICLE VIII

EMPLOYMENT PRACTICES

- 8.1 The Board agrees to employ in professional positions only those persons who hold at least a bachelor's degree from an accredited college or university and are certifiable by the New Hampshire State Department of Education or employees who hold the appropriate credentials for positions requiring a license. This provision shall not apply in the instance where the availability of personnel is critical and an appropriate waiver is granted by the New Hampshire State Department of Education.
- 8.2 Employees shall not be assigned outside the scope of their certification, major or minor field of study, or licenses, except temporarily and for good cause.
- 8.3 For purposes of this Agreement, the period of service shall not be more than one hundred ninety (190) days in any one fiscal year as set forth in an individual notice of employment (see Appendix E attached hereto) to be allocated as follows:

Annual	
Regular School Days	180
Preparation for School Opening	2
Parent-Teacher Conference	1
Employee In-Service	6
School Closing	1
Total	190

The teaching days above shall consist of the instructional day, pre-instructional day, and post-instructional day. The teaching day schedule shall be set by the School Board after meeting and conferring with the Association each year by July 15. The School Board has the sole discretion to set the start time of the teaching day so long as they seek input from the Association. The instructional day shall be 6.5 hours in accordance with 8.5-b.

- 8.4 Employees employed by the District will be given an individual contract each year of their employment which shall set forth their position (generally "teacher") and annual salary. The contract shall require that employees certify they hold a valid New Hampshire certificate, license, or permit. The Board agrees to pay for the State mandated recertification fees. The individual contract shall be subject to and consistent with the terms and conditions of this Agreement.
- 8.5
1. The Board expects all full-time professional employees to work forty (40) hours per week. The Board understands that this work includes instruction, parent-teacher conferences, preparation, grading, and monitoring students before and after school. The Board understands that certain tasks shall not be always done during the week or within the building, but may include work done at home or another site during the forty hours. Full-time employees shall normally attend Open House, Winter Program, and Spring Program. The sixth grade teacher shall normally be expected to attend graduation and may be asked to work an overnight field trip. Employees may participate in all other school activities on a voluntary basis.
 - b. Employees who are not assigned duties before the start of the school day shall normally be required to report to work thirty (30) minutes prior to the start of the instructional day and shall remain at school for at least thirty (30) minutes after the end of the instructional day. The instructional day shall be six and one-half (6.5) hours in length. The parties agree that the instructional day shall not be increased beyond the six and one-half (6.5) hours set forth in the collective bargaining agreement but recognize the authority of the School Board to structure the day to maximize the quality of education and the individual instruction for the students of the Marlow School District subject to the terms of

the collective bargaining agreement and statutory obligations.

- c. On days when faculty meetings or administrator conferences are scheduled, the work day shall end no later than 4:30 p.m. There shall be twenty-four (24) hours' notice given for faculty meetings and conferences.
 - d. Parents are encouraged to schedule parent-teacher conferences in accordance with the procedures set forth in the student handbook. Conferences shall be set for mutually convenient times and places, but in no event shall such conferences extend the work day beyond 6:00 p.m. All conferences shall be scheduled at least forty-eight (48) hours in advance. Employees are not required to schedule late conferences on Fridays nor are employees required to have late conferences with any set of parents more than four (4) times in a school year.
 - e. Meetings with students shall end no later than 4:30 p.m. No such meetings will take place unless there is at least one other employee of the District present in the building.
 - f. Part-time employees are expected to carry out their assignments, including meetings, as are full-time employees. The Board recognizes that their availability to schedule meetings after their regular duties may be different than that of full-time employees due to their different hours of work.
- 8.6 The Board will provide a duty-free lunch of a minimum of thirty (30) minutes. If working part-time this applies to days when working more than 4 hours only.
- 8.7 Employees will be notified of their employment status and assignments prior to April fifteenth (15th) of the preceding school year.
- 8.8 Employees who expect to complete academic courses and who wish to use such additional credits for salary purposes, must notify the Superintendent no later than December first (1st) of the prior year for which salary is to be paid. Time requirements specified in this Section 8.8 may be extended by mutual agreement or waived by the Board.
- 8.9 The Board agrees to submit to the Association for its consideration, suggestions for the school calendar on or before January fifteenth (15th) of the preceding year. The Board reserves the right to establish the school calendar year and to make appropriate changes at any time.
- 8.10 A vacancy shall be defined for purposes of this Agreement as a position presently unfilled, a position currently filled but which will be open in the future, or a new position that is currently not in existence.
- 8.11 During the school year vacancies shall be sent via email to the Association President and may also be posted on a designated bulletin board. Vacancies shall be posted at least ten (10) work days prior to being filled except in cases of emergency.
- 8.12
- a. In the event that an employee's request for transfer is denied, he/she shall be provided with the specific reasons for denial in writing. The employee has the option to request that he/she be given the opportunity to discuss denial with the Superintendent.
 - b. An employee has the right to apply to transfer to any vacancy, provided he/she is appropriately certified or licensed.
- 8.13 At the request of the Association, by September thirtieth (30th) of each year, the District shall prepare a Seniority List. Seniority is defined as length of unbroken service within the Bargaining Unit and shall be computed from the employee's date of hire with the School District. All employees shall be ranked on the list in order of their date of hire as above defined. In the circumstance of more than one (1) individual having the same date of hire, all individuals so

affected will participate in a drawing to determine placement on the Seniority List for that year. The drawing will take place on or before September thirtieth (30th).

- 8.14 The Seniority List shall be prepared by the District and verified by the Association. Said list shall be posted in all buildings of the District by October fifteenth (15th) of each school year. Revisions and updates of the Seniority List shall be published and posted as they are made. A copy of the Seniority List and subsequent revisions shall be forwarded to the Association.
- 8.15 All seniority except as provided below is lost when employment is severed by resignation, retirement, discharge for cause, or transfer to a non-bargaining unit position; however, seniority is retained if severance of employment is due to lay-off (RIF). In cases of lay-off, employees so affected shall retain all seniority accumulated as of the effective date of lay-off.
- 8.16 Seniority shall not accrue while an employee is on an unpaid leave of absence. Seniority shall accrue while utilizing accrued sick leave and in all situations where mandated by state and federal law.
- 8.17 The District agrees to continue to provide preparation time for certified staff who work a full instructional week when students are receiving instruction from "specials teachers" or other certified staff, or when students are absent from class while involved in other supervised activities, or when students are not scheduled to be in school. The District shall strive to make such time when "specials teachers" are instructing to be not less than 45 minutes in length. The District shall attempt to secure substitutes when the "specials teachers" are absent. Both parties recognize that it is not always possible to do so and agree the staff shall continue to be flexible in helping the District to meet its needs when substitutes are not able to be secured. The District will continue to distribute preparation time in an equitable manner.

ARTICLE IX

COMPENSATION

- 9.1 The Salary Schedule and its application are set forth in Appendix A. Employees who are contracted (employed) after July first (1st) of any year shall receive a salary pro-rated in each year of the contract in accordance with Article VIII, Section 8.3, of the appropriate salary step for the number of designated days of employment between the first Staff Orientation Day of any year and June thirtieth (30) of the next succeeding year.
- 9.2 Any employee who works less than 100% shall have his/her salary pro-rated at the appropriate step for years of experience and educational attainment times the proportion of hours worked.
- 9.3
- a. Employees new to the District shall be placed on the step of the salary schedule equal to their years of experience and educational attainment.
 - b. The Board shall develop standards for placement of employees on the salary schedule.
- 9.4 Employees who have worked in the District for ten (10) or more years shall receive an annual longevity stipend equal to \$2,500 in 2022-23, \$3,000 in 2023-24 and 2024-25. Employees working less than 100% shall have the amount proportionally prorated using the percentage they are employed. Example: An eligible employee signing a 50% contract shall receive \$1,250.
- 9.5 The Board will provide \$6,000 per year for the purposes of student loan repayment to be used for teachers. Teachers may access the money for a maximum of 10 academic years regardless of step or experience. All applicants for student loan repayment must be filed with the Human Resources Office on an official request form, between July first (1st) of the applicable fiscal year and November first (1st). Requests received later than November first (1st) will not be considered.

The \$6,000 fund will be divided on a prorated basis among all eligible applicants. Employees who work 80% and greater shall be eligible. Individual teachers shall be eligible to receive no more than \$4,000 a year or the balance of their loan, whichever is less.

The repayment contribution shall be made directly to the educational and/or financial institution(s) designated by the employee. In order to receive this contribution, the employee shall provide proof of their loan(s), including verification of the monthly payment amount(s) and a year-end summary of the repayment activity from the institution(s).

ARTICLE X

EMPLOYEE DISCIPLINE

- 10.1 No employee shall be disciplined, including warnings, reprimands, discharge or other adverse personnel actions, without just cause. Any such discipline, including adverse evaluation of performance shall be subject to the Grievance Procedure. The specific grounds forming the basis for disciplinary action will be made available to the employee.
- 10.2 An employee shall be entitled to have present a representative of the Association during any meeting which may lead to disciplinary action. When a request for representation is made no action shall be taken with respect to the employee until such representative of the Association is present. Should disciplinary action likely occur at a given meeting, the employee shall be advised of the right to representation under this provision of the Agreement. Representation will be obtained within seven (7) working days except during December, winter, spring and summer vacations when it shall be seven (7) calendar days. Extensions may be granted by mutual agreement.
- 10.3 If discharge or non-renewal of an employee is to be considered because of inadequacies observed in the employee's professional work performance, such action must minimally be preceded by:
- a. Repeat observation of the inadequacies by more than one administrator through the employee evaluation process.
 - b. Clear direction that the employee must improve and the consequences of failure to do so.
 - c. Appropriate assistance from administrators and School District resources to help the employee improve.

ARTICLE XI

GRIEVANCE PROCEDURE

11.1 Definition

"Grievance" means any alleged violation, misinterpretation or misapplication with respect to one or more public employees, the Association, or any provision of this Agreement. An "aggrieved-employee" is the person or persons making the claim. All the time limits specified in Article XI shall mean calendar days, except under Section 11.6 of Article XI.

11.2 Purpose

The parties acknowledge that it is most desirable for an employee and his/her immediately involved supervisor to resolve problems through free and informal communications. Parties also acknowledge that open communication be maintained at all appropriate grievance levels as evidenced by the grievance process forms set forth in Appendix D. Grievances which are not satisfactorily settled in an informal way shall be reduced to writing (see Appendix D attached hereto) and referred to the following formal grievance procedure.

11.3 Formal Procedure

The grievance shall state the specific violation or condition with proper reference to the contract agreement. It shall also set forth names, dates, and any other related facts which will provide a sound basis for a complete understanding of any such grievance. A formal grievance must be filed within forty-five (45) calendar days of the event giving rise to the grievance or within forty-five (45) calendar days of when the employee was made aware of the event.

LEVEL A

Within fifteen (15) calendar days of receipt of a formal grievance, the Assistant Superintendent will meet with the aggrieved employee. Within two (2) days following any such meeting, the supervisor shall give his/her answer in writing. If the grievance is not settled at this level, then it may be referred to Level B within fifteen (15) calendar days of the receipt of an answer given at this level.

LEVEL B

Within fifteen (15) calendar days of a grievance being referred to this level, the Superintendent will meet with the participants of Level A and examine the facts of the grievance. The Superintendent shall give his/her answer within fifteen (15) calendar days of any such meeting. If the grievance is not settled at this level, then within fifteen (15) calendar days from receipt of the answer rendered at this level, the grievance may be referred to Level C.

LEVEL C

If the grievance remains unsettled, then the grievance may be referred to the School Board. Within twenty (20) calendar days of a grievance being referred to the School Board, the School Board Chairperson will schedule a meeting with the participants of Level B and examine the facts of the grievance. The Board shall give its answer within fifteen (15) calendar days of any such meeting.

LEVEL D

If the grievance remains unsettled, the Association may refer the grievance to arbitration. If the grievance is referred by the Association to arbitration, then the parties shall apply to the American Arbitration Association to name an arbitrator under the rules and procedures then obtaining of the service.

The arbitrator shall use his/her best efforts to arbitrate the grievance, but he/she shall have no power or authority other than to interpret and apply the provisions of this Agreement and he/she shall have no power to add or subtract from, alter or modify any of the said provisions. The decision of the arbitrator shall be advisory on both parties. The parties agree to share equally in the compensation and related expenses of the arbitrator.

11.4 Time periods specified in this procedure may be extended by mutual agreement.

11.5 Grievance(s) of a general nature shall be submitted by the Association to Level B.

- 11.6 In the event a grievance is filed on or after June first (1st), the parties agree to make good effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the end of the school term, or as soon thereafter as is practicable.
- 11.7 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved person to appeal a grievance to the next level except at the Board level. Failure at any level of the procedure to appeal a grievance within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.
- 11.8 Subject to the provisions of RSA 273 A:11, 1 (A), an employee shall be given the right, upon notice to the appropriate supervisor, to have an Association representative present with respect to a grievance.
- 11.9 The parties agree that employees covered by this Agreement shall enjoy freedom from restraint, interference, coercion, discrimination or reprisal in presenting or appealing any grievance(s).
- 11.10 Grievance(s) shall not be made part of an employee's personnel file or used in making employment references.

ARTICLE XII

LEAVES OF ABSENCE

12.1 It is agreed that the use of leave days will be confined to the legitimate purposes provided in the following schedule, and that paid leave benefits will not be used for any unauthorized absence. For each day of unauthorized absence, an employee shall lose an entire day's pay figured at 1/190th of their salary.

12.2 Paid Leaves: The Board agrees to provide employees working 80% and greater Paid Leave as outlined below.

a. Sick Leave

1. Sick leave shall be confined to a medical condition of the employee or a member of his/her immediate family (defined as a spouse, child, parent, sibling, grandparent, grandchild, parents of spouse, or any person permanently residing in the household), excluding work connected disability covered by New Hampshire Worker's Compensation Law. The Superintendent may request that the employee provide evidence of a medical condition from his/her physician after an absence of more than five (5) consecutive work days or where, in the opinion of the Superintendent, there is a pattern which may indicate possible abuse of sick leave. Should the Board require further evidence of a medical condition, it may, at the Board's expense, require the employee to be examined by the Board's physician.
2. After the first year of employment, teachers shall receive one (1) day sick leave per month cumulative to twelve (12) days per year, further cumulative to a maximum of one hundred and fifty (150) days. However, during the first year of this Agreement or during the first year of employment, an employee's sick leave will not be considered exhausted until it has exceeded twelve (12) days. Should an employee resign from the District prior to earning the twelve (12) days, the employee shall reimburse the District the difference between earned sick leave and paid sick leave. Sick leave is defined as work days as opposed to consecutive days. Employees are entitled to sick leave at full pay until their accumulated sick leave is exhausted. In every case, accumulated sick leave will not be deducted until the employee has exhausted the twelve (12) days they receive for the given year.

b. Personal Leave

The Board will grant up to three (3) days paid personal leave per year to each employee for conducting important affairs which cannot be accomplished at another time and important Holy days. Written notification shall (except in emergencies) be presented to the Principal or other supervisor at least forty-eight (48) hours prior to any such leave. One (1) additional personal day will be granted to accommodate a recognized religious holiday if the other three (3) personal days have been used for recognized religious holidays.

The Board agrees to pay employees an amount of \$100 per unused personal leave day remaining at the end of each school year.

c. Workers' Compensation

An employee who is absent due to a work-related illness or accident (Workers' Compensation) may, at his/her request, receive his/her regular salary rate until such time as he/she has proportionally used any or all of his/her sick leave provided he/she has endorsed his/her Workers' Compensation check over to the District. After the expiration of sick leave, he/she shall continue to receive only

those monies paid to him/her under the provisions of the Workers' Compensation Law of New Hampshire. Amounts paid by the Board under the provisions of this Section shall be subject to usual and customary payroll deductions (taxes, etc.).

12.3 Unpaid Leaves

1. For employees working less than 80% the board shall allow for unpaid sick leave as approved by the principal. Employees receiving unpaid sick leave shall work with the principal to make up work with an emphasis on replacing any time effecting student contact time. Equivalent time shall be made up within the pay-period in which the absence occurred unless it is deemed unfeasible by the principal. In which case it shall be made up within 20 calendar days. If the employee does not make up the missed time within the specified time limit then the approved unpaid sick leave shall be deducted from the employee's paycheck. The principal shall keep a written record of all absences approved absences and make up time.
2. The Board recognizes that the personal welfare and the professional growth of its employees may require occasional extended absences from duty. The Board is also cognizant that adequate provision for leaves of absence is a recognized, desirable personnel practice that is beneficial to the system as well as its employees.

Therefore, in the overall interest of the school system and the general welfare of its employees, employees may be granted leaves of absences for one (1) year or less for childrearing, illness, professional study, military service, and approved special assignments at the sole discretion of the Board. Such leave will be without pay. Employees on approved unpaid leave may opt to continue their health and/or dental insurance through COBRA.

Staff members granted a year's leave of absence without pay will return to duty at a rate of pay equal to the rate of pay that would have been appropriate for their next year of employment and shall not receive salary placement credit for the leave taken without pay. While assurance cannot be given that they will return to the identical assignment, the assignment given to them will be comparable and one for which they are certifiable. Upon their return, employees granted extended leave will be credited with the unused sick leave they have previously accumulated.

The granting of an extended leave of absence outside of federal and state mandated leaves to any employee will require Board action.

12.4 Temporary Leaves-Paid

- a. Employees requiring by official orders to attend National Guard Duty or other military reserve duty, during the contract year and for a period not to exceed fourteen (14) contract days, the salary paid during such time shall be an amount equal to the difference between the teacher's salary and the compensation for such services. Extended time requirements under this section may be granted by the School Board after application, in advance, to the Superintendent.
