Preamble

This agreement is made and entered into by and between the Mascoma Valley Regional School Board acting for the District, hereinafter called the "Board" and the Mascoma Valley Regional Education Association-NEA/New Hampshire, hereinafter called the "Association".

Article 1: Purpose and Intent

- 1.01** The purpose of this agreement is to promote and maintain good relations between the Board, the Association, and the employees represented by the Association and to make clear the provisions upon which such relations depend. It is the intent of both the Board and the Association to work together to provide and maintain mutually satisfactory terms and conditions of employment and to prevent, as well as adjust, misunderstandings of grievances relating to employment arising hereunder. This agreement is made under the provisions of RSA 273-A.

Article 2: Recognition

- 2.01** For the purpose of terms and conditions of employment contained within this Agreement, the Board recognizes the Association as the exclusive representative for the employees of the Mascoma Valley Regional School District: all teachers, reading specialists, school counselors, library media specialists, technology integrators and nurses. It is agreed that said recognition is valid unless certification is lost under provisions of NH RSA 273-A or amendments. The Association agrees to represent equally all personnel covered by this Agreement without regard to membership in the Association.
- 2.02** The following employees will not, for the purposes of negotiations, be included as members of the Association: Superintendent, Principals, Assistant Principals, Business Administrator, tutors, temporary help, substitute teachers, secretarial or clerical personnel, paraprofessional personnel, food service personnel, and custodial maintenance personnel. Further additions to the Association's eligible membership list, other than those stated above, will be defined and mutually agreed upon for inclusion during negotiations of the "Professional Agreement".
- 2.03** During the term of this agreement, the Board agrees not to negotiate with any other group other than the Association with regard to any matter subject to negotiations as long as the Association shall be certified as the bargaining agent.
- 2.04** This agreement shall not preclude any bargaining unit member from appearing before the Board on his or her own behalf on matters relating to employment by the Board.

Article 3: General Provisions

- 3.01** This agreement may be altered only through the mutual consent of the parties in a written and signed amendment to this Agreement.
- 3.02** An individual contract between the Board and an individual teacher heretofore or hereafter executed shall be consistent with the terms and conditions of this Agreement. If an individual contract contains language inconsistent with this Agreement, this Agreement shall be controlling.
- This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to, or inconsistent with, its terms.
- 3.03** Copies of this Agreement between the Mascoma Valley Regional School District and the Mascoma Valley Regional Education Association-NEA/NH shall be made available, and the expenses will be shared between the Board and the Association. Within thirty (30) days after the Agreement is signed, electronic copies will be presented to all teachers employed by the Mascoma Valley Regional School District. All incoming teachers shall receive a copy of said Agreement on issuance of their first contract.
- 3.04** The Board and the Association agree that there shall be no illegal discrimination, and that all practices, procedures, and policies of the School District shall clearly exemplify that there is no discrimination in the hiring, training, assignment, promotion, transfer, or discipline of employees, or in the application or administration of the Agreement on the basis of race, creed, color, disability, religion, national origin, age, sex, domicile, or marital status.
- 3.05** The rights and privileges granted to the Association in Article 6, Association Rights, will not be granted to any other group or organization which purports to represent any employee or group of employees covered by this Agreement.
- 3.06** Whenever any notice is required to be given by either party to this Agreement to the other, pursuant to this Agreement, the party shall do so in writing through the District email system.
- 3.07** If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

Article 4: Board Rights

- 4.01** The Board, subject only to the language of this Agreement, reserves to itself full jurisdiction and authority over matters of managerial policy and retains the right, in accordance with applicable laws and regulations, to direct and manage all activities of the

School District.

The parties agree that all the rights and responsibilities of the Board which have not been specifically provided for in this agreement are retained in the sole discretion of the Board or their designee(s), whose right to determine and structure the goals, purposes, functions, and policies of the District without being subject to the grievance and arbitration procedures of this agreement shall include, but not be limited to, the following: a) the right to direct employees, to determine qualifications, promotional criteria, hiring criteria, standards for work and to hire, promote, transfer, assign, retain employees in positions; to suspend, demote, discharge or take other disciplinary actions against an employee, subject to the other provisions of this agreement; b) the right to relieve an employee from duty because of lack of work or other legitimate reasons; c) the right to take such action as is in its judgment it deems necessary to maintain the efficiency of District operations; d) the right to determine the means, methods, budgetary and financial procedures, and personnel by which the operations are to be conducted; e) the right to take such actions as may be necessary to carry out the missions of the District in case of emergencies; and f) the right to make reasonable rules, regulations and policies not inconsistent with the provisions of this agreement and to require compliance therewith.

Upon return from such leave for academic study or vocational training, the teacher shall be placed onto the salary schedule at the step which he/she was entitled before leave was granted. Upon return from leave for teaching in a foreign exchange program, the teacher will be placed on the salary schedule at the step which he/she would be on if he/she had taught that year in the District. In both cases, earned benefits shall be retained.

The timeline shall resume on the first day of school for staff.
- 20.03** Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the aggrieved party to proceed to the next step. Failure at any step of this procedure to appeal to the next level within the time limits prescribed shall be deemed acceptance of the last decision made by appropriate authority. The time limits specified herein may only be extended by prior written agreement between the parties.

Submission of Grievances:

- 20.04** In order to be submitted under this procedure, a grievance must concern an alleged violation, misinterpretation or misapplication of a provision contained in this agreement.
- 20.05** Before submission of a written grievance, the aggrieved party must attempt to resolve it informally with the grievant's principal. The grievant shall inform the principal that the informal stage of the grievance procedure is being pursued.
- 20.06** The Association shall not submit a grievance without the written consent of the bargaining unit member. The Association, upon request, will provide the Board with a copy of the written consent of the bargaining unit member, submitted on a form approved by the Board and the Association.
- 20.07** A grievance shall be deemed waived unless it is submitted within fifteen (15) days after either the aggrieved party or the Association knew, or should have known, the events or conditions on which it is based.

Processing a Grievance:

Level One-The Principal

- 20.08** If as a result of discussions with the grievant's Principal, the conflict is not resolved to the satisfaction of the grievant within ten (10) days, he/she shall submit the grievance in writing to the Principal. (Unless the grievant or the aggrieved party elects to follow the oral procedures outlined in RSA 273-A, II), each grievance must identify:

- 20.10** The Superintendent or his/her designated representative shall meet with the grievant to attempt to resolve the matter as quickly as possible but within a period not to exceed five (5) days. The Superintendent shall communicate the decision in writing to the member and the Association within five (5) days after the meeting. If the aggrieved party is not satisfied with the response of the Superintendent, a written appeal may be submitted to the School Board within five (5) days after the Superintendent's decision is received.

Level Three-The Board

- 20.11** The School Board or its designated committee shall meet with the aggrieved party within fifteen (15) days to attempt to resolve the matter. The Board shall communicate its decision in writing within ten (10) days following the meeting with the aggrieved party.

- 20.12** In the case of the grievance by the Board to the Association, the Association or its designated committee shall meet with the Board or its representative within fifteen (15) school days of receipt of the written grievance to attempt to resolve the issue. The Association shall communicate its decision in writing within ten (10) days of said meeting.

Level Four-Arbitration

- 20.13** In the event the Association or the Board is not satisfied with the decision of the other with

respect to a grievance, it may, within fifteen (15) days after receiving the decision, initiate a request for arbitration.

- 20.14** The parties will attempt to agree upon a mutually satisfactory third party to serve as arbitrator. If no agreement is reached within five (5) calendar days, the American Arbitration Association will be notified and an arbitrator shall be appointed in accordance with the AAA's Labor Arbitration Rules.
- 20.15** The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. He/she shall be bound by, and must comply with, all of the terms of this Agreement. He/she shall have no power to add to, delete from, or modify in any way, any provisions of this Agreement. The arbitrator may award a "make whole recommendation" but may apply no penalty payments. The arbitrator shall have no power to make any award involving "cost items" beyond those appropriated by the School District.
- 20.16** The Board, the aggrieved, and the Association shall receive copies of the arbitrator's report. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearing. The decision of the arbitrator shall be final and binding, subject to the provisions of RSA 542.
- 20.17** The costs of services of an arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room, shall be borne equally by the Board and the Association. Any other expense shall be paid by the party incurring same.

Rights of Teachers to Representation

- 20.18** An aggrieved party may be represented at all stages of the grievance procedure by himself /herself or the Association.
- 20.19** When a teacher is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of a written grievance to the Principal or any higher level, be notified by the principal that the grievance is in process. The Association shall have the right to be present and present its position at all hearing sessions held concerning such grievance and shall receive a copy of all decisions rendered. Any resolution of this grievance shall not be inconsistent with the terms of this Agreement.
- 20.20** The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his appeal with respect to his personal grievance.

Rights to Withdraw a Grievance

- 20.21** A grievance shall at all times and throughout all steps of this procedure remain the exclusive property of the grievant, who shall retain the right to withdraw the grievance at any time or at any step of the grievance procedure. Withdrawal of a grievance shall be presented in writing to the Superintendent of Schools and a copy forwarded to the Chairman of the Board and the Association.

Records

- 20.22** All documents, communications, and records dealing with the processing of a grievance may be filed provided, however, that such documents, communications or records shall not be forwarded to any prospective employer of the grievant. A copy of such grievance(s) shall, upon request, be given to the employee. Grievance forms are represented in Appendix D and may be duplicated.

Article 21: Reduction in Personnel

- 21.01** The Mascoma Valley Regional School District has the right to decrease the number of members of the bargaining unit because of a decrease in enrollment within a grade level or program or discontinuance or reduction of a program. Whenever this shall occur, the Superintendent shall, prior to March 31, notify members of the bargaining unit within equal certification of the intent to fail to re-nominate. Within each grade span PK-4, 5-8, and 9-12 for classroom teachers and district wide for specialists, bargaining unit members who are not highly qualified or certified shall be laid off first. After that bargaining unit members with the fewest years of service in the district shall be laid off. In the event that there are equal years of service between members, the date that the individual contract is signed will be used to determine seniority.
- 21.02** During the two (2) years after failure to be re-nominated because of reduction in force, such members of the bargaining unit shall be re-nominated and re-elected, according to seniority, to fill vacancies for which they are qualified and currently certified. Such re-nomination shall not result in loss of credit for prior years of service.
- 21.03** There shall be notification by January 1 of the current year by the teacher as to his/her availability and current address. A teacher's failure to notify the District under this provision shall constitute waiver of recall.
- 21.04** Bargaining unit members who are unemployed as a result of reduction in force under this article shall be eligible to substitute in the District.

Article 22: Duration

- 22.01** The provisions of this agreement shall remain in full force and effect from July 1, 2023 through June 30, 2026 and thereafter non-cost items renew automatically for successive terms of one (1) year or until a successor agreement has been ratified. Salary and benefit provisions will commence and remain in full force and effect from July 1, 2023 to June 30, 2026.
- 22.02** However, should parties agree to negotiate (an) item(s), said item(s) may be discussed without affecting the application of the other provisions of this agreement.

Article 23: Sick Bank

- 23.01** A sick leave bank will be established to be used for absences for medical reasons after the bargaining unit member has exhausted sick leave benefits. Each bargaining unit member electing to participate in the bank shall contribute one (1) of his/her sick days to the bank. The days in the bank shall accumulate from year to year, to a maximum of two hundred (200) days. It shall be agreed that on July 1, 1994 the sick bank is fully vested with two hundred (200) days. If the maximum of two hundred (200) days is obtained, then new bargaining unit members may join the sick bank without contributing to the sick bank. If the level of days in the sick bank falls below one hundred seventy-five (175), then bargaining unit members may be asked to contribute up to two (2) days until the maximum of two hundred (200) is once again reached. A six (6) member committee with three (3) members from the Association appointed by MVREA President and three (3) members from administration appointed by Superintendent shall receive applications and determine eligibility for request of days from the sick bank. Decisions to award days shall be by majority vote of the committee, are final, and not subject to the grievance procedure. Any teacher who has received disability payments from the disability insurance policy may not receive sick bank benefits for personal illness for which disability payments were received.

Should there be a dispute between an employee and the committee, the Association and/or the School Board or the District's Administration, over the matter of access to and use of time from the sick leave bank, the Association agrees to defend, indemnify and hold harmless the School Board, all of its agents and employees and the Mascoma Valley Regional School District in any such dispute.

(It was agreed that the Association would submit a list of all bargaining unit members who are eligible to receive days from the sick bank and will submit the names of the screening committee to the Superintendent of Schools.)

- 23.02** The sick bank days shall be used to cover those days between the time an individual bargaining unit member's accumulated sick days expire and when the member becomes eligible for disability.

Article 24: Just Cause

- 24.01** The Superintendent or his/her designee shall notify a teacher in writing as soon as there is evidence of any alleged delinquencies, indicate expected correction, and indicate a reasonable period of correction.
- 24.02** Alleged breaches of discipline shall be reported to the offending teacher.
- 24.03** The teacher shall at all times be entitled to have present counsel (legal, Association, and/or lay) when he/she is being formally reprimanded, warned, or disciplined for any infraction of rules or delinquency in professional performance.

- 24.04** No teacher shall be discharged, suspended, disciplined, reprimanded, reduced in rank or compensation, or deprived of any professional advantage without just cause. All information forming the basis for disciplinary action will be made available to the teacher and his/her designee.
- 24.05** This article will not apply to the non-renewal of a probationary teacher as provided for in RSA 189:14a: Failure to be Re-nominated or Re-elected.

Article 25: Early Retirement

- 25.01** The District will offer an Early Retirement Option to the Bargaining Unit Members. Any member that has had at least fifteen (15) years of service in the District, and is on at least step fifteen (15) will qualify for the Early Retirement Option; however, any member that retired prior to July 1, 2001 and who was eligible for retiree health insurance under the provisions of this agreement that were in effect on his/her retirement date shall continue to be eligible for retiree health insurance. The District will maintain the retired members on the District's health insurance at the same level (single, two person, family) that the member is on at the time of early retirement. There shall be a cap on the District's cost of \$6,000 per retiree per year. The "Retired" teacher will continue to pay for the portion of insurance paid by the District at the same rate as the active Bargaining Unit Members. Notwithstanding any other provision in this Agreement, in no event shall the District expend more than \$85,000 *per year* for the duration of this contract for all retirees. The amounts payable for eligible retirees shall be divided equally between all eligible retirees. The amount in the early retirement pool will be divided by the number of eligible members as of July 1 of each fiscal year. That will total the benefit for each employee that year.

Bargaining unit members who retire after June 30, 2009 will not be eligible to receive payment through this benefit for Medicare supplemental insurance. Those who have retired prior to this date will be grandfathered for payments toward Medicare supplemental insurance.

Article 26: Work-Related Injuries

- 26.01** Bargaining unit members who suffer a work-related injury and, as a result, receive indemnity benefits under the New Hampshire workers compensation statute (RSA 281-A:1 et seq) shall retain said payments and not sign them over to the District.

In the event an injured bargaining unit employee has accumulated sick leave in accordance with the provisions of Section 19.02 of this agreement, the employee may utilize such paid leave on a pro-rated basis to cover the difference between the amount paid as workers compensation and regular salary as a "supplemental benefit," from which all legally required and/or authorized deductions shall be made, including the employee's share of any health insurance premium and retirement contributions. By way of example, if an employee receives payment for 60% of her regular salary as workers compensation, she may supplement her workers compensation payment with 40% of accrued sick leave for the

same period.

At no time will any bargaining unit member be entitled to receive more than 100% of his/her regular salary.

26.04 Bargaining unit members are prohibited from using paid leave under Article 24: Sick Bank to supplement workers compensation payments.

Only in the event that a bargaining unit member's claim for workers compensation benefits is approved for a period of disability in which the employee has already received paid sick leave, shall the employee assign her/his workers compensation check back to the District, in order to prevent the employee from receiving more than 100% of his/her regular salary (i.e., paid sick leave, plus workers compensation benefits). In this instance, the District shall restore the employee's accumulated sick leave that was utilized and paid prior to the approval of the workers compensation claim based upon receipt of such proceeds. Employees may elect to supplement their workers compensation benefit by utilizing accumulated sick leave as described in paragraph 2, above, in order to maintain regular salary for the period of their disability.

Article 27: Teacher Resignations

27.01 Resignations will be considered at the next School Board meeting after the resignation is submitted provided that the notice was given to the Superintendent at least 72 hours prior to the school board meeting. Should the teacher resign their employment with the school district during the term of their contract, thereby failing to work for the school district for the full school year as required by this contract without the written permission of the school district and thereby willfully violating the terms of this contract, the teacher agrees to pay the school district the sum of \$1,500, with a pro-rated percentage for part-time employees, as reasonable liquidated damages to compensate the school for expenses incurred by reason of the teacher's resignation, unless the school district is notified in writing of the resignation by the June 30th prior to the contract start date of employment for that school year. For purposes of this provision, a resignation shall not be considered a "willful violation" where the teacher resigns because of family or personal issues or circumstances such as illness, a spouses' transfer to another area, or family issues making it impossible for the teacher to continue employment outside the home. This provision shall be included in each employee's individual employment contract.

The Mascoma Valley Regional Education Association-NEA/NH and the Mascoma Valley Regional School Board agree to the terms of this contract and adopt the attached Appendix A: Economic Benefits; Appendix B: Extracurricular Activities; Appendix C: Academic Duty Stipend; Appendix D: Grievance Forms; and Appendix E: Supervision and Evaluation Plan for Educators.

The District agrees to provide the PELRB with a copy of this Agreement within fourteen (14) days of its execution in accordance with PUB 207.02(b).

Each year everyone qualifying for a step will receive one.

Members of the bargaining unit will notify the Superintendent's office by December 1 if they are taking or anticipate taking courses during the school year or the following summer which will result in salary adjustments. Salary adjustments will be made for approved courses upon receipt of official transcripts until October 1 of the contract year. No salary adjustments will be made after October 1.

The Mascoma Valley Regional School District and the Mascoma Valley Regional Education Association acknowledge that Appendix A of the Collective Bargaining Agreement reads in part as follows:

Bargaining unit members may elect once a year at the time they sign their contract, to be paid in twenty-two (22) rather than twenty-six (26) payments.

The District and the Association also acknowledge that for many years bargaining unit members who have been paid in twenty-two (22) payments have also participated in a tax-sheltered annuity.

The District and the Association agree to continue the practice of allowing bargaining unit members being paid in twenty-two (22) payments to participate in a tax-sheltered annuity.

All bargaining unit members employed by the Mascoma Valley Regional School District will enter the step and track in accordance with years of service and appropriate degree as determined by the Superintendent of Schools.

Extra working days beyond the one-hundred and eighty-five (185) contract days will be paid at the rate of 1/185th of the employee's contracted annual salary.

Benefits:

The Board will provide health care subscription to New Hampshire School Health Care Coalition: School Care, or its equivalent as determined by the process below to those bargaining unit members working thirty (30) or more hours per week as indicated in Appendix A. Bargaining unit members may enroll in single, two person or family coverage in the Cigna SchoolCare Yellow Open Access Plan with Choice Fund. The District will pay 92% of the premium and the employee will pay 8% of the premium in the 2023-2024 contract year. The District will pay 91.5% of the premium and the employee will pay 8.5% of the premium in the 2024-2025 contract year. The District will pay 91% of the premium and the employee will pay 9% of the premium in the 2025-2026 contract year. The Board will provide access to a Flexible Spending Account with a debit card and a \$500 roll over provision.

Should the School Board or Association seek to consider alternative health insurance plans, the parties seeking the change shall notify the other party by January 1. The Association will appoint three (3) representatives and the School Board will appoint three representatives to a committee. This committee shall in fact meet to discuss any such options and may bring in consultants to assist in exploring alternative plans. This committee shall present its findings to the Association and School Board for ratification of any such changes no later than March 1. Should the parties not be able to agree on a change, either party may submit the matter to final binding arbitration. The matter shall be submitted to arbitration no later than March 30 and an arbitration award will be issued by April 30. The issue before the arbitrator shall be whether the alternative insurance plan provides employees equivalent coverage and benefits to the existing plan. If so, the agreement shall be modified to reflect the change, if not the current plan shall remain in effect.

If there is a change to an alternative plan and there is a premium cost savings, fifty percent (50%) of the savings will be divided equally among all bargaining unit members who participate in the health insurance plan. This sharing of savings shall occur only during the first year of the change. Cost savings shall be calculated by subtracting the projected cost of insurance of the alternative plan from the projected cost of insurance from the current provider.

Members who do not elect health insurance coverage and can provide proof that they have other insurance coverage, and, as a result, decreases the District health insurance program cost to a lower level for the entire school year (e.g. family to two-person; two- person to single; single to no insurance) shall receive \$1500 (one thousand five hundred dollars) cash in lieu thereof. It is understood that this incentive is to be received only when an employee voluntarily lowers their insurance coverage and not when a qualifying event causes the coverage to be lowered automatically. The intent of this incentive is that the \$1500 (one thousand five hundred dollar) payment would continue for each year that the employee would continue to be eligible (based on employment, family members, and proof of other health insurance coverage) for this incentive.

The Mascoma Valley Regional School District will provide premium payment for dental insurance equivalent to Northeast Delta Dental Association (coverage A-100%; coverage B-80%; coverage C-50%). The School Board will pay the full cost of this benefit for

bargaining unit members working thirty (30) or more hours per week. For those bargaining unit members working fifty percent (50%) and until they reach thirty (30) hours of employment, a pro rata share of the dental cost will be paid by the Mascoma Valley Regional School District.

The Mascoma Valley Regional School District will provide premium payment of an accidental death and dismemberment program the same or equivalent to the plan in effect in the 2002-2003 school year (annual pay rounded to nearest \$500). The Mascoma Valley Regional School District will provide premium payment for the current disability program or equivalent to the plan in effect in the 2002-03 school year (90 day waiting period, 60% of monthly pay up to \$4000, payments to age 65). The Mascoma Valley Regional School District will provide premium payment for the current life insurance program or its equivalent.

Reimbursement for approved travel under Article 13 of this contract will be at the current Internal Revenue Service rate.

The growth plan will outline areas for professional development in detail and make specific recommendations for improvement in writing. Data for measurement of improvement and specific benchmarks for improvement will be identified. There will be formal meetings with the Focused Growth Team to discuss the written Focused Growth Plan and establish a timeline for review of the progress. A minimal Focused Growth Team will consist of at least four members: the involved staff member, a MVRSD teacher of his/her choice, the building administrator and a MVRSD administrator of the principal's choice. Focused Growth Plan Documentation

MVRSD Focused Growth Process

This level of supervision is designed to provide formal support to staff members on the Continuing Cycle who have demonstrated weaknesses in meeting the District Expectations for Effective Teaching in each course and curriculum area taught.

The following are the District Expectations:

- Plan, prepare, and deliver quality instruction using the District's Expectations for Effective Teaching in each course and curriculum area taught.

Domains of Effective Instruction (summary):

- Instruction for Student Growth-demonstrated by knowledge of pedagogy and use of research based strategies.
- Data Use and Planning- demonstrated by use of standardized, shared common, and other data resulting in instructional changes focused on student growth in content and skills.
- Student Management- characterized by positive student/teacher and student/student interactions with high expectations and clear standards for all
- Content and Curriculum Expertise- demonstrated by knowledge of curriculum and skill in arranging content in an appropriate progression for student learning
- Learner Development/Learner Differences- characterized by engaged students, effective student grouping, differentiation and scaffolding
- Communication- demonstrated by clear, age appropriate language with students, and respectful communication with children and adults.
- Professional Responsibility-illustrated by a reflective professional who actively seeks to grow in their knowledge of instruction and content. Teachers who attend to record keeping and effectively communicate with all the stakeholders.

Five Phases of the Focused Growth Plan:

1. Phase 1: Determination of the Need for Focused Growth
The building administrator will determine the need for focused growth when, at any point during the year prior to June 1, a teacher's performance demonstrates the need for intervention and assistance. The administrator will do so after communicating examples or illustrations of deficiencies via the MVRSD Written Notification of Performance Deficiencies, expected corrections and time period in which to make the corrections. The administrator will explain the need for focused growth and the process to the staff member.
2. Phase 2: Establishment of the Focused Growth Team
The administrator will establish a four-member Focused Growth Team within ten (10) school days of the teacher being notified. The team will consist of the staff member, the building administrator, one MVRSD certified teacher selected by the staff member and

one MVRSD administrator selected by the building principal. (The superintendent is the arbiter of the decision and as such may not serve as the second administrator.)

3. Phase 3: Establishment of the Focused Growth Plan

The team will develop a Focused Growth Plan within ten (10) school days of the establishment of the Focused Growth Team. If said team is unable to reach consensus, the superintendent will arbitrate and that decision will be final.

The plan consists of two components.

Focused Growth Action Plan	<p>A plan will be established to:</p> <ul style="list-style-type: none"> • Meet each objective from the MVRSD Written Notification of Performance Deficiencies • Define the means of evaluation/appropriate evidence • Establish reasonable due dates <p>The staff member will bring evidence back to the team for validation of completion of the plan using the <u>Focused Growth Plan Teacher Reflection</u> form. The staff member will bring an updated Reflection Form to each Focused Growth Team Meeting.</p>
Focused Growth Summary	The administrator will complete a summary of performance based on the Focused Growth Plan.

4. Phase 4: Formal Review

The Focused Growth Action Plan developed by the team will be used to complete the Focused Growth Summary form by the established date. The administrator will use the Focused Growth Summary form to complete the teacher's *Recommendation Report* and present the report to the team for review.

Any teacher who disagrees with the summary may submit a written response to be attached to the file copy.

5. Phase 5: Recommendation

The administrator will use the Focused Growth Summary to make one of the following recommendations by the date established:

- The Focused Growth Process has been successfully concluded
- Recommend continuance of the Focused Growth Plan. (A plan may span more than one school year)
- The Focused Growth Process was not successful and termination is indicated

<p align="center">Professional Domain One Instruction for Student Growth</p> <p>Understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.</p>	
<p>Instructional strategies that I have used and how effective each strategy was with my students. <i>Example: Attended workshop on Enhancing Classroom Discussions. Added Think-Pair-Share to my literature circle. Noticed increased participation especially by the students who tend to be less engaged.</i></p>	
Educator Reflection	Evaluator Reflection
<p align="center">Professional Domain Two Data Use/Planning</p> <p>Understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide instructional decision making. Plans instruction that supports every learner in meeting learning goals by drawing upon knowledge of content areas, curriculum, cross disciplinary skills, pedagogy, knowledge of learners, and the community context.</p>	
<p>Assessment data that I have used to meet the needs of individual students and how it impacted student learning. <i>Example: Using my formative test data from the Weather unit, I created tiered assignments to meet the needs of individual students. My summative Weather test showed that despite using tiered assignments my struggling learners did not quite achieve their objectives. I will meet with the students' case manager to refine my next set of tiered assignments.</i></p>	
Educator Reflection	Evaluator Reflection

<p align="center">Professional Domain Three Student Management</p> <p>Works to create an environment that supports individual and collaborative learning, encourages positive social interaction, actively engages students in learning, and ensures the safety of all students.</p>	
<p>Classroom environment examples that support positive social interaction, as well as individual and collaborative learning. <i>Example: Rules for classroom discussions are posted and reviewed at the beginning of each discussion. I notice that my students take turns, listen actively, and respond to the previous speaker before offering support or giving a different opinion.</i></p>	
Educator Reflection	Evaluator Reflection
<p align="center">Professional Domain Four Content/Curriculum Expertise</p> <p>Understands the central concepts, tools of inquiry and structure of his/her discipline and creates learning experiences that make the discipline accessible and meaningful for learners to ensure mastery of content. Understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity and collaborative problem solving related to authentic local and global issues.</p>	
<p>Content instruction that is thorough, meaningful and relevant to students, and connects to the real world. <i>Example: After attending a workshop on fractions, I designed a lesson on cooking with fractions requiring students to have a recipe and measure ingredients.</i></p>	
Educator Reflection	Evaluator Reflection

<p align="center">Professional Domain Five Learner Development/Differences Expertise</p> <p>Understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional and physical areas, and designs and implements developmentally appropriate and challenging learning experiences. Uses understanding of individual differences and diverse families to ensure inclusive learning environments that enable each learner to meet higher standards.</p>
--

<p>Examples of how I design and implement developmentally appropriate instruction for the diverse needs of each learner. <i>Example: On the Composer/Musician project, students can select a composer from a menu and choose how they want to present the biographical information (i.e.) brochure, poster, Power-point presentation, etc.</i></p>	
Educator Reflection	Evaluator Reflection
<p>Professional Domain Six Communication Uses listening, speaking, reading and writing to communicate clearly with all students. Adapts the style of communication to the needs of the student. Understands diverse families to ensure that school to home communication is clear and tactful. Engages in ongoing conversations with all colleagues, shares ideas, offers and accepts support in a respectful, professional manner.</p>	
<p>Clear and effective communication with students, families, and colleagues. <i>Example: I have concentrated on improving communication with families this year. I have sent home a weekly newsletter. I have set up a classroom website. Monthly "Good Job" emails or phone calls are made to each family.</i></p>	
Educator Reflection	Evaluator Reflection

<p>Professional Domain Seven Professional Responsibility Seeks opportunities to collaborate with learners, families, colleagues, and other community members to ensure learner growth and to advance the teaching profession. Engages in ongoing professional learning and uses evidence to continually evaluate his/her practices and adapts practices to meet the needs of learners. Completes reporting responsibilities efficiently and effectively. Carries out professional responsibilities in a timely manner.</p>	
<p>Examples of how I demonstrate professionalism. <i>Example: I joined a PLC on co-teaching. I was paired with a special educator and began planning and implementing co-teaching in our classroom. The results have been phenomenal. All students met their NWEA growth targets and discipline referrals dropped.</i></p>
