ARTICLE 6 – UNION & EMPLOYEE RIGHTS

The rights of employees in the bargaining unit and the Union hereunder are limited to those specifically set forth in this Agreement. There shall be no discrimination, interference, restraint, or coercion by the parties against any employee for his/her activity on behalf of the Union, or his/her membership or non-membership in the Union.

6.1 Union Membership

The Union will represent its members with respect to all matters contained herein. However, membership in the Union is not mandatory. Therefore, the Town recognizes that non-members who request that the Union provide grievance representation shall be charged the full fair cost to the Union of such non-member representation as the Union may establish from time to time. If the non-member shall be represented by the Union in a grievance and they notify the Union they wish to withdraw the grievance, or the Union shall in its sole discretion determine it shall not represent or continue to represent the non-member, then the Union shall notify the Town forthwith in writing.

6.2 Union Dues

The Town agrees to deduct Union dues, on an even bi-weekly deduction basis, from all employees who are covered by this agreement who are Union members and to turn said deductions over on a monthly basis to:

AFSCME Council 93
Attn: Business Manager

Boston, MA 02108

If an electronic funds transfer (EFT) of said Union dues is made by the Town to the Union, then the Town shall provide on a monthly basis a statement listing those employees paying said dues.

The Town shall deduct dues from the pay of any employee who has executed a dues deduction authorization and only for the period of time authorized by the employee. The Union agrees to hold the Town harmless over any disputes arising out of the collection of said dues.

The Town shall remit to the Union, in the same manner as it remits Union dues, any voluntary payments to the Union authorized by employees who are not Union members.

6.3 Union Business & Stewardship

The Union shall elect a local Chapter Chair and a Steward who shall be, in descending order, the official representatives of the Union with whom the Town shall have its discussion relative to any matters relating to this Agreement. The Union shall keep the Town informed of any changes in the roster of the representatives of the Chapter.

An officer of the Union shall be allowed to take brief, periodic and reasonable amounts of time from their duty day, provided they shall first notify their immediate supervisor and obtain permission, said permission not being unreasonably withheld, to investigate Union related matters, or negotiations or conferences with the Town and/or the Director. Time spent by Officers, Representatives, and/or Stewards processing matters related to this agreement and/or the grievance procedure, attending disciplinary sessions with supervisors, and attending disciplinary and/or administrative hearings before appropriate authorities while on-duty shall not effect pay and benefits nor require the official to rearrange their work schedule.

The Town shall grant a collective total of nine (9) days off per fiscal year, without pay, to the members of the Union to attend the AFSCME International Convention and/ or AFSCME Council 93 Convention, training classes to further management-employee relations and the like provided they shall first notify the Director of their intended absence no less than thirty(30) days prior to said absence and obtain permission, said permission not being unreasonably denied. It is understood that time spent by Officers and Union Representatives on Union related matters while off-duty is not compensable.

The Union shall be permitted to meet at the Moultonborough Public Works Garage to conduct business matters so long as the meetings are scheduled at such a time as to not interfere with the normal business operations of the Public Works. The Union shall give a reasonable notice to the Director on such meetings.

6.4 Union Bulletin Board

The Policy may be periodically updated as the Town deems appropriate, subject to bargaining with the Union on such items as may be lawfully required. Without prejudice to the Town's right to make such updates as are not subject to bargaining, the Town shall give notice of proposed changes forty five (45) days prior to the anticipated date of adoption to provide an opportunity for discussion between the parties.

ARTICLE 11 – ABSENT LEAVE

Employees will earn a bank of leave time, and may use the same to be absent from work with pay, in accordance with the terms and conditions of this section:

No return to work will be allowed without a certification as to the employee's fitness to return to the duties of the position occupied.

The Town reserves the right, at its expense, to refer any employee returning to work under a certification to its physician for a second opinion and certification as to fitness for duty. When the Director has a reasonable belief that the employee is inappropriately representing that the use of absent leave is for an illness, he/she shall so notify the employee and upon a subsequent event causing a similar belief may require a certification from the employee's a licensed medical practitioner to the validity of the absence. If the certification validates the employee's use of absent leave for this purpose the Town shall be responsible to reimburse to the employee their out-of-pocket costs for obtaining such certification.

11.6 With respect to the usage of leave time for the care of members of the immediate family, no employee shall, without prior specific approval of the Town Administrator, following consultation with the Director, be allowed to be compensated for more than 3 full calendar weeks of leave at any one time.

Pregnancy related leave shall run concurrent with the use of FMLA leave. The duration of the leave period shall be determined by the employee's health care provider. While on unpaid maternity leave, an employee may use absent leave until it is exhausted. The employee, prior to returning to work, shall provide the employer with a certification that the employee is able to perform his/her regular duties.

11.8 With respect to the usage of leave time to supplement workers compensation benefits in order to receive 100% of the pre-injury base weekly compensation received prior to the work related injury compensable under the worker's compensation law, the calculation of the number of hours to be used shall be made by the Town, which shall reduce any fractional hours calculated to the lower whole hour. Any such calculations by the Town shall be at its sole discretion and not subject to the grievance procedure.

Step 1: The grievance will be presented to the immediate supervisor within fourteen days of the incident or matter alleged to be suitable for this process. The immediate supervisor shall have fifteen (15) days to respond to the grievant in writing. If the grievance is directed •at the immediate supervisor, the grievance may start at Step 2.

Step 2: Failing a settlement at Step 1, the grievant may present the grievance to the Director within seven (7) days of the receipt of the reply due in Step 1 or the expiration of the time for a response. The Director shall reply to the grievance within ten (10) days after receipt of said grievance. If within the scope of his/her authority and under this agreement, the decision of the arbitrator shall be considered final and binding upon the Town, the Union, and the aggrieved employee. No party acting under Step 5 will have any power to award monetary damages (other than loss wages and benefits), make any changes to, modification or alteration of, addition to, or subtraction from any terms of this agreement. All decisions rendered by the Arbitrator shall be final and binding on both the Town and the grievant/Union.

The cost and expense of the arbitrator shall be shared equally by the Town and the Union.

16.4 Discussions and Settlement

This grievance procedure shall not limit the normal process of discussions between employees and/or the Union and Management in which minor issues may be resolved. If settlement occurs between the parties, such discussions shall not be considered "grievances" and, as such, shall not need to be documented. If settlement does not occur between the parties, such discussions, if deemed necessary by the Union shall be considered a "grievance" and shall begin at the first appropriate Step.
