Article 1
Agreement

AGREEMENT, made and entered into as of the ____ day of _____, 2011, by and between Nashua Public Library Board of Trustees (hereinafter called the "Board") and the Nashua Public Library Employees, AFT, FPE, LOCAL #4831 (hereinafter called the "Union").

Article 2
Recognition

The Board hereby recognizes the Union as the sole and exclusive representative of the library employees as certified by the PELRB of New Hampshire for all lawful purposes pursuant to New Hampshire RSA 273-A, and agrees to comply therewith in its dealings with the Union.

Should there be a dispute between an employee and the Union over the matter of an employee's Union membership, the Union agrees to hold the Board harmless in any such dispute.

Article 3
Discrimination

It is agreed that the Board will not discriminate on the basis of sex, race, color, national origin, religion, lawful political or employee's organization affiliation, age, marital status, sexual preference or non-disqualifying disability, or on any basis prohibited by law.

Article 4
Union Dues

An employee, who is a member of the Union, may execute a written authorization mutually acceptable to the Board and the Union providing that a portion of his/her salary representing monthly dues be withheld weekly and forwarded to the Union. Upon receiving a properly executed Authorization and Assignment Form from an employee, the Union shall notify the Human Resources/Payroll Department to deduct from salary due, the amount authorized, and a copy of said form acceptable to the Human Resources Department shall be furnished thereto in advance of said deduction. A copy of said form is attached as **Appendix A**.

Each month, a check for the amount of all dues deducted, along with a current list of members from whose salary dues deductions have been made, shall be transmitted to the Treasurer of the Union.

An employee who executes such authorization form shall continue to have such deductions made from his/her salary during the term of this agreement or until the Human Resource/Payroll Department, with a copy to the Union, are notified that the payroll deduction authorization is being

revoked, and the employee thus withdraws the authority for the deduction of dues. Dues deductions shall be made without cost to the employee or the Union. An employee may be permitted to withdraw membership only during the fifteen (15) day period from his/her anniversary date.

Dues deductions shall be subordinate to deductions required by law and other deductions. No deductions shall be made if an employee has insufficient salary in any pay period. The Board shall not be responsible for deducting any arrearage in dues owed to the Union by a member, or any special or other assessment by the Union, with the exception of the deduction of initiations fees if expressly authorized on the form noted above.

Deductions shall automatically terminate upon the occurrence of any of the following events:

1. Termination of employment;
2. Transfer out of the bargaining unit;
3. Lay-off;
4. Revocation by the employee of Dues Authorization during the aforementioned window period.

The Union shall indemnify and save harmless the Board and the City of Nashua in and on account of any and all claims, suits or damages arising out of, or in relation to, such dues deductions.

Article 5 Agency Fee

An employee who elects not to pay Union dues shall pay an agency fee for services rendered by the Union in an amount certified by the Union. Said authorization form for fees shall be due within thirty days from the date of employment. The City agrees to collect agency fees in the same method and manner as the collection of Union dues.

Article 6 Employee Rights

It is agreed that the Board will not:

- A. Dominate or interfere in the formation and administration of the Union;
- B. Discriminate in the hire, tenure, or the terms and conditions of employment of employees or potential employees for the purpose of encouraging or discouraging membership in the Union;
- C. Discharge, suspend, discipline, or otherwise discriminate against any employee because the employee has filed a complaint, affidavit, or petition, or given information or testimony on a grievance, as set forth in RSA 273-A;

- D. Restrain, coerce, or otherwise interfere with the Union in the exercise of rights granted by statute.

It is the intention of the parties that this article provides that the Union shall enjoy all the rights secured by RSA 273-A.

Article 7 Management Rights

Except as otherwise expressly provided in this agreement, the Board shall have, whether exercised or not, all the rights, powers, and authority vested in it by virtue of the Statutes of the State of New Hampshire and the Nashua City Charter and Ordinances, now or hereinafter enacted including, but not limited to, the rights to:

- A. Control the management and administration of the Nashua Library System;
- B. Hire, promote, transfer, assign, retain, layoff, and direct employees within the Nashua Library System;
- C. Suspend, demote, discharge and take other disciplinary actions against employees for just cause;
- D. Issue, modify, and enforce Rules and Regulations which do not expressly violate the terms of this Agreement.
- E. Determine the methods, means, and personnel by which the Nashua Library System's operations are to be conducted, as well as to determine those operations and to assign duties, hours, and responsibilities to its employees accordingly;
- F. Exercise control and discretion over the Library System, its organization, and the technology or lack thereof employed in performing its work;
- G. Determine the standards of selection for employment and the standards of service to be offered by the Nashua Library System;
- H. Assign bargaining unit employees to work in any job classification as needed, in the judgment of the appropriate supervisor or manager;
- I. Exercise managerial policy, as set forth in RSA 273-A;
- J. Schedule the hours and days of work whether for emergency purposes or not.

The foregoing Management rights are set out for purposes of illustration and not limitation; the Board shall retain all such rights, powers, and authority, whether exercised or not, conferred upon it

by law. This clause is not meant to negate the Union's right to negotiate over changes in wages, hours and working conditions as provided by law. Nothing herein shall be deemed to abrogate the authority of the Board conferred upon it by RSA 202-A, as amended from time to time.

Article 8 Strikes and Work Stoppages

The Union shall not instigate, sponsor, or encourage any activity or action in contravention of the provisions or intent of this Agreement.

No employee shall, alone or in concert, engage in, initiate, sponsor, support or direct a strike, work stoppage, or refuse in the course of employment to perform assigned duties; or withhold, curtail or restrict services or otherwise interfere with the operations of the Nashua Library System, or encourage others to do so; or engage or participate in any other form of illegal job action.

Article 9 Work Week and Work Schedule

- A. The work week shall consist of seven consecutive 24 hour periods beginning on Sunday and ending on Saturday.
- B. The normal work schedule for full time employees shall consist of forty (40) hours.
- C. Any change in regular work schedule hours shall be the subject of discussions between the Union and the Board of Trustees before being implemented. This subsection shall not be construed to reduce or impair management's authority pursuant to the article entitled "Management Rights," supra.
- D.
 - 1. Full-time: Full-time staff members are those who work forty (40) hours during a work week schedule arranged by each department.

(1a) **Full-time Support Staff**: The work week is Monday through Friday or as arranged by each department.

(1b) **Full-time Public Service Staff**: The work week is Monday through Saturday. Public Service staff is required to work no more than two nights per week and alternate Saturdays based on departmental needs.
 - 2. Regular Part-time Staff: The work week shall ordinarily consist of no more than 30 hours a week.

As long as Sunday hours are maintained from 1:00 p.m. to 5:00 p.m., compensation shall be handled as follows:

Employees scheduled for Sunday hours shall be paid time and one half (1½) for all hours worked or may, at the employee's option, schedule time off during that week and subject to the needs of the business at the rate of two (2) times the number of hours worked on Sunday.

Management reserves the right to determine staffing levels for these Sunday hours.

During the first week of every month, department heads will schedule Sunday hours for the following month, according to the following procedure:

1. The Sunday hours will be offered to all qualified bargaining unit employees within the department, on the rotating basis of seniority. The most senior employee will choose one Sunday or pass. Then the next most senior employee will choose one Sunday or pass, etc. The rotation will be repeated until either all Sunday hours are filled or no employee wants any more Sunday hours. In the case of remaining unfilled hours, Step (2) shall then be followed.
2. Unfilled Sunday hours will be offered to all qualified bargaining unit employees outside the department. Department heads will provide a sign up sheet in the employee staff room for at least five (5) business days (the second week of the month). Rules of rotating seniority apply as in Step One (1). In the case of remaining unfilled hours, Step Three (3) may then be followed.
3. Unfilled Sunday hours will be assigned to bargaining unit employees within the department on the basis of reverse seniority. The least senior employee must choose one Sunday. The next least senior employee must choose at least one Sunday, etc. The reverse rotation will be repeated until all Sunday hours are filled.

If the Board considers staffing the Sunday shift on a permanent basis they shall meet and consult with the Union one month prior to such change to discuss the change. If after discussing the change with the Union, the Board decides to implement the change, it will do so in accordance with the requirements of pertinent law.

Mealtime: Employees are allowed up to one (1) unpaid hour for meals.

Break Time:

A paid fifteen minute break is given for each four hours of work. Breaks cannot be accumulated and may not ordinarily be used to shorten the work day or added to the meal period.

Call-Back Rights:

Any employee called back to work on an unscheduled basis after having completed his/her assigned work schedule for the day and having left his/her place of employment and before his/her next regularly scheduled starting time, shall be granted time and one-half in money or compensatory

time, at the discretion of the employee, for all the hours worked on call-back. The employee shall be guaranteed a minimum of two (2) hours for being called back to the library. This provision does not apply to split shifts.

**Article 10
Overtime**

Overtime must be approved by the Library Director or designee before overtime work is performed. Any hours worked over 40 in one work week will be paid at time and one-half in money or time and one-half in compensatory time, at the discretion of the employee. Part-time employees will be paid straight time up to 40 hours and time and one-half for any additional hours in either money or compensatory time at the discretion of the employee.

Compensatory time for hourly employees will be subject to the requirements of State and Federal law, however, where the Collective Bargaining Agreement provides for a greater benefit the Agreement shall control. Use of compensatory time for salaried and hourly employees will be granted upon the employee's request, subject to the approval of the Library Director or designee. No such request will be unreasonably denied. Upon separation from service unused compensatory time will be paid to the employee. In the event of the death of an employee, his/her unused compensatory time will be paid to the spouse or estate of the employee.

Overtime shall be compensated with pay unless management and the employee mutually agree to compensatory time.

**Article 11
Seniority**

Seniority is defined as length of service within the bargaining unit. Seniority shall be determined on a pro rata basis.

For example,	
40 hour work week	1 year = 1 year
30 hour work week	1 year = 9 months
25 hour work week	1 year = 7.5 months

Service ceased due to resignation, retirement or termination shall cause all accrued seniority to be lost. Employees who are laid off and subsequently rehired under the recall provision shall upon his/her return, be entitled to all previously accrued seniority.

Seniority shall not accrue while an employee is on unpaid leave. Unpaid leave does not include Workers' Compensation leave, during which seniority will accrue. Seniority will cease to accrue on the beginning of the first full month after leave is granted.

The Board shall furnish the Union secretary/treasurer with an up-to-date Seniority List on a quarterly basis, if requested. The Board will also furnish the names of all new hires, promotions, layoffs and terminations on a monthly basis.

Until a new hire has served the probationary period, the employee has no seniority status and may be discharged or laid off without cause. Upon successful completion of the probationary period, seniority will accrue retroactively to the date of hire.

The employee shall accumulate seniority while on an authorized leave of absence with the exception of unpaid leave as outlined above. Seniority is employed for purposes of assigning leave, overtime, layoff and recall as provided in articles pertinent to those subjects.

Article 12 Grievance Procedure

In the event that differences arise with respect to any provision of this Agreement, an earnest effort shall be made to settle such differences promptly. The process will be carried out in the following order and manner. Any resolution of a grievance, at any step in the process, shall not be inconsistent with the terms of this Agreement. Any grievance involving the interpretation or application of a specific provision of this Agreement shall be ultimately settled by arbitration.

Step I An employee shall present a verbal grievance with or without the assistance of the Union to his/her immediate supervisor. The employee may meet with the supervisor for a maximum of one hour. If the grievance is not settled at the meeting, the grievance may proceed to the next step. The employee will be paid at his/her regular rate of pay for time spent in the meeting, if during work hours. The Union shall be notified of the resolution of the grievance in writing within five [5] working days. Working days for the purposes of this article are Monday through Friday and do not include Saturdays or Sundays.

Step II If the employee is not satisfied with the results of Step I, the grievance shall be set in writing as provided in **Appendix B**.

The grievance must be signed by the employee and Union Representative, and presented to the Library Director or designee within fifteen [15] working days after the employee knew or should have known of the occurrence or the circumstances giving rise to the grievance.

The Library Director or designee will be given five [5] working days after the receipt of the grievance to have a meeting with a Union representative, with or without the aggrieved party, and to communicate a decision in writing to the Union. If the grievance is not settled to the satisfaction of the employee and the Union, or if no reply is communicated after five [5] working days, the grievance may proceed to Step III.

Step III The Union shall inform the Board of the grievance, in writing and within ten [10] working days of the notification of the Library Director's decision or lack thereof. The Union shall provide the Board with copies of all prior communications. The Board will, at its next regular meeting, or thirty (30) days, whichever comes sooner, meet with a Union Representative designated by the Union, with or without the aggrieved party. The Board will then communicate a written decision to the Union within ten [10] working days thereafter. If the grievance is not settled to the satisfaction of the Union, or if no reply has been communicated after the ten [10] working days, the grievance may proceed to Step IV.

Step IV Within thirty (30) working days after the Board decision, or expiration of the decision period, the Union will have the option of submitting any remaining disagreement over the interpretation or application of a specific provision of this agreement to be settled by arbitration. The Union shall inform the Board in writing of the decision to arbitrate.

The choice of Arbitrator shall be by agreement of the two parties. However, if no such agreement has been reached within ten (10) working days of the filing of the decision to arbitrate, the grievance may be referred to the N.H. PELRB for the selection of the arbitrator. All decisions of the arbitrator shall be binding. The arbitrator shall have no authority to award a monetary remedy hereunder other than for lost compensation which would have been otherwise received pursuant to the terms of this agreement.

Time Limitations:

The times for taking action stated above may be extended by mutual consent in writing, but all the steps of this procedure shall be handled as expeditiously as possible with a view to promoting and maintaining harmony. A request of either party for an extension of time shall not be unreasonably denied.

Failure at any step of this procedure by the Library Director, his/her designee, the Union or the Board to communicate a decision in writing on a grievance within the time specified shall permit an appeal of the grievance to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at the step, even if no decision has been rendered, and shall constitute a waiver of the right to further appeal the grievance.

Union Representation:

The Board will allow the aggrieved party reasonable time to meet with Union representatives for the purpose of discussing the grievance.

Fees:

The fees and expenses charged by the arbitrator shall be shared equally by the Board and the Union.

Grievances by the Board:

The Board shall have the right to present grievances. In the event it does so, it shall notify the Union of the grievance in writing and the time periods for response by the Union shall be the same as set forth in Step III and IV above.

**Article 13
Job Posting/Lay-Offs/Recall**

Posting Policy:

A notice of position vacancy shall be communicated to all library employees and shall be posted and/or advertised externally. The notice of position vacancy shall be posted on the Main Library Staff Room bulletin board for ten (10) working days to allow qualified eligible employees to apply.

The notices will include information on job title, grade, salary/hourly, department, brief description of the usual job content, and position qualifications.

All internal applications will be reviewed and all qualified internal candidates will be interviewed. No external applicant will be considered until all qualified internal candidates are interviewed. All internal applicants not selected for promotional positions shall be notified of the decision in writing prior to the hiring of external applicants.

Selection of qualified candidate:

The Board, upon the recommendation of the Library Director, shall make the final decision when filling the position. The best qualified candidate in the opinion of the Board shall be selected. The guidelines for filling any open position are based upon the applicant's ability, qualifications, experience and work performance. When qualifications between applicants are relatively equal, seniority will be used to award the position.

Promotional Procedures:

A promotional employee shall have a performance evaluation completed at least once during the probationary period. Should the employee's performance be unsatisfactory, or should the employee find the job unsatisfactory anytime during the promotional probationary period, the employee shall be entitled to return to the position from which promoted within ninety (90) days of the promotion, unless this period is extended for an additional thirty (30) days by the Library Director.

Probationary Period:

The probationary period for all new hires will be at least ninety (90) calendar days and may be extended by management in order to provide the employee additional time to be successful. In no case will the probationary period be more than 180 days. For promotional employees, the probationary period is ninety (90) calendar days, unless extended for an additional thirty (30) days as set forth above.

Rate of Pay:

Persons appointed to positions for the first time shall be paid an amount within the established range for the position except that no new employee shall be paid more than a current employee in that position with the same years of relevant experience and relevant education. Relevant education and relevant prior job experience will be considered when determining where a newly appointed person will be placed in the established pay range for a position.

Lay-Off Provision:

The Library Board of Trustees reserves the right to institute a reduction in force as it deems necessary to conduct its operations.

If the Board is contemplating a reduction in force or elimination of a position, the Board will notify any employee to be laid off four (4) weeks before the proposed effective date of layoff. Such notice will be in writing and will include the proposed time schedule and the reason for the proposed reduction in force.

When making layoff decisions, qualification factors such as education and experience, job performance and absenteeism will be considered. If management finds all factors to be reasonably equal for the employees subject to layoff, then reverse seniority shall be utilized in making the layoff decision.

Bumping Rights:

A full time employee shall be eligible to "bump" the least senior full-time employee in a position in the grade for which they are qualified. A part-time employee shall be eligible to "bump" the least senior part-time employee in a position and the grade for which they are qualified. If this is not possible, the employee shall be eligible to bump the least senior employee in the grade below in a position for which he/she is qualified, if any. An employee may bump the least senior person in any lower paid grade for a position for which he/she is qualified. An employee who is displaced as a result of an employee asserting bumping rights, shall be entitled to the same bumping procedures outlined above. For an employee to be considered "qualified", he/she shall meet the minimum qualifications contained in the job description for the position. Employees bumping into a position must be willing to work the hours required for the position.

Recall Provision:

Laid off employees shall be eligible for recall for a period of two (2) years from the date of layoff. A laid off employee shall be given any position which he/she may be qualified during said period. Recall will be by seniority providing the recalled employee is qualified for the open position. The Board shall send notices of position vacancies to all employees eligible for recall to their last known address. If an employee refuses a position twice within the two (2) year period, he/she shall be removed from the recall list. An employee who fails to exercise his/her bumping rights or refuses recall shall still be considered laid-off and is entitled to collect all unused vacation and compensatory time as well as sick leave provided for in Article 14.

**Article 14
Paid Leaves**

Paid leave time shall be deducted on an hourly basis for both salaried and hourly employees. This shall in no way affect the employment status of salaried employees who shall remain salaried. The number of hours of paid leave time to which full-time and part-time employees are entitled are set forth below.
