The number of employees allowed on vacation at one time shall be determined by the Chief or his designee and shall not be affected by the availability of supervisors. The approval of block weeks and singular days will not be contingent upon the availability of any civilians. There shall be only 4 patrolmen allowed to be on vacation, in any combination of block weeks and singular vacation days, per shift, per day.

**Block Weeks:** All vacation block weeks will be chosen by seniority each January 1 of every year. Once a member is advised by a supervisor that it is his turn to pick, the member will have 3 days from the date advised to submit the vacation week request. Members not choosing vacation block weeks during the 3-day limit will result in their choices being bypassed by the next senior member selecting. Once a block week has been selected and approved, the approval is final.

- B. A vacation block week will consist of 5 vacation days within the block.
- C. Vacation block weeks will take precedence over singular vacation days, personal days, swaps, etc.

20 Workdays (1.6666 Accrual Rate) = 15 days may be used as singular vacation days.  
25 Workdays (2.083 Accrual Rate) = 15 days may be used as singular vacation days.  
30 Workdays (2.50 Accrual Rate) = 20 days may be used as singular vacation days.

A singular vacation day may be taken by not more than two members per shift, per day (on their scheduled shift), provided that on the requested day no more than two members on the same shift are on a vacation day of their block vacation week. If officers are on a normal day off during

their block week vacation, up to two singular days may be approved per shift, per day, for a total of four (4) patrolmen allowed to be on vacation.

- A. - A written request for the desired vacation day is to be given to the Chief or designee not less than two (2) days nor more than fifteen (15) days prior to the date of such vacation day. However, approved singular vacation days can be superseded at any time by a block week vacation, since block weeks take precedence over singular vacation days and to ensure there will be only 4 patrolmen at one time, in any combination of block weeks and singular vacation days, on vacation leave per shift, per day.
- B. The 2-day notice period may be waived at the discretion of the Chief or designee.
- C. If more than one employee requests a singular vacation day for the same day and shift, the members with more Department seniority shall be entitled to the day off, unless the day off has already been approved for the less senior officer.

  - 5. EDS personnel shall record these cancellations on a cancellation list. Each month, the Services Bureau Commander shall receive a copy of the cancellation list.
  - 6. When there are three or more cancellations within a 60-day period, the Services Bureau Commander or designee will send an interdepartmental memo to the officer, the officer's Bureau Commander, and the appropriate Deputy Chief outlining the cancellations. The officer may be subject to the disciplinary system.

- G. Any contractor who books a detail from the Nashua Police Department shall have up to one hour before the scheduled start time of that detail to cancel. The contractor will be responsible for paying a four-hour minimum to the detail officer if the job is not cancelled prior to one hour of the scheduled start time.
- H. A pension differential shall be paid to qualifying members for work at an outside detail, whose date of hire recognized by the New Hampshire Retirement System is on or after 7/1/2011. This differential is calculated as the amount of the outside detail paid multiplied by the current Employer Contribution Pension Rate. The pension differential does not apply to members whose outside detail pay earnings are considered as earnable compensation for retirement. The pension differential will be charged to the outside detail customer along with any other compensation paid as a result of the outside detail.
- For example: \$175.00 paid for four (4) hours of outside detail work performed at the rate of \$43.75 per hour, for a member hired on July 15, 2011, would receive a differential calculated at the hourly rate of the current Employee Contribution Pension Rate times the number of hours worked. Example: Current Rates: (\$43.75 x 25.3%)(times 4 hours).

### **SHIFT BID SYSTEM**

#### **Shift Bid System Oversight Committee:**

- A. When deemed appropriate by Management and/or the Union, a Shift Bid System Oversight Committee will be established comprised of six (6) members: three (3) members to be selected by the Union from among the bargaining unit; and three (3) members to be selected at large by the Chief of Police.
- B. The Members chosen from the Union shall serve on a voluntary basis and shall not receive any overtime compensation if a meeting is scheduled on off-duty time. If conditions allow, the appropriate Bureau Commander may alter the member's schedule if working on a shift other than the time of the meeting.
- C. The Committee shall be a standing committee and shall meet on a monthly basis or more frequently if necessary, to review and monitor the progress of the shift bidding system, and to recommend changes in the procedures or protocols to be followed in carrying out the objectives outlined herein.
- D. Official minutes of each meeting shall be taken and preserved. A quorum of six (6) members shall be required for any recommendation or action by the Committee. In order to be operative, recommendations of the Committee must be supported by four (4) Committee Members. The Committee may establish its own internal procedures to the extent they do not conflict with the terms and conditions of this Agreement. The Committee shall have no authority to negotiate or change the Shift Bidding Procedures listed below without the combined approval of the Union and the Chief of Police. At any time Management and the Union may agree to reopen the Shift Bidding Article, enter into a Side-Bar Agreement, or take no actions until the next negotiations session.
- E. The Committee may be dissolved at any time upon the agreement of both parties.

#### **Shift Bidding Procedures:**

The Shift Bidding System shall be limited solely to full-time employees assigned to the Uniform Field Operations Bureau. Further, it shall be limited solely to shift selection and to no other aspect of an employee's duty assignment.

- A. Annually, between October 1 and November 30, employees shall, in the order of their Department seniority, select assignments to one (1) of six (6) shifts for each quarterly period in the ensuing calendar year. The bidding year shall be co-extensive with the calendar year.

1. Throughout the year, for personnel coming off a shift and/or having a group number change, the process of initiating them into the upcoming shift period will require that they be phased in upon returning from their days off. Therefore, some officers will not actually change shifts/group numbers until after the date noted on the personnel order.
2. After all bid selections have been made, employees may be reassigned so as to insure that each shift has a sufficient amount of coverage (distribution of patrol personnel based on current workload demands) and to assure that the number of sectors on each shift is proportionate to the workload occurring on each shift.
3. Such reassignments shall be made on the basis of inverse Department seniority; i.e., the least senior employee shall be the first employee to be reassigned. The particular shift to which an experienced employee is assigned shall be determined by Department Management; however, consideration may be given to employee preference. There will be a minimum of six (6) experienced employees per shift.

For purposes of this Article, the words "experienced employees" mean employees who have completed two full years within the Department.

4. Employees transferring into the Uniform Field Operations Bureau shall be assigned at the discretion of the Chief for the balance of the current quarterly period during the shift-bidding year. They will be afforded the opportunity to bid for the balance of the shift-bidding year, based upon their Department seniority. Such requests shall be submitted a minimum of two weeks prior to the next schedule of assignments effective date. However, such reassignment shall be subject to the requirements of the Department and approved by the Chief.
  5. As openings occur on any shift, employees may apply, in writing and submitted a minimum of two weeks prior to the next schedule of assignments effective date, for such openings based upon their Department seniority. However, such reassignment shall be subject to the requirements of the Department, approved by the Chief, and shall be effected no later than the quarterly shift date.
- C. Employees may be temporarily assigned to any shift in order to meet Department requirements. Such temporary assignments normally shall not exceed a period of six (6) months. Effective January 2, 2004, this period shall change to 3-months to coincide with the quarterly shifts.
  - D. As a result of shift bidding, it may be necessary for the Department to assign new day-off group numbers for each quarterly period.
  - E. Employees transferred out of the Uniform Field Operations Bureau shall no longer participate in the shift-bidding program.
  - F. Probationary employees shall be assigned at the discretion of the Chief during the training and probationary period and for the balance of the current quarterly period during the shift bidding year. They will be afforded the opportunity to bid for the balance of the shift-bidding year based upon their Department seniority. Such requests shall be submitted a minimum of two weeks prior to the next schedule of assignments effective date. However, such reassignment shall be subject to the requirements of the Department and approved by the Chief.

- G. It is further understood that nothing herein shall serve, or be construed as limiting the discretion and authority of the Chief of Police to assign or reassign any employee according to the needs of the Department.

It is understood by all parties that the Shift Bidding System shall not otherwise constitute a waiver of management's right to determine and assign shifts according to the needs of the Department and the judgment of management.

This includes weekend training, annual training, and active duty. Compensation will be made on a weekly basis.
- B. **Health & Dental Insurance Premiums:** The City and the employee will continue to pay their respective share of health and dental insurance premiums associated with their respective plans up to five years, if employee chooses.
