- C. All economic benefits shall be offered on a pro-rated basis to part-time bargaining unit members, based on the percentage of their work day hours as compared to full time hours provided that such benefits are offered by the insurance carrier if applicable, including: Personal leave, Sick leave, Sick Leave payment, Bereavement leave, Professional leave, Course Reimbursement, Staff Development for recertification stipend, Retirement stipend, service to the district stipend, Health insurance, Dental insurance, and Life insurance. Pursuant to RSA 273-A, the Board hereby agrees that every employee shall have the right, freely, to organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiations. The Board will not discriminate against any employee with respect to hours, wages or terms or conditions of employment by reason of his or her membership in the Association; his or her participation in any activities of the Association or collective negotiations with the Employer; or his or her institution of any grievance, complaint, or proceeding under this agreement.

The Board recognizes that employees are protected by laws of the State of New Hampshire and the United States.

ARTICLE V

JURISDICTION AND AUTHORITY

The Board retains the right, subject to the provisions of this Agreement and applicable laws, to manage the school district. Such “managerial policy” shall include, but not be limited to, the functions, programs and methods of the public employer, including the use of technology, the public employer’s organizational structure, and the selection, direction, deployment and number of its personnel, so as to continue public control of governmental functions.

The parties understand that neither the Board nor the Superintendent may lawfully delegate power or authority which, by law, is vested in them, and this Agreement shall not be construed to constitute a delegation of the power or authority of either.

ARTICLE VI

PAYROLL DEDUCTIONS AND DIRECT DEPOSIT

- A. The Board agrees that upon receipt of written authorization thereof, signed by a Staff Member covered by this Agreement, the Board will deduct from the regular salary dues for membership in the New Boston Education Association, NEA-New Hampshire. Such deductions shall begin during the second pay period in October, and conclude with the last pay period in May. An election for dues deduction under this Agreement shall continue during the course of this contract, unless notice is given

to terminate not less than 15 days prior to the end of a fiscal year. The Association shall be promptly notified of any such withdrawals.

- B. Based upon administrative capacity, the board will allow employees to designate voluntary payroll deductions to be withheld from their paychecks and remitted directly to certain third party organizations. Direct deposit of an employee's net payroll will be made to no more than two financial institutions designated by the employee. Reasonable rules may be implemented to facilitate the operation of this provision.

ARTICLE VII

GRIEVANCE PROCEDURE

A. Definition

A "grievance" is a complaint by a staff member or members, or the Association that there has been a violation, misapplication or misinterpretation of any provision of this Agreement, or any rule, policy or regulation of the School Board pertaining to work rules or conditions. All time limits in this Article shall mean calendar days. If the deadline falls on a Saturday, Sunday or legal holiday, it shall be effective the next working day.

B. Purpose

The parties acknowledge that it is more desirable for a Staff Member and his/her immediately involved supervisor to resolve problems through free and informal communications. Grievances which are not satisfactorily settled in an informal way shall be reduced to writing and referred to the following formal grievance procedure.

C. Right of Representation

A Staff Member covered by this Agreement shall, under this Article, have the right to have an Association representative present at any time, subject to his/her requesting such representation. The unavailability of any particular individual, exceeding 24 hours, shall not cause unreasonable delay in grievance processing and/or investigation.

D. Time Limit

A grievance to be considered under this procedure must be initiated in writing within thirty (30) calendar days of its occurrence.

E. Formal Procedure

Level 1. Within seven (7) days of receipt of a formal grievance, the building principal shall meet with the aggrieved Staff Member. Within five (5) days following any such meeting, the principal shall give his/her answer in writing. If the grievance is not settled

at this level, then it may be referred to Level 2 within seven (7) days of receipt of any answer given at this level.

Level 2. Within seven (7) days of a grievance being referred to this level, the Superintendent or designee will meet with the participants of Level 1 and examine the facts of the grievance. The Superintendent shall give his/her written answer within seven (7) days of any such meeting. If the grievance is not settled at this level, then within seven (7) days from receipt of the answer rendered at this level, the grievance may be referred to Level 3, the School Board.

Level 3. Within fourteen (14) days of a grievance being referred to this level, the Board will hold a hearing with the participants and examine the facts of the grievance. The Board will thereafter, within fourteen (14) days of such hearing, give its answer, in writing. If the grievance is still not settled, the matter may be referred to arbitration by the Association as set forth in Level 4 of this procedure.

Level 4. If the matter is referred to arbitration, then the parties shall first attempt to agree on a mutually acceptable arbitrator. If they are unable to do so within fourteen (14) days of the Association's request for arbitration, then either party shall apply to the American Arbitration Association to name an arbitrator under the rules and procedures of the service. The arbitrator shall use his/her best efforts to arbitrate the grievance, including such matters of procedural and substantive arbitrability, but he/she shall have no power to add to or subtract from, alter, or modify any of the said provisions. The arbitrator shall thereafter submit a written decision to both parties. The parties agree to share equally in the compensation and expenses of the arbitrator. The arbitrator's decision shall be advisory on both parties. Nothing contained herein shall be construed to deny to either party the right to take action under RSA 273-A:5, I. (h), A:5II. (f) and RSA 273-A:15.

- F. Time periods specified in this procedure may be extended by mutual agreement.
- G. Grievance(s) involving decisions by the Superintendent or School Board may be submitted by the Association to Level 2.
- H. Failure at any step in this procedure to communicate the decision on a grievance within the specified time limits (unless extended by mutual agreement) shall permit the aggrieved person to proceed to the next level.
- I. The parties agree that staff members covered by the Agreement shall enjoy freedom from restraint, interference, coercion, discrimination, or reprisal for participating in any grievance proceeding.
- J. Grievances shall not be made a part of any employee's personnel file or used in making employment references.

ARTICLE VIII

WORKING CONDITIONS

A. School Year

The work year for teachers shall not exceed 186 days, one (1) day of which shall be set aside for parent conferences for those parents unable to meet during the day. The Association shall provide the Board with their written input for the upcoming school calendar by October 15th. The Board shall offer the proposed calendar to the Association for review prior to the adoption of the school calendar. The principal and representatives of the Association shall meet to discuss teacher concerns about the structuring of parent-teacher conferences.

B. School Day

The normal on site workday for members of the bargaining unit shall be 15 minutes prior to the beginning of the student day and continuing until 30 minutes after the close of the student day, except in cases of emergency. Teachers shall use this additional time for special help and consultation or to help in the overall educational program of the school. It is understood that the administration can expect reasonable participation on a professional basis after the normal working day to carry out obligations to students, parents and the school.

Permission for early departure may be granted by building principal to attend classes, meetings, or medical and dental appointments, providing such early dismissal does not disrupt the orderly operation of school activities.

Professional staff meetings (full staff, horizontal, vertical, grade level) shall be limited to two (2) per month, except in the case of emergency. Such meetings shall begin no later than fifteen (15) minutes after student dismissal and shall run no longer than sixty (60) minutes.

C. Duty Free Lunch

Each staff member shall receive a 20-minute, daily duty-free lunch period, except in cases of emergency.

D. Planning Time

Each teacher shall have scheduled four (4) unencumbered planning periods during the time that his/her class is under supervision of art, music, or physical education teacher, or another block of time of equal duration during the student day within the work week.

The Administration will make every effort possible to find substitute coverage when a teacher is absent. Only in an emergency shall a teacher be asked to substitute for a

colleague. A substituting staff member shall be paid \$40.00 for each such planning period substituted.

E. Duties

All duties will be assigned to staff members in a fair and equitable manner.

F. Discipline

No disciplinary action will be taken unless there is evidence to support the action. The specific grounds forming the basis for discipline will be made available to the employee in writing, upon request. However, the unavailability of any particular individual, exceeding 24 hours, shall not cause undue delay in the application of this provision.

Any staff member shall be entitled to have present a representative of the Association during any meeting which involves or may involve disciplinary action. When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the Association is present. Should disciplinary action likely occur at a given meeting, the staff member shall be advised immediately of said possibility and be advised by the Employer of the right to representation under this provision of the Agreement.

G. Personnel Files and Complaints

Teachers shall be allowed to examine the contents of their personnel files at a time that is mutually agreeable to the teacher and the administrator within a reasonable time (normally not to exceed 2 business days) following the request. No material regarding teacher performance shall be placed in a teacher's file without submitting a copy thereof to the teacher. Teachers shall be entitled to a copy of any material in their file, with the exception of pre-employment materials which are excluded from the purview of this Agreement. A teacher shall have the right to attach a written rebuttal to any material in his/her file. No anonymous complaints or complaints determined by the administration to be unsubstantiated shall be placed in a teacher's file. No complaint shall be placed in a teacher's file or used to evaluate or discipline a teacher unless the complaint shall have been reduced to writing and the teacher given an opportunity to respond to the same.

H. Evaluation

The parties recognize and acknowledge that evaluation of employees is the responsibility of management. Without waiving its right to claim that evaluation is not a required subject of bargaining, the Board agrees that teachers will be timely informed of any evaluation policy or procedures and forms used by the New Boston School District. A teacher will be given a copy of any evaluation with the right to respond in writing. Any evaluation shall include specifics forming the basis for the conclusion stated. A teacher is entitled to have a representative present with him/her

during any meeting to discuss the evaluation. The contents of an evaluation are not subject to the grievance procedure of this contract.

If in the opinion of the administration, a deficiency in performance exists that could result in termination of employment, the staff member shall be notified in writing by the administration. The administration shall clearly state the deficiency, specific suggestions for correction and allow a reasonable amount of time (forty-five days) for the staff member to correct said deficiency except in cases involving the health, safety, or welfare of students or staff.

The immediately preceding paragraph shall not be subject to the grievance procedure in the non-renewal of a probationary teacher.

ARTICLE IX

VACANCIES, TRANSFERS, AND ASSIGNMENTS

- A. Employees shall be given initial written notification of their assignment by April 15, preceding the new school year. It is understood that this assignment may be changed to meet the needs of the District. However, if a transfer or reassignment is necessary, the employer will first seek volunteers who are certified and qualified. Involuntary transfers are to be avoided if reasonably possible. Any staff member involuntarily transferred may resign his/her position without prejudice.
- B. Notice of any bargaining unit vacancies (including newly created positions) shall be posted on the District job board for at least five (5) working days prior to the deadline for application. The posting shall state the position to be filled, qualifications, starting day, and other relevant terms of employment. Teachers who are interested in being assigned to another position for the next school year may make known their interest by submitting a written statement to the principal before May 1. The parties understand that any vacancy shall be filled with the most qualified candidate. If there are no substantial differences in qualification between candidates for the position, preference will be given to current employees who have applied for the vacancy.

ARTICLE X

REDUCTION IN FORCE

- A. If it becomes necessary to reduce the number of teachers through a layoff, the Superintendent will make every reasonable effort to effect such reduction by attrition, and, if necessary, by non-renewal of teachers who have taught in the New Boston School District for less than five (5) years.

1. Laid off teachers shall be eligible for recall for a fifteen (15) month period following their final date of employment.

If an employee resigns during the first year of employment and does not earn back all days, the unearned but used days will be forgiven.

Sick Leave Bank

The Board agrees that the Unit may establish a Sick Leave Bank to cover employees in the event of a long-term illness. The Sick Leave Bank shall be administered by a committee composed of three (3) members of the association appointed by the President, hereinafter called the Administrative Committee. The Administrative Committee will notify District administration of days withdrawn from the Sick Leave Bank and to whom the days are granted.

Each employee wishing to participate in the Bank agrees to donate two (2) sick leave days accrued in a one year period to be deposited in said Bank, such days to be deducted from the employee's annual Sick Leave.

Employees may enroll as soon as they have two sick leave days to contribute. The month of October of each year shall be a new enrollment period. The Administrative Committee shall inform the Superintendent in writing of the members wishing to participate by November 1 of that year. Sick days in the Bank shall accrue from year to year to a maximum of one hundred (100) days after which additional donations shall not be required until the bank drops below fifty (50) days.

An employee shall become eligible to request benefits from the Sick Leave Bank after exhausting all personal and sick leave days. Approval of such requests shall be made at the discretion of the Administrative Committee.

The union shall indemnify, defend, and hold harmless the District and all of its agents and employees against any and from all claims, demands, suits, legal costs or other forms of asserted damage or liability (monetary or otherwise) arising out of or relating in any way to the operation of the Sick Leave Bank, including without limitation claims relating to FMLA, the tax code or law, federal or state, or any other law, common or statutory.

B. Personal Leave

Any employee planning to use a personal leave day or days shall notify his/her supervisor at least one day in advance, except in cases of emergency. The employee shall not be required to reveal the purpose of such leave. Personal days may not be taken on the day immediately preceding or succeeding a holiday or

vacation, except by prior approval which approval shall be granted if the purpose for the day is a legitimate personal business or family related reason. Personal leave may be taken in half-day increments at the principal's discretion.

C. Bereavement Leave

The employee shall be granted a maximum of four (4) paid bereavement leave days per year for death in the immediate family. This shall be interpreted to include the spouse, domestic partner, the employee or spouse's mother, father, brother, sister, natural born, adopted, or foster child, grandchildren, and grandparents. The employee may take one (1) paid day per death to attend the funeral of any close friend or relative, upon approval of the Superintendent or designee. Unused funeral/bereavement leave shall not be cumulative.

D. Association Leave

Subject to verification by the Association President, the bargaining unit shall be entitled to three (3) personal days per year of paid leave for Association business.

E. Professional Leave

Each teacher shall be entitled to two (2) days per year of paid professional leave. The use of professional leave shall be subject to prior approval by the Superintendent or her/his designee. Additional professional leave days may be granted at the discretion of the Superintendent or his/her designee, with or without pay.

F. Jury Duty

Any employee required to serve on jury duty shall be granted leave with pay. The employee shall not be required to use another category of leave. Any fees received by the employee for jury service, excluding mileage, will be reimbursed to the District.

G. Family Leave

A staff member shall be granted up to one year of unpaid leave for purposes of family care, subject to the following terms and conditions: 'Family' for purposes of this Section shall be defined as a staff person's parent, spouse, or domestic partner, and natural born or adopted child. A written request shall be filed with Administration at least 60 days prior to the requested leave (whenever possible), informing the District of both the anticipated starting and ending dates of such leave. Such leave may include the remainder of the school year, but shall not extend beyond the end of the then current school year. A staff member on family leave pursuant to this Section shall return to his or her position on the first day of the next school year, or on the first day of a marking period, unless another date is mutually agreed upon by Administration and the staff member. Upon said return

from leave, the staff member shall retain all previously accrued benefits, including sick leave and seniority. If the unpaid leave includes fewer than 94 workdays in that school year, the staff member shall be given credit on the salary schedule for that year as well as seniority. JOB SHARING

- A. Job sharing is defined as the voluntary division of a single full-time position between two (2) persons. It is expressly understood that job sharing shall be voluntary and shall not occur if it results in the layoff or attrition from a building of a full-time position. Job sharing shall not be permitted if it prevents the re-call of a laid-off teacher.
- B. A shared job is subject to the approval of the building principal and the superintendent, based on School Board policy in any instance. Disapproval shall not be subject to the grievance and arbitration procedure. In any event, the final decision of whether or not the application for job sharing shall be approved is the District's.
- C. Job sharing must be applied for in writing by the two (2) individuals on a form to be mutually agreed upon by the parties. Applications must be submitted to the superintendent no later than March 15.
- D. Job sharing shall be effective for one (1) school year. Job sharers seeking to renew for an additional year may apply therefore under the application procedure in Section C.
- E. In the event a job-sharing is discontinued after the first year, the job sharers shall return to their originally held positions, if available.
- F. Teaching salaries shall be prorated to reflect the fraction of the position shared. The experience and educational step for the teachers shall be the same s/he would be entitled to if employed full time. This step will determine the base salary from which the salary fraction will be computed.
- G. Seniority shall be accrued on a pro-rata basis.
- H. The District will contribute an amount towards the health insurance and other benefits equal to the fraction that each is working. This section is dependent on the rules and regulations of the current health insurance carrier at the time of the job sharing arrangement. This arrangement will be done to the extent allowed by the carrier.

- I. Teacher partners will undertake joint planning for the shared position, will share responsibility for their students and will share all teaching and non-teaching duties applicable to the shared position.

APPENDIX B

The School Board acknowledges that teachers at New Boston Central School are currently not assigned bus duty. The Board further represents that it has no current intention of changing the schedule to require an assignment of bus duty for teachers. The Board reserves to itself the right to assign bus duty in the event of circumstances beyond its control or in the event of scheduling requirements which require the supervision of students before or after the normal on-site duty requirement of teachers.

The Board agrees that it will not ask teachers to perform bus duty or change the current schedule as far as teacher bus duty assignments are concerned without meeting with representatives of the New Boston Education Association to evaluate the circumstance which are contemplated to require assignment of bus duty and without giving the New Boston Education Association reasonable notice of the anticipated assignment so that the Association may request the opportunity to bargain the impact of any new assignment of duties. To a reasonable extent, any circumstances requiring the assignment of teachers to bus duty will be scheduled to allow the minimum impact on teachers' schedules.

APPENDIX C

In unusual circumstances, individuals holding a valid teacher's certificate, with experience, may be hired at a step no lower than three (3) steps below a current employee with equal experience.
