#### **ARTICLE FIVE - GRIEVANCE PROCEDURE**

1. Definition - A "grievance" is any claim by a person, group of persons, or the association alleging there has been a violation, misinterpretation, or misapplication of any provision of the agreement. All time limits specified in the Article Five shall mean school days, except under section 5.12.
2. Purpose - The parties acknowledge that it is more desirable for an employee and his immediately involved supervisor to resolve problems through free and informal communications. Grievances, which are not satisfactorily settled in an informal way, shall be reduced to writing (see Appendix A) and referred to the following formal grievance procedure. A grievance to be considered under this procedure must be initiated in writing within twenty school days of its occurrence.
3. Formal Procedure - The grievance shall state the specific alleged violation, misinterpretation, or misapplication with proper reference to the affected provision of the agreement and the relief sought.
4. Any employee covered by this agreement shall have the right to be represented at any stage of the grievance procedure.
5. Level A - Within five school days of receipt of a formal grievance, the building principal shall meet with the aggrieved support staff member and any other pertinent

personnel. Within five school days following any such meeting, the principal shall give his/her answer in writing. If the grievance is not settled at this level, the grievance may be referred to Level B within five school days of the meeting.

6. Level B - Within ten school days of a grievance being referred to this level, the superintendent and/or his/her designee will meet with the participants of Level A and examine the facts of the grievance. The superintendent and/or his/her designee shall give his/her answer in writing within the five school days of any such meeting. If the grievance is not settled at this level, the grievance may be referred to Level C within five school days of the meeting.
7. Level C - Within fifteen school days of a grievance being referred to this level, the school board will meet with all the participants necessary to obtain and examine the facts of the grievance. A decision in writing with reasons for such decision will be rendered by the school board within fifteen school days after said meeting.

If the matter is referred to arbitration, then the parties shall apply to the American Arbitration Association to name an arbitrator under its rules and procedures. The arbitrator shall use his/her best efforts to arbitrate the grievance, but s/he shall have no power to add to or subtract from, alter, or modify any of the said provisions. The arbitrator shall thereafter submit a decision to both parties. The arbitrator's decision shall be binding. The parties agree to share equally in the compensation and expenses of the arbitrator.
9. The arbitrator shall not award damages in excess of a make whole remedy.
10. Time periods specified in this procedure may be extended by mutual agreement and in writing.

12. In the event a grievance is filed on or after June 1, the parties agree to make a good faith effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the end of the school term, or as soon thereafter as practicable.
13. Failure at any step of this procedure to communicate the decision on a grievance within

the specified time limits (unless extended by mutual agreement) shall allow the aggrieved person(s) to proceed to the next level. Failure at any level of the procedure to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

14. The parties agree that employees covered by this agreement shall enjoy freedom from restraint, interference, coercion, discrimination, or reprisal in presenting or appealing any personal grievance(s).

## **ARTICLE SIX - REDUCTION IN FORCE**

In the event the Newport School Board deems it necessary to decrease the number of bargaining unit member or eliminate any position, the administration will review all paraeducator staff and determine the reduction of said staff based upon the following:

- Seniority
- Qualifications/training related to the remaining jobs
- Transfer to another position can be completed with a minimum of training
- Formal evaluation

If all areas other than seniority are equal, seniority shall be the determining factor. Seniority is defined as the total amount of time continuously employed by this school district.

Seniority for all purposes shall be terminated for any of the following reasons: Voluntary quit, discharge for just cause, failure to report to work in accordance with the provisions of recall notice, absence for three (3) consecutive working days without properly notifying the District, failure to be recalled from layoff or return to work due to any non-occupational connected illness or accident for a period of twelve (12) months, and retirement. Employees on Long-Term Disability who are able and approved to return to work will not experience a loss of seniority. Further, exceptions may be made by the Superintendent for employees in extenuating circumstances who are unable to notify the District of their ability to report to work for three consecutive days.

Bargaining unit members who have special skills that are not common among other bargaining unit members may be passed over in a lay off situation. Sign language skills would be an example of one of these skills.

Layoff units shall be defined as: 1) paraeducators and specialized paraeducators and 2) administrative assistants.

Employees shall be recalled in the reverse order in which they were laid off. A person who is laid off shall maintain his/her seniority for twelve months. Employees who are eligible for recall shall be sent a recall notice by certified or registered mail and the employee must notify the department head within three business days after receiving notice of recall of his/her intention to return to work. The district shall be deemed to have fulfilled its obligations by mailing the recall notice by certified or registered mail, return receipt requested, to the mailing address provided by the employee, it being the obligation and responsibility of the employee to provide the district with his/her latest mailing address. In any event, the employee must return to work within two weeks of the date specified.

The parties agree that the association will maintain and keep records on seniority, qualifications/training related to the remaining jobs and the ability for an employee to transfer to another position can be completed with a minimum of training and the recall roster. The association will initially obtain this information from the superintendent, verify it, and share the changes with the superintendent who will double-check the information. Once this has been done the association will update and maintain the information in the future.

## **ARTICLE SEVEN - VACANCIES**

1. A "vacancy" shall mean a newly created position within the bargaining unit or an existing position within the bargaining unit which is not filled and which the district intends to fill.
2. Notice of vacancies within the Newport School District will be posted in each of the schools and emailed to all staff in the bargaining unit. A copy of all vacancy notices shall be sent to the association president.
3. Such notices shall contain the date of posting, a description of the position, name and location of the school, requirements of the position, name of the person to which the application is to be returned and the deadline for submitting an application. For vacancies which occur while school is in session, the period between internal postings of position and closing of applications, shall be no fewer than four school days. For vacancies which occur during or within four days prior to the start of any school

vacation or summer break, the vacancy shall be posted for a minimum of seven calendar days.

4. When a vacancy arises in any support staff position, the employee with the most seniority in that particular classification of the support staff will be given priority in the filling of said vacancy, provided that the senior employee applicant has qualifications for that particular position that are equal or superior to those of other applicants. If there are no applicants from within the classification, those from other classifications shall be given due consideration if they have the qualifications necessary for the position. Final decisions will be made by the administration that retains the exclusive right to determine qualifications and to make final personnel decisions in accordance with the best interests of the district and students.
5. At the time of hire, a new employee in this bargaining unit shall be given a copy of this collective bargaining agreement by the Human Resource Dept. at SAU 43. The association president (or designee) may request a copy of wage placement data up to four times per school year. This shall include hourly rate of pay, hours per day, number of days in the contract year, employment start date, and years of relevant experience and education. Additional wage placement data shall be provided on request.
6. On or before May 30 of each year, the employer will notify employees of the intent to employ for the following school year (RSA 189:14-h).
7. All new employees will serve a probationary period of ninety (90) calendar days during which an employee may be otherwise lawfully dismissed without just cause.

#### **ARTICLE EIGHT - DUE PROCESS**

1. In the event that a deficiency could result in termination of employment, the board and/or designee shall notify the employee in writing of any alleged deficiencies, indicate expected correction, and indicate a reasonable period for correction.
2. No employee shall be disciplined, discharged, suspended, warned, adversely evaluated, reduced in rank or compensation, or deprived of any employment advantage without just cause. All information forming the basis for such disciplinary action will be made available to the employee. Discipline shall be progressive and corrective.

Notwithstanding the foregoing, the board reserves the right to terminate immediately any employee for criminal, fraudulent, dishonest, or other serious misconduct.

3. A staff member shall at all times be entitled to have present a representative of the association when he/she is being warned or disciplined for any infraction of rules or deficiency in performance. When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the association is present. The representation will be available prior to the next school day. If the board or its agent determines that said infraction or deficiency endangers the welfare of student or community, it reserves the right to suspend the employee until such representation is available.

#### **ARTICLE NINE - EVALUATION**

1. It is the responsibility of the building administrator to ensure that evaluations of each employee be performed on a school year basis by a building administrator or designee, with input from a cooperating teacher, if applicable. Prior to evaluation, the supervision plan will be reviewed with the employee.
2. All employees shall be provided with a copy of the current district evaluation plan at the beginning of every school year. Employees new to the school district shall be provided with a copy of the school district's evaluation plan as part of their orientation.
3. It shall be the responsibility of the administration to assist employees in assessing their effectiveness through evaluation of the employee's work. Written summaries together with any recommendations for the employee will be given to the employee. The employee will be evaluated annually.
4. All monitoring or observation of the work of an employee shall be conducted openly.
5. An employee who disagrees with an evaluation may submit a written response that shall be attached to the evaluation in question.

#### **ARTICLE TEN - INSURANCE BENEFITS AND PROVISIONS**

1. Full-time employees (contracted for thirty hours or more per week) will be eligible for health insurance coverage. For such employees, the district will pay 100% of the premium for single coverage. Employees may receive two-person or family coverage, but will be responsible for paying the difference in cost. Employees covered by this bargaining agreement who have two-person or family coverage as of June 30, 2017, will be grandfathered and may continue to have such coverage with the district being responsible for 89% of the premium, until such time said employee chooses to drop said

two-person or family coverage or the employee separates from the Newport School District as an employee.

2. The parties agree to go to the Access Blue New England, prescription option 1, from HealthTrust or a substantially similar plan from another health insurance provider, effective July 1, 2017.
3. The parties agree to create a health reimbursement account (HRA) for each bargaining unit member who is eligible for health care. The school board shall provide up to 100% of a single (\$1,000), two-person (\$2,000), and family (\$3,000) reimbursements through the HRA in each year of the agreement. A third-party administrator shall be used to facilitate reimbursement for plan deductions and/or prescription drug co-pays.
4. In the event that the district determines that it will incur any tax or penalty because of the cost or the value of the district-offered health insurance plan, the parties shall reopen negotiations to determine a suitable replacement plan. In the event that agreement is not reached, the members of the association will pay 100% of any such tax or penalty in proportion to the value of their health benefits.

If another Newport School District bargaining group or other Newport School District group blocks or impedes the district's ability to purchase a health plan that would avoid any tax or penalty, and the association has supported such a purchase, association members will be exempt from paying any portion of any tax or penalty incurred as a result of the health plan in place.

5. The district shall provide Delta Dental insurance to all support staff bargaining unit members who are eligible for single coverage benefits (contracted for thirty hours or more per week) at an 85% district, 15% employee premium contribution level. Employees wishing to purchase two-person or family coverage will be responsible for the additional premium.
6. Members who are not employed full-time have the option to purchase insurance at the cost of 100%.
7. Should the district decide to change health insurance coverage for employees covered by this contract, the district may do so only with the approval of the majority of those employees represented by this contract who receive health insurance benefits.
8. All members of the bargaining unit shall be covered by long-term disability insurance.

This plan covers employees who work at least thirty hours per week. If at any time the minimum number of hours is decreased in the disability insurance contract, then the minimum number of hours will also be reduced for members of the bargaining unit. Benefits shall commence after an employee has been disabled for ninety calendar days and shall continue until age sixty-five or until the employee is able to return to work.

9. An employee who is eligible for health insurance, but elects not to enroll, who works his/her full contract, and who provides documentation that he/she has obtained alternative insurance this is not subsidized (e.g., through the Patient Protection and Affordable Care Act), will be paid \$3,000 minus any penalty imposed on the district because the employee receives an insurance subsidy under the Patient Protection and Affordable Care Act. A prorated amount will be returned to the district in the event the employee begins to work fewer than thirty hours per week or, though a qualifying event, must enroll in the district plan.

A single lump sum payment will be made by June 30 of the same fiscal year.

10. If any provision of this agreement or any application of this agreement is held to be contrary to the Patient Protection and Affordable Care Act (PPACA) or substantially modifies the effect or the enforcement of this agreement relative to such Act (PPACA), then the parties agree to reopen this agreement for the sole purpose of renegotiating the health care provisions of this agreement.
11. Membership in the NH Retirement System shall be a condition of employment for all employees who are regularly scheduled to work 35 hours per week or more.

#### **ARTICLE ELEVEN - DEDUCTIONS**

1. The district agrees to deduct from the wages of its support staff dues for membership in the Newport Support Staff NSS/NEA/NH, the New Hampshire Education Association, and the National Education Association as said members voluntarily authorize the board to deduct and to transmit the monies to the Newport NSS/NEA/NH within five days of the last paycheck each month. Employees who elect to have dues deducted may authorize these deductions by completing the appropriate form and the district shall place the form on file.
2. Pursuant to such authorization, the employer shall deduct equal amounts for each pay period.

3. Upon appropriate written authorization from the employee, said authorization to continue in effect from year to year unless revoked in writing, the district shall deduct from the wages of any such employee and make appropriate remittance for such plans as annuities, credit union, charitable donation, or any other like plans or programs.
4. It shall be the responsibility of the association to notify the employer which employees are not members in good standing of the association prior to September 25 of each year.
5. If the employer is prohibited by order of a court or agency having jurisdiction from making the deductions under the above, the employer shall have no obligation to terminate the employment of any employee who does not authorize deductions. If the right of the employer to make deductions under the above is challenged before any court or agency having jurisdiction, the association agrees to defend such action, at its own expense and through its own counsel, and the association shall indemnify and save harmless the employer from any expenses and liabilities incurred as a direct consequence of the employer's compliance with the above, provided:
  - a. The employer immediately notifies the association in writing of any such challenge, and permits the association to intervene as a part if it so desires; and
  - b. The employer gives full and complete cooperation to the association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at all hearing levels; and

## **ARTICLE SEVENTEEN - WAGES**

1. The district will pay the hourly wage of employees who attend professional development/ training workshops offered by the district to the extent that attendance at such workshops would exceed the normal workday of the employee, provided that the employee has received prior approval from his/her building principal. If the district requires an employee to attend a professional development workshop during the summer, the employee will be paid their hourly rate.
2. As part of their professional responsibility, bargaining unit members may be required to remain after the end of their school day to attend meetings planned by administration. All support staff will be paid to attend monthly staff meetings at their particular school. Attendance is required.
3. The district will make every effort not to utilize paraeducators as substitutes for classroom teachers. In extenuating circumstances when bargaining unit members cover for classroom teachers, they shall be paid \$5.00 per hour over their current hourly rate of pay. Per ED 1113.12(c), paraeducators providing services to children with disabilities shall not assume responsibilities of a teacher or a substitute teacher, unless the child to whom they are providing services is absent from school.
4. Bargaining unit members who are asked to participate in school-related court proceedings shall be paid at their regular hourly rate for all approved and documented time required by the district in preparing for and participating in court proceedings.
5. A member of the bargaining unit called for jury duty or subpoenaed as a witness will receive their regular hourly rate from the district for each day of service, but must submit the payment made by the State to the district, exclusive of any mileage reimbursement.
6. Bargaining unit members who have completed at least fifteen years of continuous service

in the district will be paid an annual longevity bonus of \$750 in the second payroll of the following November.

7. All members of the bargaining unit who are paraeducators must be highly qualified either by state or federal regulations.
8. Newly hired paraeducators will be placed on the wage scale commensurate with their years of prior school experience, and will move to the next step on the wage scale after their first year of employment, provided they were hired before or during the first academic quarter and continue employment through the end of the fourth quarter. Prior paraeducator experience at a public school shall be credited as one step equals one year of experience. Prior experience in a public school or state licensed childcare facility in a role other than paraeducator or relevant experience in private schools or educational institutions may be credited on a partial or full basis at the discretion of the superintendent. Paraeducators hired in the second or later quarter will remain on the same step the following year.

All other paraeducators will move one step per year. All wages shall be paid in accordance with Article Seventeen and the wage scale included in Appendix B.

9. Criteria for determining creditable years of prior service will be:
  - a. For administrative assistants performing duties in direct support of principals, assistant principals, guidance counselors, or directors: related experience as an administrative assistant in a like position. One full year will be granted for each full year of prior experience.
  - b. For administrative assistants performing receptionist duties: related experience in a like position or other clerical position. One full year will be granted for each full year of prior experience.
  - c. Paraeducators experience in the Newport School District shall be granted to administrative assistants at .75 years for each year of prior experience.
10. No new hires shall be placed on a step higher than current employees with equal experience.
11. School year bargaining unit members will be given the option of twenty-two or twenty-six equal paychecks, assuming no adjustments to hours worked are required. This will

be calculated by dividing the scheduled number of hours per year into twenty-two or twenty-six parts. Any adjustments due to more or fewer hours than scheduled being worked shall be made in the payroll period in which the fluctuation occurs, which may result in some paychecks not being equal to others. Should the adjustment in an employee's hours result in a paycheck not being issued in a particular pay period, the district will inform the employee as soon as it has determined no check will be issued to that employee for that pay period and the reasons why this occurred.

Employees must specify in writing if they wish to choose either the twenty-two- or twenty-six-pay option, or to receive full pay for hours actually worked, to be paid on the regular paydays designated in advance by the district. Such choice must be made prior to the first payroll period, or upon employment with the district. If no designation is made, the district will pay the employee based upon actual hours worked.

Employees will still be expected to submit time sheets and utilize any district attendance program, as well as to follow all district payroll policies and procedures.

12. Current employees who are contracted for fewer than thirty hours per week will be given the first opportunity to fill thirty-hour per week or greater positions. To be considered for a thirty-hour per week or greater position, current employees must meet the following criteria:
  - a. Employee must reach or exceed the expectations for the position based upon an evaluation instrument agreed to by the union and management. This instrument may be different for administrative assistants and paraeducators.
  - b. In the case of paraeducators, the needs of the student outlined in the Individual Education Plan (IEP) and/or the job description/job tasks for the position must justify the need for thirty or more hours of work per week, as determined by the management. The paraeducator must also have the appropriate skills and disposition to continue in the position, as determined by management.
  - c. In the case of administrative assistants, the job description or job tasks for the position must justify the need for thirty or more hours of work per week, as determined by management. The administrative assistant must also have the appropriate skills and disposition to continue in the position, as determined by management.
  - d. If the employee's current job is increased to a thirty-hour per week position, and he/she meets the above criteria, and he/she wishes to continue in the position, he/she will continue in that position. No job posting or job application will be

required. If the employee has received an acceptable evaluation, but the employee's skills and disposition do not match their current position, every effort will be made to find an appropriate thirty-hour per week or greater position for him/her. If the employee does not meet the criteria and/or does not wish to continue in the position, the job will be posted.

13. The Newport School Board shall issue a formal letter of agreement to employees no later than June 1<sup>st</sup>, indicating its intention to hire the employee for the ensuing school year. Employees accepting such employment shall return a signed copy of the letter of agreement no later than June 30<sup>th</sup>.

Any bargaining unit member who has accepted a position in the Newport School District for the ensuing school year and who accepts another position in another school district after June 30<sup>th</sup> but before November 1<sup>st</sup> must stay employed with the Newport School District until a suitable replacement is hired or must repay the costs of any health insurance premiums that were prepaid in reliance upon the employee accepting employment.

Employees who have accepted a position in the Newport School District who accept another position in another school district after November 1<sup>st</sup>, shall stay employed with the Newport School District until a suitable replacement is hired or must pay the District a sum equal to 1% of the employee's contracted salary for that contract year as liquidated damages. Payment must be made within thirty (30) calendar days of notification of resignation to the District.

The obligation to repay any prepaid health insurance premiums or to pay liquidated damages shall not apply if the reason for leaving the District is due to extenuating circumstances. The Newport School Board, with the Superintendent of School's recommendation, may waive in whole or in part any of the above requirements. For the purposes of this section the term "suitable" replacement shall mean someone who possesses the minimum qualifications required by the job description.

#### **ARTICLE EIGHTEEN - FAMILY AND MEDICAL LEAVE ACT**

1. The Newport School District will remain in compliance with the Family Medical Leave Act of 1993 (FMLA) as it may from time to time be amended.
2. Employees are covered by the Family and Medical Leave Act (FMLA). An employee

who anticipates taking unpaid leave for the birth and first-year care of his/her newborn, adopted or foster child, the care of a spouse, child, or parent with a serious health condition, or the employee's own serious health condition, should contact the superintendent or his/her designee regarding the employee's rights under the FMLA.

3. In any event, an employee should give thirty days' notice to the superintendent or his/her designee of the employee's intention to take unpaid FMLA leave. In the event of unforeseen circumstances, the employee must give as much notice as possible.
4. The employee must use all accrued paid leave (vacation, personal, sick) concurrently with this leave.
5. During this period, the District shall continue to provide health benefits to the same extent they are provided to all other members.

#### **ARTICLE NINETEEN - PROFESSIONAL DEVELOPMENT**

Trainings attendance will be mandatory, and an attendance log will be signed each day. Agenda topics for each day will be determined by the administration in cooperation with the professional development committee and/or building leadership teams.
2. A \$5,000 fund will be established each year for reimbursement of undergraduate or graduate college courses that lead to a degree and/or that are relevant to their position or education in general and other relevant professional development opportunities. The fund will be administered on a first-come, first-served basis on when the SAU receives the course registration form. Requests for approval shall be acted upon within ten (10) working days of a request.
3. The following criteria must be met for qualification for reimbursement:
  - a. The bargaining unit member must be employed by the district for two consecutive years to be eligible for course work reimbursements.
  - b. The course or workshop must be pre-approved by the superintendent.
  - c. The bargaining unit member is responsible for registration and initial payment for the course.

- d. The employee must present proof of a grade of B or better in the course. In case of a workshop, the employee must provide a certificate of completion.
4. Two-thirds of the fund will be allotted for courses that occur during the months of July through December. The remaining third will be allotted to courses taken from December through June. Funds that are not used during the first half of the year will be made available in the second half. If funds remain after all courses for the second half of the year are reimbursed, they will be made available for courses from the first half of the year that are unreimbursed due to a lack of funds. Employees taking credit courses in June, July or August, must reimburse the district for any funds it provided if the employee fails to return to work at the beginning of the next school year.
5. Employees are encouraged to participate in relevant professional development opportunities. Paraeducators will be allowed to attend relevant in-district professional development workshops that are being offered to teaching staff.
6. The district is committed to provide funding for professional development workshops through grants. Bargaining unit members shall be encouraged to apply for funding for workshops. Applications for workshop funding shall be submitted to the building PD representative. A response to the request shall be provided within 5 working days of the request.
7. The district recognizes the need to provide relevant professional development opportunities. There shall be a minimum of two paraeducators on the district professional development committee to represent the elementary school (1) and middle or high school (1). The administration will give recommendations from the committee due consideration in planning paraeducator professional development.

## **ARTICLE TWENTY - FINGERPRINTING**

## **ARTICLE TWENTY-ONE - MENTORING**

1. There shall be a mentor program established by the district and overseen by the

Superintendent or her/his designee. The association shall have the right to provide suggestions for the program.

If the board approves written job descriptions for any positions covered by this agreement or creates any new position that involves duties which are similar to those of positions covered by this agreement, it shall notify the association.
