I. RECOGNITION

A. Unit

1. The Board hereby recognizes the Association as the exclusive and sole representative for all office and custodial personnel for the purpose of negotiating with the Board with respect to terms and conditions of employment as defined by NH RSA 273-A. Unless otherwise indicated, the term "employee," when used in this agreement, shall mean any member of the bargaining unit.

II. NEGOTIATION PROCEDURE

- A. No later than the date established by law prior to the expiration of the agreement, the parties agree to enter into negotiations, in accordance with the procedures set forth herein, in a good-faith effort to reach agreement on the terms and conditions of employment. Any agreement reached shall be reduced to writing and signed by the Board chairperson and Association president. Any agreement reached which requires the expenditure of public funds for its implementation shall not be binding upon the Board unless and until the necessary appropriations have been made by the voters. The Board shall make a good-faith effort to secure the funds necessary to implement said agreements. If such funds are not forthcoming, the Board and Association shall resume negotiations regarding the matters affected thereby, in accordance with the provisions of this agreement.
- B. The Board shall make available to the Association information which the Board is required by law to make available to the general public. Either party may utilize the services of outside consultants to advise or represent them in the negotiations process.
- C. Impasse
 1. Mediation

If by the date established by law the parties fail to reach agreement on any matter or matters which are the subjects of negotiations, either party may declare an impasse. In the event of an impasse, the issues remaining in dispute will be submitted to a mediator appointed by the New Hampshire Public Employee Relations Board. The mediator shall meet with the parties or their representative, or both, either jointly or separately, for the purpose of achieving a mutually acceptable agreement.

2. Fact Finding

If the mediator declares an impasse or mediation does not result in an agreement, issues remaining in dispute shall be submitted to a fact finder appointed by the New Hampshire Public Employee Labor Relations Board. The fact finder shall make findings of fact and recommend terms of settlement regarding disputed matters submitted to him/her. Any hearings held by the fact finder will be held in closed session. Within thirty-one (31) days of being appointed, the fact finder will submit a written report of findings and recommendations. Such recommendations shall be advisory only. If no agreement is reached within ten (10) days after receipt of the fact finder's report, the Association, the Board, or the fact finder may make such findings and recommendations public.

3. Third Party Costs

The costs for the service of any neutral party including per diem expenses and actual and necessary travel and subsistence expenses will be shared equally by the Board and the Association.

B. Initiating and Processing a Grievance

2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved person to proceed to the next step. 3. Level One - Principal or Immediate Supervisor
 - a. An employee who has a grievance shall discuss it first with his/her immediate supervisor, if applicable, in an attempt to resolve the matter informally at that level.
 - b.
