Each grievance must be submitted in writing by the Union and must contain a statement of the facts surrounding the grievance, the provision(s) of this agreement allegedly violated and the relief requested and the extent.

Section 2 - Procedure

Step One:

An employee desiring to process a grievance must file a written statement of the grievance to the Chief of Police/Head Dispatcher no later than ten (10) business days, exclusive of weekends and holidays, after the employee knew the facts on which the grievance is based. The Chief of Police/Head Dispatcher or their designee shall meet with the employee within five (5) business days, exclusive of weekends and holidays, following receipt of the notice and shall give a written decision within ten (10) business days, exclusive of weekends and holidays, thereafter.

Step Two:

If the employee is not satisfied with the decision of the Chief of Police/Head Dispatcher, he/she may file, within five (5) business days, exclusive of weekends and holidays, a written statement to the Town Manager setting forth the specific reasons why he/she believes the Agreement is being violated by the Town and the action in question. Within twelve (12) business days, exclusive of weekends and holidays, following receipt of the appeal, the Town Manager shall either issue a written decision or schedule a hearing. The decision of the Arbitrator shall not go beyond what is necessary for the interpretation and application of express provisions of this Agreement. The Arbitrator shall not substitute its judgment for that of the parties in the exercise of rights granted or retained by this Agreement.

ARTICLE 9 - GRIEVANCE PROCEDURE (continued)

The Arbitrator decision made in accordance with this Article, shall be binding on both parties. Time limits applicable to the grievance procedure may be extended by mutual agreement of the parties in writing. The cost of arbitration shall be split equally between the parties with each party responsible for their own attorney fees.

ARTICLE 10 - HOURS OF WORK

This Article is intended to define the normal hours of work per day or per week during the term of this Agreement, nothing contained herein shall be construed as preventing the Town from restructuring the normal work day or work week for the purposes of promoting the efficiency of municipal government; from establishing the work schedules of employees; and establishing part-time positions.

Section 1 - Work Schedule

The Raymond Police Department shall implement the following work schedule for all patrol officers except those noted in Section 2.

- (A) A regular workweek of eight (8) hour days shall be scheduled on the basis of four (4) consecutive work on-duty days followed by two (2) consecutive off-duty days, progressing through a three (3) month cycle. Subject to the approval of the Chief of Police, for those weeks where the above scheduled rotation results in the Patrol Officer having less than 40 hours scheduled in a work week, inclusive of vacation, sick or holiday time, the Patrol Officer will be scheduled during such work week to work four ten hour days. The additional two hours will be scheduled at the beginning and/or end of each scheduled shift during such work week.

- (C) There will be no split shifts.
- (D) All work shifts will be picked by the members in order of their seniority, beginning with the senior patrolman. The members will have picked their new shift and submitted said choice to the duty sergeant at least 30 days prior to the new schedule. Those not having submitted a choice 30 days prior to the start of the new schedule will lose their place in rank for that schedule and will be placed into the schedule at the preference of the sergeant for that 3-month rotation. They will retain their seniority and be able to have their pick for the following rotations provided that they have met the 30-day time limit for the next schedules.

The members will only be able to stay on the same shift, i.e. evenings, mids, or days for two rotations of the schedule. After two rotations they will have to choose another shift to work on for at least one 3-month rotation or for the length of that schedule whatever it may be.

Should the management see fit to lengthen or shorten the rotation, 6 weeks, 4 months, etc. the shift by seniority will still apply to whatever length the current work schedule is.

Section 3 - Extra Work

However, volunteers will not necessarily be selected for work in progress. Also, specific employees may be selected for special assignments based upon seniority, specific skills, ability and experience they may possess. The Department Head will endeavor to equalize extra work opportunities among employees. If an employee demonstrates that he has not been offered his fair share of such opportunities, he shall be given first preference in the future. SICK LEAVE - BANK POLICY

SICK LEAVE BANK POLICY

1. Purpose: The Sick Leave Bank is a means for participating employees to transfer vacation or sick leave time to be used in times of need by those qualifying employees experiencing a catastrophic illness or injury. The Sick Leave Bank provides some potential income protection for those who cannot perform regular duties and have exhausted all forms of paid leave accumulations.

2. Definition: The Sick Leave Bank is funds voluntarily donated by participating employees in the form of accumulated sick days. Employees who wish to be eligible for time in the sick bank, should they need it, must donate exactly one sick day per year.

3. Eligibility:

(a) Any request for time from the sick leave bank shall be made for personal use only. An accident or injury of a family or household member does not constitute eligibility.

(b) An employee must have completed their initial evaluation period by working for the town of Raymond for six consecutive months.

(c) An employee must have contributed sick time into the bank.

4. Sick Leave Bank Committee: A three member Sick Leave Bank Committee (SLBC) is required to be established as soon as employees decide to become members through the required donation of sick time.

The SLBC will consist of three members:

- ◆ one person appointed by the Board of Selectmen and
- ◆ two other regular employees of the Town of Raymond appointed by the Town Manager.

A fourth alternate: member may be chosen if decided upon by the Board of Selectmen. An alternate may serve in place of one of the committee members in case of their absence or if a conflict exists with a particular request.

Responsibilities of the committee are as follows:

- (a) The SLBC shall review all requests for sick bank days. They are to determine an employee's eligibility, the individual circumstances of the request and recommend the number of days an approved applicant may receive.
- (b) All recommendation to accept a requested use of the sick leave time bank must be unanimous or the request will be denied.
- (c) The SLBC will base its recommendations on the following guidelines:
 - 1, Nature and seriousness of the illness

2. Expected duration of the absence
3. Applicant's past attendance record
4. Other pending requests

5. Guidelines for Request Procedure

- (a) All requests for sick bank days are to be made in writing to the Sick Leave Bank Committee. Eligible employees are also required to submit a letter from their doctor verifying the estimated length of illness and time away from work.
- (b) The applicant will send a letter to the Town Manager requesting that a copy of their attendance record be sent to the committee to be used in their recommendation.
- (c) A request for time does not constitute approval.
- (d) The committee's recommendations are to be sent to the Board of Selectmen for final approval within fourteen days of the initial application for time.
- (e) The Board of Selectmen will inform the applicant of their decision within seven calendar days after receipt of SLBC recommendation.

6. Limitations:

- (a) Employees using sick leave bank days will continue to accumulate leave days. Accrued leave will be used immediately in place of sick bank days.
- (b) Any granted but unused time will be returned to the sick bank.
- (c) A maximum limit of thirty days or 1/4 of the total time in the bank (whichever is less), can be granted at any one time.
- (d) Donations of additional sick leave may be given by employees at any time.
- (e) Donations of leave do not guarantee that there will be sick bank days to draw upon. At times, the need for hours may exceed the supply of hours in the bank. Should such a situation arise, the Town is not obligated to supplement the Sick Leave Bank in any way, although the Town may request donations from employees to accommodate a specific need.
- (f) An employee may be required to provide reimbursement for the monetary equivalent of granted days, if the employee recovers damages for lost wages in a civil suit.
- (g) An employee shall be required to provide reimbursement for the monetary equivalent of granted days, and subject to disciplinary action, if the committee finds that the employee obtained sick leave bank days through fraudulent actions or statements.
- (h) Changes or exceptions to the policy governing the Sick Leave Time Bank may be made with the approval of the Board of Selectmen.

APPENDIX B

FAMILY & MEDICAL LEAVE POLICY

TOWN OF RAYMOND, NH POLICY

Family and Medical Leave Act of 1993

PURPOSE

It is the policy of the Town of Raymond to grant eligible employees with paid leave from the Town under the Family and Medical Leave Act (FMLA) of 1993.

Under the Family and Medical Leave Act ("FMLA"), eligible employees may take an unpaid leave of absence and be restored to the same or an equivalent position upon their return to work for any of the following reasons:

1. The birth of the employee's child and to care for the newborn child (leave must be taken within twelve (12) months of the birth of the child);
2. The placement of a child with the employee for adoption or foster care, and in order to care for the newly placed child (leave must be taken within twelve (12) months of the adoption or placement of the child);
3. The serious health condition of a spouse, parent, minor child, or adult child when the adult child is incapable of self-care and the employee is needed for such care ("covered family members");
4. The employee's own serious health condition that renders the employee unable to perform his or her job;
5. A "qualifying exigency" (as defined in the Department of Labor Regulations) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty or has been notified of an impending call or order to active duty in the United States Armed Forces in support of a contingency operation as a member of the National Guard or Reserves;
6. The employee is a spouse, son, daughter, parent, or next of kin of a "covered service member" (as defined in the Department of Labor Regulations) who has a serious injury or illness and the employee is needed to care for such person.

Eligibility Requirements: To be eligible for FMLA leave, an employee must satisfy both of the following conditions:

The employee must have worked for the Town for at least twelve (12) months, and must have performed at least 1,250 hours of work in twelve (12) months prior to a leave request;

Leave Entitlement: If an employee takes FMLA leave for a reason stated in paragraphs (1)-(5), above, the employee is entitled to up to twelve (12) workweeks of

unpaid leave during a twelve (12) month period. That twelve (12) month period is defined as a "rolling" twelve (12) month period measured backward from the date an employee begins an FMLA leave. In other words, the number of weeks the employee has available upon the beginning of FMLA leave will be twelve (12) weeks less the number of FMLA leave weeks taken in the twelve (12) month period prior to the beginning of the current FMLA leave (the "Available Leave Weeks"). For example, if an employee used four weeks beginning February 1, 2008, four weeks beginning June 1, 2008, and four weeks beginning December 1, 2008, the employee would not be entitled to any additional leave until February 1, 2009. Beginning on February 1, 2009, the employee would be entitled to four weeks of leave; on June 1, 2009, the employee would be entitled to four additional weeks; and so on.

If an employee takes FMLA leave for the reason stated in paragraph (6), above, the employee may take up to 26 weeks of unpaid FMLA leave within a single 12-month period. This 12-month period begins on the first day of leave.

An employee who takes FMLA leave for a reason stated in paragraph (6), above, will be limited to a combined total of 26 workweeks of leave for any FMLA-qualifying reason during the single 12-month period. The leave entitlement described in paragraph (6) above is to be applied on a per-covered-servicemember, per injury basis such that an eligible employee may be entitled to take more than one period of 26 workweeks of leave if the leave is to care for different covered service-members or to care for the same service-member with a subsequent serious illness of injury, except that no more than 26 workweeks of leave may be taken within any single 12-month period.

Tracking FMLA Leave: When an eligible employee requests any leave of absence that qualifies under the FMLA, the Town has the right to designate such leave as FMLA leave. For example, if an eligible employee suffers a work related injury that qualifies as a serious health condition, the Town has the right to designate any time away from work as FMLA leave. In such circumstances, the Town will provide the employee with the same notifications as though the employee had specifically requested FMLA leave.

Intermittent and Reduced Schedule Leave: Under some circumstances, employees may take FMLA leaves of absences intermittently (in separate blocks of time due to a single FMLA qualifying reason) or on a reduced leave schedule (reducing the usual number of hours an employee works per workweek or workday). Certification will be required to show that an intermittent or a reduced schedule leave is a medical necessity for leaves under paragraphs (3), (4), and (6), above. Other documentation or certification may be required to show that such an intermittent or a reduced schedule leave is necessary in the case of a leave of a "qualified exigency" under paragraph (5), above.

If FMLA leave is for birth and care, or placement for adoption or foster care, as described in paragraphs (1) and (2), above, use of intermittent leave is subject to Board of Selectmen approval.

When an employee takes intermittent or reduced schedule leave, time spent working will not be counted against the employee's FMLA entitlement.

Employees taking intermittent or reduced schedule leave will be paid for the time they work, and the leave time away from work will be unpaid unless the employee qualifies for workers' compensation, short-term disability, or other benefits. If an employee is a salaried employee, the Town will adjust the employee's salary based on the amount of time actually worked.

While an employee is on intermittent or reduced schedule FMLA leave, the Town may temporarily transfer the employee to an available alternate position that better accommodates the employee's recurring leave and that has equivalent pay and benefits.

Employees who take intermittent leave for a planned medical treatment have an obligation to make a "reasonable effort" to schedule the treatment so as not to disrupt unduly the Town's operations.

Status of Employee Benefits: Employees are required to use any accrued, unused paid time off days during FMLA leave unless the FMLA leave is otherwise paid through workers' compensation benefits, short-term disability benefits, or other benefits. The substitution of paid leave time for unpaid leave time does not extend the FMLA leave period. Also, the employee's FMLA leave may run concurrently with other types of leave.

During an approved FMLA leave, the Town will maintain the employee's health benefits under the same terms and conditions applicable to employees not on leave.

- If paid leave is substituted for unpaid FMLA leave, the Town will deduct the employee's portion of the health plan premium as a regular payroll deduction.
- If an employee's leave is unpaid, or is paid through workers' compensation, short-term disability benefits, or other benefits not provided through the Town's payroll system, the employee must pay his or her portion of the premium by making arrangements with the Town's Finance Director.
- Health and other benefit coverage may be canceled if the employee's premium payment is more than (thirty) 30 days late.

If an employee elects not to return to work at the end of the leave, the employee will be required to reimburse the Town for the cost of the premiums paid by the Town for maintaining coverage during the unpaid leave, unless the employee cannot return to work because of a serious health condition or because of other circumstances beyond the employee's control. If the FMLA leave is for a condition that is covered under the Town's short or long term disability insurance, covered employees may apply for benefit coverage.

Benefit entitlements based on length of service will be preserved at the level earned as of the commencement of the leave, but will not accrue further during the leave period. For example, an employee on leave will not accrue additional sick/personal days.

Requesting Leave: Employees must complete the appropriate FMLA leave request

forms. These forms are available from the Finance Department.

If an employee's need for leave is foreseeable, such as for the birth of a child or planned medical treatment, you must give your Department Head and the Finance Director (thirty) 30 days' prior written notice. In cases of planned medical treatment, **please make** efforts to schedule the treatment to avoid disrupting the Town's operations.

If the need for leave is not foreseeable, the employee must give notice to his or her Department Head as soon as practicable (generally, either the same day or the next business day of learning the employee's need for leave) and the employee must comply with all of the Town's policies regarding absences from work. Failure to provide such notice may be grounds for delaying the leave. If the employee is unable to notify the Town of his/her need for leave personally because of illness, the employee should ask someone else to call on his or her behalf.

Medical Certifications: If an employee is requesting leave because of the employee's serious health condition, a covered family member's serious health condition, or for the serious injury or illness of a covered service-member, the employee must provide a medical certification from the appropriate health care provider. It is an employee's responsibility to provide a complete and sufficient certification. Please obtain medical certification form from the Finance Department for the health care provider to use. If possible, the employee should provide the medical certification before the leave begins. If that is not possible, the employee must provide the medical certification within fifteen (15) days of requesting leave. If the employee does not provide the required medical certification in a timely manner, the employee's leave may be delayed. If you do not provide the certification at all, the Town will not be able to determine whether you are eligible for FMLA leave and your leave will be denied. The Town reserves the right to authenticate or clarify any medical certification if necessary.

In the case of an employee's own serious health condition, or that of a family member's serious health condition, the Town, at its expense, may require an examination by a second health care provider designated by the Town. If the second health care provider's opinion conflicts with the original medical certification, the Town, at its expense, may require a third health care provider agreed upon by the employee and the Town to conduct an examination and provide a final and binding opinion.

The Town may also require subsequent medical recertification. Failure to provide requested re-certifications within fifteen (15) days may result in delay of further leave.

Certifications for a Qualifying Exigency: Employees who request a leave for a "qualifying exigency" arising from an immediate family member's call to active duty or impending call or order to active duty will be required to provide a copy of the family member's active duty orders or other documentation issued by the military indicating the member is on active duty or call to active duty status in support of a contingency operation. Other documentation certifying the exigency necessitating the leave will also be required.

Confirmation of Familial Relationship: Employees requesting a leave of absence

based on a familial relationship (e.g. leaves under paragraphs (3), (5) and (6)), may be required to provide reasonable documentation or statement of family relationship. This documentation may take many forms, including but not limited to a child's birth certificate, a court document, etc.

Reporting While On Leave: If an employee takes leave because of his or her own serious health condition, to care for a covered family member with a serious health condition, to care for a covered service-member with a serious illness or injury, or for a qualifying exigency, the employee must contact the office of the Finance Director on a regular basis to provide updates about the status of the need for leave (e.g. the medical condition of the employee or the individual for whom the employee is caring, or other circumstances necessitating leave) and the employee's intention to return to work. In addition, the employee must give notice as soon as practicable (within two (2) business days if feasible) if the dates of leave change or are extended or initially were unknown.

No Work While On Leave: The taking of another job (including self-employment) while on FMLA leave or any other authorized leave may lead to disciplinary action, up to and including discharge.

Returning To Work: At the end of an authorized FMLA leave, the employee will be reinstated to his or her original position or an equivalent position. However, certain highly compensated employees or "key employees" may be denied restoration to their prior or equivalent position if keeping the job open for the employee would result in substantial economic injury to the Town. Key employees are those employees who are among the highest paid ten percent of employees within 75 miles of the worksite:

If an employee takes leave because of his or her own serious health condition, the employee will not be reinstated until the employee provides a fitness for duty certificate from his or her health care provider confirming that the employee is medically able to resume work and perform the essential functions of his or her job. The return-to-work medical certification forms are available from the Finance Department. The Town reserves the right to clarify and authenticate such certification.

Coordination With Maternity Leave: As stated in our Maternity leave policy, the Town provides female employees with a leave of absence for the period of temporary physical disability resulting from pregnancy, childbirth, and related medical conditions. If an employee is also eligible for FMLA leave, the employee's FMLA leave and Maternity Leave will run concurrently. Please refer to the Town's Maternity Leave policy for more information regarding Maternity Leave.

For purposes of coordinating FMLA and maternity leaves, maternity disability leave will be treated in the same manner as the FMLA leave of absence described in paragraph (4) above. Maternity disability leave begins when an employee is medically determined to be disabled and ends when medically determined to be able to return to work. If a maternity disability leave is for the number of available FMLA leave weeks or less, the employee may take additional FMLA leave pursuant to paragraph (1) or (2) after the end of the disability period, not to exceed the number of remaining available leave weeks and will be reinstated in accordance with this FMLA policy. If a maternity disability leave exceeds the number of available FMLA leave weeks, then reinstatement will be governed by the maternity leave policy.

Coordination with Other Town Policies: Reference to FMLA and Federal Regulations:

In the event of any conflicts between this policy and other Town policies, the provisions of this policy will govern. The FMLA and the FMLA regulations issued by the U.S. Department of Labor contain many limitations and qualifications that are not stated in this policy. The Town reserves the right to apply the terms of the FMLA and the FMLA federal regulations.

Any questions relative to FMLA leaves, including eligibility requirements, should be directed to the Town Manager at the Town Hall, 4 Epping Street, Raymond, NH 03077 (603) 895-4735.
