Article 1 - Recognition

- A. In accordance with the New Hampshire Public Employee Labor Relations Board certification of August 10, 1990, the Board recognizes the Union as the sole and exclusive representative of all permanent full-time and part-time employees of the Buildings and Grounds Department, including Head Custodians, Custodians, Groundskeepers, Utility Persons, and Maintenance Persons. Excluded: Director of Facilities; Facilities Supervisor; HVAC Technician.
- B. Whenever used in this Agreement, the term full-time employees shall refer only to employees regularly scheduled to work thirty (30) or more hours per week on a permanent basis. The term part-time employees shall refer only to employees working less than thirty (30) hours per week on a permanent basis.
- C. The Union agrees for itself and its members that they will individually and collectively perform loyal and efficient work and service and use their influence and best efforts to promote and advance the interest of the Rochester School District.
- D. Whenever used in this agreement one (1) day shall be the equivalent of 1/5 of the regular work week schedule of any individual employee. For the purposes of leaves, one week shall be the equivalent of the regular work week schedule of any individual employee. All leaves and accruals are recorded as hours in compliance with the day and week wording herein.

Article 2 - Probationary Period

- A. Whenever re-employments are made, or the District hires new employees, they must complete a ninety (90) calendar days probationary period before attaining rights under this Agreement. It is understood that probationary employees are employees at will and may be discharged at the sole discretion of the District.
- B. An employee who is promoted to a higher level shall be placed in a probationary status not to exceed sixty (60) days or the balance of the original probationary period, whichever is greater in the higher position. In the event that the

employee does not perform satisfactorily in the higher level duties, he/she shall be reduced in status to the same classification, pay grade, and pay step that he/she had prior to promotion without loss of seniority. Employees placed in a probationary status as a result of promotion retain all rights afforded under this agreement, however in the event that an employee is promoted prior to the completion of his/her original probationary period, Article 2, Paragraph A, may prevail if satisfactory performance is not achieved.

Article 3 - Working Conditions

A. Hours of Work and Overtime

1. The normal work week for full-time employees shall be thirty hours or more, with the hours of work to be determined and scheduled by the Director of Facilities. The District shall make reasonable efforts to schedule these hours on five consecutive days. Normal working hours shall be between 6:00 a.m. and 10:00 p.m.
2. Overtime will be paid in compliance with all Department of Labor laws and regulations. Except in the case of emergencies, health, safety and preservation of public property, all hours worked in excess of regularly scheduled hours must be approved in advance by the Director of Facilities or designee. Overtime will be paid for actual hours worked over forty (40) during any one week period, defined as 12:00 am Sunday to 11:59 PM Saturday. For the purpose of determining a forty (40) hour week, vacation time shall count as hours worked. No temporary employee shall be offered overtime until all regular employees have been afforded the opportunity for such overtime. However, the provisions of this Article will not prevent the District from responding to emergency situations. At the request of the employee and with the approval of the Director, overtime worked through the end of May, may be recorded as comp time up to eighty (80) hours at the rate of one and one-half hours of comp time for each hour of overtime worked. Comp time will not be available for overtime worked in June. All comp time must be used by June 30 or it will be paid as wages. Use of comp time is otherwise subject to the provisions of Article 6, Section B, 3 (Vacation Procedures), paragraphs (a) and (b).
3. It shall be the duty of employees to make themselves available during the course of emergencies. Refusal without justification may result in disciplinary actions. Emergencies shall be determined by the Superintendent of Schools or his/her designee.
4. An employee who is called back for work by his/her supervisor or other authorized administrator without prior notice of at least twenty-four (24)

hours shall be paid at the overtime rate with at least a minimum of three (3) hours callback time at the overtime rate, during which time, the supervisor may assign appropriate work.

5. Starting and finishing hours for all employees covered by this agreement shall be set by the Superintendent of Schools or his/her designee. Except in emergencies, the employee will be given one week of notice prior to a change in his or her normal schedule.

6. Lunch

- a. Maintenance, Grounds, Utility and Custodial employees shall be entitled to a one-half hour paid lunch, but shall be available for duties as they arise during said lunch break, and shall be entitled to one (1) paid fifteen (15) minute break.
- b. Breaks shall be scheduled as close as possible to one-half (1/2) way between start and lunch.

B. Bulletin Boards

The District shall provide a bulletin board in each school and in the Maintenance Building for the posting of notices of the District addressed to the employees and notices of the Union addressed to its members. The District shall locate its bulletin boards at convenient locations in the schools. No notice shall be posted in or around the District property, except on such boards and then only after approval by the District as being suitable for posting and until it shall have been signed by the Union President, Secretary or Chairperson.

C. Safety

1. The District shall have the right to make regulations for the safety and health of its employees during their hours of employment. Representatives of the District and the Union may meet once every ninety (90) days during regular working hours to discuss such regulations. The Committee shall be composed of two (2) Union appointed representatives and two (2) representatives appointed by the District. The Union agrees that its members who are

employed by the District will comply with the posted District's rules and regulations relating to safety, economy, continuity and efficiency of service to the District and the Public.

2. The Union and its members agree to exercise proper care and to be responsible for all District property issued or entrusted to them.
3. All employees shall be provided with the materials, including tools (except for a basic set of small tools such as a hammer, screwdrivers, pliers and crescent wrench) and equipment, that the district deems necessary to perform their assigned duties. The District will provide lockers at the Maintenance Shop wherein Maintenance employees may store their tools.
4. A uniform service will be provided to all employees. Such service shall be paid for by the School District. Eleven (11) changes in pants, eleven (11) changes shirts, and two jackets will be available for each full-time employee. Five (5) changes in pants, five (5) changes in shirts, and one (1) jacket will be available for part-time employees.

The Director of Facilities shall establish a credit/charge account in the amount of up to three hundred fifty dollars (\$350) per year for each full-time employee, one hundred seventy-five dollars (\$175) for part-time employees, for the purpose of purchasing work safety shoes or boots.¹ Any unused funds as of June 30 (the end of the fiscal year), shall revert to the District.

5. Those employees working during a designated "spirit day" for their assigned school may wear clothing appropriate to participate in the Spirit Day activities, and they may participate in jeans days on the same terms and conditions as other staff. Whenever temporary or Welfare Workers are used, employees covered under this Agreement shall not be held responsible for the quality of work for said workers, except that the Director of Facilities shall be notified if a temporary or Welfare Worker is doing poor quality work or refusing to work.

¹ These funds may also be used for the purchase of hats, gloves, t-shirts and shorts.

Article 4 - Wages

A. Wage Schedules

See Appendix A for Wage Schedule.

For the first year of this contract, employees will be placed on the scale at a step that guarantees they will not receive a pay cut as a result of the new scale. If their normal step adjustment would put them at a lower rate of pay than they receive under the current contract, they will be moved to the next higher step.

For the second and third years of this contract, annually on July 1, during the term of the agreement, the wage schedule contained in Appendix A for FY 2024 will be adjusted by the percentage change in the CPI-U index for Boston-Cambridge-Newton, MA-NH (from November to November of the year preceding the effective date of the pay range adjustment.) The adjustments shall be cumulative year to year. However, in no event shall the adjustment to the wage schedule be less than 2.0% nor more than 4.0% in the second and third years of this contract.

For example, if the CPI-U is 0.0%, the adjustment to the pay range shall be 2.0%. If the CPI-U is 3.0%, the adjustment to the pay range shall be 3.0%. If the CPI-U is 5.0%, the adjustment to the pay range shall be 4.0%

Any future adjustment for a successor agreement in these pay ranges shall be negotiated by the parties.

B. Step Increase

Effective 07-01-2023 employees will be placed on the wage schedule as set forth in Appendix A. Employees will be eligible for an annual one (1) step pay increase on the wage schedule contained in Appendix A, as of 07-01-2024 and 07-01-2025, based upon achieving at least satisfactory results in the performance evaluation process.

If an unsatisfactory performance evaluation is received, the employee may request re-evaluation between ninety (90) and one hundred twenty (120) days after the initial evaluation. If the employee achieves a satisfactory rating, they shall then receive the step increase as of the re-evaluation date. If the employee's performance is still deemed unsatisfactory, they shall have the ability to appeal to the Superintendent who will have the discretion to make a final decision on whether a step advancement shall be awarded.

C. Cell Phones

The District does not ordinarily require employees to carry a cell phone. If the District does require an employee to carry a cell phone, then the District will provide a cell phone to the employee.

D. Longevity Pay

1. All Full-Time employees shall receive longevity pay as follows:

Effective July 1, 2023, employees shall receive longevity pay as follows:

5-9 years \$375; 10-15 years - \$500; 16-19 years - \$650; 20+ years - \$700.

2. Longevity shall be paid to employee, who complete the years of service requirement by December 31 of the applicable calendar year as indicated by their anniversary date, in the first pay period in December in a separate check. In the event an employee retires or terminates service prior to the longevity payment, a prorated payment will be made upon termination based on the number of days worked in that calendar year. In the event that an employee terminates after the payment has been made and before December 31 of that calendar year, a prorated deduction will be made based on the number of days not worked for that calendar year.

E. Extra-Curricular Work Opportunities

When functions held in a school building require the presence of an employee from this bargaining unit, notice of the job opportunity shall be posted in advance. Assignments shall be at the discretion of the Director of Facilities.

F. Licenses

The School District will pay for license fees and training to maintain the license provided the license is a posted requirement of the job.

G. Annual Appropriations Necessary to Fund Agreement

The parties recognize that any agreement reached between them which requires the expenditure of public funds for its implementation is conditioned upon, and is not binding unless and until, the necessary appropriations have been made by the Rochester City Council. The School Board agrees to make a good faith effort to secure the funds necessary to implement said agreement. If the necessary appropriations are not made by the City Council, the parties shall return to the bargaining table and may reopen negotiations on all or part of the entire agreement.

H. Stipends

In addition to the wage schedule in Appendix A, the following amounts shall be paid annually for the following assignments:

\$950	Head Groundskeeper
\$750	Head Custodian, High School and Middle School

2. The Board agrees to pay 80% of the premium for the Access Blue ABSOS 20/40/1 KDED Rx 10/20/45 and employees shall be responsible for 20% of the premiums and the full amount of their deductibles.

The Board reserves the right, after 15 days advance written notice to the Union, to change carriers or modify the plan provided similar benefits are maintained. The parties agree that the obligation to provide similar benefits does not require the Board to provide identical benefits.

3. The District shall offer employees the option to enroll a domestic partner in the medical and dental plans offered to bargaining unit members, provided the employee and their domestic partner complete and submit the forms provided by the medical benefits provider to establish their eligibility for insurance.
4. All Full-time employees shall be eligible to participate in the District-sponsored dental insurance plan. The District agrees to pay up to \$300.00 of the premium cost for single-person coverage for the current Single Low option dental plan, or its equivalent. If the employee chooses two-person or

family coverage the additional premium shall be withheld through payroll deduction.

5. The District shall pay one hundred percent (100%) of the premium cost of a seven thousand five hundred dollar (\$7,500) life insurance policy for each full-time employee.
6. The District shall allow employees to enroll in a so-called Section 125 flexible pre-tax spending benefits plan. This plan may be administered by a vendor hired by the District, and shall follow all applicable Federal and State rules and regulations. The District shall pay the administrative fees.
7. **ACA Compliance**
Either party to this agreement may upon any material change to the ACA, or to the regulations implementing and interpreting it, reopen bargaining upon the cost and impact of such change.

B. Workers' Compensation

1. Workers' Compensation benefits will be provided as specified in the New Hampshire Statutes. In cases where an employee is on total disability, the District shall pay to the employee the difference between the Workers' Compensation benefit and the employee's take-home pay, through the pro-rated deduction of the employee's accrued sick leave.
2. In no event shall such payments exceed the employee's accumulated sick leave. An employee may elect, at the outset of his/her disability, not to receive the differential. Such election must be made in writing to the Superintendent's Office. In that case, no charge will be made against his/her sick leave.

Article 6 - Holidays and Vacations

A. Holidays

1. All full-time employees who have completed the probationary period, shall be paid the following named holidays:

New Year's Day	Columbus Day
Presidents' Birthday	Veteran's Day
MLK Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Independence Day	Christmas Day
Labor Day	Juneteenth

Part-time employees who have completed the probationary period, shall be paid for the above-referenced holidays (pro-rated share as compared to full-time employees) based upon the length of their regularly scheduled work day.

If school is in session on a designated holiday referenced above, the holiday will be rescheduled or considered a "floating" holiday at the discretion of the Superintendent of Schools or designee.

2. All work performed on a designated holiday shall be paid one and one-half times the employee's regular rate of pay for all approved hours worked, or such other rate is required by law, in addition to the holiday pay.
3. In order to qualify for the holiday pay referred to in Paragraph 1 above, the employee must have worked the last scheduled work day before the holiday and the first scheduled work day after the holiday, except for any authorized leave or sick leave with a doctor's note.
4. All hours paid on a holiday shall be counted as hours worked for the purpose of computing overtime.

B. Vacations

1. Vacation eligibility shall be dependent upon continuous service and employment as a full-time employee on a fifty-two (52) week basis. Part-time employees may accrue vacation on a pro-rated basis (as compared to full-time employees) based upon their regularly assigned work schedule.² Vacation time will be posted at the end of the month of the employees' anniversary date. Annual vacation may be taken at one day or up to one week at a time. Requests for extended vacations, those longer than one week, require the consent of the supervisor. For the purpose of this Article, one week shall be the equivalent of five (5) days.
2. Vacation time shall be granted in the following increments:

Vacation time in weeks/hours conversion as described in Article 1, paragraph D.

After 1 year of continuous service.....	1 Week
After 2 years of continuous service.....	2 Weeks
After 5 years of continuous service.....	3 Weeks
After 10 years of continuous service.....	4 Weeks

² By way of example, a part-time employee regularly assigned to work four (4) hours a day, and twenty (20) hours a week, will be granted one (1) week of paid vacation (20 total hours) after one (1) year of continuous service.

3. Vacation Procedures

- a. The supervisor will determine the annual vacation schedule taking into consideration the best interest of the Department, the particular needs within the Department, and the desires of the individual employee.
 - b. Vacation schedules will be the responsibility of the supervisor. All requests for vacation must be made in writing a minimum of two weeks in advance. Notwithstanding the foregoing, up to two single day vacations requests may be made on a minimum of 24 hours' notice. In the event that more employees apply for time off than can be spared from the job at a given time, seniority will be the basis for resolving priority. Approved vacation time off will not thereafter be canceled or changed without the mutual consent of the supervisor and the employee.
 - c. An employee who desires his/her full annual vacation pay before going on annual vacation should notify the payroll supervisor at least twenty (20) days in advance of his/her last working day.
 - d. If an employee terminates his/her service or takes an extended leave of absence, he/she will receive full pay for all accumulated annual vacation which he/she has not taken. All unused vacation time shall be paid at the employee's regular straight time base rate of pay when the employee terminates his/her employment. Vacation time on the books, if an employee dies while working for the District, will be paid to his/her estate.
4. For purposes of accounting, vacation days shall be granted on the employee's anniversary date of hire. Thus, when an employee has worked in the district for one full year, he/she will become eligible to take one week of vacation during his/her second year; when the employee has worked in the district for two full years, he/she will become eligible to take two weeks of vacation during each of his/her third and fourth years; etc. Employees may not accumulate more than 25 days of vacation. Any additional days will be forfeited upon the employee's anniversary date.

Article 7 - Leaves of Absence

A. Sick Leave

1. Full-time employees will accumulate sick leave at a rate of one and one-fourth (1.25) days per month during the months that the employees are on duty, accumulating to a maximum of one hundred ten (110) days. Part-time employees will accumulate sick leave on pro-rated basis (as compared to full-

time employees) based upon their regularly assigned work schedule.³ The employee shall make every reasonable effort to notify the Supervisor or his/her designee of his/her inability to work as soon as possible, with a minimum of one (1) hour notice for first shift and a three (3) hour notice for second shift. If an employee is away from work on sick leave for more than three (3) consecutive days, the District may require a medical certificate at the employee's expense. The District will maintain a record of all credits and debits to the sick leave account for each employee. These sick leave accounts are available for inspection by the employee.

2. Up to three (3) sick days per year may be used by an eligible employee for the purpose of caring for his/her sick child, or, upon approval of the Superintendent, for a different member of the employee's family who is sick. These days shall be deducted from the employee's accumulated sick leave. Notice requirements shall be the same as those for a sick employee.
3. Eligible employees shall receive severance pay equal to fifty percent (50%) of their unused and accumulated sick leave, at the per diem rate at which the employee last earned, when retiring from the School District.

Employees must provide written notice of intent to retire to Superintendent of Schools on or before the February 1st immediately preceding the school year within which they intend to retire. If notice of intent to retire is given after the February 1st immediately preceding the school year within which they intend to retire, severance pay under this section shall not be payable until within thirty (30) days of the following July 1st.⁴ The Superintendent may choose to waive these requirements in appropriate circumstances and such decision shall not be subject to grievance or appeal.

B. Maternity Leave

Maternity leave shall be treated as sick leave with the following conditions:

1. Sick leave shall be granted with a physician's statement that the covered employee is no longer able to conduct her duties without damaging the health of the mother or future child.

³ By way of example, a part-time employee regularly assigned to work half (50%) the number of hours assigned to a full-time employee per week will accumulate sick leave at fifty percent (50%) of the 1.25 days per month full-time rate (*i.e.*, 0.625 days per month or 7.5 days per year).

⁴ By way of example, if an employee provides written notice in April of intent to retire in August, severance pay under this section shall not be due and payable until July of the following year.

2. A temporary leave of absence, without pay, shall be granted earlier than sick leave by mutual agreement of the individual covered employee and the Superintendent.
3. After delivery, sick leave shall continue for one week or until such time as her physician states the mother is no longer ill and she is able to resume her duties.
4. An additional temporary leave, without pay, shall be granted by mutual agreement of the individual covered employee and the Superintendent.
5. In the case of extended leave, benefits such as raises that would normally accrue to her shall not be withheld.

C. Bereavement Leave

Bereavement leave shall be granted, upon request, when a death occurs in a permanent employee's family in accordance with the following schedule:

1. Spouse or child: Five (5) consecutive work days from the date of death excluding Saturday, Sunday and Holidays.
2. Father, Mother, Father-in-law, Mother-in-law, Sister, Brother, Grandchild, relative or ward residing in the employee's household: Three (3) consecutive work days from the date of death excluding Saturday, Sunday and Holidays.
3. Grandmother, Grandfather, Aunt, Uncle, Sister/Brother-in-law, Son/Daughter-in-law: One (1) day for the purpose of attending the funeral.
4. Leave to attend the funeral of any individual not listed above shall be granted only at the discretion of the Superintendent of Schools and may be granted only one time per year per employee.
5. Under extenuating circumstances as determined by the Superintendent, two (2) additional consecutive work days with pay may be granted under Section 1, 2 or 3 with written approval of the Superintendent.

D. Personal Leave

Covered employees are eligible for personal leave, not to exceed two (2) days per employee per year. Part-time employees are eligible for personal leave, not to exceed one (1) day per employee per year. Requests for personal leave must be made in writing, a minimum of 48 hours' notice prior to the anticipated leave date. The days allowed will be for personal affairs provided that the leave be taken for purposes which could not reasonably be accomplished on other than a school day. Personal days contiguous to holidays or other vacations may be taken with the prior approval of the Superintendent or designee. Approval shall not be unreasonably withheld.

E. Jury Duty

1. An employee who is summoned and reports for jury duty, as prescribed by applicable law, shall be paid by the District an amount equal to the difference between the amount of wages the employee otherwise would have earned by working during straight-time hours for the District on that day and the daily jury duty fee paid by the court or agency (not including travel allowances or reimbursement or expenses), for each day on which he/she otherwise would have been scheduled to work for the District.
2. In order to receive payment, an employee must give the District prior notice that he/she has been summoned for jury duty and must furnish satisfactory evidence that he/she reported for or performed jury duty on the days for which he/she claims such payment. The provisions of this section are not applicable to an employee who, without being summoned, volunteers for jury duty.

F. Other Leaves of Absence

1. Leaves of absence may be granted, without pay or benefits, but with no loss of any other employment rights, upon recommendation of the Superintendent. Employees must submit a request at least two (2) weeks before the leave is to begin. The Superintendent may waive the two week rule in cases of emergency.
2. With the prior approval of the Superintendent or his designee, covered employees may make application for a total of two (2) days leave of absence with pay for attendance at professional conferences, work-related conventions, training institutions, seminars and school.
3. Except under extenuating circumstances, written application for this leave shall be received in the Superintendent's Office seven (7) school days prior to such leave. The Superintendent may extend this leave if he/she determines that it is the best interest of the District.

G. Perfect Attendance Incentive

Any covered employee with perfect attendance for the year, defined as no sick or personal leave usage, will receive a \$150.00 incentive bonus.

H. Family and Medical Leave (FMLA)

Unpaid leave(s) of absence shall be granted to any covered employee who qualifies under the provisions of the Family and Medical Leave Act of 1993 (FMLA). A physician's signed statement of approval to return to work will be required for any employee who has been absent because of his/her own illness

for more than three days under this provision. Paid leave taken for an FMLA purpose shall run concurrently with an employee's FMLA leave. Entitlement to FMLA leave shall be based upon the "rolling forward" method for calculating any twelve (12) months.

Article 8 - Educational Incentive

- A. When the District requires an employee to attend an educational conference or course, the District shall pay the cost thereof, in advance, to the organization sponsoring the conference or course, as well as pay the employee for the time attending said conference or course, which shall generally not exceed the length of the employees' regularly scheduled work day, unless authorized by the Superintendent of Schools or designee.
- B. When an employee requests to attend an educational course or program, an application and estimated expenses must be submitted in advance to be used, in part, in determining approval or disapproval by the Superintendent of Schools. The employee shall initially pay for such approved course or program and will be reimbursed therefor, within thirty (30) days after submitting evidence of successful completion. Since attendance is voluntary, the time attending said conference or course is generally not considered compensable work time, but the employee may utilize accrued vacation or personal leave, based upon the authorization of the Superintendent of Schools or designee, in order to suffer no loss in pay.

Article 9 - Promotions and Transfers

- A. Job vacancies will be posted for five (5) working days in each school on a bulletin board designated for such purpose. Job postings will include job specifications (where available), location, rate of pay, hours, if it is a permanent position with a permanent rating, and the date for closing of applications.
- B. The District reserves the right to make promotions and grant transfer requests on the basis of qualifications for the position requested, ability, and performance of duty. Seniority shall govern where the District has determined that the employees have demonstrated equal qualifications, ability, and performance of duty.
- C. An employee may be assigned to the work of any position of the same or lower class grade without change in pay. Upon cessation of such temporary assignment, such employee shall be restored to his/her original position.
- D. When an employee is temporarily assigned to work in a higher class or position for a period extending beyond one full work day, such employee shall receive the

entrance rate of the higher class or position or the employee's current rate, whichever is higher.

Article 10 - Seniority

- A. An employee who has successfully completed his/her probationary period shall obtain seniority commencing with the hiring date and continuing so long as he/she is continuously employed by the District.

Hiring date for purposes of seniority shall be the first day of continuous full-time employment. A separate list will be created for part-time employees based on their first day of continuous employment.

- B. An employee shall not forfeit seniority during absences caused by the following:

1. Illness resulting in total/temporary disability due to his/her work with the District, certified to by an affidavit from the District's Workers' Compensation carrier.
2. Illness not the result of his/her own misconduct resulting in total/temporary disability, certified to by a physician's affidavit. After two (2) years, accrual of seniority will cease.
3. If serving on active duty with the Armed Forces.
4. Maternity leave/Leave without pay.
5. Leave with pay.

- C. An employee shall lose his/her seniority and have it terminated for, but not limited to, the following reasons:

2. If he/she resigns.

Article 11- Disciplinary Procedures

- A. It is recognized that school employees serve the public and they are expected to follow the rules and regulations of work performance and personal conduct, to work well with their fellow employees, and to do things that contribute to good job performance and reaching the goals of the District. When behavior departs from the standards set by the District the need for disciplinary action arises.

- B. All suspensions and discharges must be stated in writing, with the reasons stated and a copy given to the employee(s).
