A. It is hereby acknowledged by the Parties to this Agreement that employees of the Police Department are involved in hazardous employment that often places them in circumstances

endangering their well being. Considerations of the employer for sick leave benefits on behalf of police employees are therefore different than the considerations relating to any other City Department.

B. Sick leave shall be granted at the rate of one (1) day per month, to be credited on the last day of the month of employment, the unused portion accumulating up to a maximum of 110 days during the term of this Agreement.

C. The Parties to this Agreement hereby agree that an employee out of work due to a job connected injury or illness shall receive Workers' Compensation. The difference between the amount paid to the employee through Workers' Compensation and his/her regular wage shall be paid to the employee by the employer for a period of the first ninety (90) calendar days of said job connected injury; said amount shall not be charged against the employee's accumulated sick leave or vacation time. The actual payment of wages under this section shall be a combination of the Workers' Compensation benefit as determined by the Department of Labor and a supplemental payment by the City of Rochester which will be the difference between the Workers' Compensation payment and the employee's regular compensation, to be paid on a bi-weekly basis.

At the end of the first ninety (90) day calendar period of said job connected injury, the employee shall continue to receive both the Workers' Compensation benefit and the difference between that benefit and the employee's regular compensation, except that the differential between the Workers' Compensation benefit and the employee's regular compensation, shall be charged against the employee's accrued sick leave, if any, and thereafter, against vacation leave. The employee may elect to receive only the Workers' Compensation benefit and decline to receive the differential between the Workers' Compensation benefit and the regular weekly compensation, so as to avoid the charge against sick leave or vacation leave.

Provided further, that after expiration of the first ninety (90) calendar day period the Chief of Police shall at once order a complete physical and/or mental examination of said employee by two (2) registered physicians; and if the report of their examination establishes the injury as one which permanently incapacitates said employee, application shall be made for retirement under the provisions of the New Hampshire Retirement Law. The commencement of payments under the New Hampshire Retirement Law shall end the employer's obligation for payment of vacation time and/or accumulated sick leave under this section. Provided further, that if it is determinate immediately after an employee is injured, by two (2) registered physicians selected by the Chief of Police, that an employee will not be able to return to his/her regular duties at any time in the future, the employer shall not be obligated to pay the difference between Workers' Compensation and the employee's regular wage for the time periods of injury as outlined above.

The employee shall turn Workers' Compensation checks into the City in exchange for their regular City checks during their entire absence. The City agrees to continue paying the employee's retirement payments while the employee is unable to work due to the injury or illness.

D. At the discretion of the Chief of Police, a doctor's certificate may be required for absence due to illness in excess of two (2) days. If the Chief of Police has reasonable basis to believe or suspect an employee has abused sick leave privileges, he/she may require a doctor's

certificate for an illness of two (2) days or less with the Chief of Police selecting the doctor and the City paying for the cost of the visit to the doctor.

E. Each employee who does not use any sick leave for a period of ninety (90) consecutive days shall be entitled to one (1) day paid leave for each such ninety (90) consecutive days and for each successive sixty (60) consecutive days directly thereafter. An employee cannot accrue more than forty-eight (48) hours of personal leave. Said leave to be taken at the discretion of the Chief of Police and the Chief of Police shall not unreasonably refuse to grant said leave.

F. Each employee shall be entitled to two (2) personal days per contract year (pro-rated to the nearest full day for a partial year of service). Personal days shall be taken only in full one-day increments. Personal days not used will be lost at the end of the contract year and no compensation will be paid for unused personal days. The scheduling of personal days off shall be done in accordance with Article 15. C. of this Agreement.

G. Upon retirement from the New Hampshire Retirement System, an employee shall be paid for fifty (50%) percent of accrued sick leave at his/her regular rate of pay and upon death while employed by the Rochester Police Department, the employee's heirs shall be paid one hundred (100%) percent of accrued sick leave at his/her regular rate of pay.

H. Up to three (3) additional days each year with pay [with no accumulation from year to year] may be taken by an employee when the ill health of a member of the employee's immediate family requires the employee's care. For purposes of this section, an employee's immediate family shall be deemed to be the spouse, child, stepchild, mother, father or other dependents, as determined by the Internal Revenue Service's five point test; (Package 1040-1 Pub 12115Q, 1995). An exception may be made by the Chief of Police where extenuating circumstances exist.

1. Any full-time employee who is on active reserve in any branch of the military service will be granted two (2) weeks leave of absence per year without loss of pay provided the employee pays over to the City of Rochester all military pay earned as a result of the two (2) weeks absence.

C. Family Leave

1. **Eligibility/Notice:** Employees who have worked for the City a minimum of one year, and have worked 1,250 hours or more during the twelve months prior to requesting leave, are eligible for family and medical leave under the Family and Medical Leave Act (FMLA). Eligible employees may take up to 12 weeks of unpaid leave within a "rolling" twelve month period (29CFR 825.200(b)(4) for the birth adoption or foster placement of a child, or to care for a child, parent or spouse with a serious health condition, or for their own serious health condition. Leave for the birth or placement of a child by adoption or foster care must conclude within twelve months of the event. Leave may begin prior to birth or placement, depending on the circumstances. To qualify for medical leave, the health condition or treatment must be such that it requires inpatient care, or ongoing treatment by a health care professional, or an absence of more than three (3) days for recovery and/or treatment. Employees must provide the City with thirty (30) days advance written notice of the need for FMLA leave, or provide notice as soon as possible after leave time is taken if under emergency circumstances. If the City does not receive timely notice that an employee's absence was for an FMLA purpose, your absence may be retroactively designated as FMLA leave.

In the event that an employee does not meet the FMLA eligibility criteria he/she may apply for a regular leave of absence without pay which shall be considered by the City Manager upon the Department Head's recommendation. The decision to grant or deny such request shall be at the discretion of the City Manager. When an employee is out of work on a non-occupational disability leave the City shall concurrently designate the first twelve (12) weeks of such leave as FMLA leave.

2. **Intermittent or Reduced Leave** Employees may take leave intermittently or on a reduced work schedule if medically necessary in the event of his/her own or a family member's serious health condition. Intermittent leave or a reduced work schedule may be taken for the birth or placement of a child by adoption or foster care only with management approval. If leave is required on an intermittent or reduced work schedule basis, the employee may be required to schedule time off to cause the least disruption to the work flow and may also be required to transfer temporarily a similar position that would more easily accommodate an intermittent leave.

3. **Certification** Medical documentation will be required in order to take leave for personal serious illness or the serious illness of a family member. Certification from a health care provider must include the following:

- The date the serious health condition began;
- The expected duration of the condition;
- A statement that the employee is unable to perform the functions of the job, or a statement that the employee is needed to care for the ill person;

■ If applicable, the medical reasons for the need for an intermittent or reduced work schedule.

The City may require a second opinion at the City's expense. If a third opinion is required, the third physician must be agreed upon by the employee and the City, and the City will bear the expense. While on FMLA leave each employee shall furnish the City with written reports every thirty (30) days regarding their medical status and intent to return to work. Prior to returning to work from FMLA leave after absences of a week or longer, each employee shall be required to present medical certification attesting to the employee's fitness for, and ability to, return to work and resume their job duties. Failure to provide this certification shall result in a denial or delay of reinstatement.

4. **Child Care Rule – Both Parents Employed by the City** If the City employs both parents they are jointly entitled to a combined total of twelve (12) weeks of leave for the birth or placement of a child by adoption or foster care. If leave is required for an employee's own serious health condition, or to care for a sick child or spouse, each employee will be entitled to the remainder of their twelve (12) weeks of FMLA leave.

5. **Use of Paid Time-Off Benefits** Employees shall concurrently use applicable paid accrued leave such as sick, vacation or personal leave during their FMLA leave of absence. If the employee exhausts these accrued leave benefits, the remainder of the FMLA leave will be without pay.

6. **Employee Benefits** Health care benefits will be continued during this leave. During any paid portion of the leave the employee's share shall be deducted from the compensation received. During any unpaid leave the employee will be responsible for paying his/her portion of the premiums. If the employee's share of the premium is not paid within thirty (30) days after it is due, the City may cease providing its share of the premium until the employee returns to work or alternate payment arrangements are agreed to by the City and the employee. Unless the employee's failure to return to work is occasioned by the continuation, recurrence or onset of a serious health condition the employee shall be required to repay the City's portion of the premium payment.

Although the law does not require any further benefits during an FMLA leave, the City has decided to allow employees to continue to accrue those additional benefits that would have become available in their job position during their FMLA leave. After the FMLA leave concludes there shall be no further benefit accrual.

7. **Job Restoration** In most cases, upon returning from leave, the employee will be restored to the same or a similar position, with the equivalent pay, benefits, and other terms and conditions of employment. Certain key employees may be denied restoration if necessary to prevent substantial and grievous economic injury to the City's operations. An employee will be notified if he/she is a key employee when requesting leave. Temporary alternate duty, may be available at the City's discretion upon the recommendation of the Department and the approval of the City Manager. In conclusion, the City recognizes its responsibility under the Americans with Disabilities Act (ADA) to provide an ADA

disabled employee with reasonable accommodations to enable such employee to perform their job functions.

8. **Job Security** According to the law an employee may be terminated if they cannot return to work after the twelve (12) weeks of FMLA leave have been used. However, the City has decided to enhance our employees' job security by holding each employee's job, or similar position, open for an additional twelve (12) week period. The extended leave shall only apply to circumstances where the employee remains unable to work as a result of their own serious health condition and for no other reason. During this extended leave period no benefits shall accrue and the employee shall become solely responsible for the continuation of health insurance coverage. At the conclusion of the extended leave employment shall be terminated if the employee is unable to return to work.

9. **Problem Resolution** It is the City's policy to comply fully with the Family and Medical Leave Act. Employees who have been denied leave inappropriately or otherwise treated unfairly, should contact the City Manager's Office.

WHEREAS, the tentative agreement had a term from July 1, 2007 to June 30, 2010; and

WHEREAS, that tentative agreement was subsequently ratified by the members of the bargaining unit and Police Commission, and the cost items therein were approved by the Rochester City Council; and

WHEREAS, the parties endeavor to maintain clear understandings relative to the issues resolved in the aforementioned tentative agreement;

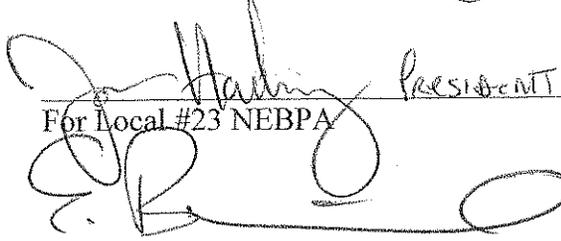

THEREFORE, the parties enter into this Memorandum of Agreement for the purposed of clarifying that the collective bargaining agreement will be implemented consistent with the following understandings:

1. Article H.C. contains a typographical error in the first sentence. Instead of reading "...who are still eligible for step 1 through 7..." it should read, "...who are still eligible for step 1 through 8...".
2. Article 11.L. fails to describe clearly the disposition of the \$1000 lump sum pay adjustment for Step 3 Sergeants. For the term of this agreement, Step 3 Sergeants will continue to be eligible for the \$1000 lump sum payment, but will not have the sum incorporated into their base wage as Patrol Officers are.
3. The parties agree that these understandings will not increase the cost of the settlement beyond the estimates provided to the City Council.
