Article 1 Agreement

This Agreement is between the County of Rockingham, New Hampshire by and through its Board of Commissioners and on behalf of its Facilities Operations (“the County”) and Teamsters Local #633 of New Hampshire (“the Union”). The County’s and the Union’s (collectively, “the Parties”) respective obligations under this Agreement are premised on, and do not arise until, the following legal pre-conditions are all satisfied: the Board of Commissioners properly ratifies this Agreement, and the County Delegation properly votes to approve any and all cost items associated with this Agreement, and the Parties have fully executed this Agreement.

Article 2 Purpose

The general purpose of this Agreement is to set forth agreements reached between the County and the Union with respect to wages, hours and other terms and conditions of employment for those Facilities Operations personnel who are in the bargaining unit described in Article 3 – Recognition (“the Bargaining Unit” or “this Bargaining Unit”).

Article 3 Recognition

- 3.1 The County recognizes the Union as the exclusive bargaining agent for all regular full-time General Mechanics (Painter/Carpenter, Building and Grounds Technician, Complex Projects/Maintenance Technician, Electrician/General Maintenance, Motor Services Mechanic, Motor Services Technician, HVAC General Maintenance, Plumber/General Maintenance Technician), Waste Water Treatment Employees (WTF/WWTF Assistant, WTF/WWTF Operator), Electrician/Telecommunications Tech and Shift Technicians (Shift Technician/General Maintenance) who are included in the definition of the unit contained in the Public Employee Labor Relations Board’s “Certification of Representation and Order to Negotiate,” PELRB Decision No. 2011-198, dated July 21, 2011 and as listed on the Compensation and Classification Plan in Appendix A appended to this Agreement. All other County employees are excluded from this Bargaining Unit, including but not limited to Facilities Operations Administrators, Managers, Maintenance Foreman, Chief Operator Water Treatment Facility/Wastewater Treatment Facility, and Lead Shift Technician/General Maintenance, and any individual falling under one or more of the exceptions to the definition of a public employee contained in RSA 273-A:1, IX(a)-(d).
- 3.2 The term “employee” as used herein refers only to members of this Bargaining Unit as listed above in Section 3.1.
- 3.3 It is understood that nothing contained in this Article shall be construed to prevent the County or appropriate Representatives thereof from meeting with any individual or organization to hear views on any matters, except that as to matters so presented which are the proper subject of collective bargaining negotiations, and covered by a term of this Agreement, any changes shall be made only through

negotiations and agreement with the Union.

Article 4 Probation

- 4.1 Each new employee and each employee promoted to a higher classification shall serve a probationary period of one (1) year from the date of hire or promotion to a higher classification. This probationary period may be extended up to four (4) months at the sole discretion of the County.
- 4.2 Until a newly hired employee has served the one (1) year or extended probationary period, he/she may be discharged or laid off with or without cause. Such discharge or lay-off shall not be subject to the grievance procedure contained in this Agreement. This Section 4.2 does not apply to promoted/transferred employees.

Article 5 Exclusions

- 5.1 The inclusion or exclusion in the Bargaining Unit of new personnel classifications established by the County shall be preceded by discussion with the Union. Any impasse in this area shall be submitted to the Public Employee Labor Relations Board for resolution.
- 5.2 The exclusion of members from the Bargaining Unit for the purpose of assuming confidential status shall be preceded by discussion with the Union. Any impasse in this area shall be submitted to the Public Employee Labor Relations Board for resolution.

Article 6 Non-Discrimination

The County and the Union agree that the provisions of this Agreement shall be applied to all employees without discrimination due to age, sex, transgender status, race, color, religion, creed, marital status, physical or mental disability, national origin, sexual orientation, genetic information or any other legally protected class. There shall be no intimidation or coercion of employees who exercise their rights to bargain collectively through the Union because of their membership therein or their activities on behalf of the Union in accordance with the provisions of RSA 273-A.

Article 7 Management Rights

The parties agree that all the rights and responsibilities of the County which have not been specifically provided for in this Agreement are retained in the sole discretion of the County whose right to determine and structure the goals, purposes, functions, and the policies of the County without being subject to the grievance and arbitration procedures of this Agreement shall include but not be limited to the following: (a) the exercise of all of the rights, responsibilities and prerogatives that are inherent in the County or its agents by virtue of any statutes and/or regulations and/or ordinances; (b) the right to direct employees; (c) the right to promote and to determine qualifications, promotional criteria,

hiring criteria, and standards for work, performance and/or productivity; (d) the right to hire, suspend, demote, discharge or take other disciplinary actions against an employee for just cause, subject to the other provisions of this Agreement, including grievance and arbitration; (e) the right to transfer and/or relieve an employee from work because of lack of work or lack of funds; (f) the right to assign employees and place them on loan to different Departments, as is current practice; (g) the right to schedule work and the right to the general control of Facilities Operations in all of its phases and details; (h) the right to take such action as in its judgment the County deems necessary to maintain the efficiency of County's operations; (i) the right to decide job classifications and to create and/or abolish job positions; (j) the right to determine the means, methods, budgetary, and financial procedures, and personnel by which the County's operations are to be conducted; (k) the right to take such actions as may be necessary to carry out the missions of the County in case of emergencies; (l) the right to make rules, regulations, and policies not inconsistent with the provisions of this Agreement and to require compliance therewith; (m) the right to determine the functions, programs and methods of the County, including the use of technology, the County's organizational structure, and the selection, duration and number of the County's personnel, so as to continue the control of governmental functions; (n) the right to subcontract or fill in with temporary or on call County employees for work that employees are unable to perform due to lack of qualifications to perform the work or due to other scheduling demands; and (o) all rights retained by virtue of RSA 273-A and any other provisions of the New Hampshire Revised Statutes Annotated or other applicable laws.

Article 8 Stability of Agreement

Should any Article, Section or Subsection thereof of this Agreement be declared invalid because it is in conflict with a federal or state law or be held to be unenforceable by any court of competent jurisdiction, such determination shall apply only to the specific Article, Section, or Subsection thereof which has been declared invalid or unenforceable. Neither party is required to make a concession in order to reach agreement on the specific Article, Section or Subsection in question.

Article 9 Union Business

9.1 The County agrees to allow Union representatives, stewards and/or aggrieved employees reasonable time without loss of pay during regular working hours for the purpose of collective bargaining or processing grievances, provided such time away from work does not interfere with the work of Facilities Operations. The Union representatives shall obtain prior permission to absent themselves from work before leaving a work site and shall obtain prior permission of the immediate supervisor involved before interrupting the work of an employee located at a different work site.

9.2 Should there be a dispute between an employee and the Union over the matter of an employee's Union membership, the Union agrees to hold the County harmless in any such dispute.

Article 10 Disciplinary Procedures

- 10.1 All disciplinary action shall be in a fair manner and shall be consistent with the infraction for which disciplinary action is being taken. The Senior Director of Facilities, Planning & IT shall be responsible for determining discipline, up to and including discharge.
- 10.2 All suspensions and discharges shall be stated in writing and a copy given to the employee and the Union at the time of suspension or discharge.

Article 11 Consultation

Representatives of the Union may meet with the Senior Director of Facilities, Planning & IT at any time to discuss matters of concern. However, grievances must be submitted in accordance with the procedure contained in this Agreement. Further, by meeting with Union representatives as set forth in this Article, the Senior Director of Facilities, Planning & IT is not engaging in collective bargaining and such a meeting does not mean that the County is necessarily obligated to bargain about the issue under discussion.

Article 12 Grievance Procedure

- 12.1 Definition: A grievance under this Article is defined as an alleged violation of any provision of this Agreement in which the individual grievant alleges a personal loss or injury.
- 12.2 Informal Procedure: An employee who has a complaint must take up the complaint with his/her immediate supervisor verbally before he/she can process the complaint as a formal grievance. The immediate supervisor shall respond within three (3) days. It is anticipated that nearly all complaints can be resolved informally without grievance.
- 12.3 Formal Procedure:

Each grievance must be submitted in writing by the Union and must contain a statement of the facts surrounding the grievance, the provision(s) of this Agreement allegedly violated and the reasons why the employee believes the Agreement has been allegedly violated, and the relief requested.

Step One: An employee desiring to process a grievance must file a written statement of the grievance to the Senior Director of Facilities, Planning & IT no later than ten (10) business days after the employee knew the facts on which the grievance is based. The Senior Director of Facilities, Planning & IT shall meet with the employee within five (5) business days following receipt of the notice and shall give a written decision within five (5) business days thereafter.

Step Two: If the employee is not satisfied with the decision of the Senior Director of Facilities, Planning & IT, he/she may file, within ten (10) business days following the Senior Director of Facilities, Planning & IT's decision, a written appeal to the Board of Commissioners setting forth a statement of the facts surrounding the grievance, the provision(s) of this Agreement allegedly violated and the reasons why the employee believes the Agreement has been allegedly

violated, and the relief requested. Within ten (10) business days following receipt of the appeal, the Board of Commissioners shall either issue a written decision or schedule a hearing. Said hearing shall be held no later than thirty (30) calendar days following receipt of the appeal and a written decision shall be rendered within ten (10) business days thereafter.

Step Three: If the employee is not satisfied with the decision of the Board of Commissioners, the Union may file within twenty (20) business days following the receipt of the decision of the Board of Commissioners, a request for arbitration to the Public Employee Labor Relations Board. The Arbitrator shall be selected in accordance with the Public Employee Labor Relations Board's process regarding the selection of arbitrators. The Arbitrator shall be limited to interpretation of specific provisions of this Agreement. The Arbitrator shall not add to, modify, or delete any provision in the Agreement nor shall the Arbitrator order the payment of any cost item that has not been previously approved as a cost item by the County Delegation. The decisions of the Arbitrator shall be final and binding on the Parties. Either the County or the Union may appeal the Arbitrator's decision in accordance with RSA 542.

The cost of arbitration shall be borne equally by the Parties. The foregoing time limitations may be extended by mutual written agreement of the Parties.

Failure of the grievant to abide by the time limits set out in this article shall result in the grievance being deemed settled on the basis of the last decision made by the County. Failure of the County or its representatives to provide a decision at any step of the procedure shall result in the grievance automatically progressing to the next step of the procedure.

A grievant may be present at all steps of the procedure.

Article 13 No Strike/No Lockout

The Union and its members agree not to cause, condone, encourage, sanction, sponsor or participate in any strike, walkout, stay out, sick-out, work slowdown, withholding of services, work stoppage or any curtailment of work or interference with the operation of the County during the term of this Agreement. The County agrees to not to lock out employees during the term of this agreement.

Article 14 Wages and Hours

- 14.1 The normal workweek for full-time employees is 40 hours and the normal workday is 8 hours, but either may vary in accordance with Facilities Operations' operational needs. Facilities Operations recognizes the following work time periods for shift differential purposes: 11:00 p.m. to 7:00 a.m. and 3:00 p.m. to 11:00 p.m. Additionally, Facilities Operations recognizes the following work time periods for weekend shift differential purposes: Saturday 7:00 a.m. through

Monday 7:00 a.m. Differential rates are only paid for the differential hours actually worked by the employee. The differential rates shall be as follows:

- Hours between 3:00pm – 11:00pm; One dollar and seventy-five cents (\$1.75) per hour actually worked.
- Hours between 11:00pm – 7:00am; Two dollars (\$2.00) per hour actually worked.
- A weekend differential of one dollar and fifty cents (\$1.50) per hour shall be paid for all hours actually worked on weekends. Weekends are defined as 7:00am on Saturday through 7:00am on Monday.

- 14.2 The Compensation and Classification Plan, which sets the wage rate ranges for employees, is appended hereto as Appendix A and fully incorporated into this Agreement. The parties agree that employees shall be paid at least the minimum wage rate set forth in Appendix A for the applicable year, and that no employee shall be paid more than the maximum wage rate set forth in Appendix A for the applicable year.
- 14.3 There will be no retroactive pay associated with this Agreement. All wage adjustments set forth herein shall occur and be implemented during the term of this Agreement and do not relate to time periods preceding the Parties' execution of this Agreement.
- 14.4 The County shall pay the wage adjustments set forth in this Section 14.4 provided that the following legal pre-conditions are all satisfied: the Board of Commissioners properly ratifies this Agreement, and the County Delegation properly votes to approve any and all cost items associated with this Agreement, and the Parties have fully executed this Agreement.

Effective the first full pay period that includes only July 2023 dates, each employee in the Bargaining Unit who has not reached the maximum wage rate set forth in Appendix A will be eligible for a seventeen percent (17%) cost of living adjustment ("COLA") increase in the employee's base wage rate, provided his/her performance in the most current required evaluation has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to have been satisfactory and the seventeen percent (17%) increase in the employee's base rate because the employee's base rate reaches the maximum then the employee will also receive a prorated bonus, and the increase plus the prorated bonus shall not exceed the equivalent of a seventeen percent (17%) increase. By way of example, if an employee currently makes \$27.00 per hour, and the maximum rate is \$31.00, a seventeen percent (17%) increase to the base rate of \$27.00 per hour would surpass the maximum rate by \$0.59 per hour, at \$31.59 per hour, or \$1,227.20 annualized on a 40-hour work week. In this example, the employee's rate would increase from \$27.00 to \$31.00, and the employee would receive a \$1,227.20 bonus that does not increase the base wage rate. To the extent that an employee is

receiving the maximum wage rate set forth in Appendix A prior to the first pay period that includes only July 2023 dates, the employee will receive a bonus of the equivalent of a seventeen percent (17%) increase of their base rate and this bonus shall not increase the employee's base wage rate, provided his/her performance in the most current required evaluation period has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to be satisfactory. To the extent that an employee reaches the maximum wage rate set forth in Appendix A by virtue of being eligible for this seventeen percent (17%) COLA in the first pay period that includes only July 2023 dates the employee would be eligible to receive the seventeen percent (17%) COLA but not the bonus, provided his/her performance in the most current required evaluation period has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to be satisfactory.

Effective July 1, 2024, each employee in the Bargaining Unit who has not reached the maximum wage rate set forth in Appendix A will be eligible for a three percent (3%) cost of living adjustment ("COLA") increase in the employee's base wage rate, provided his/her performance in the most current required evaluation has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to have been satisfactory and the three percent (3%) increase to the base rate does not exceed the maximum rate. To the extent that the employee receives less than a three percent (3%) increase in the employee's base rate because the employee's base rate reaches the maximum then the employee will also receive a prorated bonus, and the increase plus the prorated bonus shall not exceed the equivalent of a three percent (3%) increase. By way of example, if an employee currently makes \$30.00 per hour, and the maximum rate is \$30.45, then a three percent (3%) increase to the base rate of \$30.00 per hour would surpass the maximum rate by \$0.45 per hour, at \$30.90 per hour, or \$936.00 annualized on a 40-hour work week. In this example, the employee's rate would increase from \$30.00 to \$30.45, and the employee would receive a \$936.00 bonus that does not increase the base wage rate. To the extent that an employee is receiving the maximum wage rate set forth in Appendix A prior July 1, 2024, the employee will receive a bonus of the equivalent of a three percent (3%) increase of base rate and this bonus shall not increase the employee's base wage rate, provided his/her performance in the most current required evaluation period has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to be satisfactory. To the extent that an employee reaches the maximum wage rate set forth in Appendix A by virtue of being eligible for this three percent (3%) COLA effective July 1, 2024, the employee would be eligible to receive the three percent (3%) COLA but not the bonus, provided his/her performance in the most current required evaluation period has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to be satisfactory.

Effective July 1, 2025, each employee in the Bargaining Unit who has not reached the maximum wage rate set forth in Appendix A will be eligible for a three percent (3%) cost of living adjustment ("COLA") increase in the employee's base

wage rate, provided his/her performance in the most current required evaluation has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to have been satisfactory and the three percent (3%) increase to the base rate does not exceed the maximum rate. To the extent that the employee receives less than a three percent (3%) increase in the employee's base rate because the employee's base rate reaches the maximum then the employee will also receive a prorated bonus, and the increase plus the prorated bonus shall not exceed the equivalent of a three percent (3%) increase. By way of example, if an employee currently makes \$30.00 per hour, and the maximum rate is \$30.45, then a three percent (3%) increase to the base rate of \$30.00 per hour would surpass the maximum rate by \$0.45 per hour, at \$30.90 per hour, or \$936.00 annualized on a 40-hour work week. In this example, the employee's rate would increase from \$30.00 to \$30.45 and the employee would receive a \$936.00 bonus that does not increase the base wage rate. To the extent that an employee is receiving the maximum wage rate set forth in Appendix A prior July 1, 2025, the employee will receive a bonus of the equivalent of a three percent (3%) increase of base rate and this bonus shall not increase the employee's base wage rate, provided his/her performance in the most current required evaluation period has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to be satisfactory. To the extent that an employee reaches the maximum wage rate set forth in Appendix A by virtue of being eligible for this three percent (3%) COLA effective July 1, 2025, the employee would be eligible to receive the three percent (3%) COLA but not the bonus, provided his/her performance in the most current required evaluation period has been determined by the Senior Director of Facilities, Planning & IT or his/her designee to be satisfactory.

If an individual is a probationary employee at the time of the COLAs or bonus listed above, the individual will not receive the COLA or bonus in question until successful completion of the probationary period, and the payment will be prospective and will not be retroactive. Upon successful completion of the individual's probationary period, every individual who successfully completes his or her probationary period and therefore becomes an employee of the Bargaining Unit will be paid at least the minimum wage rate set forth in Appendix A for the applicable year.

- 14.5 Employees who are not able to work on any day or any part of a day must notify their immediate supervisor no less than one (1) hour before the start of the workday. If the immediate supervisor is not available, notification shall be to the Senior Director of Facilities, Planning & IT.
- 14.6 Any absence of employee from duty, including any absence from a single day or part of a day, that is not authorized by a specific granting of a leave of absence will be deemed to be an absence without leave. Any such unauthorized absence shall be without pay and may be subject to disciplinary action.

Article 15 Overtime, On-Call, Crew Chief and Hazardous Duty Pay

- 15.1 All time worked in excess of forty (40) hours in one workweek shall be paid at a rate of time and one-half the employee's regular straight time base rate of pay. Earned time or time out on any form of leave shall not be counted or included as time worked in calculating the "in excess of forty (40) hours" threshold for overtime eligibility. The following holidays shall be counted and included as time worked in calculating the "in excess of forty (40) hours" threshold for overtime eligibility: New Year's Day, Martin Luther King, Jr. Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Biennial Election Day, Veterans Day, Thanksgiving Day, Day After Thanksgiving Day and Christmas Day and any alternative day that the employee takes off for one of these specific holidays if the employee actually works on the specific holiday. If an employee actually works on one of the holidays that is approved annually by the County for premium pay, the employee shall be paid a premium rate based on one-and-one half times the employee's hourly straight time base rate plus any applicable shift differential for such time actually worked by the employee.
- 15.2 Overtime must be pre-approved pursuant to the current Facilities Operations' Directives.
- 15.3 Compensatory time may be granted by the County in lieu of overtime pay, at the request of the employee as follows:
- 15.3.1 Prior to the performance of any work for compensatory time, the County and employee must come to an agreement on the accrual and use of the compensatory time.
- 15.3.2 Compensatory time is accrued at 1½ times the overtime hours. (Ex. Overtime Hours = 5 x 1.5 = 7.5 Hours Comp Time)
- 15.3.3 The County shall grant the employee's request for use of authorized, accrued compensatory time within a reasonable period of time, unless to do so would disrupt the operations of the Facilities Operations.
- 15.3.4 It is not the County's intention to allow anyone to reach the maximum levels. Anyone who accrues 80 hours of compensatory time will not be allowed to accrue any additional overtime hours until approval is given by the Board of Commissioners.
- 15.3.5 The amount of accrued compensatory time is limited to 240 hours (1½ x 160) for all employees.
- 15.3.6 At the end of employment for any reason, the employee will be paid for unused compensatory time at the final regular rate received by said employee.
- 15.4 The County will publish the On-Call schedule for Facilities Operations on an annual basis. A monthly rotation will be in place for "regular" On-Call and for Water/Wastewater On-Call. All pertinent telephone numbers are provided on the On-Call schedule.

- 15.5 In the event of an incident or emergency after hours, the Shift Technician on duty will determine the need for assistance. Whenever possible, the Shift Technician will notify his/her supervisor and obtain permission to bring in the On-Call person. Emergencies at the Water or Wastewater Treatment facility will prompt the Shift Technician on duty to notify the appropriate person on call for that division.
- 15.6 The On-Call individuals will be paid a Thirty Dollar (\$30) per week stipend, less applicable withholdings, for the week that the individual is on-call. If an individual is covering for more than one type of On-Call coverage, only one Thirty Dollar (\$30) stipend will be paid out for that week.
- 15.7 A minimum of three (3) hours' pay will be paid when an employee is called in, except in cases where the on-call duty runs into a regularly scheduled shift. For example, when an employee who is assigned to the 7:00 a.m. to 3:00 p.m. shift is called in at 5:00 a.m., that employee would be paid two (2) hours (from 5:00 a.m. to 7:00 a.m.) for the call-in.
- 15.8 Employees called in for snow removal will be paid ½ hour travel time and that ½ hour will be considered time worked for purposes of calculating overtime. Employees will be paid Double Time when called in for plowing operations. A minimum of three (3) hours' pay will be paid when an employee is called in for snow removal, except in cases where the snow removal duty runs into a regularly scheduled shift. For example, when an employee who is assigned to the 7:00 a.m. to 3:00 p.m. shift is called in at 5:00 a.m., that employee would be paid two (2) hours (from 5:00 a.m. to 7:00 a.m.) for the call-in.
- 15.9 Crew chiefs for snowstorms shall be established pursuant to the schedule that is published at the beginning of each snow removal season by the Senior Director of Facilities, Planning & IT. An employee shall be paid \$1.00 more than the employee's regular straight time base rate of pay for the hours that the employee actually works as Crew Chief during a snowstorm. This \$1.00 is not compounded or included in overtime rate calculations.
- 15.10 An employee shall not be paid twice for the same time worked.
- 15.11 Hazardous Duty Pay: Employees shall receive a payment of ten dollars (\$10.00) per week for each week in which the employee in question actually works for the County regardless of the number of hours worked. The payment shall not be paid in any weeks in which the employee in question does not actually work for the County. This payment shall be in addition to the employee's regular rate of pay.

Article 16 Holidays and Holiday Pay

- 16.1 The following and any other days designated by the County Commissioners are the official holidays for the term of this Contract.

1. New Year's Day	7. Columbus Day
2. Martin Luther King Jr. /Civil Rights Day	8. Veterans Day
3. Presidents' Day	9. Thanksgiving Day
4. Memorial Day	10. Day after Thanksgiving
5. Independence Day	11. Christmas
6. Labor Day	12. Biennial Election Day

16.2 Employees covered by this Agreement shall work their shift as scheduled regardless of the occurrence of holidays. Holidays are considered to begin at 11:00 p.m. on the day preceding the holiday. Except for the position of Shift Technician/General Maintenance, bargaining unit members follow the County's observed Holidays.

16.3 Payment for holidays will be as follows:

- a. Employees working the holidays or not scheduled to work and not working the holiday shall receive eight (8) hours of leave time in lieu of the actual holiday. An employee is required to work the holiday (if so scheduled) and his/her last scheduled workday before and first scheduled workday after a holiday or else he/she shall forfeit the accrued leave time unless the employee was out of work due to medical illness, injury or approved leave. Such occurrence shall be supported by a healthcare provider's note.
- b. Employees requesting to take a scheduled workday off that is also a holiday are required to utilize holiday accrual hours. In the event that an employee does not have available holiday accrual hours, they are permitted to utilize Earned Time accrual hours. This does not apply when a holiday occurs during an approved Leave for FMLA, ADAAA, or other approved Sick Pool qualifying Leave, and an employee is utilizing Sick Pool Leave. Furthermore, if an employee does not have available accrual hours when requesting to take a scheduled workday off that is also a holiday but that specific holiday is subsequently earned as holiday leave time (per Section 16.3.a.; above), then the Earned Time accrual hours initially utilized to have the scheduled workday off for the holiday shall be returned to the employee's Earned Time bank, and the holiday leave time earned for that holiday shall be retroactively utilized.
- c. If an employee actually works on one of the holidays that is approved annually by the County for premium pay, the employee shall be paid a premium rate based on one-and one-half times the employee's hourly straight time base rate plus any applicable shift differential for such time actually worked by the employee.

16.4 Holiday leave time accruals and payouts will be as follows:

- a. This Section 16.4.a **only** applies to employees hired after December 31, 2020. For those employees hired after December 31, 2020, accrued holiday leave time earned after

November 30th of the prior year must be used by November 30th of (each) current year and will **not** be permitted to be rolled over into the next calendar year. Any such unused holiday leave time will be paid out to the employee in the first (1st) biweekly payroll run date in December.

b. This Section 16.4.b **only** applies to employees hired *prior* to January 1, 2021. For employees who were hired prior to January 1, 2021, such employees with existing holiday accrual balances at December 31, 2020 were permitted to carry over only those 2020 balances and continue to accrue a balance of up to 160 hours (“the 160 hours holiday accrual cap”). Once the employee reaches the 160-hour cap, the employee will need to use holidays or be paid out according to the language set forth below. The parties agree that:

(i) Employees who enter a calendar year at or below the 160 hour holiday cap will be permitted to accrue the holidays referred to in Sections 16.1 and 16.3.a .

(ii) Any holiday balances in excess of 160 hours that exist as of November 30th for employees for whom Section 16.4.b applies shall be paid out to the employee in the first (1st) biweekly payroll run date in December.

Buyouts pursuant to this Article 29.5 shall be limited to one buyout per family.
- 29.6 It is the express intent of both the County and the Union that health care insurance offered pursuant to the Agreement shall at all times comply with the Affordable Care Act (ACA) and any other applicable state, federal or local insurance and/or health care law, without the County being subject to any fees, fines, taxes or penalties (including but not limited to the employer shared responsibility payment

and any excise tax that may be imposed on high cost employer-sponsored health insurance coverage).

Accordingly, on an annual basis, the County will analyze the census of employees eligible for coverage and the cost of health insurance for the coming fiscal year, and if it appears that healthcare premiums will exceed the limits under the law or that the scope of coverage offered by the County could result in the imposition of any fees, fines, taxes or penalties as outlined above, the County shall notify the Union of said circumstance. Upon said circumstance, the parties agree to reopen the contract upon fifteen (15) days' written notice for the purposes of negotiating alternative health insurance with the intent of avoiding the payment of such fees, fines, taxes or penalties. Upon the beginning of negotiations, the parties shall identify at least four mutually agreeable arbitrators who would be acceptable in the event that the parties fail to reach agreement.

In the event that the parties have not reached agreement within forty (40) days following the notice of reopener, then the parties agree to place the issue before interest arbitration, provided that:

1. The arbitration shall be final and binding and a decision reached within sixty (60) days following the notice of reopener;
2. The arbitrator's express duty is limited to awarding health insurance which complies with the ACA and which would not subject the County to the fees, fines, taxes or penalties provided under the ACA;
3. The arbitrator shall select a plan that achieves the above result while differing the least from the most recent negotiated health insurance plan, with a primary goal of avoiding or limiting any increase to either the employer or employee share of health insurance premiums;
4. That any award from the arbitrator shall be effective as of the plan renewal date with no retroactive reimbursement to either the County or Employees;
5. Any appeal of the arbitrator's decision shall be subject to NH RSA 542.

The County shall pay 75% of the total premium for dental insurance coverage under the County Plan as elected by the employee, and the employee shall pay the remaining 25% of the total premium for dental insurance.

The County shall pay a pro-rated amount corresponding to a pro-rated premium for any part-time employees which is based on the part-time employees' regularly scheduled hours worked. Enrollment procedures shall be handled by the County. There will be no other short term disability insurance coverage available to employees.

Article 32 Payroll Deduction of Dues

- 32.1 The County agrees to withhold the bi-weekly deduction of Union dues and initiation fee from each employee who has completed the probation period and signed an authorization card and send said dues monthly to the Treasurer of the Union.
- 32.2 If any employee has no check coming to him/her, or if his/her check is not large enough to satisfy the dues then no deduction will be made from that employee. In no case will the County attempt to collect fines assessments for the Union beyond the regular dues.

Article 33 Uniforms

The County will provide employees with an annual allowance of \$225.00 in order for employees to purchase uniforms by ordering uniforms through Facilities Operations. Article 34 Bulletin Boards

The County shall provide space on bulletin boards for the posting of notices of the Union addressed to the members. The County shall locate its bulletin boards at convenient places within Facilities Operations. No Union notices shall be posted and/or placed in or around the County's property except on such boards and no notice shall be posted until it has been signed by either the president or secretary of the Union.

Article 35 Performance Evaluations

35.1 The Senior Director of Human Resources shall be responsible for maintaining an employee performance evaluation system. The responsibility for evaluating employee performance rests with the supervisor and the Senior Director of Facilities, Planning & IT. The supervisor or the Senior Director of Facilities, Planning & IT shall make a written evaluation of the employee's performance once annually. Employee evaluations may be accomplished by a group or an individual who has supervised the employee during the evaluation period and shall be signed by all who participated in the evaluation.

35.2 Each employee shall have the right to examine any evaluation made of his/her performance by an authorized superior immediately following such evaluation. Supervisor/employee discussion prior to any written evaluation is encouraged.

Article 36 Anti-Spiking

Notwithstanding any other provision in this Agreement, any separation benefits otherwise payable to an employee shall be capped at the maximum amount that will not result in the New Hampshire Retirement System assessing the County for "spiking" (such as previously codified in former RSA 100-A:16, III-a).

Article 37 Effect of Agreement

37.1 This instrument constitutes the entire Agreement of the County and the Union, arrived at as a result of collective bargaining negotiations, except such amendments hereto as shall have been reduced in writing and signed by the Parties.

37.2 The Parties acknowledge that during the negotiations which resulted in this Agreement, each had unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the Parties after the exercise of that right and the opportunity are set forth in this Agreement. Therefore, the County and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter

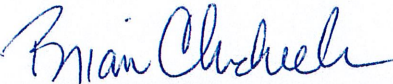

referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this agreement.

Article 38 Duration of Agreement

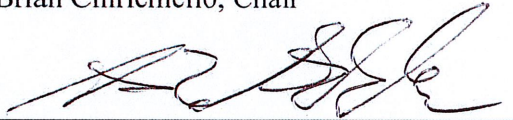

This Agreement shall be in full force and effect from and after July 1, 2023 and shall expire on June 30, 2026.

IN WITNESS WHEREOF, the parties have executed this Agreement this 29 day of June, 2023.
