14.3.4 In order to receive reimbursement, the employee must submit documentation of achieving a passing grade of "C" or better and a receipt for the costs of the course.

If a unit member terminates his/her service within one (1) year after receiving an educational reimbursement, he/she will reimburse the Town for course(s) taken from one (1) year prior to termination to the date of said termination.

14.3.5 Requests shall be considered on a first come, first served basis. The Town shall not be obligated to expend more than the sum of \$750 per employee nor more than the sum of \$3,000 in total in any year of this contract for this program.

14.4 Any moneys payable upon the death of an employee shall be paid to the employee's estate.

**ARTICLE XV**

**Seniority**

- 15.1 Employees who have successfully completed their probationary period shall earn seniority from their most recent date of employment with the Town in a bargaining unit position in which the employee works thirty (30) or more hours per week. Employees who work less than thirty (30) hours per week do not earn seniority.
- 15.2 The Town shall establish and maintain a seniority list which shall be subject to amendment from time to time as circumstances warrant. Employees who work thirty (30) or more hours per week shall be listed by length of service in a bargaining unit position in decreasing order.
- 15.3 Employees with standing on the seniority list, whose hours are reduced to less than thirty (30) per week, shall retain status and ranking on the list.

**ARTICLE XVI**

**Filling of Vacancies**

- 16.1 All available positions shall be posted on employee bulletin boards for a period of at least seven (7) work days. The posting shall include: the current position description; wage or salary range; shift assignment; minimum qualifications; closing date for application.
- 16.2 The Town reserves the right to fill vacant positions with applicants from outside of the bargaining unit. When two or more applicants appear equally qualified, members of the bargaining unit shall be given preference. When two or more applicants from the bargaining unit appear equally qualified, the employee having the greater seniority shall be given preference.

**ARTICLE XVII**  
**Employee Evaluations**

- 17.1.1 All employees shall be evaluated at least once annually. Such evaluations shall be completed during the thirty (30) day period following the employee's anniversary of employment. The purpose of the evaluation is to monitor the employee's performance and to make the employee aware of his/her strengths and weaknesses.
- 17.2 Employees shall have the opportunity to review and comment on evaluations.
- 17.3 The employee's anniversary date is defined as the date of most recent appointment to Town service, except for pay and evaluation purposes when it shall be defined as the date of appointment to the position currently held.

**ARTICLE XVIII**  
**Lay-off and Recall**

18.1 **Definitions:**

Type I employee: a bargaining unit employee who works 37.5 hours or more per week.

Type I-A employee: a Type I or Type II employee who works less than 30 hours per week by virtue of an involuntary reduction in his/her basic work week.

Type II employee: a bargaining unit employee who works 30 hours or more but less than 37.5 hours per week.

Type III employee: a bargaining unit employee who works less than 30 hours per week.

Type I, Type I-A and Type II employees earn seniority according to 15.1 hereof; Type III employees do not earn seniority.

- 18.2 Should the Town reduce the number of employees in any classification, lay-offs will be made on the basis of seniority within Job Classification Grouping and Department Grouping as set forth in Appendix H and Appendix I.

Layoffs of Type I, Type I-A, and Type II employees shall be by seniority. Type III employees may be laid off as the Town sees fit.

- 18.3 In cases of lay-off, an employee may bump, within his/her Department Grouping as defined below, into another position in the same Job Classification Grouping within the Department Grouping occupied by a less senior employee, or, if there are no junior employees in the Job Classification Grouping within the Department Grouping, into any other equal or lower paying Job Classification Grouping within the Department Grouping for which he or she is qualified. Bumping between Department Groupings is not allowed, except for employees with three or more years of service to whom no equal job classification would otherwise be

available. Such employees may bump into any equal or lower paying Job Classification Grouping in any Department Grouping.

Type I, Type I-A and Type II employees shall have bumping rights. Type III employees do not have bumping rights.

If a recall occurs, employees shall return to their prior positions, provided those positions are being refilled. If those positions are not being refilled, employees shall be recalled to other vacant positions for which they are qualified.

- 18.4 Laid off employees shall have recall rights for two (2) years from the date of layoff. In order to be eligible, employees must file a mailing address with the Town to which a recall notice may be sent and must accept the recall within two (2) weeks of the notice.

Any employee who rejects an offer of recall to a position of equal or greater pay than his/her original position shall lose all further rights to recall and shall be considered to have voluntarily terminated employment.

Type I, Type I-A, and Type II employees shall have rights to recall, in the reverse order of their layoff, to bargaining unit positions for which they are qualified. If a Type I, Type I-A and Type II employee accepts recall to a bargaining unit position of a lesser pay status than the one from which he/she was laid off, he/she shall continue to be offered recall to other positions, as they become available, until regaining his/her original pay status.

- 18.5 When an employee is recalled to employment, seniority shall be restored and the time of the layoff shall not be considered time in service. The employee shall be returned to his/her appropriate pay and benefit status, except that any benefits paid at the time of the layoff shall not be paid again. And provided however, that such pay and benefits shall not exceed those called for under this Contract at the time of rehire.
- 18.6 Any reduction in the current established work hours of Unit employees to less than thirty (30) hours per week will be considered a lay off for the purpose of Article XVIII.

**ARTICLE XIX**  
**Disciplinary Actions**

- 19.1 Discipline may be initiated for infractions based on just cause.
- 19.2 Discipline will normally be initiated in a progressive manner according to the following steps. Depending on the nature of the offense, discipline may be initiated at the appropriate level.
- 19.2.1 **Verbal Warning:** The immediate supervisor shall issue a verbal warning as soon as possible. The supervisor shall notify the employee of the nature of the infraction and will offer remedial suggestions. No formal record will be made of verbal warnings.
- 19.2.2 **Written Warning:** The Department Head shall issue a written warning within ten (10) working days of knowledge of the infraction. The warning will outline the nature of the infraction and will offer remedial suggestions. A copy of the warning will be placed in the employee's personnel file and shall be expunged, per the employee's request, in the event that the employee has not been otherwise disciplined within two (2) year of the warning.
- 19.2.3 **Suspension:** The Department Head shall recommend to the Town Manager that the employee be suspended, without pay. The recommendation shall be made in writing, with a copy forwarded to the employee and to the employee's personnel file within fifteen (15) work days of knowledge of the infraction. The Town Manager will meet with the employee and the Department Head within ten (10) work days of receipt of the recommendation and will render a decision within ten (10) work days of the meeting.
- 19.2.4 Suspensions with pay shall be considered to be administrative actions only, and shall in no way reflect negatively on the employee's status, work record, or access to the rights and benefits of this Contract.
- 19.2.5 **Termination:** The Department Head shall recommend to the Town Manager that the employee be terminated. The recommendation shall be made in writing, with a copy forwarded to the employee and the employee's personnel file, within twenty (20) work days of knowledge of the infraction. The Town Manager will meet with the employee and Department Head within ten (10) work days of receipt of the recommendation and will render a decision within ten (10) work days of that meeting.
- 19.3 The time frames associated with suspension or termination may be extended in cases where additional time is needed to adequately investigate the infraction. The employee shall be notified of the extended time frame.
- 19.4 Disciplinary actions shall be undertaken in a polite, open, honest and private environment so as not to involve unconcerned individuals directly or indirectly.

**ARTICLE XX**  
**Stability of the Contract**

- 20.1 **Separability Clause:** In the event any provision of this Contract in whole or in part is declared to be illegal, void, or invalid by any court of competent jurisdiction, or any administrative agency having jurisdiction, all of the other terms, conditions, and provisions of this Contract shall remain in full force and effect to the same extent as if that provision had never been incorporated in this Contract, and in such event, the remainder of the Contract shall continue to be binding upon the Parties hereto.

If any portion of this Contract is declared illegal, void, or invalid, the Parties shall enter into negotiations in a timely manner for the purpose of correcting such specific portions of the contract as were ruled to be illegal, void, or invalid.

- 20.2 **Waiver Clause:** Waiver by either party of the other's non-performance or violation of any term or condition of this Contract shall not constitute a waiver of any other non-performance or violation of that term or condition, or of any other term of this Contract, or of the same or other non-performance or violation in the future.

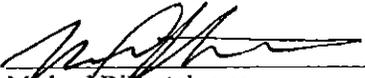

**ARTICLE XXI**  
**Duration**

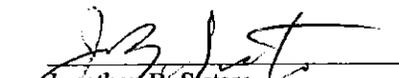

- 21.1 This Contract shall remain in full force and effect from April 1, 2009 through March 31, 2010 or until replaced by a successor agreement, whichever is later.
- 21.2 The moneys needed to fund this Agreement in each year of its term must be appropriated annually at a Town Meeting duly warned for that purpose. Should an Annual Meeting fail to appropriate all of the moneys necessary to fund this Agreement in any given year of its term then and in that event either party may reopen negotiations on all or part of the entire Agreement and this Agreement shall be deemed expired at the end of the term for which moneys have been appropriated.

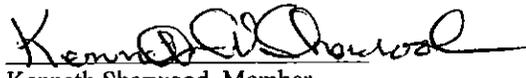

IN WITNESS WHEREOF, the parties here to by their authorized representatives have executed this Agreement on this 2<sup>nd</sup> day of July, 2009.
