### 2. Leave Time.

A. Full time employees shall be credited with leave time based upon the following criteria: (a) Years of continuous service; and (b) Scheduled hourly work week. See Appendix C for computation of leave time accrual.

Leave time can be used for the following purposes:

- 1.) Vacation
- 2.) Sick
- 3.) Personal
- 4.) Bereavement
- 5.) Maternity/Paternity
- 6.) Injury/Disability (on and off the job)

All full-time employees shall take and use a minimum of two weeks (ten work days) of leave time as vacation per calendar year.

B. The schedule for leave for vacation shall be the responsibility of each Department Head subject to the approval of the Town Manager. Employees shall give supervisors or Department Heads adequate notice prior to the time the employee wishes to take leave for vacation. Final authority to grant leave shall be vested with the Town Manager. Department-wide seniority shall prevail in cases where requests are similar or overlapping.

C. An employee may utilize leave time in the event of illness, and medical and dental appointments. Each employee is obligated to notify his Department Head or immediate supervisor daily of such employee's absence from work, unless such employee is in the hospital or under the care of a licensed physician.

In the case of employee illness, the employee shall be required to furnish a certification from an attending physician for all consecutive days of absence in excess of three (3) working days or five (5) calendar days. Such employee, prior to returning to work, shall ensure that the certification allows for a return to the duties of the position occupied.

D. Leave for maternity/paternity purposes shall commence at a reasonable time prior to birth as recommended by the attending physician and shall extend for a period not to exceed six (6) months after birth. Any employee who has been granted a leave of absence for maternity/paternity reasons, who fails to return to work upon the expiration of such leave shall be deemed to have voluntarily terminated employment. An employee who takes maternity/paternity leave of absence may use accrued leave time. The employee, prior to returning to work, shall provide the employer with a certification that the employee is able to perform his/her regular duties.

E. If the employee so elects, he/she may utilize leave time to supplement the short-term disability policy benefit, as described elsewhere in the agreement. Leave time may also be utilized to supplement the Workers Compensation insurance Benefit as prescribed by State law. In both cases, it is the intention that employee can use leave time to supplement benefits in order to receive 100% of the pre-injury/predisability weekly compensation.

F. Leave time may be continuously accrued, up to a cap of 420 hours for 35 hour employees and 480 hours for 40 hour employees. Employees with more than 420 hours and 480 hours respectively will not lose those days, but the accruals will be reduced as used until reaching

the 480/420 hours caps. If an employee transfers or occupies other positions within the work force, covered by this agreement, leave time will continue to be based upon unbroken years of service. Upon severance of employment with the employer, the employee shall be paid for unused leave time based upon the employee's current hourly wage to a maximum of 350 hours for 35 hour employees and 400 hours for 40 hour employees. Employees hired on January 1, 2009 or later will not be eligible for leave time payout upon severance of employment.

Examples: a) For Leave Taken Over Cap – John a long-term employee, has accrued 750 hours of leave time before this contract went into effect. He continues to earn 28 days of leave time per year. b) For Leave Taken Under Cap – Jane, a relatively new employee, has accrued 75 hours of leave time, and continued to earn 28 days of leave time. She uses only 15 days of leave time during the year. The balance of her unused leave time is added to her previously accrued leave time.

It is intended that each employee, in order to qualify for an allotment, based upon eligibility, must enroll in a medical insurance plan and/or a dental insurance plan. Employees must enroll in a medical insurance and/or dental insurance plan unless such employee provides proof of coverage (e.g. insurance card). Allotments are calculated in accordance with Appendix D.

If the Town determines that comparable coverage, with no decrease in the level of benefits, under a different provider or program is available, the Town Manager may, at his sole discretion, switch health insurance coverage to that provider or program. In such event, the Town Manager shall provide the Union and the employees with adequate advance notice of the proposed plan and shall fully consider any timely input or concerns related thereto expressed by the Union or employees prior to implementation of the change.

The value of the allotment for all employees is based upon the eligibility determined at the time of enrollment and/or major life change (e.g. death of a spouse, etc.). The extent of coverage under the insurance policies (including HMO and self-insured plans) referred to in this Agreement shall be governed by the terms and conditions set forth in said policies or plans. Any questions or disputes concerning said insurance policies or plans or benefits thereunder shall be

resolved in accordance with the terms and conditions set forth in said policies or plans and shall not be subject to the grievance and arbitration procedure set forth in this Agreement. The failure of any insurance carrier(s) or plan administrator(s) to provide any benefit for which it has contracted or is obligated shall result in no liability to the Town, nor shall such failure be considered a breach by the Town of any obligation undertaken under this or any other Agreement. Nothing in this Agreement shall be construed to relieve any insurance carrier(s) or plan administrator(s) from any liability it may have to the Town, employee or beneficiary of any employee.

Reimbursement will be made upon submission of a paid invoice. Cost control measures (i.e. resoling, rehealing, etc.) may be utilized by the Town. Purchase orders will be provided for employees who wish to purchase or order boots at Bootleggers in Wolfeboro. Employee reimbursement continues for employees purchasing boots elsewhere.

10. Licenses and Schooling. Upon approval of the Town Manager licenses and schooling necessary to maintain such license(s) shall be paid for by the Town. Such license(s) and/or schooling shall be directly related to job duties but shall not include regular driving license.

11. Jury Duty. An employee with one or more years seniority who is summoned and reports for jury duty, as prescribed by applicable law, shall be paid by the Town an amount equal to the difference between the amount of wages the employee otherwise would have earned by working during, straight-time hours for the Town on that day and the daily jury duty fee paid by the court or agency (not including travel allowances or reimbursement of expenses), for each day on which he otherwise would have been scheduled to work for the Town.

In order to receive payment, an employee must give the Town prior notice that he has been summoned for jury duty and must furnish satisfactory evidence that he reported for or performed jury duty on the days for which he claims such payment. The provisions of this section are not applicable to an employee who, without being summoned, volunteers for jury duty.

The Personnel Board of Review shall not substitute its judgment for that of the parties in the exercise of rights granted or retained by this Agreement.

#### ARTICLE XVI ENTIRE AGREEMENT

1. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Town and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to, or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. This Agreement may only be amended during its term by the parties' mutual agreement in writing.

This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, unless expressly stated to the contrary herein, and together with any letters of understanding executed concurrently (or after) with the Agreement constitutes the complete and

entire agreement between the parties, and concludes collective bargaining (except as provided for in the grievance procedure) for its term.

ARTICLE XVII  
SAVING CLAUSE

In the event that any Article, Section, or portion of this Agreement is found to violate State law or Town ordinance or is found to be unlawful and unenforceable by any Court of competent jurisdiction, or has the effect of loss to the Town of funds made available through Federal law, rule or regulation, then such specific Article, Section, or portion shall be amended to the extent necessary to conform with such law, rule or regulation; however, the remainder of this Agreement shall continue in full force and effect. The parties agree to meet to negotiate only that portion affected, but neither party is required to make concessions to reach agreement.

ARTICLE XVIII  
COST ITEMS

The cost items contained in this Agreement shall not become effective unless and until approved by the Wolfeboro Town Meeting.

ARTICLE XIX  
EFFECTIVE DATE - RENEWAL

This Agreement shall be in effect from the date of its execution through December 31, 2016. No provision in this Contract shall be given retroactive effect or interpretation, except as expressly provided. By mutual agreement, the parties may extend the terms of this Agreement, with or without modification as may be agreed by the parties. Either party desiring to extend this Contract or to enter negotiations for a new Contract upon the expiration hereof shall give notice thereof at least 120 days prior to the Wolfeboro Budget Submission Date in the year following its expiration.

IN WITNESS WHEREOF, the parties hereto have caused their signatures to be affixed, on the dates indicated, by their duly authorized officials or representatives.
