CASE NO. A-0415:5

DECISION NO. 82-40

BACKGROUND

A joint petition for modification of the existing bargaining unit to delete the Maintenance and Transportation Personnel of the Concord Union School District was filed on May 4, 1982.

The bargaining unit was originally established in July of 1976 and included all custodial, maintenance and transportation employees of the school district.

The Board at its meeting held Thursday, May 27, 1982 reviewed the petition and its explanation of circumstances or reason for the request which stated:

"It is the Union's feeling that because none of the Maintenance and Transportation Personnel are involved with the negotiations or the administration of the Local, that it is very difficult to negotiate a fair agreement for these individuals and that they would be in a more equitable position concerning all matters if they were not a part of the certified unit and had the ability to negotiate a separate agreement."

BOARD DECISION

The petition for modification of the existing bargaining unit is hereby denied on the grounds that no new circumstances warranting a change was presented.
