CASE NO. M-0575

DECISION NO. 85-15

#### BOARD DECISION

#### REQUEST FOR REHEARING

The Town of Seabrook, through its attorney, Gary W. Holmes, filed a request for rehearing on the two units (Unit A and Unit B) created under PELRB Decision and Order No. 85-02 on the basis that the Board had neglected to address and answer specific requests for findings of fact and rulings of law as submitted by the Town at the original hearing; that several of the employees were not "public employees" within the definition of RSA 273-A:1, IX; that several were incorrectly included in each unit and should be excluded due to the supervisory and/or confidential nature of the positions; and, that a lack of community of interest existed among several of the positions in Unit A.

The Board having considered all the evidence at the original hearing and in accordance with its Rules and Regulations, Pub. 205.02 and RSA 541:5, exercises its right and HEREBY DENIES the request for reconsideration in the above case.
