CASE NO. M-0545-31

DECISION NO. 2000-124

CONSENT DECREE

The parties, both being represented and appearing before the PELRB at its offices in Concord, New Hampshire on December 1, 2000, executed an agreement in settlement of certain matters in dispute between them. The parties' resolution has resulted in the cessation of proceedings in Case No. M-0545-30 and withdrawal of the pending unfair labor practice complaint in Case No. M-0545-31 by the City of Manchester, contingent upon the following:

- A. The Union has agreed to sign and shall immediately execute the collective bargaining agreement that has been presented to it by the City.
- B. The City shall file a copy of the executed collective bargaining agreement with the Public Employee Labor Relations Board upon receipt from the Union.

- C. The Union shall not file a modification petition with respect to the Utility Inspector II positions during the life of said collective bargaining agreement.
- D. Both parties have agreed and, lacking a specific violation of this instant Order, shall not pursue any further action arising from events at issue in Case No. M-0545-30 nor shall appeal any provision contained in Decision Nos. 2000-76, 2000-102, and 2000-118.

Upon review of the parties' agreement executed at the Pre-hearing Conference on December 1, 2000, the PELRB hereby adopts the provisions of said agreement and incorporates them into its order in this case.

So ordered.

Signed this 14th day of December, 2000.
