Case No. M-0764-:5

Decision No. 2000-125

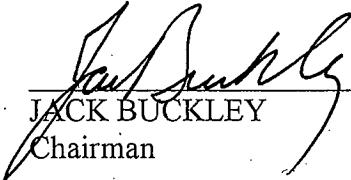

ORDER GRANTING MODIFICATION PETITION

The International Chemical Workers Union Council/UFCW (Union) filed a modification petition on October 30, 2000 seeking to add the position of "MDS Coordinator," created subsequent to the certification of the bargaining agent, to the bargaining unit. On October 31, 2000, the PELRB sent notice to the named respondent, Administrator of the Hillsborough County Nursing Home, that said petition had been filed and that any responses to said petition must be filed with the PELRB on or before November 14, 2000. No answer or other pleading having been filed by the respondent County on or before December 5, 2000, the Union filed a Motion for Summary Judgment on that date. The County's response, if any, to the Motion for Summary Judgment was due to be filed on or before December 20, 2000. By letter from Assistant County Attorney Carolyn Kirby filed December 7, 2000, the PELRB was advised that the County, through the County Commissioners, had no objection to the inclusion of the "MDS Coordinator," a/k/a "Minimum Data Set Coordinator," position in the bargaining unit.

The Union's Modification Petition to modify the composition of the bargaining unit is hereby GRANTED. The "MDS Coordinator" position shall be included in the bargaining unit and the unit certification shall be amended to reflect this inclusion.

So ordered.

Signed this 13TH day of December, 2000.
