Case No. P-0797-4

Decision No. 2008-168

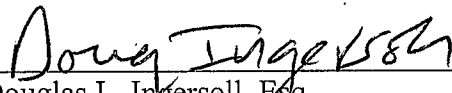

Order re: Motion to Withdraw Complaint

AFSCME Local 3657, Milford Police Employees' filed a motion to withdraw its complaint on August 21, 2008, and the parties have previously submitted filings suggesting that they are working toward a resolution of all the underlying claims in this case.

Although the town did not file an unfair labor practice complaint or submit a filing fee, both of which are required, the town apparently seeks to maintain an unfair labor practice complaint against the union as evidenced by portions of its answer to the complaint. Accordingly, on or before September 5, 2008 the town shall file a status report or a withdrawal of any claims it seeks to present in this matter. This case will then be reviewed for further action.

So ordered.

August 21, 2008.
