**Order re: Motion to Withdraw Complaint**

AFSCME Local 3657, Milford Police Employees' filed a motion to withdraw its complaint on August 21, 2008. Decision 2008-168 issued setting a date for the town to file a status report or a withdrawal of any claims it seeks to present in this matter given the content of the answer the town filed on May 16, 2008. I have since conducted a further review of the file in this matter, including the May 20, 2008 electronic correspondence to counsel for the parties concerning the necessity of filing a complaint and providing payment of the \$60 filing fee, and the town's subsequently filed motion to amend answer and amended answer submitted on May 29, 2008. The town has not filed a complaint and has not paid a filing fee, and accordingly is not maintaining an unfair labor practice charge in this matter. This matter is concluded by virtue of the union's withdrawal of its complaint and the town is relieved from making any further filings in response to Decision 2008-168.

This case is dismissed.

So ordered.

August 22, 2008.
