**CASE NO. P-0061-1
DECISION NO. 2009-077**

TOWN OF MEREDITH

ORDER

The petitioner's request to reopen the record is denied. The petitioner was allowed to file a reply brief to the respondent's brief by the January 16, 2009 deadline because the respondent was delayed in the filing of its brief, thereby providing the respondent at least with the opportunity to review the contents of the petitioner's opening brief before filing its own brief. The order did not authorize the submission of additional evidence into the record based upon the respondent's written arguments set forth in its brief. *See* PELRB Decision No. 2009-001. The present order is issued without any finding as to the sufficiency of the petitioner's community of interest evidence.

So ordered.
