Case No. G-0009
Decision No. 2011-061

Order Re: Voluntary Surrender of Certification

A recent review of this certification file reflects that on September 30, 2005 the exclusive representative provided notice to the PELRB that it had discontinued its representation of the bargaining unit described in the Certification of Representative and Order to Negotiate, Decision No. 2004-121 (August 13, 2004). The exclusive representative confirmed the discontinuation of its representation status in a February 23, 2011 communication to the PELRB. No objections to the discontinuation of representation have been filed. Accordingly, given these circumstances, the PELRB hereby recognizes that the exclusive representative of the referenced bargaining unit did surrender its certification in 2005 and the exclusive representative shall not have and has not had since 2005 any further responsibilities under any collective bargaining agreement or under the provisions of RSA 273-A giving it authority to bargain collectively.
