v.

Town of Exeter Fire Department

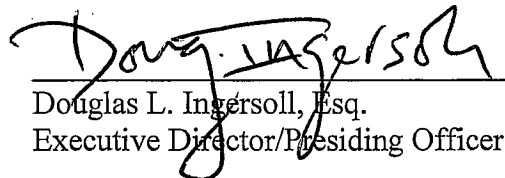

Case No. G-0071-1
Decision 2011-124

Order re: Proceedings on Remand

The Union's request for a further adjudicatory hearing in this remanded case is denied, since an adjudicatory hearing was previously held in this matter on January 26, 2009 at which time both parties "had a full opportunity to be heard, to offer documentary evidence, and to examine and cross-examine witnesses" per PERLB Decision No. 2009-118. Additionally, the court's remand of this case does not mandate or require a new or further adjudicatory hearing. I also find that a new or further adjudicatory hearing is not necessary to issue a decision in this case on remand. The decision in this case will issue based upon the court's January 7, 2011 order, the record established in the adjudicatory hearing, and prior PERLB Decision No. 2009-118, as relevant and applicable.

So ordered.
