

STATE OF NEW HAMPSHIRE
PUBLIC EMPLOYEE LABOR RELATIONS BOARD

Brookline Teachers Association, NEA-New Hampshire

v.

Brookline School District, SAU #41

Case No. E-0116-1
Decision No. 2011-171

Order on Motion to Amend

The Association's motion to amend is granted per Pub 201.04 (c) as follows. The first part of the first sentence in paragraph 3 ("At the pre-hearing conference, Counsel for the District confirmed that") is stricken as this comment was made during the course of a pre-hearing conference which included a general discussion by counsel about the case. It was not a proposed stipulation of a particular fact, and the Association's proof shall consist of evidence other than this statement attributable to counsel at pre-hearing. Otherwise, the amendment relates to the District's allegedly improper interpretation of the bargaining unit certification, the contractual grievance procedure, and treatment of certain employees, matters which are already generally at issue in this case. The District's request for a continuance in the event the amendment is allowed is denied, and the District shall file its answer, if any, to this amendment on or before June 20, 2011.

So ordered.
