Case No. G-0174-1
Decision No. 2011-197

ORDER

On June 23, 2011 the Teamsters Local 633 of New Hampshire (Teamsters) filed a written majority authorization petition seeking to be certified as the exclusive representative of a bargaining unit consisting of certain employees of the Rockingham County Maintenance Department. On July 13, 2011 the parties informed the PELRB that they had reached an agreement on the composition of the proposed bargaining unit. Pursuant to an Agreement to Modified Bargaining Unit, filed on July 19, 2011, the parties now agree on the following composition of the proposed bargaining unit:

General Mechanics, Waste Water Treatment Employees, and Shift Technicians.

Excluded: Engineering-Maintenance Administrators, Managers, Foreman of General Mechanics, Lead Buildings and Grounds Technician, Chief Operator/Waste Water, and Lead Shift Technician/General Maintenance.

Based on the foregoing, the undersigned finds that the parties have agreed upon an appropriate bargaining unit in accordance with RSA 273-A:8 and Pub 302.

On July 20, 2011 the undersigned further inspected and re-examined the confidential authorization cards at the PELRB offices in Concord in accordance with the procedures and requirements set forth in Pub 301.05 with the following result: there is a sufficient number of confidential authorization cards to establish, pursuant to the RSA 273-A:10, IX written majority authorization process, that a majority of employees in the approved bargaining unit have selected the Teamsters Local 633 of New Hampshire as their exclusive representative.

Accordingly, the Teamsters' written majority authorization petition is granted and a Certification of Representative and Order to Negotiate shall issue forthwith.

So ordered.
