**ORDER**

The undersigned held a conference call with the parties on September 14, 2011 concerning the Union's Petition for Appointment of a Fact Finder and the parties' respective positions on how to proceed. As discussed and agreed during the call, the PELRB will defer further action on the petition until October 1, 2011 and the parties will meet between now and that date to continue bargaining. After October 1, 2011 the PELRB will resume processing of the petition and continue with the fact finder appointment process unless the parties have provided notification that they have reached a tentative agreement. This schedule provides opportunities for the parties to continue bargaining on their own to reach a tentative agreement and/or narrow and define the issues to be addressed during the fact finding process and also provides for the appointment of a fact finder by the end of October, 2011.

So ordered.
