v.

Manchester School District

Case No. E-0123-1
Decision No. 2011-285

Order

The answer to the complaint in this matter was due November 12, 2011 but nothing has yet been filed with the PELRB. Given the District's lack of response to the charges in this case, the PELRB has placed inquiries with the District to determine whether the District is aware of the pendency of this matter, including the pre-hearing conference scheduled for 3:00 p.m. today, but has not yet received a definitive response. The District did not appear for the pre-hearing conference. Counsel for the Union was notified telephonically of the foregoing before he traveled to the PELRB offices in Concord and he subsequently participated in the pre-hearing conference by telephone. In these circumstances another pre-hearing conference will be conducted on November 30, 2011 and the adjudicatory hearing will be held on December 19, 2011. The District shall promptly file its answer to the complaint supported by an appropriate motion for entry of late answer and the parties shall otherwise prepare and submit all filings necessary for the pre-hearing conference.

So ordered.
