v.

**State of New Hampshire, Department of Corrections**

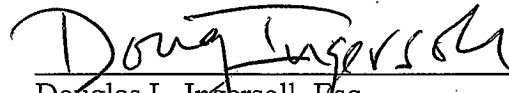

**Case No. G-0109-5**  
**Decision No. 2011-287**

Order

A status conference was held on November 16, 2011 to address the parties' failure to file submissions in accordance with the schedule set forth in the pre-hearing order. See PELRB Decision No. 2011-220. The State has assigned new counsel to this case and discussion at the status conference reflects that while counsel for the parties believe this case can be submitted on stipulations they also recognize stipulations may not be possible as to some relevant information. In the circumstances it is appropriate to provide the parties with additional time to prepare and submit this case for decision on stipulations and briefs or request the scheduling of an adjudicatory hearing to establish a record for decision. Accordingly, on or before December 16, 2011 the parties shall file stipulated facts, joint exhibits, and opening briefs or request the scheduling of an adjudicatory hearing. In the event the case is submitted for decision on stipulations and briefs the parties shall file reply briefs, if any, on or before December 30, 2011.

So ordered.
