Case No. E-0093-2
Decision No. 2013-176

Order

The Bethlehem School District filed a petition for modification on September 5, 2013 seeking to remove a position of Director of Maintenance from an existing bargaining unit. See PELRB Decision No. 2010-079 (April 21, 2010). The District claims that the position no longer exists. In support of its petition, the District submitted exhibits indicating that the Association does not object to the petition. Pursuant to the Notice of Filing, issued on September 5, 2013 and duly posted by the employer, exceptions, objections, and/or petitions to intervene were due no later than September 20, 2013. No exceptions, objections, or petitions to intervene have been filed. Accordingly, the petition for modification is granted. An amended certification shall issue forthwith.

So ordered.
