United Steelworkers of America

v.

Manchester Water Works

Case No. G-0058-27

Decision No. 2016-073

On March 22, 2016, the United Steelworkers of America filed a motion to enforce the PELRB order set forth in Decision No. 2016-018 (February 10, 2016). On March 31, 2016, the Manchester Water Works filed its objection to the motion to enforce asserting, among other things, that it fully complied with the PELRB order on March 22, 2016.

Accordingly, this case shall be closed after **April 11, 2016** unless a party files a request for a hearing on the motion to enforce or a request for other appropriate relief on or before April 11, 2016.

So ordered.
