

Tamworth Educational Support Personnel Association, NEA-NH v. Tamworth School District, Decision No. 2007-026 (Case No. E-0025-1). (Appeal Pending)

Union claimed that district committed unfair labor practice by discharging employee in retaliation for union activity. PELRB dismissed union's complaint finding that "just cause" standard did not apply as it was not included in the contract and that union failed to demonstrate any impermissible nexus between district's actions and discharged employee's union activity.
