

Monadnock Education Association, NEA-NH v. Monadnock Regional School District,
Decision No. 2007-034 (Case No. E-0028-1).

Union claimed that district committed unfair labor practice by refusing to implement step pay increases after expiration of collective bargaining agreement despite inclusion of evergreen clause. PELRB denied union's complaint finding evidence insufficient to show that legislative body had full knowledge of significant financial consequences of evergreen clause.
