

Collaborative Practice Rule Making Task Group

Thursday, September 1, 2016 - 9A to Noon

NH Hospital Association - 125 Airport Road, Concord NH

Agenda

1. Introductions
2. Review Agenda
3. Review HB 1490 and Current Rules
3. Discussions

A. The law has the following language: “Depending on the complexity of the services being provided, the pharmacy may be required to have additional credentials or training and shall demonstrate the receipt of approval by the board of pharmacy”

Discussion - what constitutes ‘Complexity of services’ and what credentials or training is needed to appropriately demonstrate competency to the board for said services.

B. Mechanics of ordering prescriptions

C. Discussion - what is an appropriate environment and what constitutes ‘Dedicated time to performing duties specified under the protocol’ - as in, is it protocol specific or more general?

D. What information shall be included in a Collaborative Practice Agreement?

E. The law has language regarding ‘Ongoing metrics for quality assurance and safety monitoring — — that are consistent with metrics adopted or enforced by the regulatory bodies.

Discussion - what are the metrics adopted by which regulatory bodies, and reporting requirements?

4. Next scheduled meetings on Wed, Oct 12-4 and Wed, Nov 9, 11-3 at NH Hospital Association

5. Adjournment
