

*New Hampshire Implementation -American Recovery and Reinvestment Act of 2009*

Program Title:           **Surface Transportation Infrastructure**

Short Description:    Discretionary Grant (TIGER Grants) for Capital Investments in surface transportation infrastructure projects, predominantly highways and bridges.

ARRA Appropriation nationwide:   \$1,500,000,000

Estimated New Hampshire Funds:       \$87,300,000

Granting Agency:     U.S. Department of Transportation

Managing Agency:   New Hampshire Department of Transportation

Status:                NHDOT is drafting a grant for the Portsmouth Kittery bridges, and Port of Portsmouth improvements.

Award Criteria:       Discretionary Grants will be judged primarily on long-term outcome results and economic stimulus. Secondary criteria based on innovation and partnerships.

Time Line for use:   Grant proposals must be submitted by September 15, 2009. Selected projects will be announced as soon as possible after the application deadline, but no later than February 17, 2010.

Details:               ARRA - page 89.
