Dear Government Agency/ Municipality:

If your agency/municipality is a holder of a credit card issued by certain Motor Fuel Distributors, you may be temporarily required to pay the road toll (gas tax) on your retail credit card gasoline/diesel purchases due to a recently discovered reporting issue.

We are currently working with industry to remedy the problem, but this most likely will require legislative changes which can take some time.

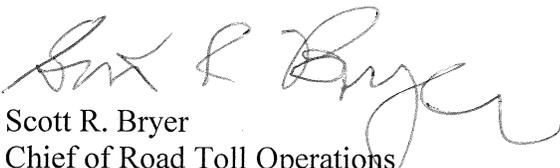

In the interim, if you are affected by this issue and are required to pay the road toll for your retail credit card gasoline/diesel purchases, you can request a refund of road toll paid by completing a form RT 125 G, "Refund Application Municipal and County – Gasoline Only" and RT 125 D "Refund Application Municipal and County – Tax Paid Diesel Only". Both are available on our website at:

<http://www.nh.gov/safety/divisions/administration/roadtoll/forms.html>.

Please contact our office at (603) 271- 2302 or by email at [Roadtoll@dos.nh.gov](mailto:Roadtoll@dos.nh.gov) if you require any help with the filing requirements.

I appreciate your patience and understanding as we work to resolve this issue.

Sincerely,

  
Scott R. Bryer  
Chief of Road Toll Operations
