

**NH Fire Protection Equipment Technician Certification Advisory Committee
Meeting Minutes February 6, 2008**

Meeting opened by Chairman Thibodeau at 9:40 am.

Members present: Mr. Thibodeau, Mr. Daniels, Mr. Mango, Mr. Musil, Mr. Burns, Mr. McCarthy, Mr. Burbank.

Review of 01/02/08 draft. Added following changes:

- Page 3: 1202.17: Add NFPA 13D
- Page 4: Move (d) up to line up with paragraph
- Page 5: sub-paragraph (g) make system plural.
- Page 9: Add word "system"

Motion by Mr. Mango and seconded by Mr. Daniels to adopt January changes.

Fire Alarm Subcommittee proposal. (2 page document)

- Proposed change to 1202.04, Fire Alarm and Detection System definition. No objections.
- Proposed change to 1202.09, Fire Alarm and Detection System Installer. No objections.
- Proposed change to 1202.15, Fire Alarm and Detection System Technician. No objections
- Proposed change to 1202.16 Responsible Managing Employee. Significant discussion about RME. Proposal tabled in light of upcoming proposals not yet discussed.
- Proposed adding new definitions for acronyms FADSI, FADST and RME and have them refer to full definition.
- Proposed new section 1203.01(c)(5) for Fire Alarm and Detection Systems requirement for RME. No objections.
- Proposed amendment to 1203.01(g) Some discussion about the phrase "...directly in charge of the business affairs..." There was some concern that high level managers or CEO's might not be eligible for RME status. No major objections.
- Proposed amendment to 1204.02 to add acronym and comment.
- Proposed amendment to 1204.02 (9) to add acronym and change rule reference.

Next meeting on March 5th at 9:00 am

Motion by Chairman Thibodeau and seconded by Mr. Burns to adjourn. Motion passed.

Meeting adjourned at 11:26 am
