

APPENDIX A

The programs listed below have been identified as approved training or testing programs for the following specialty licenses. Training or testing modules are not transferable from one program to another.

- 1.) GAS PIPING INSTALLER (GPI). In order to become licensed for GPI, the applicant shall show proof of one of the following programs:
 - a. Certified Employee Training Program (CETP). All of the following:
 - i. Prerequisites: None
 - ii. Module 1: Basic Principles & Practices
 - iii. Module 4.1: Vapor Distribution Systems – Layout, Design and Selection of a Vapor Distribution System
 - iv. Module 4.2: Preparing and installing DSO components.
 - b. North American Technician Excellence (NATE). All of the following:
 - i. Prerequisites: None
 - ii. NATE Core Installation Module
 - c. Granite State Trade School (GSTS): All of the following:
 - i. Prerequisites: None
 - ii. GSTS Module 1: Basic Principles
 - iii. GSTS Module 2: Basic Piping
 - d. National Fireplace Institute (NFI). All of the following:
 - i. Prerequisites: None
 - ii. NFI Gas Hearth Systems Module
 - e. Bay State Gas/Northern Utilities (BSNU) All of the following:
 - i. Prerequisites: None
 - ii. Phase 1
- 2.) EQUIPMENT INSTALLER – PROPANE (EIP). In order to become licensed for EIP, the applicant shall show proof of one of the following programs:
 - a. Certified Employee Training Program (CETP). All of the following:
 - i. Prerequisites: CETP Modules 1, 4.1, and 4.2
 - ii. CETP Module 6: Appliance Installation
 - b. North American Technician Excellence (NATE). All of the following:
 - i. Prerequisites: NATE Core Installation Module
 - ii. NATE Hydronics Installation Module OR Gas Heating (Air) Installation Module
 - c. Granite State Trade School (GSTS): All of the following:
 - i. Prerequisites: GSTS Modules 1 & 2
 - ii. GSTS Module 3: Equipment Installation
 - d. Bay State Gas/Northern Utilities (BSNU) All of the following:
 - i. Prerequisites: Phase 1
 - ii. Phases 2, 3, & 4
- 3.) EQUIPMENT INSTALLER – NATURAL (EIN). In order to become licensed for EIN, the applicant shall show proof of one of the following programs:
 - a. Certified Employee Training Program (CETP). All of the following:
 - i. Prerequisites: CETP Modules 1, 4.1 & 4.2)
 - ii. CETP Module 6: Appliance Installation
 - iii. State of Maine Supplement

APPENDIX A

- b. North American Technician Excellence (NATE). All of the following:
 - i. Prerequisites: Core Installation Module
 - ii. NATE Hydronics Installation Module OR Gas Heating (Air) Installation Module
 - c. Granite State Trade School (GSTS): All of the following:
 - i. Prerequisites: GSTS Modules 1 & 2
 - ii. GSTS Module 3: Equipment Installation Module
 - d. Bay State Gas/Northern Utilities (BSNU) All of the following:
 - i. Prerequisites: Phase 1
 - ii. Phases 2, 3, & 4
- 4.) SERVICE TECHNICIAN – PROPANE (STP). In order to become licensed for STP, the applicant shall show proof of one of the following programs:
- a. Certified Employee Training Program (CETP). All of the following:
 - i. Prerequisites: CETP Modules 1, 4.1, 4.2, & 6)
 - ii. CETP Module 7: Appliance Service
 - b. North American Technician Excellence (NATE). All of the following:
 - i. Prerequisites: NATE Core Service Module
 - ii. NATE Hydronics Gas Service Module OR NATE Gas Heating (Air) Service module
 - c. Granite State Trade School (GSTS): All of the following:
 - i. Prerequisites: GSTS Modules 1, 2, & 3
 - ii. GSTS Module 4: Equipment Service Module
 - d. Bay State Gas/Northern Utilities (BSNU) All of the following:
 - i. Prerequisites: Phase 1
 - ii. Phases 2, 3, & 4
- 5.) SERVICE TECHNICIAN – NATURAL (STN). In order to become licensed for STN, the applicant shall show proof of one of the following programs:
- a. Certified Employee Training Program (CETP). All of the following:
 - i. Prerequisites: CETP Modules 1, 4.1, 4.2, & 6)
 - ii. CETP Module 7: Appliance Service
 - iii. State of Maine Supplement
 - b. North American Technician Excellence (NATE). All of the following:
 - i. Prerequisites: NATE Core Service Module
 - ii. NATE Hydronics Gas Service Module OR NATE Gas Heating (Air) Service module
 - c. Granite State Trade School (GSTS): All of the following:
 - i. Prerequisites: GSTS Modules 1, 2, & 3
 - ii. GSTS Module 4: Equipment Service Module
 - d. Bay State Gas/Northern Utilities (BSNU) All of the following:
 - i. Prerequisites: Phase 1
 - ii. Phases 2, 3, & 4
- 6.) HEARTH SYSTEM TECHNICIAN (HST)
- a. Certified Employee Training Program (CETP). All of the following:
 - i. Prerequisites: CETP Modules 1, 4.1, 4.2, & 6)
 - ii. CETP Module 7: Appliance Service
 - iii. State of Maine Supplement

APPENDIX A

- b. North American Technician Excellence (NATE). All of the following:
 - i. Prerequisites: NATE Core Service Module
 - ii. NATE Hydronics Gas Service Module OR NATE Gas Heating (Air) Service module
- c. Granite State Trade School (GSTS): All of the following:
 - i. Prerequisites: None
 - ii. National Fireplace Institute (NFI) Gas Hearth Systems Module
- d. National Fireplace Institute (NFI): All of the following:
 - i. Prerequisites: None
 - ii. NFI Gas Hearth Systems Module
- e. Bay State Gas/Northern Utilities (BSNU) All of the following:
 - i. Prerequisites: Phase 1
 - ii. Phases 2, 3, & 4
