

FIRE-ACT GRANT WORKSHOPS IN NEW HAMPSHIRE AND VERMONT

United States Department of Homeland Security (Federal Emergency Management Agency) Region I and the New Hampshire Department of Safety, Division of Fire Standards and Training and Emergency Medical Services are sponsoring free workshops on the 2012 Assistance to Firefighters Grant Program. Interested fire department and emergency medical services representatives are invited to attend. The purpose of the workshops is to explain the 2012 grant program and to answer questions. Information will be presented on the program and on the application process. Also, general assistance in the writing of a competitive narrative for a department's grant application will be discussed.

The programs will be conducted in two locations in New Hampshire and also in White River Junction - VT and will be lead by David Parr, FEMA Region I Fire Service Point of Contact. No reservations required.
