

FIRE-ACT GRANT WORKSHOPS IN NEW HAMPSHIRE

United States Department of Homeland Security (Federal Emergency Management Agency) Region I and the New Hampshire Department of Safety, Division of Fire Standards and Training and Emergency Medical Services are sponsoring free workshops on the 2010 Assistance to Firefighters Grant Program. Interested fire department and emergency medical services representatives are invited to attend. The purpose of the workshops is to explain the 2010 grant program and to answer questions. Information will be presented on the program and on the application process. Also, general assistance in the writing of a competitive narrative for a department's grant application will be discussed.

The programs will be conducted around the state and will be lead by Bob Waters, FEMA Region I Fire Service Point of Contact. Reservations must be made at least seven days prior to the scheduled workshop you intend on attending to Denice McAdoo at 223-4220 (or 1-800-371-4503) or denice,mcadoo@dos.nh.gov.
